**THE PROJECT**

**SECTION 3.01 Disbursements from Project Fund.**

(a) The Qualified Agency may cause disbursements to be made from the applicable subaccount of the Project Fund in accordance with any written contract with a grant recipient, this Financing Agreement, the Authorizing Law and a Resolution.

(b) The Qualified Agency acknowledges that the Project Fund may be applied in accordance with a Resolution for purposes other than the payment of Project Costs.

Subject to Subsection (e) of this Section 3.01, upon determining that the submitted Disbursement Certificate has been properly completed, the Executive Director shall cause the Comptroller to transfer funds in the Project Fund to the appropriate fund(s) of the Qualified Agency in the amount(s) set forth in the Disbursement Certificate. The Qualified Agency shall apply the funds so transferred to the payment of Project Costs.

(e) In the event that the Authority determines that the Qualified Agency has breached any material representation, warranty, or agreement in this Financing Agreement, the Authority, in its discretion, may suspend further disbursement of funds from the Project Fund if it is advised in writing by the Texas Attorney General that (1) such suspension is lawful, and (2) such breach constitutes a breach of this Financing Agreement and such suspension may commence not sooner than the 30th day after the date of delivery to an Authorized Agency Representative of notice of such suspension, and may continue until such breach is cured or is waived by the Executive Director. ## ARTICLE IV

### THE PUBLIC SECURITIES

#### **SECTION 4.01 Issuance of the Public Securities.**

The Authority shall use its best efforts to issue and sell the Public Securities from time to time in an amount that is sufficient for the Project to be made available in the Project Fund for the payment of the Project Costs.

#### **SECTION 4.02 Cooperation by Qualified Agency.**

The Qualified Agency shall take the action(s), enter into the agreement(s), provide the certification(s) contemplated by this Financing Agreement, and otherwise cooperate with the Authority and its agents, to effect the lawful issuance and administration of the Public Securities under this Financing Agreement.

#### **SECTION 4.03 Maintaining Tax-Exempt Status of Tax-Exempt Public Securities.**

(a) **Not to Cause Interest to Become Taxable.** (a) In connection with each issue of tax-exempt Public Securities, the Qualified Agency will at all times do and perform all acts and things within its power and authority necessary to comply with each applicable requirement of Section 103 and Sections 141 through 150 of the Code.

(b) The Qualified Agency covenants to refrain from any action which would adversely affect, or to take such action to assure, the treatment of any tax-exempt Public Securities as obligations described in section 103 of the Code, the interest on which is not includable in the "gross income" of the holder for purposes of federal income taxation. In furtherance thereof, the Qualified Agency covenants as follows:

(i) to take any action to assure that no more than 10 percent of the Proceeds of any tax-exempt Public Securities (less amounts deposited to a reserve fund, if any) are used for any "private business use," as defined in section 141(b)(6) of the Code or, if more than 10 percent of such Proceeds are so used, such amounts, whether or not received by the Qualified Agency, with respect to such private business use, do not, under the terms of a Resolution or any underlying arrangement, directly or indirectly, secure or provide for the payment of more than 10 percent of the debt service on such Public Securities, in contravention of section 141(b)(2) of the Code;

(ii) to take any action to assure that in the event that the "private business use" described in subsection (a) hereof exceeds 5 percent of the proceeds of any tax-exempt Public Securities (less amounts deposited into a reserve fund, if any) then the amount in excess of 5 percent is used for a "private business use" which is "related" and not "disproportionate," within the meaning of section 141(b)(3) of the Code, to the governmental use;

(iii) to take any action to assure that no amount which is greater than the lesser of \$5,000,000, or 5 percent of the proceeds of any tax-exempt Public Securities (less amounts deposited into a reserve fund, if any) is directly or indirectly used to finance loans to persons, other than state or local governmental units, in contravention of section 141(c) of the Code;

(iv) to take any action to assure that no more than 5 percent of the Proceeds of any tax-exempt Public Securities are used to provide any output facility (other than a facility for furnishing water) with respect to which there is any "private business use" as more fully set forth in section 141(b)(3) of the Code;

(v) to refrain from taking any action which would otherwise result in any tax-exempt Public Securities being treated as "private activity bonds" within the meaning of section 141(b) of the Code;

(vi) to refrain from taking any action that would result in any tax-exempt Public Securities being "federally guaranteed" within the meaning of section 149(b) of the Code;

(vii) to refrain from using any portion of the proceeds of any tax-exempt Public Securities, directly or indirectly, to acquire or to replace funds which were used, directly or indirectly, to acquire investment property (as defined in section 148(b)(2) of the Code) which produces a materially higher yield over the term of such Public Securities, other than investment property acquired with -

(A) proceeds of the Public Securities invested for a reasonable temporary period of 3 years or less until such proceeds are needed for the purpose for which such Public Securities are issued;

(B) amounts invested in a bona fide debt service fund, within the meaning of section 1.148-1(b) of the Regulations; and

(C) amounts deposited in any reasonably required reserve or replacement fund to the extent such amounts do not exceed 10 percent of the stated principal amount (or, in the case of a discount, the issue price) of such Public Securities; and

(viii) to otherwise restrict the use of the proceeds of any tax-exempt Public Securities or amounts treated as proceeds of such Public Securities as may be necessary, so that the Public Securities do not otherwise contravene the requirements of section 148 of the Code (relating to arbitrage), section 149(g) of the Code (relating to hedge Public Securities), and, to the extent applicable, section 149(d) of the Code (relating to advance refundings).

(c) The Qualified Agency will account for the expenditure of Sale Proceeds and Investment Proceeds on its books and records in accordance with the requirements of the Code. The Qualified Agency recognizes that in order for the proceeds to be considered used for the reimbursement of costs, the proceeds of any tax-exempt Public Securities must be allocated to expenditures within 18 months of the later of the date that (1) the expenditure is made, or (2) the Project is completed; but in no event later than three years after the date on which the original expenditure is paid. The foregoing notwithstanding, the Authority recognizes that in order for proceeds of any tax-exempt Public Securities to be expended under the Code, the sale proceeds or investment earnings must be expended no more than 60 days after the earlier of (1) the fifth anniversary of the delivery of such Public Securities, or (2) the date such Public Securities are retired. The Qualified Agency covenants and agrees to obtain the advice of Bond Counsel if such expenditure fails to comply with the foregoing to assure that such expenditure will not adversely affect the tax-exempt status of any tax-exempt

Public Securities. For purposes hereof, the Qualified Agency shall not be obligated to comply with this covenant if it obtains an opinion that such failure to comply will not adversely affect the excludability of interest on any tax-exempt Public Securities from the gross income for federal income tax purposes.

(d) The Qualified Agency shall not, expend, or permit to be expended, the proceeds of any tax-exempt Public Securities in any manner inconsistent with its reasonable expectations as certified in the Federal Tax Certificates to be executed from time to time with respect to any tax-exempt Public Securities; provided, however, that the Qualified Agency may expend proceeds of any tax-exempt Public Securities in any manner if the Qualified Agency first obtains an unqualified opinion of Bond Counsel that such expenditure will not adversely effect the exemption from federal income taxation of interest paid on such Public Securities.

#### **SECTION 4.04 OMITTED.**

#### **SECTION 4.05 Disclosure Documents.**

(a) The Qualified Agency shall provide the Authority, promptly upon request, with available information relating to the Qualified Agency or the Project that the Executive Director determines appropriate for inclusion in the Disclosure Documents. The Qualified Agency authorizes the Authority to include any such information in the Disclosure Documents.

(b) The Qualified Agency shall provide the Authority with certification of an Authorized Agency Representative to the effect that the information contained in the Disclosure Documents provided by the Qualified Agency is accurate and does not omit any information necessary to make the information provided not misleading.

(c) The Qualified Agency authorizes the Authority and any offeree or purchaser of the Public Securities to rely on the information and certifications provided by the Qualified Agency under this section. The Public Securities will not be issued unless the information and certifications requested under this section have been provided by the Qualified Agency.

### **ARTICLE V**

**SECTION 5.04 Title Insurance.**

The Qualified Agency represents that, subject to applicable law, it does not intend to acquire any real property at a purchase price in excess of \$25,000 unless:

(1) the Qualified Agency's title to such property is insured by title insurance in an amount not less than the purchase price paid by the Qualified Agency, subject to standard printed exceptions, with only those changes thereto normally required by a prudent purchaser; or

(2) the Qualified Agency determines that the acquisition of such real property without such title insurance is appropriate.

**ARTICLE VI**
