The Bonds are limited obligations of the Issuer, payable solely out of the revenues received by the Issuer pursuant to a Loan Agreement dated as of March 1, 2010 (the "Loan Agreement"), between the Borrower and the Issuer, and the Promissory Note (the "Master Note") to be issued under the Master Trust Indenture and Security Agreement dated as of March 1, 2010, as supplemented by the Supplemental Master Trust Indenture No. 1, dated as of March 1, 2010, both between the Borrower and The Bank of New York Mellon Trust Company, National Association, Dallas, Texas, as master trustee, including all money and investments held for the credit of the funds and accounts established by or under the Indenture (except the Rebate Fund), and in certain events out of amounts secured through the exercise of the remedies provided in the Indenture, the Loan Agreement, and the Master Note upon occurrence of an Event of Default (as defined in the Indenture). The Borrower will issue a Deed of Trust and Security Agreement (With Assignment of Rents and Leases) dated as of March 1, 2010, covering its leasehold estates and its real property comprising the Campuses in favor of the Master Trustee for the benefit of the holder of the Master Note. Bonds redeemed as described in this paragraph will be redeemed within 60 days of such deposit at a redemption price equal to the unpaid principal amount of the Bonds being redeemed, without premium, plus accrued interest to the redemption date.

Extraordinary Optional Redemption. The Bonds are subject to extraordinary redemption, at the option of the Issuer upon the request of a Borrower Representative, at a redemption price of par plus interest accrued thereon to the redemption date, without premium, on any date, in the event the Project is damaged, destroyed, or condemned or threatened to be condemned, (i) in whole, if, in accordance with the terms of the Loan Agreement, the Project is not reconstructed, repaired, or replaced, with insurance or condemnation proceeds transferred from the Construction Fund to the Debt Service Fund which, together with an amount required to be paid by the Borrower pursuant to the Loan Agreement, will be sufficient to pay the Bonds in full, or (ii) in part, after reconstruction, repair, or replacement of the Project in accordance with the terms of the Loan Agreement, with excess insurance or condemnation proceeds transferred from the Construction Fund to the Debt Service Fund for such purpose.

Redemption in Part. If less than all of the Bonds are called for redemption, the particular Bonds or portions thereof to be redeemed shall be redeemed by the Trustee at the direction of the Borrower; provided, however, that portions of the Bonds will be redeemed in Authorized Denominations; and provided further, that no redemption will result in an outstanding Bond being less than an Authorized Denomination.

In case part, but not all, of a Bond is selected for redemption, the owner thereof or his attorney or legal representative must present and surrender the Bond to the Trustee for payment of the redemption price, and the Issuer will cause to be executed, authenticated, and delivered to or upon the order of such owner or his attorney or legal representative, without charge therefore, in exchange for the unredeemed portion of the principal amount of such Bond so surrendered, a Bond of the same Stated Maturity and bearing interest at the same rate.

Notice of Redemption. At least 30 days prior to the date fixed for any redemption of the Bonds, but not more than 60 days prior to any redemption date, the Trustee will cause a written notice of such redemption to be mailed by first class mail, postage prepaid, to the Owners of the Bonds to be redeemed, at such Owner's address appearing on the bond registration books on the date such notice is mailed by the Trustee. Any notice mailed as provided herein will be conclusively presumed to have been given, irrespective of whether or not received. By the date fixed for any such redemption, due provision will be made with the Trustee and the Paying Agent for the payment of the appropriate redemption price. If such written notice of redemption is made and if due provision for payment of the redemption price is made, all as provided above and in the Indenture, the Bonds which are to be redeemed thereby automatically will be deemed to have been redeemed prior to their scheduled maturity, and they will not bear interest after the date fixed for redemption, and they will not be regarded as being Outstanding except for the right of the Owner to receive the redemption price out of the funds provided for such payment. If any Bond is not paid upon the surrender thereof at the maturity or redemption date thereof, such Bond will continue to be Outstanding and will continue to bear interest until paid at the interest rate borne by such Bond.

Purchase in Lieu of Redemption. The Bonds are subject to purchase in lieu of redemption by the Borrower prior to their maturity date at any time on or after August 13, 2020, in whole or in part, if the following conditions are satisfied:

(a) The Borrower and the Holders of not less than a majority in aggregate of the outstanding Bonds subject to such redemption, negotiate and agree upon a purchase price which is communicated to the Trustee in writing;

(b) Upon written agreement as described in (a) above, the Borrower shall direct the Trustee to purchase all or a portion of the Bonds and has provided funds to the Trustee for deposit in the Debt Service Fund in the amount necessary to pay the purchase price of the selected portion of the Bonds in excess of that required to fully satisfy the next scheduled interest and principal payments due on such portion of the Bonds, and provided for deposit into the Debt Service Fund an amount as the Trustee may require to cover its accrued and anticipated fees and expenses;

(c) The Trustee confirms that the amount provided for by the Borrower pursuant to (b) above is sufficient to purchase the applicable Bonds at the purchase price agreed to by the Borrower and the Holders of not less than a majority in aggregate of the outstanding Bonds pursuant to (a) above; and

(d) The Beneficial Owners of Bonds to be purchased shall severally indemnify and hold harmless the Trustee in a form and with such security as may be satisfactory to the Trustee, from and against any and all liabilities, claims, or losses arising out of, by virtue of, or in connection with, the tender of bonds, up to the amount of the value of the bonds tendered, except in the case of gross negligence, willful misconduct, or bad faith on the part of the Trustee.

As portions of the Bonds are purchased pursuant to this provision, such purchase of the portion of the Bonds will be considered to have satisfied, in whole or in part, the next succeeding scheduled sinking fund payment requirements as set forth in this Indenture. Once purchased, such portions of the Bonds shall be delivered to the Trustee and cancelled.

SECURITY AND SOURCE OF PAYMENT

Security for the Bonds

THE BONDS ARE LIMITED OBLIGATIONS OF THE ISSUER, PAYABLE SOLELY FROM REVENUES RECEIVED PURSUANT TO THE LOAN AGREEMENT, THE MASTER NOTE, AND, IN CERTAIN CIRCUMSTANCES, OUT OF AMOUNTS SECURED THROUGH THE EXERCISE OF REMEDIES PROVIDED IN THE INDENTURE, THE LOAN AGREEMENT, AND THE MASTER NOTE. THE BONDS ARE NOT OBLIGATIONS OF THE STATE, OR ANY ENTITY OTHER THAN THE ISSUER. NONE OF THE STATE, OR ANY POLITICAL CORPORATION, SUBDIVISION, OR AGENCY OF THE STATE SHALL BE OBLIGATED TO PAY THE BONDS OR THE INTEREST THEREON AND NEITHER THE FULL FAITH AND CREDIT NOR THE TAXING POWER OF THE STATE, OR ANY OTHER POLITICAL CORPORATION, SUBDIVISION, OR AGENCY OF THE STATE IS PLEDGED TO THE PAYMENT OF THE PRINCIPAL OF, PREMIUM, IF ANY, OR INTEREST ON THE BONDS. THE ISSUER HAS NO TAXING POWER.

The Loan Agreement

The Bonds are payable from amounts payable by the Borrower under the Master Note and secured by a pledge and assignment to the Trustee of the Issuer's rights under the Loan Agreement and the rights of the Issuer to receive loan payments thereunder (excluding certain fees and expenses and certain indemnity payments payable to the Issuer). Pursuant to the Loan Agreement, the Borrower agrees to make loan payments to the Issuer sufficient to provide funds to make required payments of principal, premium, if any, and interest on the Bonds in full, which loan shall be evidenced by the Master Note. All such loan payments are required to be made to the Trustee by the Borrower.

The Master Note

Pursuant to the Loan Agreement, the Borrower will execute and deliver to the Trustee, as the designee of the Issuer, the Master Note in the principal amount equal to the principal amount of the Bonds. Payments under the Master Note are scheduled to be made at the times and in the amounts required to pay debt service on the Bonds and will be credited against the loan payments required to be made by the Borrower under the Loan Agreement. (See APPENDIX F – Substantially Final Form of the Loan Agreement.)

The Master Indenture

The Master Note issued by the Borrower to the Trustee evidencing the obligation of the Borrower to make the payments required under the Loan Agreement is a duly authorized promissory note of the Borrower issued pursuant to and secured by the Master Indenture. Under the Master Indenture, the Borrower unconditionally and irrevocably covenants that it will promptly pay the principal of, premium, if any, and interest and any other amount due on every note issued under the Master Indenture, subject to certain limitations relating to fraudulent conveyance, insolvency, and other considerations, and has granted a security interest in its Adjusted Revenues to the Master Trustee, which Adjusted Revenues are pledged to the payment of the Master Note issued under the Master Indenture, including the Master Note. The Borrower has also granted a lien on certain real and personal property for the benefit of the Master Trustee. (See APPENDIX D – Substantially Final Forms of the Master Indenture and the Supplemental Master Trust Indenture No. 1.)

Revenue Fund

As security for the repayment of the Master Note and the performance by the Borrower of its other obligations under the Financing Documents, the Borrower will covenant and agree in the Master Indenture that, if an Event of Default under the Master Indenture shall occur it will deliver or cause to be delivered to the Master Trustee, within five Business Days from the day of receipt, all of the Adjusted Revenues for deposit into the Revenue Fund held by the Master Trustee until no default under the Master Indenture exists. The Borrower authorizes and directs the Master Trustee to invest and disburse such amounts and proceeds in accordance with the Master Indenture.

The Master Trustee is required to immediately transfer funds on deposit in the Revenue Fund in accordance with the Master Indenture. To the extent funds in the Revenue Fund are transferred by the Master Trustee in accordance with the requirements of the Master Indenture and are sufficient for such purposes, the transfer and application of such funds for the purposes described in the Master Indenture shall be considered to satisfy the related Loan Payment obligations of the Borrower. To the extent funds in the Revenue Fund are ever insufficient to satisfy the transfer requirements of the Indenture, the Borrower shall make the related Loan Payments from funds other than the Adjusted Revenues, if any.

The Master Indenture provides that the Master Trustee will immediately withdraw and pay or deposit from the amounts on deposit in the Revenue Fund the following amounts in the order of priority indicated:

- (1) to the Master Trustee any fees or expenses which are then due and payable;

(2) equally and ratably to the Holder of each instrument evidencing an Issuer Master Note on which there has been a default in the payment of principal or interest on the Master Note an amount equal to first to all defaulted interest on such Master Note and second to all defaulted principal of (or premium, if any) on such Master Note;

(3) a transfer to the Interest Account of an amount necessary to accumulate in equal amounts the interest on the Master Notes due and payable on the next Interest Payment Date; provided, however, that to the extent available, each transfer made on the fifth Business Day before the end of the month immediately preceding each Interest Payment Date shall be in an amount to provide, together with amounts then on deposit in the Interest Account, the balance of the interest due on the Master Notes on the next succeeding Interest Payment Date. There shall be paid from the Interest Account equally and ratably to the Holder of each instrument evidencing a Master Note the amount of interest on each Master Note as such interest becomes due;

(4) a transfer to the Principal Account of the amount necessary to accumulate in equal monthly installments the principal of the Master Notes maturing or subject to mandatory sinking fund redemption on the next Interest Payment Date taking into account with respect to each such payment (i) any other money actually available in the Principal Account for such purpose and (ii) any credit against amounts due on each Interest Payment Date granted pursuant to other provisions of the Master Indenture; provided, however, that to the extent available, the transfer made on the fifth Business Day before the end of each month immediately preceding such Interest Payment Date shall be in an amount to provide, together with amounts then on deposit in the Principal Account, the balance of the principal maturing or subject to mandatory sinking fund redemption on the next succeeding Interest Payment Date. There shall be paid from the Principal Account equally and ratably to the Holder of each instrument evidencing a Master Note the amount of principal payments due on each Master Note, whether at maturity or earlier mandatory redemption (other than by reason of acceleration of maturity or other demand for payment), as such principal becomes due;

(5) to the Holder of any Issuer Master Note entitled to maintain a reserve fund for the payment of such Issuer Master Note, an amount sufficient to cause the balance on deposit in such reserve fund to equal the required balance in 12 equal monthly installments or as otherwise in amounts required by the Related Bond Documents; and

(6) to the Borrower, the amount specified in a Request as the amount of ordinary and necessary expenses of the Borrower for its operations for the following month.

Any balance remaining in the Revenue Fund on the day following the end of the month in which all Events of Default under the Master Indenture have been cured, will be paid to the Borrower at its depository bank upon request to be used for any lawful purpose.

Upon satisfaction of the applicable requirements of Section 212 of the Master Indenture, additional Debt may be issued for the purposes provided in the Act, to pay the costs associated with such additional Debt, and/or for the purpose of refunding any Outstanding Debt if certain conditions are met. Among those conditions are (A) delivery of an Officer's Certificate stating that, for either the Company's most recently completed Fiscal Year or for any consecutive twelve months of the most recent eighteen months immediately preceding the issuance of the additional Debt, the Available Revenues equal at least 1.20 times the Maximum Annual Debt Service on all Debt then Outstanding prior to the issuance of the additional Debt and (B) an Independent Management Consultant selected by the Company provides a written report setting forth projections which indicate that the estimated Available Revenues are equal to at least 1.10 times the Maximum Annual Debt Service for all Debt then Outstanding, including the proposed additional Debt, in the Fiscal Year immediately following the completion of the Project being financed. For all requirements relating to the issuance of additional Debt see Section 212 of APPENDIX D-Substantially Final Forms of the Master Indenture and the Supplemental Master Trust Indenture No.1.

The Indenture

Under the Indenture, the Issuer will grant to the Trustee for the equal and ratable benefits of the Holders of the Bonds, all of the Issuer's right, title, and interest in and to, among other things, the following: (i) the Loan Agreement, including all amounts payable thereunder, including but not limited to the Loan Payments, the Master Note, any and all security heretofore or hereafter granted or held for the payment thereof, and the present and continuing right to bring actions and proceedings under the Loan Agreement or for the enforcement thereof and to do any and all things which the Issuer is or may become entitled to do thereunder, but excluding the amounts agreed to be paid by the Borrower noted in such Loan Agreement, (ii) all money and investments held for the credit of the funds and accounts established by or under the Indenture (except the Rebate Fund) as described in the Indenture, and (iii) any and all property that may, from time to time hereafter, by delivery or by writing of any kind, be subjected to the lien and security interest hereof by the Issuer or by anyone on its behalf, which subjection to the lien and security interest hereof of any such property as additional security may be made subject to any reservations, limitations, or conditions that shall be set forth in a written instrument executed by the Issuer or the Person so acting on its behalf or by the Trustee respecting the use and disposition of such property or the proceeds thereof. (See APPENDIX E – Substantially Final Form of the Indenture.)

Debt Service Fund

The Indenture establishes a Debt Service Fund. The money deposited into the Debt Service Fund, together with all investments thereof and investment income therefrom, will be held in trust and applied solely as provided in the Indenture. The Trustee, on the date of issuance of the Bonds, will deposit the amount specified in an Issuer Order into the Capitalized Interest Account of the Debt Service Fund for the purpose of paying a portion of the interest on the Bonds. Thereafter, the Trustee will deposit to the credit of the Debt Service Fund immediately upon receipt: (i) amounts due and payable by the Borrower pursuant to the terms of the Loan Agreement and the Master Note,

(ii) any other amounts required by the Indenture, and (iii) any other amounts delivered to the Trustee for deposit thereto. On each Interest Payment Date, the Trustee will withdraw money from the Debt Service Fund to pay the principal and interest due on the Bonds.

Debt Service Reserve Fund

The Indenture establishes a Debt Service Reserve Fund. There will initially be deposited in the Debt Service Reserve Fund from the proceeds of the Bonds an amount equal to the lesser of (i) the maximum annual principal and interest requirements of the Bonds, (ii) one hundred twenty-five percent (125%) of the average annual Debt Service on the Bonds, or (iii) ten percent (10%) of the sale proceeds of the Bonds (the "Debt Service Reserve Fund Requirement"). Except as otherwise provided in the Indenture, the Debt Service Reserve Fund at all times will be maintained at an amount equal to the Debt Service Reserve Fund Requirement. If there are insufficient funds in the Debt Service Fund to pay the Debt Service on the Bonds by 12:00 noon (Central Time) four Business Days prior to the day on which payment of the Debt Service on the Bonds is due, the Trustee will transfer from the Debt Service Reserve Fund to the Debt Service Fund amounts necessary to make such payments from the Debt Service Fund on the day on which payment of the Debt Service on the Bonds is due.

If the amount in the Debt Service Reserve Fund is less than the Debt Service Reserve Fund Requirement because the Trustee has applied funds in the Debt Service Reserve Fund to pay Debt Service on the Bonds, the Trustee will promptly notify the Borrower in writing that a deficiency in the Debt Service Reserve Fund exists, and the Borrower will (1) within 30 days of receipt of such notice, pay to the Trustee the full amount needed to restore the Debt Service Reserve Fund to the Debt Service Reserve Fund Requirement or (2) in twelve (12) consecutive equal monthly installments, the first of which shall be made within thirty (30) days from the date of receipt of such notice, pay such deficiency to the Trustee for deposit into the Debt Service Reserve Fund to restore the amount in the Debt Service Reserve Fund to equal the Debt Service Reserve Fund Requirement. Notwithstanding the foregoing, moneys in the Debt Service Reserve Fund may be applied to pay Debt Service during the 12 months immediately preceding and including the final maturity of the Bonds without violating the foregoing requirement to maintain the Debt Service Reserve Fund in an amount equal to the Debt Service Reserve Fund Requirement.

Upon any redemption or defeasance of all Outstanding Bonds, the moneys on deposit in the Debt Service Reserve Fund will be transferred to the Debt Service Fund to be used for the purposes of such redemption or to an escrow fund for the purpose of defeasance, as the case may be. If the balance of the Debt Service Reserve Fund is equal to or in excess of the aggregate requirements on the then outstanding Bonds, the Trustee will transfer the balance on deposit in the Debt Service Reserve Fund to the Debt Service Fund.

So long as any Bonds are outstanding, the Borrower will have no right, title, or interest in or to the funds in the Debt Service Reserve Fund.

The Borrower may satisfy all or any part of the Debt Service Reserve Fund Requirement by obtaining for the benefit of the Debt Service Reserve Fund one or more Reserve Fund Surety Policies or upon receipt of a guarantee from the Issuer. In the event the Borrower elects to substitute at any time a Reserve Fund Surety Policy for any funded amounts in the Debt Service Reserve Fund, it may apply any Bond proceeds thereby released, including investment earnings on Bond proceeds, to any purposes for which the Bonds were issued and any other funds thereby released to any purposes for which such funds may lawfully be used. In the event the Debt Service Reserve Fund contains one or more Reserve Fund Surety Policies, the Trustee shall not draw on a Reserve Fund Surety Policy unless no other cash or investments are otherwise available in the Debt Service Reserve Fund. Whenever amounts have been drawn on one or more Reserve Fund Surety Policies, amounts subsequently transferred to the Debt Service Reserve Fund shall be used to reimburse the provider (or if more than one, to the providers on a proportionate basis) of such Reserve Fund Surety Policies in accordance with the terms thereof, for the amounts advanced, interest thereon and any associated fees. The issuer(s) of such Reserve Fund Surety Policy or Policies shall be secured with respect to such reimbursement obligations by a lien on the Adjusted Revenues, subject and subordinate to the lien securing the Bonds and the required deposits to the Debt Service Fund, and shall further be secured by a lien on amounts from time to time on deposit in and required to be deposited to the Debt Service Reserve Fund, which lien shall be subject and subordinate to the lien securing the Bonds.

Deed of Trust

The Borrower will issue a Deed of Trust and Security Agreement (With Assignment of Rents and Leases) covering the leasehold estate on the following campuses located in Dallas, Texas: 8301 Bruton Road, 6455 Scyene Road, and the estate on the Campus located at 2800 Prichard (collectively, the "Land and Improvements"), in favor of the Master Trustee for the benefit of the Holders of the Master Note.

Capitalized Interest

The financing plan includes capitalized interest to provide for the payment of interest due on a portion of the Bonds through February 1, 2012.

RISK FACTORS

Limited Obligations

The Bonds are special and limited obligations of the Issuer. They are secured by and payable solely from funds payable by the Borrower under the terms and conditions of the Loan Agreement and as otherwise described herein. The obligations of the Issuer under the Indenture are not general obligations of the Issuer and neither the Trustee nor the registered or beneficial owners of the Bonds will have any

recourse to any property, funds, or assets of the Issuer (other than the property granted the Trustee as part of the Trust Estate) with respect to such obligations. See "SECURITY AND SOURCE OF PAYMENT."

Dependence on the Operations of the Borrower

Dependence on Per Student Revenues. The Borrower derived approximately 83.70% of its revenues during the 2008-2009 fiscal year from payments by the State of Texas based on the school district that a student would otherwise attend for each student in average daily attendance. The timely payment of principal and interest on the Bonds therefore depends on operations of the Borrower attracting and retaining the number of students that are needed to provide sufficient revenues to make timely payment of Loan Payments securing payment of the Debt Service on the Bonds. See "FINANCIAL AND OPERATIONS INFORMATION-Projections by the Borrower; Required Increases in Attendance for Payment of Future Debt Service" and "APPENDIX B – Proforma Financial Plan."

Growth of Student Enrollment. For 2009-2010, the Borrower expects to receive approximately \$5,297 to \$5,527 per student in weighted average daily attendance for the Bruton campus and \$5,304 to \$5,534 in weighted average daily attendance for the Scyene campus, but such amount may vary from year to year. See "THE SYSTEM OF CHARTER SCHOOLS IN TEXAS-State Funding" and "-Local Funding". The student enrollment was 365 for the 2004-2005 fiscal year, 385 for the 2005-2006 fiscal year, 423 for the 2006-2007 fiscal year, 438 for the 2007-2008 fiscal year, and 486 for the 2008-2009 fiscal year. As of January 4th, 2010, enrollment was 443. The Borrower anticipates that it will be able to fulfill its enrollment projections based on past trends in enrollment. Failure to attract and retain students in amounts projected by the Borrower would adversely affect the Borrower's ability to provide sufficient revenues to make timely payment of Loan Payments securing payment of the Debt Service on the Bonds. See "FINANCIAL AND OPERATIONS INFORMATION-Projections by the Borrower; Required Increases in Attendance for Payment of Future Debt Service" and "APPENDIX B – Proforma Financial Plan."

Accuracy of Borrower Projections of Growth. The Borrower can pay the debt service on the Bonds without any increases to its weighted average daily attendance. Also, interest will be capitalized through February 1, 2012. The bases for such projections are the applications for admissions for the Borrower's grades currently in operation (grades K-6). As of January 4th, 2010, there were 280 applications on the waiting list for admission and the Borrower's historical ratio of acceptance of applications has been approximately 40%. See "APPENDIX B – Proforma Financial Plan." These projections may involve known and unknown risks, uncertainties, and other factors, which may cause the actual results, performance, and achievements to be different from the future results, performance, or achievements expressed or implied by such forward-looking statements. Potential investors are cautioned that the actual results could differ materially from those set forth in the forward-looking statements. The projections are from the Borrower, and neither the Issuer nor the Underwriter has commissioned an independent feasibility analysis of any of the projected student attendance figures upon which the Borrower's projections are based. No independent confirmation of the Borrower's projections has been made, and while the Borrower believes its projections of growth of average daily attendance are reasonable, such growth may or may not occur and may be affected by a variety of factors, including completion of the Project in a timely manner, continued provision for funding of the Borrower by the State at adequate levels, continued operations and maintenance of the Borrower's facilities, and competition from other public or private schools in the areas where the Borrower operates its schools. See "FINANCIAL AND OPERATIONS INFORMATION-Projections by the Borrower; Required Increases in Attendance for Payment of Future Debt Service" and "APPENDIX B – Proforma Financial Plan."

Risks of Non-Completion. The financed facility requiring construction is located in Dallas, Texas (see "PLAN OF FINANCING – Summary of Project and Expenses"). The projected completion date is May 15, 2011.

Bond proceeds will be escrowed with the Trustee in the Project Account of the Construction Fund until such time that a fixed-price construction contract is presented to complete the construction using the amounts available in the Project Fund and other available funds of the Borrower as necessary. Failure to complete the Project could negatively affect the Borrower's ability to add additional students or to maintain sufficient students necessary to make timely payment of Loan Payments.

Risks of Construction Contract. The Borrower has entered into a fixed-price construction contract for construction of the Project. The Borrower has been advised by its architect that the proceeds of the Bonds will be sufficient for completion of the Project. If proceeds are not in fact sufficient, the restrictions on issuance of additional Debt by the Borrower contained in the Master Indenture could limit the ability of the Borrower to borrow any additional funds necessary for Project completion, which could adversely affect payment of the Bonds. Completion of the Project may be at risk in the event of failures of the contractor or of any underlying bonding companies. As noted, restrictions on issuance of additional Debt by the Borrower contained in the Master Indenture could limit the ability of the Borrower to borrow additional funds necessary for Project completion, which could adversely affect payment of the Bonds.

Risks Associated with Charter School Operations. The likelihood of success of the Borrower must be viewed in light of the special problems, expenses, difficulties, delays, and complications often encountered in the operation of a charter school. The Borrower has been operating since July 1998. Construction of the new facilities is necessary to reach projected average daily attendance. The Borrower's Scyene and Bruton charters are subject to renewal on July 1, 2013, and July 1, 2015, respectively. The Borrower's revenues per student should equal the revenues per student of traditional public schools available for operations and maintenance, but do not include the revenues available for capital outlays, and are significantly less than revenues received by many private schools in the area. A potential investor should anticipate that significant operational difficulties will exist for the Borrower which may not exist for traditional public schools or for established private schools.

The system of charter schools in Texas was established in 1995. Potential purchasers should therefore be aware that the system under which the Borrower operates could be significantly affected by unforeseen problems arising from the statutory provisions governing charter schools in Texas or future changes therein. See “–Dependence on the State–Changes in the School Finance System” and “THE SYSTEM OF CHARTER SCHOOLS IN TEXAS”.

Competition. Unlike school districts, the Borrower must attract students from other schools, both public and private, within the general area of the schools. No students are required to attend the Borrower’s charter schools, and students at the Borrower’s charter schools may subsequently transfer to other public or private schools at will. There are numerous public and private schools in the immediate areas where the Borrower’s schools are located, many of which may be closer to the homes of present or prospective students of the Borrower’s charter schools. Failure by the Borrower to provide facilities or academics at a level acceptable to students and their parents would presumably cause the Borrower to fail to attract or maintain students, and would negatively affect the ability of the Borrower to make Loan Payments in an amount sufficient to pay the Bonds.

Risks Associated with Schools. There are a number of factors affecting schools in general that could have an adverse effect on the Borrower’s financial position and ability to make Loan Payments. These factors include, but are not limited to, increasing costs of compliance with federal, State, or local regulatory laws or regulations, including, without limitation, laws or regulations concerning environmental quality, work safety, and accommodating persons with disabilities; any unionization of the Borrower’s work force with consequent impact on wage scales and operating costs of the Borrower; the ability to attract a sufficient number of students and to maintain faculty meeting appropriate standards; and changes in existing statutes pertaining to the powers and minimum funding levels for charter schools. School operations also present significant risks and operational and management issues not encountered in other enterprises. While Texas law provides that the Borrower is immune from liability to the same extent as a school district, and that its employees and volunteers are immune from liability to the same extent as employees and volunteers of a school district, a potential investor should anticipate that, because the Borrower provides services to children, any failure in the Borrower’s operation and management could result in liability risks to the Borrower which would not be present for other enterprises not engaged in providing such services.

Limited Assets of the Borrower. If the Borrower does not generate sufficient revenues to pay all of the Borrower’s loan obligations and operating expenses, the Borrower may have no other source of funds to make such payments. Further, while the payments of Debt Service occur prior to payments of the Borrower’s operating expenses, a failure to make such operating payments would presumably ultimately result in the inability of the Borrower to attract students or maintain sufficient revenues for payment of its Loan Payments.

No Taxing Power. Neither the Issuer nor the Borrower has taxing power.

Payment of State Funds to Master Trustee. The Master Indenture provides that, upon the occurrence of an Event of Default, all of the Adjusted Revenues will be deposited into the Revenue Fund held by the Master Trustee, and the Borrower covenants and agrees in the Master Indenture that, without demand by the Master Trustee, it will deliver or cause to be delivered to the Master Trustee within five Business Days from the day of receipt the Revenues to be so deposited. The only remedy available to the Master Trustee and/or Bondholders would be a suit against the Borrower to enforce the provisions of the Master Indenture.

Assumptions Regarding Enrollment and State Funding

The Borrower’s auditing firm, John R. Pechacek, CPA, has prepared the prospective Proforma Financial Plan (the “Projections”), a copy of which is reproduced as APPENDIX B hereto. The Projections contain information material to a decision to purchase the Bonds and should be read by potential investors in their entirety. The Projections contain (a) forecasts of gross revenues, net revenues, and cash flows of the Project, (b) projection of future demand for the service of the Project, and (c) debt service requirements. The Projections set forth a number of assumptions on which the Projections are based, including but not limited to, the projected enrollment of the Borrower and the per student amounts to be paid from State and local sources. Such assumptions are based on present circumstances and information currently available, which has been furnished by the Borrower, as well as local sources. Such information may be incomplete and may not necessarily disclose all material facts that might affect the Project and the analysis contained in the Projections in light of the circumstances then prevailing. The Projections are based solely on the business plan of the Borrower. The accuracy of the Projections is dependent on the occurrence of specified assumptions and other future events which cannot be assured, and therefore, the actual results achieved during the period will vary from those forecasts and other differences may be material and adverse. See APPENDIX B – “Proforma Financial Plan.” Neither the Issuer nor the Underwriter has independently verified the statistical data included therein and neither of such parties makes any representations or gives any assurances that such data is complete or correct. Further, neither the Issuer nor the Underwriter makes any representations or gives any assurances that the assumptions incorporated in the Projections are valid. The ability of the Borrower to achieve and maintain financially sustaining levels of enrollment on a continuing basis is subject to a number of factors; including, but not limited to, the physical condition of the Project, the programs provided for students, accreditation of the Borrower, and the supply of other public, private, and charter schools elsewhere. In addition, the Projections are only for the 12-month periods ending August 31st for the years 2010 through 2014, and, consequently, do not cover the whole period during which the Bonds may be outstanding.

Tax-Exempt Status of the Bonds

The Internal Revenue Code of 1986, as amended (the “Code”), imposes a number of requirements that must be satisfied in order for interest on state and local obligations, such as the Bonds, to be excludable from gross income for federal income tax purposes. These requirements include limitations on the use of bond proceeds, limitations on the investment earnings of bond proceeds prior to expenditure, a requirement that certain investment earnings on bond proceeds be paid periodically to the United States, and a requirement that issuers file an

information report with the Internal Revenue Service (the “IRS”). The Borrower has agreed that it will comply with all such requirements. Failure to comply with the requirements stated in the Code and related regulations, rulings, and policies may result in the treatment of the interest on the Bonds as taxable. Such adverse treatment may be retroactive to the date of issuance. See also “TAX MATTERS.”

In December 1999, as a part of a larger reorganization of the IRS, the IRS commenced operation of its Tax-Exempt and Government Entities Division (the “TE/GE Division”) as the successor to its Employee Plans and Exempt Organizations division. The TE/GE Division has a subdivision that is specifically devoted to tax-exempt bond compliance. The number of tax-exempt bond examinations has increased significantly under the TE/GE Division.

The Borrower has not sought to obtain a private letter ruling from the IRS with respect to the Bonds, and the opinion of Bond Counsel is not binding on the IRS. There is no assurance that any IRS examination of the Bonds will not adversely affect the market value of the Bonds. See “TAX MATTERS” below.

Tax-Exempt Status of the Borrower

The tax-exempt status of the Bonds presently depends upon maintenance by the Borrower of its status as an organization described in section 501(c)(3) of the Code. The maintenance of this status depends on compliance with general rules regarding the organization and operation of tax-exempt entities, including operation for charitable and educational purposes and avoidance of transactions that may cause earnings or assets to inure to the benefit of private individuals, such as the private benefit and inurement rules.

Tax-exempt organizations are subject to scrutiny from and face the potential for sanction and monetary penalties imposed by the IRS. One primary penalty available to the IRS under the Code with respect to a tax-exempt entity engaged in inurement or unlawful private benefit is the revocation of tax-exempt status. Although the IRS has not frequently revoked the 501(c)(3) tax-exempt status of non-profit organizations, it could do so in the future. Loss of tax-exempt status by the Borrower could result in loss of tax exemption of the Bonds and defaults in covenants regarding the Bonds and other obligations would likely be triggered. Loss of tax-exempt status by the Borrower could also result in substantial tax liabilities on its income. For these reasons, loss of tax-exempt status of the Borrower could have material adverse consequences on the financial condition of the Borrower.

On December 20, 2007, the IRS issued an updated version of Form 990, the return that charities and other tax-exempt organizations are required to file annually, for tax year 2008 (returns filed in 2009). The new Form 990 implements more stringent reporting requirements for tax-exempt organizations than previously in effect. Major revisions were made to the form’s summary page, governance section, and various schedules, including those relating to executive compensation, related organizations, and tax-exempt bonds. The IRS also announced a phase in of the new form’s schedules for tax-exempt bonds (Schedule K). The additional oversight required to comply with the new Form 990 in the future will almost certainly require an increased investment of time and money on the part of the Borrower and may increase the potential for sanctions and monetary penalties imposed by the IRS.

With increasing frequency, the IRS has imposed substantial monetary penalties and future charity or public benefit obligations on tax-exempt entities in lieu of revoking tax-exempt status, as well as requiring that certain transactions be altered, terminated, or avoided in the future and/or requiring governance or management changes. These penalties and obligations typically are imposed on the tax-exempt organization pursuant to a “closing agreement,” a contractual agreement pursuant to which a taxpayer and the IRS agree to settle a disputed matter. Given the exemption risks involved in certain transactions, the Borrower may be at risk for incurring monetary and other liabilities imposed by the IRS. These liabilities could be materially adverse.

Less onerous sanctions, referred to generally as “intermediate sanctions,” have been enacted, which sanctions focus enforcement on private persons who transact business with an exempt organization rather than the exempt organization itself, but these sanctions do not replace the other remedies available to the IRS, as mentioned above.

The Borrower may be audited by the IRS. Because of the complexity of the tax laws and the presence of issues about which reasonable persons can differ, an IRS audit could result in additional taxes, interest, and penalties. An IRS audit ultimately could affect the tax-exempt status of the Borrower, as well as the exclusion from gross income for federal income tax purposes of the interest on the Bonds and any other tax-exempt debt issued for the Borrower.

State and Local Tax Exemption

The State has not been as active as the IRS in scrutinizing the tax-exempt status of non-profit organizations. It is possible that legislation may be proposed to strengthen the role of the Attorney General of the State in supervising non-profit organizations. It is likely that the loss by the Borrower of federal tax exemption also would trigger a challenge to the State or local tax exemption of the Borrower. Depending on the circumstances, such event could be adverse and material.

It is not possible to predict the scope or effect of future legislative or regulatory actions with respect to taxation of non-profit corporations. There can also be no assurance that future change of circumstance or changes in the laws and regulations of federal, State, or local governments will not materially adversely affect the operations and financial conditions of the Borrower by requiring the Borrower to pay income or local property taxes.

Unrelated Business Income

The IRS and State, county, and local tax authorities may undertake audits and reviews of the operations of tax-exempt organizations with respect to the generation of unrelated business taxable income (“UBTI”). The Borrower may participate in activities that generate UBTI. An investigation or audit could lead to a challenge that could result in taxes, interest, and penalties with respect to UBTI and, in some cases, ultimately could affect the tax-exempt status of the Borrower as well as the exclusion from gross income for federal income tax purposes of the interest payable on the Bonds.

Dependence on the State

State Payments Subject to Biennial Appropriation. Repayment of Debt Service on the Bonds depends principally on receipt by the Borrower of payments by the State based on the school district that the student would otherwise attend for each student in average daily attendance. The State Legislature meets each odd-numbered biennium, and failure of the State Legislature to appropriate sufficient amounts to pay its share of the per student cost to the Borrower could result in failure of the Issuer to make timely payments of Debt Service on the Bonds. See “THE SYSTEM OF CHARTER SCHOOLS IN TEXAS.”

Changes in the School Finance System. Because Texas charter schools are ultimately funded from the same sources as Texas public school districts, changes in the system of school finance could significantly affect how charter schools, including the Borrower’s charter schools, are funded. Neither the Issuer nor the Borrower can make any representation or prediction concerning how or if the State Legislature may change the current public school finance system, and how those changes may affect the funding or operations of charter schools. See “THE SYSTEM OF CHARTER SCHOOLS IN TEXAS” and “STATE AND LOCAL FUNDING OF SCHOOL DISTRICTS IN TEXAS.”

Revocation or Non-renewal of Charter. The Borrower’s charters have been renewed and will expire as set forth under “THE BORROWER-Terms of Operation Under Charters.” However, the Borrower’s charters may be revoked if the persons operating the Borrower’s charter schools commit a material violation of the charters, including failure to satisfy accountability provisions prescribed by the charter, failure to satisfy generally accepted accounting standards of fiscal management, failure to protect the health, safety, and welfare of the students, or failure to comply with the provisions of Chapter 12 of the Texas Education Code, as amended, or other applicable laws or rules. The State has closed three charter schools during oversight reviews, but the Borrower believes that there is no current condition which would cause revocation of its charters. See “THE SYSTEM OF CHARTER SCHOOLS IN TEXAS.”

Payment of State Revenues to Master Trustee. The Master Indenture provides that, upon the occurrence of an Event of Default, all of the Adjusted Revenues (including State Revenues) required to be deposited under the Master Indenture will be deposited into the Revenue Fund held by the Master Trustee, and the Borrower will covenant and agree in the Master Indenture that, without demand by the Master Trustee, it will deliver or cause to be delivered to the Master Trustee, within five Business Days from the day of receipt, the Adjusted Revenues to be so deposited. The only remedy available to the Master Trustee or a Bondholder would be a suit against the Borrower to enforce the provisions of the Master Indenture.

Risk of Catastrophic Loss

In the event a natural or man-made disaster, such as a hurricane, fire, earthquake, tornado, or war destroyed one or more of the Borrower’s schools (or significant outlying improvements, once constructed), the revenues of the Borrower would be drastically reduced. Moreover, the market value of the property pledged under the Deed of Trust would also be drastically reduced.

While the Bonds are outstanding, the Borrower has agreed to insure or cause insurance to be carried for its buildings and contents, including the Project (during both the period of construction and the period subsequent to completion of the Project), against such losses and in such amounts as is customary for persons engaged in the same business as the Borrower and operating facilities similar to its buildings and other facilities, including the Project. The Borrower has additionally covenanted in the Loan Agreement to provide general liability, comprehensive professional liability, comprehensive automobile liability, workers compensation, and business interruption insurance. The business interruption insurance is required to cover actual losses in gross revenues from the Project resulting directly from necessary interruption of the operation of the Borrower caused by damage to or destruction (resulting from fire and lightning, accident to a fired-pressure vessel or machinery, and other perils as further set forth in the Master Indenture) of real or personal property constituting part of the Project, less charges and expenses which do not necessarily continue during the interruption, for such length of time as may be required with the exercise of due diligence and dispatch to rebuild, repair, or replace such properties as have been damaged or destroyed (but in no event less than 12 months). In the event that insurance proceeds from damage, destruction, or condemnation with respect to the Project are in an amount greater than \$250,000, the Loan Agreement requires transfer of such amounts to the Trustee under the conditions set forth in the Loan Agreement. Nevertheless, there can be no assurance that a casualty loss will be covered by insurance (certain casualties are excepted), that the insurance company will fulfill its obligation to provide insurance proceeds, that insurance proceeds to rebuild the affected school will be sufficient, or that a sufficient number of students would wish to attend the school following rebuilding. Even if insurance proceeds are available and the Borrower has rebuilt the Project, there could be a lengthy period of time during which there would be little or no revenues produced by operation of the effected school.

Limited Remedies After Default

Remedies available to owners of Bonds in the event of a default by the Issuer in one or more of its obligations under the Bonds or the Indenture or by the Borrower under the Loan Agreement or the Master Note are limited to the terms of such instruments, and may prove to be expensive, time-consuming, and difficult to enforce. Further, as noted above, the Bonds are special limited obligations of the Issuer and existence of any remedy does not guarantee sufficient assets of the Borrower pledged to payment of the Bonds to secure such payment. See “– Limited Obligations.”

Remedies with respect to foreclosure under the Deed of Trust for the benefit of the Beneficiaries thereunder may be further limited by State constitutional and statutory limitations on foreclosure, including the right of redemption of foreclosed property granted to debtors under the Texas Constitution.

The enforceability of the rights and remedies of the bondholders may further be limited by laws relating to bankruptcy, reorganization, or other similar laws of general application affecting the rights of creditors such as the Issuer or the Borrower. See “– Risk of Bankruptcy”.

Risk of Bankruptcy

As is true with many entities which issue debt, there is a risk that the Issuer may file for bankruptcy and afford itself the protection of the federal Bankruptcy Code. In that case, the Issuer would receive the benefit of the automatic stay and creditors, such as the owners of the Bonds, would not be able to pursue their remedies against it without the permission of the Bankruptcy Court. The Issuer would also have the right to reorganize and adjust its debts with the approval of the Bankruptcy Court. While the relevant law on this point is not clear, it may be possible for the Issuer to be forced into involuntary bankruptcy by one or more creditors. A bankruptcy filing by or against the Issuer could adversely affect the receipt of principal of and interest on the Bonds.

Similarly, there is a risk that the Borrower may file for bankruptcy and afford itself the protection of the federal Bankruptcy Code. In that case, the Borrower would receive the benefit of the automatic stay and creditors, such as the owners of the Bonds, would not be able to pursue their remedies against it without the permission of the Bankruptcy Court. The Borrower would also have the right to reorganize and adjust its debts with the approval of the Bankruptcy Court. While the Borrower is a nonprofit corporation, the Borrower is a part of the public school system. Consequently, it is not clear whether the Borrower would properly file as a corporate debtor or under Chapter Nine of the United States Bankruptcy Code governing government subdivisions. So long as the Borrower is a nonprofit corporation it cannot be forced into an involuntary bankruptcy by one or more creditors even if it is properly characterized as a corporate debtor. A bankruptcy filing by or against the Borrower could adversely affect the receipt of principal of and interest on the Bonds.

Value of Land and Improvements

Under the Deed of Trust, the Borrower will grant to the Mortgage Trustee (as defined in the Deed of Trust) a first lien on and security interest in the Land and Improvements. The Land and Improvements are located within various cities in Texas (see the “Project”).

No independent appraisal on the property has been performed at the request of the Issuer or the Underwriter, and there is no guarantee that the foreclosure value of the Land and/or Improvements will be adequate in the event of any foreclosure to pay defaulted and accelerated Debt Service. Additionally, the value of the Land and Improvements may be less than comparable commercial properties in the area, especially in light of the special nature of the Improvements and their limited use. Failure to complete the Project could negatively affect any sale of the Project pursuant to the Deed of Trust.

Inability to Liquidate or Delay in Liquidating the Project

An event of default gives the Mortgage Trustee (as defined in the Deed of Trust) the right to sell the Project pursuant to a sale under the Deed of Trust. The Project is intended to be used solely for educational purposes of the Borrower. Because of such use, a potential purchaser of the Bonds should not anticipate that a sale of the Project could be accomplished rapidly or at all. Any sale of the Project may require compliance with the laws of the State applicable thereto. Such compliance may be difficult, time-consuming, and/or expensive. Any delays in the ability of the Mortgage Trustee to sell the Project will result in delays in the payment of the Bonds.

Since the Project is specifically constructed for use as a school facility it may not be readily adaptable to other uses. As a result, in the event of a sale of the Project, the number of uses which could be made of the property, and the number of entities which would be interested in purchasing the Project, could be limited, and the sale price could thus be affected. The location of the Project may also limit the number of potential purchasers. The ability of the Mortgage Trustee to sell the Project to third parties, thereby liquidating the investment, would be limited as a result of the nature of the Project. For these reasons, no assurance can be made that the amount realized upon any sale of the Project will be fully sufficient to pay and discharge the Bonds. In particular, there can be no representation that the cost of the property included in the Project constitutes a realizable amount upon any forced sale thereof. Failure to complete the Project could negatively affect any sale of the Project pursuant to the Deed of Trust.

Risk of Increased Debt

Subject to certain conditions provided in the Indenture, the Issuer has reserved the right to issue additional Debt which is secured under the Master Indenture on an equal basis with the Bonds. The issuance of Additional Indebtedness may adversely affect the investment security of the Bonds. For a description of the circumstances under which Additional Indebtedness may be issued, see “APPENDIX E – Substantially Final Form of the Indenture.”

Risk of Failure to Comply with Certain Covenants

Failure of the Issuer to comply with certain covenants contained in the Indenture or of the Borrower with certain covenants in the Loan Agreement on a continuing basis prior to the maturity of the Series 2010 Bonds could result in interest on the Bonds becoming taxable retroactive to the date of original issuance. See “TAX MATTERS.”

Limited Marketability of the Bonds

The Issuer has no understanding with the Underwriter regarding the reoffering yields or prices of the Bonds and has no control over trading of the Bonds in the secondary market. Moreover, there is no assurance that a secondary market will be made in the Bonds. If there is a secondary market, the difference between the bid and asked price may be greater than the bid and asked price of bonds of comparable maturity and quality issued by more traditional issuers as such bonds are more generally bought, sold, or traded in the secondary market.

THE BORROWER

History

Nova Academy’s founding team of dedicated educators, parents, and community members led by Dr. Hilary Monsingor during 1998-2002, assembled to draft a charter proposal and created an educational plan for Nova Academy. The Texas Education Agency awarded Nova Academy their charter in May of 1998. Nova Academy opened its doors to 150 students in grades K-3 at 411 W. Illinois in Dallas, Texas. To accommodate its growing student body after four years in the Oak Cliff community, Nova Academy relocated to the Pleasant Grove community and secured two campus locations, Nova Academy Bruton and Nova Academy Scyene.

At this critical time of growth in Nova Academy’s history, the Board of Directors and founders were intensely committed to continuous improvement in the school’s educational programs and student outcomes. The Board Trustees proceeded to appoint Ms. Donna H. Woods to the CEO position of Nova Academy. Ms. Woods, known as a visionary leader throughout the City of Dallas, was selected for her lifelong commitment to civic responsibility, community service, academic experience and business astuteness.

Nova Academy is located in Pleasant Grove, an urban community in the southeast sector of Dallas, Texas. Nova Academy provides a safe, stimulating environment with a rigorous and challenging academic curriculum.

The superior instructional program is delivered through modified self-contained and departmental classifications in Kindergarten – 6th grade, with groupings constantly developing to accommodate specific skill development. The smaller pupil-teacher ratio provides vast opportunities for individualized instruction for all students.

Guided by the visionary leadership of Ms. Woods, CEO, Nova Academy has achieved a remarkable set of milestones in the last seven years: In 2008-2009, both Nova Academy campuses were ranked “Recognized” the second highest ranking given by TEA for academic achievement. In 2005, Nova Academy Scyene received Gold Performance Award recognition from TEA academic excellence in the core subjects of reading and math as indicated by standardized tests.

Nova Academy, with the acquisition of the proposed new Nova Academy Pritchard campus, will be a pipeline, a channel that parents can follow from elementary to middle school in the Pleasant Grove community. Nova Academy can combine the district’s best teaching practices with exemplary leadership.

The proposed new campus (Nova Academy Prichard) will complement the tradition of excellence that has existed at Nova Academy. The expansion will be a “Pre-K-8th continuum” beginning with children in Pre-Kindergarten and following them all the way through middle school in their own Pleasant Grove Neighborhood.

Nova Academy’s focus will remain on the following: (1) The continuation of the tradition of academic excellence that has existed at the school for many years; (2) The school district will continue to maintain their academic ranking of “Recognized” status awarded by TEA (Texas Education Agency, while striving to attain the ranking of “EXEMPLARY,” the highest ranking that a school in Texas can receive; (3) the School’s administrators, faculty, and staff will continue to make a difference in the lives of the children that attend Nova Academy.

Organization

The Borrower is a non-profit corporation established under the laws of the State of Texas in 1998. The Borrower was granted its initial open-enrollment charter from the Texas Education Agency to operate its initial school as an open enrollment charter school in July 1998 (the "Scyene Charter"). The Borrower also has a second charter which was granted in July 2000 (the "Bruton Charter"). The revenues from both of the Borrower's charters are pledged to the Bonds.

Board of Directors

The Borrower is governed by a ten member Board of Directors. The Board of Directors is selected pursuant to the bylaws of the Borrower and has the authority to make decisions, appoint the President of the Borrower, and significantly influence operations. The Board of Directors has the primary accountability for the fiscal affairs of the Borrower. The current Board of Directors is comprised of the following members:

<u>Member</u>	<u>Title</u>	<u>Occupation</u>	<u>Service on the Board</u>
Donna Woods	Chair	Education	7 years

Terms of Operation Under Charters

The Borrower was granted its initial open-enrollment charter from the Texas Education Agency to operate its initial school as an open enrollment charter school in July 1998 (the "Scyene Charter"). The Borrower also has a second charter which was granted in July 2000 (the "Bruton Charter"). The revenues from both of the Borrower's charters are pledged to the Bonds. The Borrower's Bruton Charter is currently for a total enrollment of 500 students, and the Borrower's Scyene Charter is currently for a total enrollment of 500 students. The Scyene Charter is scheduled for renewal on July 1, 2013 and the Bruton Charter is scheduled for renewal on July 1, 2015. Each charter is expected to receive a 10-year Charter upon renewal.

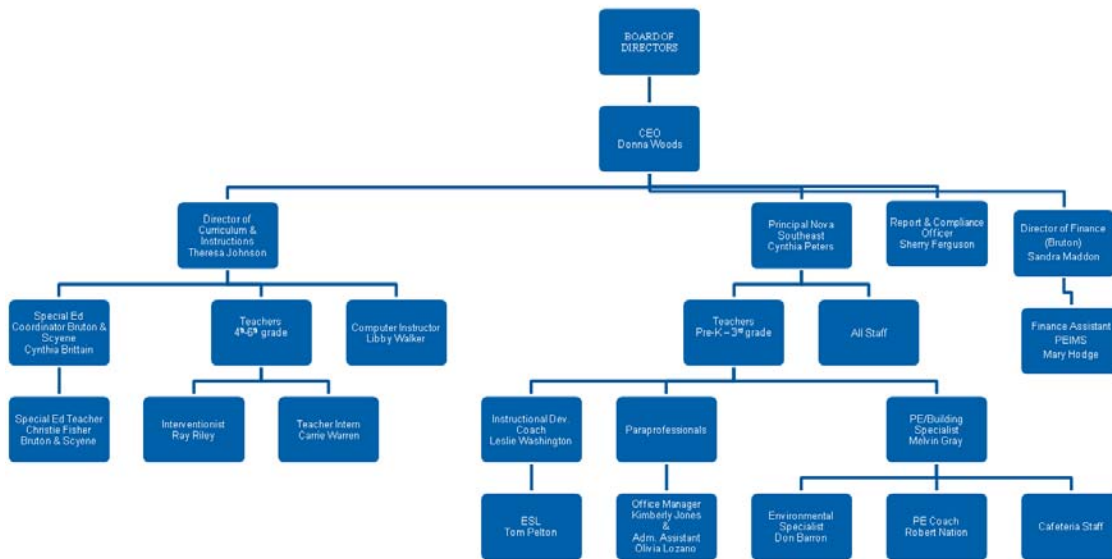

The Borrower currently operates the following campuses:

<u>Campus</u>	<u>Opened</u>	<u>Current Enrollment</u>
Nova Academy Scyene	1998	198
Nova Academy Bruton	2000	288

See APPENDIX G for detailed information about the campuses.

Administration and Leadership Team

Following is an organizational chart of the Borrower, followed by biographies of certain administration and leadership of the Borrower.

Donna Woods – Chief Executive Officer/Superintendent

In 2001, Ms. Woods was selected as a Board Member, six months later she was selected to serve as the President of the Board. Ms. Woods has over 16 years experience as an entrepreneur. She operated a successful Computer Company (Data Entry Overflow) for nine years. Her extensive work history consists of serving as Director of Teachers for a Proprietor School (ATC), and Director of Development for the Science Place where she helped raise over \$9,000,000 to build the IMAX Theater. Later she became the Vice President of Development for the Urban League of Dallas and raised \$5,000,000 to build the Urban League that is now located on Lancaster Road in Dallas, Texas. Ms. Woods has served on numerous City and State Boards; Dallas Park and Recreation Board, South Dallas Fair Park Board, Community Development Board, Youth Advisory Board and the State NAACP Board. After juggling two jobs at Urban League and Nova Academy, Ms. Woods decided to take on one challenge at a time, and dedicated herself full-time to Nova Academy in 2004.

Sandra Maddon – Director of Finance

Ms. Maddon joined the Nova Academy team in January 2001, bringing with her 35 years of extensive and successful construction, property, and accounting experience. Ms. Maddon brought experience from industry giants, such as Summers Companies and Lincoln Properties. Past experience includes office administration and facilities management. Ms. Maddon has amassed valuable experience in operations; budgeting and forecasting; general management of draw schedule for vendor payment; and client relations. Sandra has gained valuable skills in financials, accounts receivable and accounts payable. Ms. Maddon is currently overseeing Nova Bruton’s day-to-day accounting operations and preparing budgets, financial audits, reports and, grants and ensuring compliance with the Texas Education Agency (TEA). Ms. Maddon’s accounting skills are a true asset to Nova Academy Bruton.

Theresa Johnson – Director of Curriculum and Instructions

Ms. Johnson has taught and counseled a wide range of individuals from GED, High School, Middle School, Elementary and numerous outside Agency Programs. Ms. Johnson’s commendable academic achievements in Education, and Guidance & Counseling not only kept her on the Dean’s List, but earned her a place in the Alpha Sigma Nu; National Jesuit Honor Society. Johnson holds a Masters Degree in Education and Guidance and Counseling. Her Bachelor’s Degrees are in English and Education from the University of Detroit Mercy and Iowa State University. She holds a lifetime Texas Teaching and Counseling Certificates, and has twenty-six years experience in the education field.

Succession Planning

Nova Academy began to focus at the end of the 2005-2006 school year on the systematic development and implementation of a leadership succession plan.

The Executive Committee of the Board of Directors started to take a more active role in supporting succession planning for future school leaders. The committee members reviewed the management and leadership statistics with the administrative staff and formed an ad hoc committee for further analysis. “Having an effective, collaborative, plan for succession is essential to ensure that the cultures, values, and mission of the school district stay intact” stated Ms. Tina Deal, Board Director of Nova Academy.

After qualitative and quantitative research, the administrators of Nova Academy incorporated a leadership succession plan as a focus area in their 5-Year Strategic Plan in 2007- 2008. Measurable results were identified in order to have a Comprehensive Succession Plan implemented within 5 years, and annual benchmarks were established for completion with yearly updates to the Board of Directors.

Nova Academy’s current succession planning strategies include a formal new teacher induction program, new administrator professional development program, formal leadership professional development program, informal leadership internships for assistant principals and teachers with an added five-days of job-shadowing a principal, and implementation of surveys of stakeholder groups for (1) leadership attributes and (2) retention data.

Developing the leadership talent of individuals who already know the local culture in a school district is particularly important for a charter school. “Nova Academy has come to the conclusion now, after ten years, that we perform our best work for our students when we hire from within, and we plan to expand the leadership,” said Ms. Donna H. Woods, CEO, Nova Academy.

Audited Financial Information

Audited financial statements for the Borrower for the fiscal years 2008, 2007, and 2006 obtained from the Texas Education Agency website are included herein as APPENDIX A. The Borrower has not sought or obtained the consent of its auditors for inclusion of the audited financial statements in this Official Statement.

Projections by the Borrower; Required Increases in Attendance for Payment of Future Debt Service

The Borrower has projected revenues for the fiscal years from 2009-2010 through 2013-2014 which include substantial increases in revenues. Such projections are attached hereto as APPENDIX B. See "RISK FACTORS—Dependence on the Operations of the Borrower—Growth of Student Enrollment" and "—Accuracy of Borrower Projections of Growth". The increase in revenues contained in the Borrower's projections are based on both stability in the system of charter schools in Texas, continued state funding at current levels, and growth in student populations. See "RISK FACTORS—Dependence on the Operations of the Borrower" and "—Dependence on the State" and "THE SYSTEM OF CHARTER SCHOOLS IN TEXAS".

The maximum annual combined debt service for the Bonds is \$568,075 (2030). See Schedule 1 – Projected Debt Service. The weighted average daily attendance (WADA) for fiscal year ending August 31, 2009 was 655. Based on the analysis provided by the Borrower, a copy of which is reproduced as APPENDIX B – Proforma Financial Plan and, assuming the Borrower's projected operating expenditures (less any contingencies and surplus included in projections of expenses by the Borrower), weighted average daily attendance of 638 or greater will support such projected maximum combined annual debt service and operating expenses.

Based on the 2009 audit results of asset valuation totaling \$1,146,668 of the Borrower, the debt service coverage is at least 2.00 times the annual principal and interest requirements of the Bonds, less projected interest earnings on the debt service reserve fund. Asset valuation is comprised of \$983,860 change in net assets + \$9,808 depreciation + \$153,000 combined lease payments for fiscal year 2010. The Borrower will continue operating the leased facilities. The projections by the Borrower assume State funding of approximately \$6,175 per weighted average daily attendance, which was the state funding rate for audited fiscal year 2009.

THE SYSTEM OF CHARTER SCHOOLS IN TEXAS

General

The Texas Legislature adopted the Texas charter school system in 1995 to offer publicly funded choices to parents within the public school system. Texas law provides for three types of charters: home-rule school district charters, campus or campus program charters, and open-enrollment charters. The Borrower's charter school operates under an open-enrollment charter. Under current statutes, the charter system effectively provides the same per student public funding for education (but not necessarily for capital needs) as is available to other public schools.

The State Board of Education may grant a charter on the application of an eligible entity for an open-enrollment charter school to operate in a facility of a commercial or nonprofit entity or a school district, including a home-rule school district. "Eligible entity" includes certain institutions of higher education, certain private or independent institutions of higher education, an organization (such as the Borrower) that is exempt from taxation under section 501(c)(3) of the Code, or a governmental entity.

For a discussion of potential changes in the system of charter school finance in Texas, see "RISK FACTORS – Dependence on the State."

Limitation on Number of Charters Granted

The State Board of Education may, at this time, grant a total of not more than 215 charters for open-enrollment charter schools. Applicants are required to meet financial, governing, and operating standards adopted by the Texas Commissioner of Education.

Authority Under Charter

An open-enrollment charter school is to provide instruction to students at one or more elementary or secondary grade levels as provided by the charter; will be governed under the governing structure described by the charter; will retain authority to operate under the charter contingent on satisfactory student performance as provided by statute; and does not have authority to impose taxes.

An open-enrollment charter school is subject to federal and State laws and rules governing public schools, but is subject to the Texas Education Code and rules adopted under the Texas Education Code only to the extent the applicability of a provision of the Texas Education Code or a rule adopted under the Code to an open-enrollment charter school is specifically provided.

An open-enrollment charter school has the powers granted to schools under Title 2, Texas Education Code ("*Title 2*"), as amended, which generally governs public primary and secondary education in Texas. An open-enrollment charter school is subject to any provisions of Title 2 establishing a criminal offense; prohibitions, restrictions, or requirements, as applicable, imposed by such title or a rule adopted under Title 2 relating to specific provisions governing the Public Education Information Management System ("*PEIMS*"), criminal history records; certain reading programs, assessment instruments, and accelerated instruction; high school graduation; special education programs; bilingual education; pre-kindergarten programs; extracurricular activities; discipline management practices; health and safety; public school accountability (including testing requirements, and requirements to report an educator's misconduct).

An open-enrollment charter school is part of the public school system of the State. The board members of the governing body of the school are considered a governmental body for purposes of Chapters 551 and 552, Texas Government Code, as amended, governing open meetings and open records. In matters relating to operation of the school, the school is immune from liability to the same extent as a school district, and its employees and volunteers are immune from liability to the same extent as school district employees and volunteers. Members of the governing body of a charter school are immune from liability to the same extent as a school district trustee. An employee of an open-enrollment charter school who qualifies for membership in the Teacher Retirement System of Texas will be covered under the system to the same extent a qualified employee of a school district is covered. For each employee of the school covered under the system, the school is responsible for making any contribution that otherwise would be the legal responsibility of the school district, and the State is responsible for making contributions to the same extent it would be legally responsible if the employee were a school district employee.

An open-enrollment charter school must provide transportation to each student attending the school to the same extent a school district is required by law to provide transportation to district students.

State Funding

Prior to August 31, 2001, an open-enrollment charter school was entitled to the distribution from the available school fund for a student attending the open-enrollment charter school to which the district in which the student resides would be entitled. A student attending an open-enrollment charter school who is eligible under Section 42.003, Texas Education Code, is entitled to the benefits of the Foundation School Program. The Commissioner of Education will distribute from the Foundation School Fund to each charter school an amount equal to the cost of a Foundation School Program provided by the program for which the charter is granted, including the transportation allotment, for the student that the district in which the student resides would be entitled to, less an amount equal to the sum of the school's tuition receipts from the local district plus the school's distribution from the available school fund. This prior law provides the basis for a portion of the State Funding available to charter schools and more fully described below.

Commencing August 31, 2001, a charter holder is entitled to receive for the open-enrollment charter school funding as if the school were a school district without a tier one local share for purposes of Tier One and without any local revenue ("*LR*") for purposes of Tier Two. In determining funding for an open-enrollment charter school, adjustments under State law and the district enrichment tax rate ("*DTR*") are based on the average adjustment and average district enrichment tax rate for the State. An open-enrollment charter school is entitled to funds that are available to school districts from the Texas Education Agency or the Commissioner in the form of grants or other discretionary funding unless the statute authorizing the funding explicitly provides that open-enrollment charter schools are not entitled to the funding. The commissioner may adopt rules to provide and account for state funding of open-enrollment charter schools.

Funds received from the State by a charter holder are considered to be public funds for all purposes under State law and are held in trust by the charter holder for the benefit of the students of the open-enrollment charter school.

An open-enrollment charter school receives:

for the 2009-2010 school year, 30 percent of its funding according to the law in effect on August 31, 2001, and 70 percent of its funding according to the change;

for the 2010-2011 school year, 20 percent of its funding according to the law in effect on August 31, 2001, and 80 percent of its funding according to the change; for the 2011-2012 school year, 10 percent of its funding according to the law in effect on August 31, 2001, and 90 percent of its funding according to the change;

and for the 2012-2013 school year and subsequent school years, 100 percent of its funding according to the change.

The following discussion of school district funding relates to the Borrower through the charter school funding formulas described above. As the above timeline indicates the funding formula for the Borrower is in transition from being based on each student’s resident district’s characteristics to being based on State averages for all districts.

Generally, a student is entitled to the benefits of the Foundation School Program if the student is 5 years of age or older and under 21 years of age on September 1 of the school year and has not graduated from high school. A student is also entitled to the benefits of the Foundation School Program if the student is enrolled in certain pre-kindergarten classes. The Foundation School Program provides for (1) State guaranteed basic funding allotments per student (“Tier One”) and (2) State guaranteed revenues per student per penny of local tax effort to provide operational funding for an “enriched” educational program (“Tier Two”). State funding allotments may be altered and adjusted in certain circumstances to account for shortages in State appropriations or to allocate available funds in accordance with wealth equalization goals. Tier One allotments are intended to provide a basic program of education rated academically acceptable and meeting other applicable legal standards. If needed, the State will subsidize local tax receipts to produce a basic allotment. The basic allotment is currently \$4,765 per student in average daily attendance. To receive the State subsidy, a local school district must levy an effective property tax of at least \$0.86 per \$100 of assessed valuation. Tier Two allotments are intended to guarantee each school district an opportunity to provide a basic program and to supplement that program at a level of its own choice. Each school district is guaranteed a specified amount per weighted student in State and local funds. The guaranteed specified amount per weighted student in State and local funds for each cent of tax effort (the Tier Two allotment) is \$31.95, in part to fund the costs of the school district health care system described below. The State’s share of the school district’s health care system is funded, in general terms, by a dedication of 75% of the additional funds to which a school district is entitled due to the increase in the equalized wealth level or the Tier Two allotment.

The Borrower’s total per student funding for the 2008-2009 fiscal year was approximately \$6,175 per weighted average daily attendance. The Borrower’s historical total per student funding is provided below:

Local Funding

Except as specifically provided, an open-enrollment charter school is entitled to receive payments (referred to as tuition) from the school district in which a student attending the charter school resides, in an amount equal to the quotient of the tax revenue collected by the school district for maintenance and operations for the school year for which tuition is being paid divided by the sum of the number of students enrolled in the district as reported in the Public Education Information Management System (PEIMS), including the number of students for whom the district is required to pay tuition. The tuition to be paid by a school district with a wealth per student that exceeds the equalized wealth level under Chapter 41, Texas Education Code, as amended, will be based on the district’s tax revenue after the district has acted to achieve the equalized wealth level under Chapter 41.

An open-enrollment charter school may not charge tuition to its students.

Because the amount received by the charter school from the local district is based on the local district’s per student tax revenue, per student revenue for the charter school will vary depending on the taxes levied by the student’s home district.

Provisions of Open-Enrollment Charters

Under State statute, the State Board of Education has the authority to select applicants to establish open-enrollment charter schools. The Board has adopted an application form and procedures for applications to operate an open-enrollment charter school. The Board has also adopted criteria to use in selecting a charter recipient.

Each charter granted must describe the educational program to be offered, which must include the required curriculum as provided by statute, specify the period for which the charter or any charter renewal is valid; provide that continuation or renewal of the charter is contingent on acceptable student performance on assessment instruments and on compliance with any accountability provision specified by the charter, by a deadline or at intervals specified by the charter; establish the level of student performance that is considered acceptable; specify any basis, in addition to a basis specified by statute, on which the charter may be placed on probation or revoked or on which renewal of the charter may be denied; prohibit discrimination in admission policy on the basis of sex, national origin, ethnicity, religion, disability, academic or athletic ability, or the district the child would otherwise attend in accordance with the Texas Education Code; specify the grade

levels to be offered; describe the governing structure of the program; specify the powers and duties of the governing body of the school; specify the manner in which the school will distribute certain information to parents; describe the process by which the person providing the program will adopt an annual budget; describe the manner in which an annual audit of the financial and programmatic operations of the program is to be conducted, including the manner in which the person providing the program will provide information necessary for the school district in which the program is located to participate, as required by this code or by State Board of Education rule, in PEIMS; describe the facilities to be used; describe the geographical area served by the program; and specify any type of enrollment criteria to be used.

The grant of a charter does not create an entitlement to renewal of the charter. A revision of a charter of an open-enrollment charter school may be made only with the approval of the State Board of Education.

Not more than once a year, an open-enrollment charter school may request approval to revise the maximum student enrollment.

Basis for Modification, Placement on Probation, Revocation, or Denial of Renewal

The Commissioner of Education may modify, place on probation, revoke, or deny renewal of the charter of an open-enrollment charter school if the Commissioner determines that the charter holder committed a material violation of the charter, including failure to satisfy accountability provisions prescribed by the charter; failure to satisfy generally accepted accounting standards of fiscal management; failure to protect the health, safety, or welfare of students; or failure to comply with any applicable law or rule. The action by the Commissioner with respect to modification, probation, revocation, or denial of renewal of a charter must be based on the best interest of the school's students, the severity of the violation, and any previous violation the school has committed. The Commissioner will adopt a procedure to be used for modifying, placing on probation, revoking, or denying renewal of the charter of an open-enrollment charter school.

If the Commissioner revokes or denies the renewal of a charter of an open-enrollment charter school, or if an open-enrollment charter school surrenders its charter, the school may not continue to operate or receive State funds except that an open-enrollment charter school may continue to operate and receive State funds for the remainder of a school year if the Commissioner denies renewal of the school's charter before the completion of that school year.

The Commissioner may take certain disciplinary actions available for public schools generally to the extent the Commissioner determines necessary, if an open-enrollment charter school commits a material violation of the school's charter, fails to satisfy generally accepted accounting standards of fiscal management, or fails to comply with the requirements of the Texas Education Code, Chapter 12, Subchapter D, as amended, or other applicable state and/or federal law or rule, as determined by the Commissioner under Section 100.1022 and Section 100.1021, Chapter 100, Subchapter AA of Commissioner's Rules Concerning Open-Enrollment Charter Schools, 26 Tex Reg 8823 adopted effective November 6, 2001, amended to be effective April 6, 2005, 30 Tex Reg 1911, adopted April 6, 2005. The Commissioner may temporarily withhold funding, suspend the authority of an open-enrollment charter school to operate, or take any other reasonable action the Commissioner determines necessary to protect the health, safety, or welfare of students enrolled at the school based on evidence that conditions at the school present a danger to the health, safety, or welfare of the students. After the Commissioner so acts, the open-enrollment charter school may not receive funding and may not resume operating until a determination is made that, despite initial evidence, the conditions at the school do not present a danger of material harm to the health, safety, or welfare of students; or the conditions at the school that presented a danger of material harm to the health, safety, or welfare of the students have been corrected.

Annual Evaluation

The Commissioner must designate an impartial organization with experience in evaluating school choice programs to conduct an annual evaluation of open-enrollment charter schools. The evaluation must include consideration of students' scores on assessment instruments, student attendance, students' grades, incidents involving student discipline, socioeconomic data on students' families, parents' satisfaction with their children's school, and students' satisfaction with their school. The evaluation of open-enrollment charter schools must also include an evaluation of: the costs of instruction, administration, and transportation incurred by open-enrollment charter schools; the effect of open-enrollment charter schools on school districts and on teachers, students, and parents in those districts; and other areas determined by the Commissioner.

STATE AND LOCAL FUNDING OF SCHOOL DISTRICTS IN TEXAS

Funding Changes in Response to West Orange-Cove II

In response to the decision in West Orange-Cove II, the Texas Legislature (the "Legislature") enacted House Bill 1 ("HB 1"), which made substantive changes in the way the Finance System is funded, as well as other legislation which, among other things, established a special fund in the Texas state treasury to be used to collect new tax revenues that are dedicated under certain conditions for appropriation by the Legislature to reduce Operation and Maintenance Tax rates, broadened the State business franchise tax, modified the procedures for assessing the State motor vehicle sales and use tax and increased the State tax on tobacco products (HB 1 and other described legislation are collectively referred to as the "Reform Legislation"). The Reform Legislation generally became effective at the beginning of the 2006-07 fiscal year of each district.

Possible Effects of Litigation and Changes in Law on Public School Obligations

In the future, the Legislature could enact additional changes to the Finance System which could benefit or be a detriment to a school district depending upon a variety of factors, including the financial strategies that the Borrower has implemented in light of past funding structures. Although, as a matter of law, the Bonds, upon issuance and delivery, will be entitled to the protections afforded previously existing contractual obligations under the Contract Clauses of the U.S. and Texas Constitutions, the Borrower can make no representations or predictions concerning the effect of future legislation or litigation, or how such legislation or future court orders may affect the Borrower's financial condition, revenues or operations. The disposition of any possible future litigation or the enactment of future legislation to address school funding in Texas could substantially adversely affect the financial condition, revenues or operations of the Borrower, as noted herein.

CURRENT PUBLIC SCHOOL FINANCE SYSTEM

General

The following description of the Finance System includes the provisions of the Reform Legislation. For a more complete description of school finance and fiscal management in the State, reference is made to Chapters 41 through 46, Texas Education Code, as amended.

The Reform Legislation, which generally became effective at the beginning of the 2006-07 fiscal year, made substantive changes to the manner in which the Finance System is funded, but did not modify the basic structure of the Finance System. While the goal of these changes to the Finance System are intended to reduce local school taxes, these changes have had a positive effect upon charter school funding.

Under the Finance System, State funds to public schools are increased in a manner intended to offset the reduction in school tax rates. The additional State funding needed to offset local tax rate reductions must be generated by the modified State franchise, motor vehicle and tobacco taxes or any other revenue source appropriated by the Legislature. The Legislative Budget Board has projected that the Reform Legislation will be underfunded from the Reform Legislation revenue sources by a cumulative amount of \$25 billion over fiscal years 2006-07 through 2010-11; however, State surpluses have been appropriated to offset the revenue shortfall in fiscal year 2006-07 and for the 2008-09 and 2010-11 State biennia.

In addition, school districts and charter schools were guaranteed to receive a \$2,000 across-the-board salary increase for teachers and certain other employees funded by the State, a \$500 stipend for public school employee health insurance and a high school student allotment of \$275 per student in average daily attendance for dropout prevention and college readiness programs.

In addition to making changes to the Finance System that are generally described above, HB 1 modified other laws. Among other reform measures included in HB 1 were provisions mandating that all public schools in the State start the school year on a uniform date; establishing a statewide electronic student records system; requiring the Commissioner and the Texas Higher Education Coordinating Board to align high school and college curriculums; and establishing approximately \$300 million in incentive pay programs for campus and teacher incentive programs.

State Funding for Local Public Schools

The Finance System provides for (1) State guaranteed basic funding allotments per student ("Tier One") and (2) State guaranteed revenues per student for each cent of local tax effort to provide operational funding for an "enriched" educational program ("Tier Two"). Tier One and Tier Two allotments represent the State funding share of the cost of maintenance and operations of public schools in Texas and supplement local ad valorem O&M Taxes levied, by public schools, for that purpose. Tier One and Tier Two allotments are generally required to be funded each biennium by the Legislature.

Tier One allotments are intended to provide a basic program of education rated academically acceptable and meeting other applicable legal standards. Tier Two allotments are intended to guarantee each public school an opportunity to provide a basic program and to supplement that program at a level of its own choice, however Tier Two allotments may not be used for the payment of debt service or capital outlay.

A public school may also qualify for an allotment for operational expenses associated with opening new instructional facilities. This funding source may not exceed \$25,000,000 in one school year on a State-wide basis. For the first school year in which students attend a new instructional facility, a school is entitled to an allotment of \$250 for each student in average daily attendance at the facility. For the second school year in which students attend that facility, a public school is entitled to an allotment of \$250 for each additional student in average daily attendance at the facility. The new facility operational expense allotment will be deducted from wealth per student for purposes of calculating a public school's Tier Two State funding.

BOOK-ENTRY ONLY SYSTEM

This section describes how ownership of the Bonds is to be transferred and how the principal of, premium, if any, and interest on the Bonds are to be paid to and accredited by DTC while the Bonds are registered in its nominee name. The information in this section concerning DTC and the Book-Entry-Only System has been provided by DTC for use in disclosure documents such as this Official Statement. The Issuer believes the source of such information to be reliable, but takes no responsibility for the accuracy or completeness thereof.

The Depository Trust Company (“DTC”), New York, NY, will act as securities depository for the Bonds (herein, the “Securities”). The Securities will be issued as fully-registered securities in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered certificate will be issued for each issue of the Securities, each in the aggregate principal amount of such issue, and will be deposited with DTC.

DTC, the world’s largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities and Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, the National Securities Clearing Corporation, and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has Standard & Poor’s highest rating: AAA. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com and www.dtc.org.

Purchases of Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the Securities on DTC’s records. The ownership interest of each actual purchaser of each Security (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmations from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Securities are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Securities, except in the event that use of the book-entry system for the Securities is discontinued.

To facilitate subsequent transfers, all Securities deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Securities with DTC and their registration in the name of Cede & Co. or such other nominee, do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Securities; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Securities are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Securities may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Securities, such as redemptions, tenders, defaults, and proposed amendments to the Security documents. For example, Beneficial Owners of Securities may wish to ascertain that the nominee holding the Securities for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of the notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Securities within an issue are being redeemed, DTC’s practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Securities unless authorized by a Direct Participant in accordance with DTC’s MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.’s consenting or voting rights to those Direct Participants to whose accounts Securities are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and dividend payments on the Securities will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC’s practice is to credit Direct Participants’ accounts upon DTC’s receipt of funds and corresponding detail information from the Issuer or Trustee on the payable date in accordance with their respective holdings shown on DTC’s records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is

the case with securities held for the accounts of customers in bearer form or registered in “street name,” and will be the responsibility of such Participant and not of DTC nor its nominee, the Trustee, or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Issuer or the Trustee. Disbursement of such payments to Direct Participants will be the responsibility of DTC, and reimbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Securities at any time by giving reasonable notice to the Issuer or the Trustee. Under such circumstances, in the event that a successor securities depository is not obtained, Security certificates are required to be printed and delivered.

The Issuer may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Security certificates will be printed and delivered.

The information in this section concerning DTC and DTC’s book-entry system has been obtained from sources that the Issuer believes to be reliable, but the Issuer takes no responsibility for the accuracy thereof.

RATING

Standard and Poor’s Ratings Group (“S&P”) has assigned its municipal rating of “BBB” to the Bonds. An explanation of the rating may be obtained from S&P. The rating reflects only the view of S&P and neither the Underwriter, the Issuer, nor the Borrower makes any representation as to the appropriateness of the rating. There is no assurance that such rating will continue for any given period of time or that it will not be revised downward or withdrawn entirely by S&P if in the judgment of S&P, circumstances so warrant. Any such downward revision or withdrawal of such rating may have an adverse effect on the market price of the Bonds.

THE ISSUER

Creation and Authority

The Texas Public Finance Authority Charter School Finance Corporation is a public non-profit corporation created by the Texas Public Finance Authority (the “Authority” or “Sponsoring Entity”) and existing as an instrumentality of the Authority pursuant to Section 53.351 of the Texas Education Code, as amended (the “Act”). Pursuant to the Act, the Issuer is authorized to issue revenue bonds and to lend the proceeds thereof to any authorized charter schools for the purpose of aiding such schools in financing or refinancing “educational facilities” (as such term is defined in the Act) and facilities which are incidental, subordinate, or related thereto or appropriate in connection therewith.

All of the Issuer’s property and affairs are controlled by and all of its power is exercised by a board of directors (the “Board”) consisting of up to seven members, each of whom has been appointed by the Board of Directors of the Authority. Board members serve two-year terms, and each Board member may serve an unlimited number of two-year terms.

The officers of the Issuer consist of a president, a vice president, and a secretary, each selected by the Board from among its members, and whose duties are described in the Issuer’s bylaws. All officers are subject to removal from office, with or without cause, at any time by a vote of a majority of the entire Board, while vacancies may be filled by a vote of a majority of the Board. Neither Board members nor officers receive compensation for serving as such, but they are entitled to reimbursement for expenses incurred in performing such service.

The Issuer has no assets, property, or employees. The staff of the Authority provides administrative and legal support to the Issuer pursuant to a contract. THE ISSUER HAS NO TAXING POWER.

The Issuer is receiving a fee of approximately \$5,000 in connection with the issuance of the Bonds, which amount shall be paid to the Authority and may be used by the Authority for any lawful purpose. Except for the issuance of the Bonds, the Issuer is not in any manner related to or affiliated with the Borrower. The Issuer has issued the Bonds and loaned the proceeds to the Borrower pursuant to the Loan Agreement solely to carry out the Issuer’s statutory purposes as a higher education authority, and the Issuer makes no representations or warranties as to the Borrower, including specifically the operations of the Borrower as an open enrollment charter school or the Borrower’s ability to make any payments under the Loan Agreement. The Borrower has agreed to indemnify the Issuer for certain matters under the Loan Agreement.

THE TRUSTEE

The Bank of New York Mellon Trust Company, National Association, Dallas, Texas, will initially act as Trustee under the Indenture and as Master Trustee under the Master Indenture.

LEGAL MATTERS

Legal Proceedings

Delivery of the Bonds will be accompanied by the unqualified approving legal opinion of the Attorney General of Texas to the effect that the Bonds are valid and legally binding limited obligations of the Issuer under the Constitution and laws of the State of Texas payable from and secured by a lien on and pledge of the payments designated as Loan Payments to be paid, or caused to be paid, to the Trustee, pursuant to the Indenture and the Loan Agreement, as evidenced by the Master Note, based upon their examination of a transcript of certified proceedings relating to the issuance and sale of the Bonds, and the approving legal opinion of Vinson & Elkins L.L.P., Houston, Texas, Bond Counsel, in substantially the form attached hereto as APPENDIX C.

Bond Counsel was not requested to participate and did not take part in the preparation of the Official Statement, and such firm has not assumed any responsibility with respect thereto or undertaken independently to verify any of the information contained therein, except that, in its capacity as Bond Counsel, such firm has reviewed the information appearing in this Official Statement under the captions "SECURITY AND SOURCE OF PAYMENT," "THE BONDS," "LEGAL MATTERS," "TAX MATTERS," "THE SYSTEM OF CHARTER SCHOOLS IN TEXAS," "LEGAL INVESTMENT AND ELIGIBILITY TO SECURE PUBLIC FUNDS IN TEXAS," "CONTINUING DISCLOSURE OF INFORMATION," "APPENDIX C – FORM OF OPINION OF BOND COUNSEL," "APPENDIX D – SUBSTANTIALLY FINAL FORMS OF THE MASTER INDENTURE AND THE SUPPLEMENTAL MASTER TRUST INDENTURE NO. 1," "APPENDIX E – SUBSTANTIALLY FINAL FORM OF THE INDENTURE," and "APPENDIX F – SUBSTANTIALLY FINAL FORM OF THE LOAN AGREEMENT" solely to determine whether such information fairly summarizes the documents referred to therein and is correct as to matters of law.

No-Litigation Certificates

The Issuer will furnish the Underwriter a certificate, executed by both the President and Secretary of the Issuer, and dated as of the date of delivery of the Bonds, to the effect that there is not pending, and to their knowledge, there is not threatened, any litigation affecting the validity of the Bonds, or the collection of Loan Payments for the payment thereof, or the organization of the Issuer, or the title of the officers thereof to their respective offices.

The Borrower will furnish the Underwriter a certificate, executed by both the President and Secretary of the Borrower, and dated as of the date of delivery of the Bonds, to the effect that there is not pending, and to their knowledge, there is not threatened, any litigation affecting the validity of the Bonds, or the payment of Loan Payments for the payment thereof, or the organization of the Borrower, the granting of the Charter, the validity of the Loan Agreement, the Master Note, the Deed of Trust, or the title of the officers thereof to their respective offices.

TAX MATTERS

Tax Exemption

In the opinion of Vinson & Elkins L.L.P., Bond Counsel, assuming compliance with certain covenants and based on certain representations, (i) interest on the Bonds is excludable from gross income for federal income tax purposes under existing law, and (ii) the Bonds are "qualified 501(c)(3) bonds" under the Code, and, as such, interest on the Bonds is not (A) a specific preference item subject to the alternative minimum tax on individuals and corporations or (B) included in a corporation's adjusted current earnings for purposes of the alternative minimum tax.

The Code imposes a number of requirements that must be satisfied for interest on state or local obligations, such as the Bonds, to be excludable from gross income for federal income tax purposes. These requirements include a requirement that the Borrower be a tax-exempt organization described in section 501(c)(3) of the Code, limitations on the use of bond proceeds and the source of repayment of bonds, limitations on the investment of bond proceeds prior to expenditure, a requirement that excess arbitrage earned on the investment of bond proceeds be paid periodically to the United States, and a requirement that the Issuer file an information report with the IRS. The Borrower and the Issuer have covenanted in the Indenture and the Loan Agreement that they will comply with these requirements.

For purposes of its opinion that the Bonds are "qualified 501(c)(3) bonds," Bond Counsel will rely upon representations of the Issuer and the Borrower in the Indenture and the Loan Agreement and will assume continuing compliance with the Indenture and the Loan Agreement pertaining to those sections of the Code that affect the status of the Borrower as an organization described in section 501(c)(3) of the Code and the exclusion from gross income of interest on the Bonds for federal income tax purposes. In addition, Bond Counsel will rely on representations by the Issuer, the Borrower, and the Underwriter with respect to matters solely within the knowledge of the Issuer, the Borrower, and the Underwriter, respectively, which Bond Counsel has not independently verified. If the Borrower or the Issuer should fail to comply with the covenants in the Indenture and the Loan Agreement or the foregoing representations should be determined to be incorrect, inaccurate, or incomplete, interest on the Bonds could become includable in gross income for federal income tax purposes from the date of delivery of the Bonds, regardless of the date on which the event causing such includability occurs.

Except as stated above, Bond counsel will express no opinion as to any federal, state, or local tax consequences resulting from the ownership of, receipt of interest on, or disposition of, the Bonds.

Bond Counsel's opinions are based on existing law, which is subject to change. Such opinions are further based on Bond Counsel's knowledge of facts as of the date thereof. Bond Counsel assumes no duty to update or supplement its opinions to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention or to reflect any changes in any law that may thereafter occur or become effective. Moreover, Bond Counsel's opinions are not a guarantee of result and are not binding on the IRS; rather, such opinions represent Bond Counsel's legal judgment based upon its review of existing law and in reliance upon the representations and covenants of the Issuer and the Borrower that it deems relevant to such opinions. Bond Counsel observes that the Borrower has covenanted in the Loan Agreement not to take any action, or omit to take any action within its control, that if taken or omitted, respectively, may result in treatment of interest on the Bonds as includable in gross income for federal income tax purposes. The IRS has an ongoing audit program to determine compliance with rules that relate to whether interest on state or local obligations, is includable in gross income for federal income tax purposes. No assurances can be given regarding whether or not the IRS will commence an audit of the Bonds. If an audit is commenced, in accordance with its current published procedures, the IRS is likely to treat the Issuer as the taxpayer and the Beneficial Owners of the Bonds may not have a right to participate in such audit. Public awareness of any future audit of the Bonds could adversely affect the value and liquidity of the Bonds regardless of the ultimate outcome of the audit.

Collateral Tax Consequences

Prospective purchasers of the Bonds should be aware that the ownership of tax-exempt obligations may result in collateral federal income tax consequences to financial institutions, life insurance and property and casualty insurance companies, certain S corporations with Subchapter C earnings and profits, individual recipients of Social Security or Railroad Retirement benefits, taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations and individuals otherwise qualifying for the earned income credit. In addition, certain foreign corporations doing business in the United States may be subject to the branch profits tax on their effectively-connected earnings and profits, including tax-exempt interest such as interest on the Bonds. These categories of prospective purchasers should consult their own tax advisors as to the applicability of these consequences. Prospective purchasers of the Bonds should be aware that, under the Code, taxpayers are required to report on their returns the amount of tax-exempt interest, such as interest on the Bonds, received or accrued during the year.

Tax Accounting Treatment of Tax-Exempt Original Issue Discount Bonds

The initial offering price to be paid for certain Bonds (the "Tax-Exempt Original Issue Discount Bonds") may be less than the stated redemption price payable at maturity of such Bonds. In such case, the difference between (i) the amount payable at the maturity of each Tax-Exempt Original Issue Discount Bond, and (ii) the initial offering price to the public of such Tax-Exempt Original Issue Discount Bond constitutes original issue discount with respect to such Tax-Exempt Original Issue Discount Bond in the hands of any owner who has purchased such Tax-Exempt Original Issue Discount Bond at the initial offering price in the initial public offering of the Tax-Exempt Original Issue Discount Bonds. Generally, such initial owner is entitled to exclude from gross income (as defined in section 61 of the Code) an amount of income with respect to such Tax-Exempt Original Issue Discount Bond equal to that portion of the amount of such original issue discount allocable to the period that such Tax-Exempt Original Issue Discount Bond continues to be owned by such owner. Because original issue discount is treated as interest for federal income tax purposes, the discussion regarding interest on the Bonds under the caption "Collateral Tax Consequences" generally applies, and should be considered in connection with the discussion in this portion of the Official Statement.

In the event of the redemption, sale, or other taxable disposition of such Tax-Exempt Original Issue Discount Bond prior to stated maturity, however, the amount realized by such owner in excess of the basis of such Tax-Exempt Original Issue Discount Bond in the hands of such owner (adjusted upward by the portion of the original issue discount allocable to the period for which such Tax-Exempt Original Issue Discount Bond was held by such initial owner) is includable in gross income.

The foregoing discussion assumes that (i) the Underwriter has purchased the Bonds for contemporaneous sale to the public and (ii) all of the Tax-Exempt Original Issue Discount Bonds have been initially offered, and a substantial amount of each maturity thereof has been sold, to the general public in arm's-length transactions for a price (and with no other consideration being included) not more than the initial offering prices thereof stated on the inside cover page of this Official Statement. Neither the Borrower nor Bond Counsel has made any investigation or offers any comfort that the Tax-Exempt Original Issue Discount Bonds will be offered and sold in accordance with such assumptions.

Under existing law, the original discount on each Tax-Exempt Original Issue Discount Bond accrues daily to the stated maturity thereof (in amounts calculated as described below for a six-month period ending on the date before the semi-annual anniversary dates of the date of such Bonds and ratably within each such six-month period) and the accrued amount is added to an initial owner's basis for the Tax-Exempt Original Issue Discount Bond for purposes of determining the amount of gain or loss recognized by such owner upon the redemption, sale, or other disposition thereof. The amount to be added to basis for each accrual period is equal to (i) the sum of the issue price and the amount of original issue discount accrued in prior periods multiplied by the yield to stated maturity (determined on the basis of compounding at the close of each accrual period and properly adjusted for the length of the accrual period) less (ii) the amounts payable as current interest during such accrual period on such Bond.

The federal income tax consequences of the purchase, ownership, and redemption, sale, or other disposition of the Tax-Exempt Original Issue Discount Bonds that are not purchased in the initial offering may be determined according to rules that differ from those described above. All owners of the Tax-Exempt Original Issue Discount Bonds should consult their own tax advisors with respect to the determination for federal, state, and local income tax purposes of interest accrued upon redemption, sale, or other disposition of the Tax-Exempt Original Issue Discount Bonds and with respect to the federal, state, local, and foreign tax consequences of purchase, ownership, redemption, sale, or other disposition of the Tax-Exempt Original Issue Discount Bonds.

Tax Accounting Treatment of Tax-Exempt Original Issue Premium

The initial offering price to be paid for certain of the Bonds may exceed the stated redemption price payable at maturity of the Bonds. Such Bonds (the "Tax-Exempt Premium Bonds") will be considered for federal income tax purposes to have "bond premium" equal to the amount of such excess. The basis of a Tax-Exempt Premium Bond in the hands of an initial owner is reduced by the amount of such excess that is amortized during the period such initial owner holds such Tax-Exempt Premium Bond in determining gain or loss for federal income tax purposes. This reduction in basis will increase the amount of any gain or decrease the amount of any loss recognized for federal income tax purposes on the sale or other taxable disposition of a Tax-Exempt Premium Bond by the initial owner. No corresponding deduction is allowed for federal income tax purposes, however, for the reduction in basis resulting from amortizable bond premium. The amount of bond premium on a Tax-Exempt Premium Bond that is amortizable each year (or shorter period in the event of a sale or disposition of a Tax-Exempt Premium Bond) is determined using the yield to maturity on the Tax-Exempt Premium Bond based on the initial offering price of such Tax-Exempt Premium Bond.

The federal income tax consequences of the purchase, ownership, and redemption, sale, or other disposition of Tax-Exempt Premium Bonds that are not purchased in the initial offering at the initial offering price may be determined according to rules that differ from those described above. All owners of Tax-Exempt Premium Bonds should consult their own tax advisors with respect to the determination for federal, state, and local income tax purposes of amortized bond premium upon the redemption, sale, or other disposition of a Tax-Exempt Premium Bond and with respect to the federal, state, local, and foreign tax consequences of the purchase, ownership, and sale, redemption, or other disposition of such Tax-Exempt Premium Bonds.

SALE AND DISTRIBUTION OF THE BONDS

The Underwriter

The Bonds are being purchased by the Underwriter, pursuant to a bond purchase agreement with the Issuer, as approved by the Borrower, at a price of \$6,183,750.00, which reflects the par amount of the Bonds less an underwriting discount of \$191,250.00 and no accrued interest. The Underwriter's obligation to purchase the Bonds is subject to certain conditions precedent, and they will be obligated to purchase all of the Bonds if any Bonds are purchased. The Issuer has no control over the price at which the Bonds are subsequently sold and the initial yields at which the Bonds will be priced and reoffered will be established by and will be the responsibility of the Underwriter.

Prices and Marketability

The delivery of the Bonds is conditioned upon the receipt by the Issuer of a certificate executed and delivered by the Underwriter on or before the date of delivery of the Bonds stating the prices at which a substantial amount of the Bonds of each maturity have been sold to the public. For this purpose, the term "public" shall not include any person who is a bond house, broker, or similar person acting in the capacity of underwriter or wholesaler. Otherwise, the Issuer has no understanding with the Underwriter regarding the reoffering yields or prices of the Bonds. Information concerning reoffering yields or prices is the responsibility of the Underwriter.

The prices and other terms with respect to the offering and sale of the Bonds may be changed from time to time by the Underwriter after the Bonds are released for sale, and the Bonds may be offered and sold at prices other than the initial offering prices, including sales to dealers who may sell the Bonds into investment accounts. In connection with the offering of the Bonds, the Underwriter may over-allot or effect transactions which stabilize or maintain the market prices of the Bonds at levels above those which might otherwise prevail in the open market. Such stabilizing, if commenced, may be discontinued at any time.

The Issuer has no control over trading of the Bonds in the secondary market. Moreover, there is no guarantee that a secondary market will be made in the Bonds. If there is such a secondary market, the difference between the bid and asked price of the Bonds may be greater than the difference between the bid and asked price of bonds of comparable maturity and quality issued by more traditional municipal entities, as bonds of such entities are more generally bought, sold, or traded in the secondary market.

Securities Laws

No registration statement relating to the offer and sale of the Bonds has been filed with the SEC under the Securities Act of 1933, as amended, in reliance upon the exemptions provided thereunder. The Bonds have not been registered or qualified under the Securities Act of Texas in reliance upon various exemptions contained therein, nor have the Bonds been registered or qualified under the securities laws of any other jurisdiction. The Issuer assumes no responsibility for registration or qualification of the Bonds under the securities laws of any other jurisdiction in which the Bonds may be offered, sold, or otherwise transferred. This disclaimer of responsibility for registration or

qualification for sale or other disposition of the Bonds shall not be construed as an interpretation of any kind with regard to the availability of any exemption from securities registration or qualification provisions in such other jurisdiction.

LEGAL INVESTMENT AND ELIGIBILITY TO SECURE PUBLIC FUNDS IN TEXAS

Under the Texas Public Security Procedures Act (Texas Government Code, Chapter 1201, as amended), the Bonds (1) are negotiable instruments, (2) are investment securities to which Chapter 8 of the Texas Uniform Commercial Code applies, and (3) are legal and authorized investments for (A) an insurance company, (B) a fiduciary or trustee, or (C) a sinking fund of a municipality or other political subdivision or public agency of the State. The Bonds are eligible to secure deposits of any public funds of the State, its agencies and political subdivisions, and are legal security for those deposits to the extent of their market value. For political subdivisions in Texas which have adopted investment policies and guidelines in accordance with the Public Funds Investment Act (Texas Government Code, Chapter 2256, as amended), the Bonds may have to be assigned a rating of "A" or its equivalent as to investment quality by a national rating agency before such obligations are eligible investments for sinking funds and other public funds. The Bonds have been assigned a rating of "BBB" by a national rating agency. See "RATING" herein. However, political subdivisions otherwise subject to the Public Funds Investment Act may have additional statutory authority to invest in the Bonds independent of the Public Funds Investment Act. In addition, various provisions of the Texas Finance Code provide that, subject to a prudent investor standard, the Bonds are legal investments for state banks, savings banks, trust companies with at least \$1 million of combined capital, and savings and loan associations. No review has been made of the laws in other states to determine whether the Bonds are legal investments for various institutions in those states. No representation is made that the Bonds will in fact be used as investments or security by any entity.

CONTINUING DISCLOSURE OF INFORMATION

The Borrower in the Loan Agreement has made the following agreement for the benefit of the holders and beneficial owners of the Bonds. The Borrower is required to observe the agreement for so long as it remains obligated to advance funds to pay the Bonds. Under the agreement, the Borrower will be obligated to provide certain updated financial information and operating data upon request to any person or, at the option of the Borrower, at least annually to the Municipal Securities Rule Making Board (the "MSRB"). Information will be available free of charge via the Electronic Municipal Market Access ("EMMA") system at www.emma.msrb.org.

Annual Reports

The Borrower will provide certain updated financial information and operating data to certain information vendors annually. The information to be updated includes all quantitative financial information and operating data of the general type included in this Official Statement in APPENDIX A and APPENDIX G. The Borrower will update and provide this information within six months after the end of each fiscal year. The Borrower will provide updated information to the MSRB.

The Borrower may provide updated information in full text or may incorporate by reference other publicly available documents, as permitted by SEC Rule 15c2-12 (the "Rule"). The updated information will include audited financial statements if the Borrower commissions an audit and the audit is completed by the required time. If audited financial statements are not available by the required time, the Borrower will provide such financial statements on an unaudited basis within the required time and audited financial statements when they become available. Any such financial statements will be prepared in accordance with the accounting principles described in APPENDIX A or such other accounting principles as the Borrower may be required to employ from time to time pursuant to State law or regulation.

The Borrower's current fiscal year-end is the last day of August. Accordingly, the Borrower must provide updated information by the last day of February in each year, unless the Borrower changes its fiscal year. If the Borrower changes its fiscal year, it will notify the MSRB.

Material Event Notices

The Borrower also will provide timely notices of certain events to certain information vendors. Specifically, the Borrower will provide notice of any of the following events with respect to the Bonds, if such event is material to a decision to purchase or sell Bonds: (1) principal and interest payment delinquencies; (2) non-payment related defaults; (3) unscheduled draws on debt service reserves reflecting financial difficulties; (4) unscheduled draws on credit enhancements reflecting financial difficulties; (5) substitution of credit or liquidity providers, or their failure to perform; (6) adverse tax opinions or events affecting the tax-exempt status of the Bonds; (7) modifications to rights of holders of the Bonds; (8) Bond calls; (9) defeasances; (10) release, substitution, or sale of property securing repayment of the Bonds; and (11) rating changes. Neither the Bonds nor the Agreement make any provision for liquidity enhancement. In addition, the Borrower will provide timely notice of any failure by the Borrower to provide annual financial information, data, or financial statements in accordance with its agreement described above under "Annual Reports." The Borrower will provide each notice described in this paragraph to the MSRB.

Limitations and Amendments

The Borrower has agreed to update information and to provide notices of material events only as described above. The Borrower has not agreed to provide other information that may be relevant or material to a complete presentation of its financial results of operations,

condition, or prospects or agreed to update any information that has been provided except as described above. The Borrower makes no representation or warranty concerning such information or concerning its usefulness to a decision to invest in or sell Bonds at any future date. The Borrower disclaims any contractual or tort liability for damages resulting in whole or in part from any breach of its continuing disclosure agreement or from any statement made pursuant to its agreement, although holders of Bonds may seek a writ of mandamus to compel the Borrower to comply with its agreement. Nothing in this paragraph is intended or shall act to disclaim, waive, or limit the Borrower's duties under federal or state securities laws.

The continuing disclosure agreement may be amended by the Borrower from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the Borrower, but only if (1) the agreement, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with Rule 15c2-12, taking into account any amendments or interpretations of Rule 15c2-12 since such offering as well as such changed circumstances and (2) either (a) the registered owners of a majority in aggregate principal amount (or any greater amount required by any other provision of the Indenture) of the outstanding Bonds consent to such amendment or (b) a person that is unaffiliated with the Borrower (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests of the registered owners and beneficial owners of the Bonds. The Borrower may also amend or repeal the provisions of the continuing disclosure agreement if the SEC amends or repeals the applicable provisions of Rule 15c2-12 or a court of final jurisdiction enters judgment that such provisions of Rule 15c2-12 are invalid, but only if and to the extent that the provisions of this sentence would not prevent an Underwriter from lawfully purchasing or selling Bonds in the primary offering of the Bonds. If the Borrower amends its agreements, it has agreed to include with the next financial information and operating data provided in accordance with its agreement described above under "Annual Reports" an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of information and data provided.

The Borrower is subject to periodic reporting and audit requirements under the statutes and rules governing charter schools, including participation in the Texas PEIMS system. See "THE SYSTEM OF CHARTER SCHOOLS IN TEXAS" Such records are open records under the Texas Public Information Act, Chapter 552, Texas Government Code, as amended, and, subject to exemptions contained therein, would be available to any person from the Borrower or the Texas Education Agency upon payment of costs.

Independent Auditor's Report

Unqualified Opinion on Financial Statements

Board of Directors
Nova Charter School
DBA Nova Charter School Southeast and Oak Cliff Nova Charter School
Dallas, Texas

I have audited the accompanying statement of financial position of Nova Charter School DBA Nova Charter School Southeast and Oak Cliff Nova Charter School (a nonprofit organization) as of August 31, 2009 and 2008, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of the Charter Holder's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Nova Charter School DBA Nova Charter School Southeast and Oak Cliff Nova Charter School as of August 31, 2009 and 2008, and the respective changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, I have also issued my report dated November 2, 2009, on my consideration of Nova Charter School DBA Nova Charter School Southeast and Oak Cliff Nova Charter School's internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of my audit.

My audit was conducted for the purpose of forming an opinion on the basic financial statements of Nova Charter School DBA Nova Charter School Southeast and Oak Cliff Nova Charter School taken as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in my opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

My audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The specific purpose financial statements and supplemental information on pages 14-25 are presented for the purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in my opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Note 1: Summary of Significant Accounting Policies (continued)

Basis of Accounting and Presentation

The accompanying general-purpose financial statements have been prepared using the accrual basis of accounting in accordance with generally accepted accounting principles.

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board (FASB) in its Statement of Financial Accounting Standards (SFAS) No. 117, Financial Statements of Not-for-Profit Organizations. Under those provisions, net assets and revenues, expenses, gains, and losses are classified based on the existence and nature or absence of donor-imposed restrictions. Restricted revenues whose restrictions are met in the same year as received are shown as unrestricted revenues. Accordingly, net assets of the organization and changes therein are classified and reported as follows:

Unrestricted – net assets that are not subject to donor-imposed stipulations.

Temporarily restricted – net assets subject to donor-imposed stipulations that may or will be met, either by actions of the corporation, the charter school and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Permanently restricted – net assets required to be maintained in perpetuity with only the income to be used for the charter school's activities due to donor-imposed restrictions.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Contributions

The corporation accounts for contributions in accordance with Statement of Financial Accounting Standards (SFAS) No. 116, *Accounting for Contributions Received and Contributions Made*. In accordance with SFAS No. 116, contributions are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

Support that is restricted by the donor is reported as an increase in temporarily restricted or permanently restricted net assets in the reporting period in which the support is recognized. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Cash and Cash Equivalents

For financial statement purposes, the corporation considers all highly liquid investment instruments with an original maturity of three months or less to be cash equivalents.

Capital Assets

Capital assets, which include buildings and improvements, furniture and equipment, vehicles, and other personal property, are reported in the general-purpose and specific-purpose financial statements. Capital assets are defined by the corporation as assets with an individual cost of more than \$5,000. Such assets are recorded at historical cost and are depreciated over the estimated useful lives of the assets, which range from three to twenty years, using the straight-line method of depreciation. Expenditures for additions, major renewals and betterments are capitalized, and maintenance and repairs are charged to expense as incurred. Donations of assets are recorded as direct additions to net assets at fair value at the date of donation, which is then treated as cost.

Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

Board of Directors
Nova Charter School
DBA Nova Charter School Southeast and Oak Cliff Nova Charter School
Dallas, Texas

I have audited the financial statements of Nova Charter School DBA Nova Charter School Southeast and Oak Cliff Nova Charter School (a nonprofit organization) as of and for the years ended August 31, 2009 and 2008, and have issued my report thereon dated November 2, 2009. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing my audit, I considered Nova Charter School DBA Nova Charter School Southeast and Oak Cliff Nova Charter School's internal control over financial reporting as a basis for designing my auditing procedures for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Nova Charter School DBA Nova Charter School Southeast and Oak Cliff Nova Charter School's internal control over financial reporting. Accordingly, I do not express an opinion on the effectiveness of the Charter Holder's internal control over financial reporting.

My consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and would not necessarily identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses. However, as discussed below, I identified certain deficiencies in internal control over financial reporting that I consider to be significant deficiencies.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the Charter Holder's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles, such that there is more than a remote likelihood that a misstatement of the Charter Holder's financial statements that is more than inconsequential will not be prevented or detected by the Charter Holder's internal control. I consider the deficiencies described in the accompanying schedule of findings and questioned costs to be significant deficiencies in internal control over financial reporting. The finding reference number is 2009-1.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the Charter Holder's internal control.

My consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in the internal control that might be significant deficiencies and, accordingly, would not necessarily disclose all significant deficiencies that are also considered to be material weaknesses. However, I believe that none of the significant deficiencies described above is a material weakness.

Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

Page 2 of 2

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Nova Charter School DBA Nova Charter School Southeast and Oak Cliff Nova Charter School's financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit, and accordingly, I do not express such an opinion. The results of my tests disclosed instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards* and which is described in the accompanying schedule of findings and questioned costs as item 2009-1.

I noted certain matters that I reported to management of Nova Charter School DBA Nova Charter School Southeast and Oak Cliff Nova Charter School in a separate letter dated November 2, 2009.

Nova Charter School DBA Nova Charter School Southeast and Oak Cliff Nova Charter School's response to the findings identified in my audit is described in the accompanying schedule of findings and questioned costs. I did not audit Nova Charter School DBA Nova Charter School Southeast and Oak Cliff Nova Charter School's response and, accordingly, I express no opinion on it.

This report is intended solely for the information and use of management, others within the entity, and the Board of Directors, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

My responsibility is to express an opinion on Nova Charter School DBA Nova Charter School Southeast and Oak Cliff Nova Charter School's compliance based on my audit.

I conducted my audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that I plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Nova Charter School DBA Nova Charter School Southeast and Oak Cliff Nova Charter School's compliance with those requirements and performing such other procedures as I considered necessary in the circumstances. I believe that my audit provides a reasonable basis for my opinion. My audit does not provide a legal determination of Nova Charter School DBA Nova Charter School Southeast and Oak Cliff Nova Charter School's compliance with those requirements.

In my opinion, Nova Charter School DBA Nova Charter School Southeast and Oak Cliff Nova Charter School complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended August 31, 2009.

Report on Compliance with Requirements Applicable to Each Major Program and on Internal Control over Compliance in Accordance with OMB Circular A-133

Page 2 of 2

Internal Control Over Compliance

The management of Nova Charter School DBA Nova Charter School Southeast and Oak Cliff Nova Charter School is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing my audit, I considered Nova Charter School DBA Nova Charter School Southeast and Oak Cliff Nova Charter School's internal control over compliance with the requirements that could have a direct and material effect on a major federal program in order to determine my auditing procedures for the purpose of expressing my opinion on compliance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, I do not express an opinion on the effectiveness of Nova Charter School DBA Nova Charter School Southeast and Oak Cliff Nova Charter School's internal control over compliance.

A control deficiency in an entity's internal control over compliance exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect noncompliance with a type of compliance requirement of a federal program on a timely basis. *A significant deficiency* is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to administer a federal program such that there is more than a remote likelihood that noncompliance with a type of compliance requirement of a federal program that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that material noncompliance with a type of compliance requirement of a federal program will not be prevented or detected by the entity's internal control.

My consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. I did not identify any deficiencies in internal control over compliance that I consider to be material weaknesses, as defined above.

Nova Charter School DBA Nova Charter School Southeast and Oak Cliff Nova Charter School's response to the findings identified in my audit are described in the accompanying schedule of findings and questioned costs. I did not audit Nova Charter School DBA Nova Charter School Southeast and Oak Cliff Nova Charter School's response and, accordingly, I express no opinion on it.

This report is intended solely for the information and use of management, others within the entity, the Board of Directors, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

Standard Financial Accounting System

For all federal programs, the corporation used the net asset classes and codes specified by the Texas Education Agency in the *Special Supplement to Financial Accounting and Reporting, Nonprofit Charter School Chart of Accounts*. Temporarily restricted net asset codes are used to account for resources restricted to or designated for specific purposes by a grantor. Federal and state financial assistance is generally accounted for in temporarily restricted net asset codes.

Management Letter

Members of the Board:

In planning and performing my audit of the financial statements of Nova Charter School for the year ended August 31, 2009, I considered the School's internal control in order to determine my auditing procedures for the purpose of expressing an opinion on the financial statements and not to provide assurance on internal control.

However, during my audit, I became aware of matters that involve the internal control and its operation that are presented for your consideration. This letter does not affect my report dated November 2, 2009, on the financial statements of Nova Charter School. My comments and recommendations, all of which have been discussed with appropriate members of management, are intended to improve the internal control or result in other operating efficiencies. I would be pleased to discuss these comments in further detail at your convenience, perform additional studies of these matters, or assist you in implementing the recommendations. My comments are summarized as follows:

Budget

Nova Academy Oak Cliff overspent the budget in one function category. The Academy will need to amend the budget throughout the year as needed and prior to year end. The School Board should make sufficient appropriations prior to the expenditure of Academy funds.

Unsecured Bank Balances

Nova Charter School's August 31, 2009, Wells Fargo Investments statement showed a balance of \$206,365. The balance secured by the FDIC was zero. Therefore, the amount not secured was \$206,365.

Nova Charter School's August 31, 2009, Inwood National Bank bank statement showed a balance of \$451,676. The balance secured by the FDIC was \$250,000. The amount not secured was \$201,676. The School should discuss with their depository having pledged securities to cover the excess deposits when needed.

I believe the implementation of these recommendations will provide Nova Charter School with a stronger system of internal accounting control while also making its operations more efficient. This report is intended solely for the information and use of the Board of Directors, management and others within the School and is not intended to be and should not be used by anyone other than these specified parties.

Independent Auditor's Report

Unqualified Opinion on Financial Statements

Board of Directors
Nova Charter School
DBA Nova Academy Oak Cliff and Nova Academy Southeast
Dallas, Texas

I have audited the accompanying statement of financial position of Nova Charter School DBA Nova Academy Oak Cliff and Nova Charter Academy Southeast (a nonprofit organization) as of August 31, 2008 and 2007, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of the Charter Holder's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Nova Charter School DBA Nova Academy Oak Cliff and Nova Academy Southeast as of August 31, 2008 and 2007, and the respective changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, I have also issued my report dated November 21, 2008, on my consideration of Nova Charter School DBA Nova Academy Oak Cliff and Nova Academy Southeast's internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and important for assessing the results of my audit.

My audit was conducted for the purpose of forming an opinion on the basic financial statements of Nova Charter School DBA Nova Academy Oak Cliff and Nova Academy Southeast taken as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in my opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

My audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental information financial statements on pages 19-24 are presented for the purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in my opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Basis of Accounting and Presentation

The accompanying general-purpose financial statements have been prepared using the accrual basis of accounting in accordance with generally accepted accounting principles.

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board (FASB) in its Statement of Financial Accounting Standards (SFAS) No. 117, Financial Statements of Not-for-Profit Organizations. Under those provisions, net assets and revenues, expenses, gains, and losses are classified based on the existence and nature or absence of donor-imposed restrictions. Restricted revenues whose restrictions are met in the same year as received are shown as unrestricted revenues. Accordingly, net assets of the organization and changes therein are classified and reported as follows:

Unrestricted – net assets that are not subject to donor-imposed stipulations.

Temporarily restricted – net assets subject to donor-imposed stipulations that may or will be met, either by actions of the corporation, the charter school and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Permanently restricted – net assets required to be maintained in perpetuity with only the income to be used for the charter school's activities due to donor-imposed restrictions.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Contributions

The corporation accounts for contributions in accordance with Statement of Financial Accounting Standards (SFAS) No. 116, *Accounting for Contributions Received and Contributions Made*. In accordance with SFAS No. 116, contributions are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

Support that is restricted by the donor is reported as an increase in temporarily restricted or permanently restricted net assets in the reporting period in which the support is recognized. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Capital Assets

Capital assets, which include buildings and improvements, furniture and equipment, vehicles, and other personal property, are reported in the general-purpose and specific-purpose financial statements. Such assets are recorded at historical cost and are depreciated over the estimated useful lives of the assets, which range from three to twenty years, using the straight-line method of depreciation. Expenditures for additions, major renewals and betterments are capitalized, and maintenance and repairs are charged to expense as incurred. Donations of assets are recorded as direct additions to net assets at fair value at the date of donation, which is then treated as cost.

**Report on Internal Control Over Financial Reporting and on Compliance and
Other Matters Based on an Audit of Financial Statements Performed in
Accordance with *Government Auditing Standards***

Board of Directors
Nova Charter School
DBA Nova Academy Oak Cliff and Nova Academy Southeast
Dallas, Texas

I have audited the financial statements of Nova Charter School DBA Nova Academy Oak Cliff and Nova Academy Southeast (a nonprofit organization) as of and for the years ended August 31, 2008 and 2007, and have issued my report thereon dated November 21, 2008. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing my audit, I considered Nova Charter School DBA Nova Academy Oak Cliff and Nova Academy Southeast's internal control over financial reporting as a basis for designing my auditing procedures for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Nova Charter School DBA Nova Academy Oak Cliff and Nova Academy Southeast's internal control over financial reporting. Accordingly, I do not express an opinion on the effectiveness of the Charter Holder's internal control over financial reporting.

My consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and would not necessarily identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses. However, as discussed below, I identified certain deficiencies in internal control over financial reporting that I consider to be significant deficiencies.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the Charter Holder's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles, such that there is more than a remote likelihood that a misstatement of the Charter Holder's financial statements that is more than inconsequential will not be prevented or detected by the Charter Holder's internal control. I consider the deficiencies described in the accompanying schedule of findings and questioned costs to be significant deficiencies in internal control over financial reporting. The finding reference number is 2008-1.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the Charter Holder's internal control.

My consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in the internal control that might be significant deficiencies and, accordingly, would not necessarily disclose all significant deficiencies that are also considered to be material weaknesses. However, I believe that none of the significant deficiencies described above is a material weakness.

Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

Page 2 of 2

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Nova Charter School DBA Nova Academy Oak Cliff and Nova Academy Southeast's financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit, and accordingly, I do not express such an opinion. The results of my tests disclosed instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards* and which are described in the accompanying schedule of findings and questioned costs as item 2008-1.

I noted certain matters that I reported to management of Nova Charter School DBA Nova Academy Oak Cliff and Nova Academy Southeast in a separate letter dated November 21, 2008.

Nova Charter School DBA Nova Academy Oak Cliff and Nova Academy Southeast's response to the findings identified in my audit is described in the accompanying schedule of findings and questioned costs. I did not audit Nova Charter School DBA Nova Academy Oak Cliff and Nova Academy Southeast's response and, accordingly, I express no opinion on it.

This report is intended solely for the information and use of management, others within the entity, and the Board of Directors, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

Report on Compliance with Requirements Applicable to Each Major Program and on Internal Control over Compliance in Accordance with OMB Circular A-133

Board of Directors
Nova Charter School
DBA Nova Academy Oak Cliff and Nova Academy Southeast
Dallas, Texas

Compliance

I have audited the compliance of Nova Charter School DBA Nova Academy Oak Cliff and Nova Academy Southeast (a nonprofit organization) with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) *Circular A-133 Compliance Supplement* that are applicable to each of its major federal programs for the year ended August 31, 2008. Nova Charter School DBA Nova Academy Oak Cliff and Nova Academy Southeast's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts, and grants applicable to each of its major federal programs is the responsibility of Nova Charter School DBA Nova Academy Oak Cliff and Nova Academy Southeast's management. My responsibility is to express an opinion on Nova Charter School DBA Nova Academy Oak Cliff and Nova Academy Southeast's compliance based on my audit.

I conducted my audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that I plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Nova Charter School DBA Nova Academy Oak Cliff and Nova Academy Southeast's compliance with those requirements and performing such other procedures as I considered necessary in the circumstances. I believe that my audit provides a reasonable basis for my opinion. My audit does not provide a legal determination of Nova Charter School DBA Nova Academy Oak Cliff and Nova Academy Southeast's compliance with those requirements.

In my opinion, Nova Charter School DBA Nova Academy Oak Cliff and Nova Academy Southeast complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended August 31, 2008.

Report on Compliance with Requirements Applicable to Each Major Program and on Internal Control over Compliance in Accordance with OMB Circular A-133

Internal Control Over Compliance

The management of Nova Charter School DBA Nova Academy Oak Cliff and Nova Academy Southeast is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing my audit, I considered Nova Charter School DBA Nova Academy Oak Cliff and Nova Academy Southeast's internal control over compliance with the requirements that could have a direct and material effect on a major federal program in order to determine my auditing procedures for the purpose of expressing my opinion on compliance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, I do not express an opinion on the effectiveness of Nova Charter School DBA Nova Academy Oak Cliff and Nova Academy Southeast's internal control over compliance.

A *control deficiency* in an entity's internal control over compliance exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect noncompliance with a type of compliance requirement of a federal program on a timely basis. A *significant deficiency* is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to administer a federal program such that there is more than a remote likelihood that noncompliance with a type of compliance requirement of a federal program that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that material noncompliance with a type of compliance requirement of a federal program will not be prevented or detected by the entity's internal control.

My consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. I did not identify any deficiencies in internal control over compliance that I consider to be material weaknesses, as defined above.

This report is intended solely for the information and use of management, others within the entity, the Board of Directors, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

II. Findings related to the financial statement which are required to be reported in accordance with generally accepted government auditing standards

Finding 2008-1

Criteria: Public Charter schools are required to set a budget and are not allowed to have an unfavorable expenditure variance which is more than 10% of the final budget.

Lack of Action that Caused Finding: Monitoring throughout the year and amending the budget prior to year end.

Effect: Lower net assets at end of year than what was originally budgeted.

Recommendation: Nova Academy Oak Cliff should establish a system of internal control policies that would ensure that the budget is followed throughout the year and amended when necessary.

Management's Response: Ms. Donna Woods, Superintendent, is the contact person for the Academy. The budget was last amended on May 13, 2008. The budget variance is related to repairs and improvements needed to improve student and staff safety and enhance food service. NOVA CHARTER SCHOOL
NOTES TO THE SCHEDULE OF EXPENSES OF FEDERAL AWARDS
Fiscal Year Ended August 31, 2008

Standard Financial Accounting System

For all federal programs, the corporation used the net asset classes and codes specified by the Texas Education Agency in the *Special Supplement to Financial Accounting and Reporting, Nonprofit Charter School Chart of Accounts*. Temporarily restricted net asset codes are used to account for resources restricted to or designated for specific purposes by a grantor. Federal and state financial assistance is generally accounted for in temporarily restricted net asset codes.

Management Letter

Members of the Board:

In planning and performing my audit of the financial statements of Nova Charter School for the year ended August 31, 2008, I considered the School's internal control in order to determine my auditing procedures for the purpose of expressing an opinion on the financial statements and not to provide assurance on internal control.

However, during my audit, I became aware of matters that involve the internal control and its operation that are presented for your consideration. This letter does not affect my report dated November 21, 2008, on the financial statements of Nova Charter School. My comments and recommendations, all of which have been discussed with appropriate members of management, are intended to improve the internal control or result in other operating efficiencies. I would be pleased to discuss these comments in further detail at your convenience, perform additional studies of these matters, or assist you in implementing the recommendations. My comments are summarized as follows:

Budget

Nova Academy Oak Cliff overspent the budget in several function categories. The Academy will need to amend the budget throughout the year as needed and prior to year end. The School Board should make sufficient appropriations prior to the expenditure of Academy funds.

Unsecured Bank Balances

Nova Charter School's May 31, 2008, Wells Fargo Bank Statement showed a balance of \$1,193,401. The balance secured by the FDIC was \$100,000. The amount not secured was \$1,093,401. The School should discuss with their depository having pledged securities to cover the excess deposits when needed.

Nova Charter School's August 31, 2008, Comerica Bank Statement showed a balance of \$200,200. The balance secured by the FDIC was \$200,000. The amount not secured was \$200. The School should discuss with their depository having pledged securities to cover the excess deposits when needed.

Nova Charter School's August 31, 2008, Jefferson Bank Statement showed a balance of \$375,994. The balance secured by the FDIC was \$100,000. The amount of pledged securities was \$234,390. The amount not secured was \$41,604. The School should discuss with their depository having pledged securities to cover the excess deposits when needed.

I believe the implementation of these recommendations will provide Nova Charter School with a stronger system of internal accounting control while also making its operations more efficient. This report is intended solely for the information and use of the Board of Directors, management and others within the School and is not intended to be and should not be used by anyone other than these specified parties.

Independent Auditor's Report

Unqualified Opinion on Financial Statements

Board of Directors
Nova Charter School
Dallas, Texas

I have audited the accompanying statement of financial position of Nova Charter School (a nonprofit organization) as of August 31, 2007 and 2006, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of the Charter Holder's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Nova Charter School as of August 31, 2007 and 2006, and the respective changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, I have also issued my report dated November 15, 2007, on my consideration of Nova Charter School's internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of my audit.

My audit was conducted for the purpose of forming an opinion on the basic financial statements of Nova Charter School taken as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in my opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

My audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The specific purpose financial statements on pages 14-25 are presented for the purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in my opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Notes to Financial Statements
Fiscal Year Ended August 31, 2007

Note 1: Summary of Significant Accounting Policies

The general-purpose financial statements of Nova Charter School (the corporation) were prepared in conformity with accounting principles generally accepted in the United States. The Financial Accounting Standards Board is the accepted standard setting body for establishing not-for-profit accounting and financial reporting principles.

Reporting Entity

The corporation is a not-for-profit organization incorporated in the State of Texas in 1998 and exempt from federal income taxes pursuant to Section 501(c)(3) of the Internal Revenue Code. A Board of Directors comprised of nine members governs the corporation. The Board of Directors is selected pursuant to the bylaws of the corporation and has the authority to make decisions, appoint the chief executive officer of the corporation, and significantly influence operations. The Board of Directors has the primary accountability for the fiscal affairs of the corporation.

Since the corporation received funding from local, state, and federal government sources, it must comply with the requirements of the entities providing those funds.

Corporate Operations

In 1998, the State Board of Education of the State of Texas granted the corporation an open-enrollment charter pursuant to Chapter 12 of the Texas Education Code. Pursuant to the program described in the charter application approved by the State Board of Education and the terms of the applicable Contract for Charter, Nova Academy Oak Cliff was opened for the academic year 1998-1999. Subsequent to the awarding of the charter for Nova Academy Oak Cliff, the corporation applied for and received a second charter in 2000. Pursuant to the program described in the charter application approved by the State Board of Education and the terms of the applicable Contract for Charter, Nova Academy Southeast was opened for the academic year 2000-2001. During the academic years 2002-2003 and 2003-2004, Nova Academy Oak Cliff suspended school operations. Nova Academy Oak Cliff was reopened for the academic year 2004-2005 on August 30, 2004. Nova Academy Oak Cliff and Nova Academy Southeast are both included in this audit. Nova Academy Oak Cliff provides educational services to grades PreK-3 and Nova Academy Southeast provides educational services to grades PreK-6. The corporation's board of directors governs their programs, services, activities and functions.

Basis of Presentation

The accompanying general-purpose financial statements have been prepared using the accrual basis of accounting in accordance with generally accepted accounting principles. Accordingly, management made certain estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period.

NOVA CHARTER SCHOOL
Notes to Financial Statements
Fiscal Year Ended August 31, 2007

Note 1: Summary of Significant Accounting Policies (continued)

Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the organization and changes therein are classified and reported as follows:

Unrestricted – net assets that are not subject to donor-imposed stipulations.

Temporarily restricted – net assets subject to donor-imposed stipulations that may or will be met, either by actions of the corporation, the charter school and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Permanently restricted – net assets required to be maintained in perpetuity with only the income to be used for the charter school's activities due to donor-imposed restrictions.

Contributions

The corporation accounts for contributions in accordance with Statement of Financial Accounting Standards (SFAS) No. 116, *Accounting for Contributions Received and Contributions Made*. In accordance with SFAS No. 116, contributions are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

Support that is restricted by the donor is reported as an increase in temporarily restricted or permanently restricted net assets in the reporting period in which the support is recognized. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Cash and Cash Equivalents

For financial statement purposes, the corporation considers all highly liquid investment instruments with an original maturity of three months or less to be cash equivalents.

Capital Assets

Capital assets, which include buildings and improvements, furniture and equipment, vehicles, and other personal property, are reported in the general-purpose and specific-purpose financial statements. Capital assets are defined by the corporation as assets with an individual cost of more than \$5,000. Such assets are recorded at historical cost and are depreciated over the estimated useful lives of the assets, which range from three to twenty years, using the straight-line method of depreciation. Expenditures for additions, major renewals and betterments are capitalized, and maintenance and repairs are charged to expense as incurred. Donations of assets are recorded as direct additions to net assets at fair value at the date of donation, which is then treated as cost.

**Report on Internal Control Over Financial Reporting and on Compliance and Other Matters
Based on an Audit of Financial Statements Performed in Accordance with *Government
Auditing Standards***

Board of Directors
Nova Charter School
Dallas, Texas

I have audited the financial statements of Nova Charter School (a nonprofit organization) as of and for the years ended August 31, 2007 and 2006, and have issued my report thereon dated November 15, 2007. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing my audit, I considered Nova Charter School's internal control over financial reporting as a basis for designing my auditing procedures for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Nova Charter School's internal control over financial reporting. Accordingly, I do not express an opinion on the effectiveness of the Charter Holder's internal control over financial reporting.

My consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and would not necessarily identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses. However, as discussed below, I identified certain deficiencies in internal control over financial reporting that I consider to be significant deficiencies.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the Charter Holder's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles, such that there is more than a remote likelihood that a misstatement of the Charter Holder's financial statements that is more than inconsequential will not be prevented or detected by the Charter Holder's internal control. I consider the deficiencies described in the accompanying schedule of findings and questioned costs to be significant deficiencies in internal control over financial reporting. The finding reference number is 7-1.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the Charter Holder's internal control.

My consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in the internal control that might be significant deficiencies and, accordingly, would not necessarily disclose all significant deficiencies that are also considered to be material weaknesses. However, I believe that none of the significant deficiencies described above is a material weakness.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Nova Charter School 's financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit, and accordingly, I do not express such an opinion. The results of my tests disclosed an instance of noncompliance or other matters that are required to be reported under *Government Auditing Standard* and which are described in the accompanying schedule of findings and questioned costs as item 7-1.

I noted certain matters that I reported to management of Nova Charter School in a separate letter dated November 15, 2007.

Nova Charter School's response to the findings identified in my audit is described in the accompanying schedule of findings and questioned costs. I did not audit Nova Charter School's response and, accordingly, I express no opinion on it.

This report is intended solely for the information and use of management, the audit committee, Board of Directors, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

Report on Compliance with Requirements Applicable to Each Major Program and on Internal Control over Compliance in Accordance with OMB Circular A-133

Board of Directors
Nova Charter School
Dallas, Texas

Compliance

I have audited the compliance of Nova Charter School (nonprofit organization) with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) *Circular A-133 Compliance Supplement* that are applicable to each of its major federal programs for the year ended August 31, 2007. Nova Charter School's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts, and grants applicable to each of its major federal programs is the responsibility of Nova Charter School's management. My responsibility is to express an opinion on Nova Charter School's compliance based on my audit.

I conducted my audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that I plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Nova Charter School's compliance with those requirements and performing such other procedures as I considered necessary in the circumstances. I believe that my audit provides a reasonable basis for my opinion. My audit does not provide a legal determination of Nova Charter School's compliance with those requirements.

In my opinion, Nova Charter School complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended August 31, 2007.

Internal Control Over Compliance

The management of Nova Charter School is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing my audit, I considered Nova Charter School's internal control over compliance with the requirements that could have a direct and material effect on a major federal program in order to determine my auditing procedures for the purpose of expressing my opinion on compliance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, I do not express an opinion on the effectiveness of Nova Charter School's internal control over compliance.

A *control deficiency* in an entity's internal control over compliance exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect noncompliance with a type of compliance requirement of a federal program on a timely basis. A *significant deficiency* is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to administer a federal program such that there is more than a remote likelihood that noncompliance with a type of compliance requirement of a federal program that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that material noncompliance with a type of compliance requirement of a federal program will not be prevented or detected by the entity's internal control.

My consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. I did not identify any deficiencies in internal control over compliance that I consider to be material weaknesses, as defined above.

Nova Charter School's response to the findings identified in my audit is described in the accompanying schedule of findings and questioned costs. I did not audit Nova Charter School's response and, accordingly, I express no opinion on it.

This report is intended solely for the information and use of management, the Board of Directors, others within the entity, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

NOTES TO THE SCHEDULE OF EXPENSES OF FEDERAL AWARDS

Standard Financial Accounting System

For all federal programs, the corporation used the net asset classes and codes specified by the Texas Education Agency in the *Special Supplement to Financial Accounting and Reporting, Nonprofit Charter School Chart of Accounts*. Temporarily restricted net asset codes are used to account for resources restricted to or designated for specific purposes by a grantor. Federal and state financial assistance is generally accounted for in temporarily restricted net asset codes.

Management Letter

Members of the Board:

In planning and performing my audit of the financial statements of Nova Charter School for the year ended August 31, 2007, I considered the School's internal control in order to determine my auditing procedures for the purpose of expressing an opinion on the financial statements and not to provide assurance on internal control.

However, during my audit, I became aware of three matters that involve the internal control and its operation that are presented for your consideration. This letter does not affect my report dated November 15, 2007, on the financial statements of Nova Charter School. My comments and recommendations, all of which have been discussed with appropriate members of management, are intended to improve the internal control or result in other operating efficiencies. I would be pleased to discuss these comments in further detail at your convenience, perform additional studies of these matters, or assist you in implementing the recommendations. My comments are summarized as follows:

Block Grant

Nova Academy Oak Cliff failed to spend 85 % of their Special Education Block Grant. The Academy will need to review their procedures for the allocation of this Block Grant and take action to maximize the allowable expenditures.

Budget

Nova Academy Southeast overspent the budget in function 11. However, the amount that was overspent was less than 10% of the final budgeted amount. The Academy will need to amend the budget throughout the year as needed and prior to year end. The School Board should make sufficient appropriations prior to the expenditure of Academy funds.

Unsecured Bank Balances

Nova Charter School's January 31, 2007 Wells Fargo Bank Statement showed a balance of \$668,730. The balance secured by the FDIC was \$100,000. The amount not secured was \$568,730. The School should discuss with their depository having pledged securities to cover the excess deposits when needed.

I believe the implementation of these recommendations will provide Nova Charter School with a stronger system of internal accounting control while also making its operations more efficient. This report is intended solely for the information and use of the Board of Directors, management and others within the School and is not intended to be and should not be used by anyone other than these specified parties.

Respectfully submitted,

John R. Pechacek, CPA

NOVA CHARTER SCHOOL
SUMMARY OF SIGNIFICANT FORECAST ASSUMPTIONS
and ACCOUNTING POLICIES
August 31, 2009 through August 31, 2014

1. ORGANIZATION AND NATURE OF ACTIVITIES

Reporting Entity

The Corporation is a not-for-profit organization incorporated in the State of Texas in July, 1998, and is exempt from federal income taxes pursuant to Section 501(c)(3) of the Internal Revenue Code. A Board of Directors comprised of five members governs the Corporation. The Board of Directors is selected pursuant to the bylaws of the Corporation and has the authority to make decisions, appoint the chief executive officer of the Corporation and significantly influence operations. The Board of Directors has the primary accountability for the fiscal affairs of the Corporation.

Since the Corporation receives funding from local, state and federal sources, it must comply with requirements imposed by these funding agencies.

Corporate Operations

In 1998, the State Board of Education of the State of Texas granted the Corporation an open enrollment charter pursuant to Chapter 12 of the Texas Education Code. Pursuant to the program described in the charter application approved by the State Board of Education and the terms of the applicable Contract for Charter, Nova Academy Oak Cliff was opened for the academic year 1998-99. Subsequent to the awarding of the charter for Nova Academy Oak Cliff, the corporation applied for and received a second charter in the year 2000. Pursuant to the program described in the charter application approved by the State Board of Education and the terms of the applicable Contract for Charter, Nova Academy Southeast was opened for the academic year 2000-01. During the academic years 2002-03 and 2003-04, Nova Academy Oak Cliff suspended school operations. Nova Academy Oak Cliff was reopened for the academic year 2004-05 on August 30, 2004. Nova Academy Oak Cliff and Nova Academy Southeast are combined in the audit of Nova Charter School. Nova Academy Oak Cliff provides educational services to students in grades Pre K - 6 and Nova Academy Southeast provides educational services to grades PreK - 6. The Corporation's Board of Directors governs both charter school's programs, services, activities and functions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Presentation

The Corporation prepares its financial statements on the accrual basis of accounting. Accordingly, revenues are recognized when earned and expenses are recorded as when a legal liability is incurred. The accounting system is organized under the *Special Supplement to Financial Accounting and reporting - Nonprofit Charter School Chart of Accounts*, a module of the Texas Education Agency Financial Accountability Resource Guide.

Financial Statement presentation follows the recommendations of the Financial Accounting Standards Board (FASB) in its Statement of Financial Accounting Standards (SFAS) No. 117, Financial Statements for Not-for-Profit Organizations. Under those provisions, net assets and revenues, expenses, gains and losses are classified based on the existence and nature or absence of donor-imposed restrictions. Restricted revenues whose restrictions are met in the same year as received are shown as unrestricted revenues.

NOVA CHARTER SCHOOL
SUMMARY OF SIGNIFICANT FORECAST ASSUMPTIONS
and ACCOUNTING POLICIES
August 31, 2009 through August 31, 2014

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Basis of Accounting and Presentation (continued)

Accordingly, net assets of the organization and changes therein are classified and reported as follows:

Unrestricted

Net assets that are not subject to donor imposed stipulations.

Temporarily restricted

Net assets subject to donor imposed stipulations that may or will be met, either by actions of the Corporation and / or the passage of time.

Permanently restricted

Net assets required to be maintained in perpetuity with only the income to be used for the Corporation's activities due to donor imposed restrictions.

Estimates and Assumptions

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Contributions

The Corporation accounts for contributions in accordance with Statement of Financial Accounting Standards No. 116, *Accounting for Contributions Received and Contributions Made*. In accordance with SFAS No. 116, contributions are recorded as unrestricted, temporarily restricted or permanently restricted support, depending on the existence and / or nature of any donor restrictions.

Support that is restricted by the donor is reported as an increase in temporarily restricted or permanently restricted net assets in the reporting period in which the support is recognized. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

The Corporation does not record contributed service revenue or expense due to the difficulty in placing an appropriate value on these services.

Cash and Cash Equivalents

Cash and cash equivalents consist of cash and short term investments with original maturities of three months or less that are readily convertible into cash. The Corporation receives the majority of its funding from the State of Texas. Therefore, to the extent of State moneys held these funds would revert to the State of Texas if the Corporation ceased operations. In addition, these accounts are limited to certain types of investment tools and cannot be used as collateral.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Capital Assets

Capital assets, which include buildings and improvements, furniture and equipment, vehicles and other personal property, are reported in the general purpose and specific purpose financial statements. Capital assets are defined by the Corporation as assets with a useful life of three years or more. Such assets are recorded at historical cost and are depreciated over the estimated useful lives of the assets, which range from three to twenty years, using the straight line method of depreciation. Expenditures for additions, major renewals and betterments are capitalized and maintenance and repairs are charged to expense as incurred. Donations of assets are recorded as direct additions to net assets at fair value at the date of donation, which is then treated as cost.

3. PROPERTY AND EQUIPMENT - CAPITAL ASSETS

Property and equipment (capital assets) consist of the following:

	September 1, 2008	August 31, 2014
Land	\$ 76,627	\$ 227,900
Buildings and Improvements	57,716	5,329,896
Furniture and Equipment	62,780	262,780
Less Accumulated Depreciation	<u>(99,654)</u>	<u>(677,037)</u>
Total Property and Equipment - Net	<u>\$ 97,469</u>	<u>\$ 5,143,539</u>

For forecast purposes, the value of land displayed above is the appraised value assigned by the Dallas Central Appraisal District. A non-operating gain in the amount of \$151,273 is included in the August 31, 2009 forecasted Statement of Activities.

Capital assets acquired with public funds received by the Corporation for the operation of the Corporation constitute public property pursuant to Chapter 12 of the Texas Education Code.

4. COMMITMENTS AND CONTINGENCIES

Texas charter schools receive funds through state and federal programs which are governed by various statutes and regulations. State program funding is based primarily on student attendance data submitted to the Texas Education Agency and is subject to audit and adjustment. Expenses charged to federal programs are subject to audit and adjustment by the grantor agency. The programs administered by the charter schools have complex requirements and should state or federal auditors discover areas of noncompliance, charter school funds may be subject to refund if so determined by the Texas Education Agency or by the grantor agency.

It is anticipated that the Corporation will maintain this policy in future fiscal periods.

8. DEFERRED REVENUE

The Corporation routinely receives funds from the Texas Education Agency as well as other grantor organizations which will be earned in future fiscal periods. Revenue from these funds are deferred in the financial statements until earned, at which time it is recognized as revenue,

Nova Charter School for the 2008-09 academic year had an weighted average daily attendance (WADA) of 655 in grade levels Pre K through 6. Enrollment is projected to increase annually to a total WADA of 1,471 students for the 2013-2014 school year. The level of State Foundation Program revenues is projected to remain constant at \$6,175 per WADA.

Donations, Grants and Other Revenue

The Corporation's assumption for grants is based on management's prior experience in obtaining grants from various sources and anticipated availability of funding in the future. It is further assumed that while grants or other revenue received in the forecast periods may have restrictions imposed by the grantor, those restrictions will be satisfied within the fiscal year that contribution is recognized and, therefore, no temporary or permanently restricted net assets related to grants recognized in the forecast periods have been reflected in the accompanying forecasted statements of financial position.

12. EXPENSES

The Corporation's assumptions for salaries and related expenses are primarily based on the forecasted changes in enrollment as well as anticipated fluctuations in federal and private grants. Re: Texas Public Finance Authority Charter School Finance Corporation (Nova
Academy) Education Revenue Bonds Series 2010

Ladies and Gentlemen:

We have been engaged by Nova Charter School d/b/a Nova Academy (the “Company”) to serve as bond counsel in connection with the issuance by the Texas Public Finance Authority Charter School Finance Corporation (the “Issuer”) of its (Nova Academy) Education Revenue Bonds Series 2010 (the “Bonds”). The Bonds are issued pursuant to a Trust Indenture and Security Agreement, dated as of February 1, 2010 (the “Bond Indenture”), between the Issuer and The Bank of New York Mellon Trust Company, National Association, as trustee (the “Trustee”). The proceeds of the Bonds will be loaned by the Issuer to the Company, pursuant to a Loan Agreement (the “Loan Agreement”), dated as of February 1, 2010, between the Issuer and the Company, which loan will be evidenced by a promissory note (the “Series 2010 Note”), issued pursuant to the Master Trust Indenture and Security Agreement, dated as of February 1, 2010 (as amended and supplemented as set forth herein, the “Master Indenture”), between the Company and The Bank of New York Mellon Trust Company, National Association, as master trustee (the “Master Trustee”), as

amended and supplemented by the Supplemental Master Trust Indenture No. 1, dated as of February 1, 2010, between the Company and the Master Trustee. Under the Loan Agreement, the Company has agreed to make payments to or for the account of the Issuer in amounts necessary to pay when due the principal of, premium, if any, and interest on the Bonds. Such payments and the rights of the Issuer under the Loan Agreement (except certain rights to indemnification, rebate payments and administrative fees) and the Series 2010 Note are pledged and assigned by the Issuer under the Bond Indenture to the Trustee as security for the Bonds. Capitalized terms not otherwise defined herein have the meanings assigned to such terms in the Bond Indenture, the Loan Agreement and the Master Indenture. The Bonds are payable solely from the Trust Estate.

We have acted as Bond Counsel for the sole purpose of rendering an opinion with respect to the legality and validity of the Bonds under the Constitution and laws of the State of Texas, and with respect to the exclusion of interest on the Bonds from gross income for federal income tax purposes. We have not investigated or verified original proceedings, records, data or other material, but have relied solely upon the transcript of certified proceedings described in the following paragraph. We have not assumed any responsibility with respect to the financial condition or capabilities of the Company or the Issuer or the disclosure thereof in connection with the offer and sale of the Bonds. We have not been engaged or undertaken to review the accuracy, completeness or sufficiency of the Preliminary Official Statement, Official Statement or other offering material relating to the Bonds and we express no opinion relating thereto.

In our capacity as Bond Counsel, we have participated in the preparation of and have examined a transcript of certified proceedings pertaining to the authorization and issuance of the Bonds on which we have relied in giving our opinion. The transcript contains certified copies of certain proceedings of the Company and the Issuer; customary certificates of officials, agents and representatives of the Company, the Issuer, the Trustee, and certain other parties; the opinion of the Attorney General of the State of Texas approving the Bond Indenture and the Bonds; and other certifications relating to the authorization and issuance of the Bonds. We have examined applicable provisions of the Internal Revenue Code of 1986, as amended (the "Code"), court decisions, Treasury Regulations promulgated under the Code and published rulings of the Internal Revenue Service (the "Service") as we have deemed relevant. We have also examined a specimen of the form of registered bond of this issue.

Based upon the foregoing, we are of the opinion that, under existing law:

1. The Issuer is duly created and validly existing as a nonprofit corporation created pursuant to Chapter 53, Texas Education Code, particularly Section 53.351 thereof, and has the corporate power to enter into and perform the obligations under the Bond Indenture and the Loan Agreement and issue the Bonds.
2. Each of the Bond Indenture and the Loan Agreement has been duly authorized, executed and delivered by the Issuer, each is a valid and binding obligation of the Issuer, and, subject to the qualifications stated below, each is enforceable against the Issuer in accordance with its terms. By the terms of the Bond Indenture, (i) all of the Issuer's right, title and interest in and to the Loan Agreement (except for the right of the Issuer to certain rebate payments, indemnification and the payment of fees, costs and expenses), the Series 2010 Note, and all Adjusted Revenues derived by the Issuer from the Loan Agreement and the Series 2010 Note (including the Loan Payments), and (ii) amounts on deposit or held for the credit of the funds and accounts held by the Trustee pursuant to the terms of the Bond Indenture (other than the Rebate Fund), have been assigned to the Trustee.
3. The Bonds have been duly authorized, executed and delivered by the Issuer and are valid and binding limited obligations of the Issuer, payable solely from the Trust Estate, and, subject to the qualifications stated below, are enforceable against the Issuer in accordance with their terms.
4. Interest on the Bonds is excludable from gross income of the owners of the Bonds for federal income tax purposes under existing law.
5. The Bonds are "qualified 501(c)(3) bonds" within the meaning of section 145 of the Code, and interest on the Bonds is not (i) a specific preference item subject to the alternative minimum tax on individuals and corporations or (ii) included in a corporation's adjusted current earnings for purposes of computing the alternative minimum tax.

In rendering the opinions expressed in paragraphs 4 and 5 above, we have relied on, among other things, certificates signed by officers of the Issuer, the Company and RBC Capital Markets Corporation (the "Underwriter") with respect to certain material facts, estimates and expectations which are solely within the knowledge of the Issuer, the Company and the Underwriter, respectively, which we have not independently verified. In addition, in

rendering the opinions set forth in paragraphs 4 and 5, we have assumed continuing compliance with the covenants in the Loan Agreement and the Bond Indenture pertaining to those sections of the Code that affect the status of the Company as an organization described in section 501(c)(3) of the Code and the exclusion from gross income of interest on the Bonds for federal income tax purposes. If the certificates upon which we have relied are determined to be inaccurate or incomplete or the Company or the Issuer fail to comply with such covenants, interest on the Bonds could become includable in gross income from the date of their original delivery, regardless of the date on which the event causing such inclusion occurs.

Except as stated above, we express no opinion as to any federal, state or local tax consequences resulting from the ownership of, receipt of interest on, or disposition of, the Bonds.

Owners of the Bonds should be aware that the ownership of tax-exempt obligations may result in collateral federal income tax consequences to financial institutions, life insurance and property and casualty insurance companies, certain S corporations with subchapter C earnings and profits, individual recipients of Social Security or Railroad Retirement benefits and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations, and individuals otherwise qualifying for the earned income credit. In addition, certain foreign corporations doing business in the United States may be subject to the "branch profits tax" on their effectively-connected earnings and profits (including tax-exempt interest such as interest on the Bonds).

Our opinions are limited to the laws of the State of Texas and the federal laws of the United States, in each case as in effect on the date hereof. Such opinions are further based on our knowledge of facts as of the date hereof. We assume no duty to update or supplement our opinions to reflect any facts or circumstances that may hereafter come to our attention or to reflect any changes in any law that may hereafter occur or become effective. Moreover, our opinions are not a guarantee of result and are not binding on the Internal Revenue Service (the "Service"); rather, such opinions represent our legal judgment based upon our review of existing law and in reliance upon the representations and covenants referenced above that we deem relevant to such opinions. The Service has an ongoing audit program to determine compliance with rules that relate to whether interest on state or local obligations is includable in gross income for federal income tax purposes. No assurance can be given regarding whether or not the Service will commence an audit of the Bonds. If an audit is commenced in accordance with its current published procedures, the Service is likely to treat the Issuer as

the taxpayer. We observe that the Issuer has covenanted in the Bond Indenture and the Company has covenanted in the Loan Agreement not to take any action, or omit to take any action within its control, that if taken or omitted, respectively, may result in the treatment of interest on the Bonds as includable in gross income for federal income tax purposes.

It is to be understood that the rights of the holders of the Bonds and the enforceability of the Bonds, the Bond Indenture and the Loan Agreement may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion in appropriate cases.

Very truly yours,

MASTER TRUST INDENTURE AND SECURITY AGREEMENT

THIS MASTER TRUST INDENTURE AND SECURITY AGREEMENT (this “Master Indenture”), dated as of March 1, 2010, is between NOVA CHARTER SCHOOL D/B/A NOVA ACADEMY, a Texas non-profit corporation (the “Company”), and THE BANK OF NEW YORK MELLON TRUST COMPANY, NATIONAL ASSOCIATION, a national banking association with a corporate trust office in Dallas, Texas, not in its individual capacity but solely as the Master Trustee (the “Master Trustee”).

WITNESSETH:

WHEREAS, the Company is authorized by law and deems it necessary and desirable to enter into this Master Indenture for the purpose of providing for the incurrence of Debt and the issuance of Notes hereunder to evidence and secure such Debt.

WHEREAS, all acts and things necessary to constitute these presents a valid indenture and agreement according to its terms have been done and performed and the execution of this Master Indenture has in all respects been duly authorized, and the Company, in the exercise of the legal right and power vested in it, has executed this Master Indenture and may incur Debt and make, execute, issue and deliver Notes hereunder.

NOW, THEREFORE, THIS MASTER INDENTURE WITNESSETH:

GRANTING CLAUSES

In order to declare the terms and conditions upon which Notes are to be authenticated, issued and delivered, and to secure the payment of Notes and the performance and observance of all of the covenants and conditions herein or therein contained, and in consideration of the premises, of the purchase and acceptance of Notes by the Holders thereof and of the sum of One Dollar to them duly paid by the Master Trustee at the execution of these presents, the receipt and sufficiency of which is hereby acknowledged, the Company has executed and delivered this Master Indenture and by these presents does hereby convey, grant, assign, transfer, pledge, set over, confirm and grant a security interest in and to the Master Trustee, its successor or successors and its or their assigns forever, all and singular the property, real and personal, hereinafter described (said property being herein sometimes referred to as the “Trust Estate”) to wit:

- (a) all Adjusted Revenues of the Company except and excluding all such items, whether now owned or hereafter acquired by the Company, which by their terms or by reason of applicable law would become void or voidable if granted, assigned, or pledged hereunder by the Company, or which cannot be granted, pledged, or assigned hereunder without the consent of other parties whose consent is not secured, or without subjecting the Master Trustee to a liability not otherwise contemplated by the provisions hereof, or which otherwise may not be, or are not, hereby lawfully and effectively granted, pledged, and assigned by the Company, provided that the Company may subject to the lien

hereof any such excepted property, whereupon the same shall cease to be excepted property;

(b) all moneys and securities, if any, at any time held by the Master Trustee in the Revenue Fund and any other fund or account established under the terms of this Master Indenture, or held by other banks or fiduciary institutions which are collaterally assigned to the Master Trustee as security for the Notes including the depository account specified in a Deposit Account Control Agreement and all securities, financial assets (as defined in Section 8-102(a)(9) of the UCC) and securities entitlements (within the meaning of Section 8-102(a)(17) of the UCC) and, with respect to Book-Entry Securities, in the applicable Federal Book Entry Regulations, carried in or credited to such fund or account;

(c) all accounts, bank accounts, general intangibles and related rights of the Company (each as defined in the UCC), whether now owned or hereafter acquired or arising and wherever located;

(d) any and all other property of every kind and nature from time to time now or hereafter, by delivery or by writing of any kind, conveyed, pledged, assigned or transferred as security hereunder by the Company or by anyone on its behalf to the Master Trustee, subject to the terms thereof, including without limitation, funds of the Company held by the Master Trustee as security for the Notes;

(e) the lien of the Deed of Trust (as hereinafter defined); and

(f) proceeds of the foregoing, including cash proceeds and cash equivalents, products, accessions and replacements.

In addition to the foregoing, the "Trust Estate" includes all goods, documents, instruments, tangible and electronic chattel paper, letter of credit rights, investment property, accounts, deposit accounts, general intangibles (including payment intangibles and software), money and other items of personal property, including proceeds (as each such term is defined in the UCC) which constitute any of the property described in the foregoing Granting Clauses.

TO HAVE AND TO HOLD IN TRUST, upon the terms herein set forth, subject to Section 210 hereof, for the equal and proportionate benefit, security, and protection of all Holders of the Notes issued under and secured by this Master Indenture without privilege, priority or distinction as to the lien or otherwise of any of the Notes over any other; provided, however, that if the Company shall pay, or cause to be paid, the principal of the Notes or the obligations secured thereby and the redemption or prepayment premium, if any, and the interest and any other amounts due or to become due thereon in full at the times and in the manner mentioned in the Notes according to the true intent and meaning thereof, and the Company shall keep, perform and observe all the covenants and conditions pursuant to the terms of this Master Indenture to be kept, performed and observed by it, and shall pay or cause to be paid to the Master Trustee all sums of money due or to become due to it in accordance with the terms and provisions hereof, then upon such final payment this Master Indenture and the rights hereby

granted and the restrictions hereby incurred shall cease, determine and be void; otherwise this Master Indenture shall be and remain in full force and effect. Notwithstanding anything in this Master Indenture to the contrary, when all of the Notes are no longer Outstanding, the Master Trustee may execute a release of the lien of this Master Indenture on the Deed of Trust and any property of the Company encumbered thereby.

NOW, THEREFORE, in consideration of the premises, the Company covenants and agrees with the Master Trustee, for the equal and proportionate benefit of the respective Holders from time to time of the Notes, as follows:

ARTICLE I

DEFINITIONS AND OTHER PROVISIONS OF GENERAL APPLICATION

Section 101. Construction of Terms; Definitions.

(1) The term “Master Indenture” means this instrument as originally executed or as it may from time to time be supplemented or amended by one or more indentures supplemental hereto entered into pursuant to the applicable provisions hereof.

(2) All references in this instrument to designated “Articles”, “Sections” and other subdivisions are to the designated Articles, Sections and other subdivisions of this instrument as originally executed. The words “herein”, “hereof” and “hereunder” and other words of similar import refer to this Master Indenture as a whole and not to any particular Article, Section or other subdivision.

(3) The terms defined in this Article have the meanings assigned to them in this Article throughout this Master Indenture, and include the plural as well as the singular. Reference to any Person means that Person and its successors and assigns.

(4) All accounting terms not otherwise defined herein have the meanings assigned to them in accordance with generally accepted accounting principles.

(5) The terms used in this Master Indenture and not defined herein have the meanings assigned to them in the Related Bond Documents.

(b) The following terms have the meanings assigned to them below whenever they are used in this Master Indenture:

“Accountant” means a Person engaged in the practice of accounting who is a certified public accountant and who (except as otherwise expressly provided herein) may be employed by or affiliated with the Company.

“Adjusted Revenues” means, for any period of calculation, the total of all operating and non-operating revenues of the Company, including but not limited

to State Revenues, federal and local funds for school lunches and other food programs, special education, and transportation, including accounts receivable and rights to receive the same plus investment and other income or loss of the Company for such period; provided, however, that no determination thereof shall take into account (a) income derived from Defeasance Obligations that are irrevocably deposited in escrow to pay the principal of or interest on Debt or Related Bonds, (b) any gains or losses resulting from the early extinguishment of Debt, the sale, exchange or other disposition of Property not in the ordinary course of business, or the reappraisal, reevaluation or write-up of assets, or any other extraordinary gains or losses, (c) gifts, grants (excluding grants from the State), bequests or donations and income thereon restricted as to use by the donor or grantor for a purpose inconsistent with the payment of debt service on Debt or Related Bonds or Notes (i.e., unrelated to the purposes for which such obligations were issued), (d) net unrealized gain (losses) on investments and Financial Products Agreements, (e) proceeds of borrowing and (f) prior year ending fund balances. Notwithstanding any provision herein to the contrary, State Revenues received by each of the Borrower's campuses will be used in accordance with Section 12.107(a) of the Texas Education Code, as amended.

“Annual Debt Service Requirements” of any specified Person means, for any Fiscal Year, the principal of (and premium, if any) and interest and other debt service charges (which include for purposes hereof, any fees or premiums for any letter of credit, surety bond, policy of insurance, bond purchase agreement, or any similar credit or liquidity support secured in connection therewith) on all Long Term Debt of such Person coming due at Maturity or Stated Maturity, and, for such purposes, any one or more of the following rules shall apply:

(a) Committed Take Out - if such Person has received a binding commitment, within normal commercial practice, from any bank, savings and loan association, insurance company, or similar institution to refund or purchase any of its Long Term Debt at its Stated Maturity (or, if due on demand, or payable in respect of any required purchase of such Debt by such Person, at any date on which demand may be made), then the portion of the Long Term Debt committed to be refunded or purchased shall be excluded from such calculation and the principal of (and premium, if any) and interest on the Long Term Debt incurred for such refunding or purchase that would be due in the Fiscal Year for which the calculation is being made, if incurred at the Maturity or purchase date of the Long Term Debt to be refunded or purchased, shall be added;

(b) Pro Forma Refunding - in the case of Balloon Debt, if the Person obligated thereon shall deliver to the Master Trustee a certificate of a nationally recognized firm of investment bankers or financial consultants dated within 90 days prior to the date of delivery of such certificate to the Master Trustee stating that financing at a stated interest rate (which shall not be less than the Bond Buyer Revenue Bond Index or, if the Bond Buyer Revenue Bond Index is unavailable, a comparable index acceptable to any Bond Insurer of a majority of Related Bonds

Outstanding) with a Stated Maturity not greater than 30 years is reasonably attainable (and such opinion is reasonably acceptable to any Bond Insurer of a majority of Related Bonds Outstanding) on the date of such certificate to refund any of such Balloon Debt, then for the purpose of calculating what future annual debt service requirements will be, any installment of principal of (and premium, if any) and interest and other debt service charges on such Balloon Debt that could so be refunded shall be excluded from such calculation and the principal plus interest of the refunding debt shall be evenly allocated over the life of the refunding debt with equal principal payments plus interest deemed due each year but solely for the purpose of spreading the principal requirements for calculation of coverage;

(c) Prefunded Payments - principal of (and premium, if any) and interest and other debt service charges on Debt, or portions thereof, shall not be included in the computation of the Annual Debt Service Requirements for any Fiscal Year for which such principal, premium, interest, or other debt service charges are payable from funds irrevocably deposited or set aside in trust for the payment thereof at the time of such calculations (including without limitation capitalized interest and accrued interest so deposited or set aside in trust or escrowed with the Master Trustee or another Independent Person approved by the Master Trustee);

(d) Variable Rate Debt - as to any Debt that bears interest at a variable interest rate which cannot be ascertained at the time of calculation, an interest rate equal to the greater of an annual interest rate equal to the Bond Buyer Revenue Bond Index (or, if the Bond Buyer Revenue Bond Index is unavailable, a comparable index chosen by the Company's financial advisor) and the weighted average rate of interest born by such Debt (or other indebtedness of comparable credit quality, maturity and purchase terms in the event that such Debt was not outstanding) during the preceding Fiscal Year (or any period of comparable length ending within 180 days) prior to the date of calculation shall be presumed to apply for all future dates and the principal shall be evenly allocated over the life of the Bond issue with an equal amount of principal deemed due each year but solely for the purpose of spreading the principal requirements for calculation of coverage;

(e) Contingent Obligations - in the case of any guarantees or other Debt described in clause (3) of the definition of Debt, the principal of (and premium, if any) and interest and other debt service charges on such Debt for any Fiscal Year shall be deemed to be 25% of the principal of (and premium, if any) and interest and other debt service charges on the indebtedness guaranteed due in such Fiscal Year; provided, however, that if the Person which guarantees or is otherwise obligated in respect of such Debt is actually required to make any payment in respect of such Debt, the total amount payable by such Person in respect of such guarantee or other obligation in such Fiscal Year shall be included in any computation of the Annual Debt Service Requirements of such Person for

such year and the amount payable by such Person in respect of such guarantee or other obligation in any future Fiscal Year shall be included in any computation of the estimated Annual Debt Service Requirements for such Fiscal Year; and

(f) Financial Products - in the event there shall have been issued or entered into in respect of all or a portion of any Debt a Financial Products Agreement with respect to Long Term Debt, interest on such Long Term Debt shall be included in the calculation of Annual Debt Service Requirements by including for such period an amount equal to the amount payable on such Long Term Debt in such period at the rate or rates stated in such Long Term Debt plus any payments payable by such Person in respect of such Financial Products Agreement minus any payments receivable by such Person in respect of such Financial Products Agreement, as calculated by the financial advisor to the Company.

“Available Revenues” means, for any period of determination thereof, the amount of excess (deficit) of Adjusted Revenues over Expenses for such period, plus any gifts, grants, requests or donations and income thereon restricted as to use by the donor or grantor for the sole purpose of paying Expenses of the Company, but less: (a) unrealized pledges for such period to make a donation, gift, or other charitable contribution to the extent encumbered, as permitted herein to secure the payment of Debt that is not Long Term Debt, and (b) insurance (other than business interruption) and condemnation proceeds.

“Balloon Debt” means Debt where the principal of (and premium, if any) and interest and other debt service charges on such Long Term Debt due (or payable in respect of any required purchase of such Debt by such Person on demand) in any Fiscal Year either are equal to at least 25% of the total principal of (any premium, if any) and interest and other debt service charges on such Long Term Debt or exceed by more than 50% the greatest amount of principal of (and premium, if any) and interest and other debt service charges on such Long Term Debt due in any preceding or succeeding Fiscal Year.

In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of any officer of a Person may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel, unless such officer knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to the matters upon which his certificate or opinion is based are erroneous. Notes or Related Bonds so owned that have been pledged in good faith may be regarded as outstanding or outstanding under the Related Bond Indenture, as the case may be, for purposes of this Section, if the pledgee shall establish to the satisfaction of the Master Trustee the pledgee's right to vote such Notes or Related Bonds. In case of a dispute as to such right, any decision by the Master Trustee taken upon the advice of counsel shall be full protection to the Master Trustee. In the event that a Note secures the obligation of a Person under an agreement or instrument that provides for the making of advances to or on behalf of such Person, such Note shall only be counted to be Outstanding in a principal amount equal to the amount so advanced or otherwise due and owing under the terms of such agreement (and only if such amount remains outstanding or unpaid) to or on behalf of such Person. In the event that a Note secures a Financial Products Agreement, such Note shall only be deemed to be Outstanding in a principal amount equal to any amount with which the Company is in default with respect to the payment thereof. In no event however, shall the amount owed to a holder be counted twice because there are the same amounts due and owing under two Notes relating to the same obligations (e.g., the principal amount reimbursable to the provider of a liquidity facility as the holder of bonds purchased by such liquidity provider as well as the principal amount of such purchased bonds by such liquidity provider as holder of the purchased bonds).

(g) At any time prior to (but not after) the time the Master Trustee takes action in reliance upon evidence, as provided in this Section 103, of the taking of any action by the Holders of the percentage in aggregate principal amount of Notes specified herein in connection with such action, any Holder of such Note or Related Bond that is shown by such evidence to be included in Notes the Holders of which have consented to such action may, by filing written notice with the Master Trustee and upon proof of holding as provided in this Section 103, revoke such action so far as concerns such Note or Related Bond. Except upon such revocation or such action taken by the Holder of a Note or Related Bond in any direction, demand, request, waiver, consent, vote or other action of the Holder of such Note or Related Bond which by any provision hereof is required or permitted to be given shall be conclusive and binding upon such Holder and upon all future Holders and owners of such Note or Related Bond, and of any Note or Related Bond issued in lieu thereof, whether or not any notation in regard thereto is made upon such Note or Related Bond. Any action taken by the Holders of the percentage in aggregate principal amount of Notes specified herein in connection with such action shall be conclusively binding upon the Company, the Master Trustee and the Holders of all of such Notes or Related Bonds.

Section 104. Notices, etc., to Master Trustee and Company. Any request, demand, authorization, direction, notice, consent, waiver or Act of Note Holders or other document provided or permitted by this Master Indenture to be made upon, given or furnished to, or filed with:

(1) the Master Trustee by any Note Holder or by any specified Person shall be sufficient for every purpose hereunder if made, given, furnished or filed in writing to or with and actually received by a Responsible Officer of the Master Trustee at its Corporate Trust Office located at 2001 Bryan Street, 11th Floor, Dallas, Texas 75201, Attention: Corporate Trust or at any other address subsequently furnished in writing to the Company and the Holders by the Master Trustee; or

Section 105. Notices to Note Holders; Waiver. Where this Master Indenture provides for notice to Note Holders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and mailed, first-class postage prepaid, to each Note Holder affected by such event, at his address as it appears on the Note Register, not later than the latest date, and not earlier than the earliest date, prescribed for the first giving of such notice. In any case where notice to Note Holders is given by mail, neither the failure to mail such notice, nor any default in any notice so mailed to any particular Note Holder shall affect the sufficiency of such notice with respect to other Note Holders. Where this Master Indenture provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders of Notes shall be filed with the Master Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Section 106. Successors and Assigns. All covenants and agreements in this Master Indenture by the Company and the Master Trustee shall bind their respective successors and assigns, whether so expressed or not.

Section 107. Severability Clause. If any provision of this Master Indenture shall be held or deemed to be, or shall in fact be, inoperative or unenforceable as applied to any particular case in any jurisdiction or jurisdictions, or in all jurisdictions or in all cases because of the conflicting of any provision with any constitution or statute or rule of public policy or for any other reasons, such circumstance shall not have the effect of rendering the provision or provisions in question inoperative or unenforceable in any other jurisdiction or in any other case or circumstance or of rendering any other provision or provisions herein contained invalid, inoperative or unenforceable to the extent that such other provisions are not themselves actually in conflict with such constitution, statute or rule of public policy.

Section 108. Benefits of Master Indenture. Nothing in this Master Indenture or in the Notes, express or implied, shall give to any Person, other than the parties hereto, and their successors hereunder and the Holders of the Notes, any benefit or any legal or equitable right, remedy or claim under this Master Indenture.

Section 109. Governing Law. This Master Indenture shall be governed, in all respects including validity, interpretation and effect by, and shall be enforceable in accordance with, the laws of the State.

Section 110. Effect of Headings and Table of Contents. The Article and Section headings herein and the Table of Contents are for convenience only and shall not affect the construction hereof.

(d) All Notes issued upon any transfer or exchange of Notes shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Master Indenture as the Notes surrendered upon such transfer or exchange.

(e) Every Note presented or surrendered for transfer or exchange shall (if so required by the Company or the Master Trustee) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Company and the Master Trustee or its designated agent duly executed by the Holder thereof or his attorney duly authorized in writing.

Section 207. Method of Payment of Notes.

(a) The principal of, premium, if any, and interest on the Notes shall be payable in any currency of the United States of America which, at the respective dates of payment thereof, is legal tender for the payment of public and private debts, and such principal, premium, if any, and interest shall be payable at the principal payment office of the Master Trustee in Dallas, Texas, or at the office of any alternate Paying Agent or agents named in any such Notes. Unless contrary provision is made in the Supplemental Master Indenture pursuant to which such Note is issued or the election referred to in the next sentence is made, payment of the interest on the Notes and payment of any redemption or prepayment price on any Note pursuant to Section 303 hereof shall be made to the Person appearing on the Note Register as the Holder thereof and shall be paid by check or draft mailed to the Holder thereof at his address as it appears on such registration books or at such other address as is furnished the Master Trustee in writing by such Holder; provided, however, that any Supplemental Master Indenture creating any Note may provide that interest on such Note may be paid, upon the request of the Holder of such Note, by wire transfer. Anything to the contrary in this Master Indenture notwithstanding, if an Event of Default has not occurred and is not continuing hereunder and the Company so elects, payments on a Note shall be made directly by the Company, by check or draft hand delivered to the Holder thereof or its designee or shall be made by the Company by wire transfer to such Holder, in either case delivered on or prior to the date on which such payment is due. The Company may give notice (on which the Master Trustee may conclusively rely) of any such payment to the Master Trustee concurrently with the making thereof, specifying the amount paid and identifying the Note or Notes with respect to which such payment was made by series designation, number and Holder thereof. Except with respect to Notes directly paid, the Company agrees to deposit with the Master Trustee on or prior to each due date, as specified in the Related Bond Documents, a sum sufficient to pay the principal of, premium, if any, and interest on any of the Notes due on such date. Any such moneys shall, upon direction of the Company set forth in an Officer's Certificate, be invested as set forth therein. The foregoing notwithstanding, amounts deposited with the Master Trustee to provide for the payment of Notes pledged to the payment of Related Bonds shall be invested in accordance with the provisions of the Related Bond Indenture and Related Loan Document. The Master Trustee shall not be liable or responsible for any loss resulting from any such investments, and shall not be responsible for determining whether any such investment is permitted hereunder or in accordance with any such Related Bond Indenture or Related Loan Agreement.

(b) Subject to the foregoing provisions of this Section 207, each Note delivered under this Master Indenture upon transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Notes.

Section 208. Persons Deemed Owners. The Company, the Master Trustee and any agent thereof may treat the Person in whose name any Note is registered as the owner of such Note for the purpose of receiving payment of principal of (and premium, if any) and interest on such Note and for all other purposes whatsoever whether or not such payment is past due, and neither the Company, the Master Trustee, nor any agent of the Company or the Master Trustee shall be affected by notice to the contrary.

Section 209. Cancellation. All Notes surrendered for payment, redemption, transfer or exchange shall, if delivered to any Person other than the Master Trustee, be delivered to the Master Trustee and, if not already cancelled or required to be otherwise delivered by the terms of the Supplemental Master Indenture authorizing the series of Notes of which such Note is a part, shall be promptly cancelled by the Master Trustee. The Company may at any time deliver to the Master Trustee for cancellation any Notes previously authenticated and delivered hereunder which the Company may have acquired in any manner whatsoever, and all Notes so delivered shall be promptly cancelled by the Master Trustee. No Notes shall be authenticated in lieu of or in exchange for any Notes cancelled as provided in this Section, except as expressly permitted by this Master Indenture. All cancelled Notes held by the Master Trustee shall be disposed of according to the retention policies of the Master Trustee.

Section 210. Security for Notes.

(a) All Notes issued and Outstanding under this Master Indenture are equally and ratably secured by the pledge and assignment of a security interest in the Trust Estate pursuant to the Granting Clauses of this Master Indenture. Any one or more series of Notes or obligations issued hereunder may be secured by additional and separate security (including without limitation letters or lines of credit, property or security interests in debt service reserve funds or debt service, purchase, construction or similar funds or guarantees of payment by third parties). Such security need not extend to any other Debt (including any other Notes or series of Notes) unless so specified and may contain provisions not inconsistent with this Master Indenture which provide for separate realization upon such security. Except as otherwise expressly provided herein or in any Supplemental Master Indenture pursuant to which such Note or obligation is issued, all Notes issued hereunder shall be equally and ratably secured by any lien created pursuant to or constituting a part of the Trust Estate under this Master Indenture.

(b) To the extent that any Debt which is permitted to be issued pursuant to this Master Indenture is not issued directly in the form of a Note, a Note may be issued hereunder and pledged as security for the payment of such Debt in lieu of directly issuing such Debt as a Note hereunder.

Section 211. Mortgage, Pledge and Assignment; Further Assurances.

(a) Subject only to the provisions of this Master Indenture permitting the application thereof for the purposes and on the terms and conditions set forth herein and in order to secure

the payment of the Notes and the performance of the duties and obligations of the Company under the Notes and this Master Indenture, the Company has pledged and assigned unto the Master Trustee and its successors and assigns forever, and granted a security interest thereunto in, among other things, all of the Adjusted Revenues and any other amounts (including proceeds of the sale of Bonds) held in the Revenue Fund to secure the payment of the principal of and interest on the Notes in accordance with their terms and the provisions of this Master Indenture and the Deed of Trust. Said pledge shall constitute a lien on and security interest in such assets and shall attach, be perfected and be valid and binding from and after delivery of the Note and the execution of a Deposit Account Control Agreement, without any physical delivery thereof or further act.

In order to perfect the Master Trustee's security interest in the Adjusted Revenues as security for the payment of the Note, the Master Trustee is authorized and directed to enter into, and shall be indemnified for (pursuant to Article VII hereof), a Deposit Account Control Agreement; provided, that the Master Trustee shall have no duty or responsibility to determine the existence of, or the necessity of perfecting any security interest of the Master Trustee in, any fund or account in which the Master Trustee has been granted a security interest, including without limitation, as described in Granting Clause (b) of this Master Indenture.

Upon the occurrence of an Event of Default, the Master Trustee shall be entitled to, subject to its rights to be indemnified pursuant to Article VII, (i) at the direction of the Holders of not less than 25% in principal amount of the Notes Outstanding with the consent of each Bond Insurer, as applicable, issue a Notice of Exclusive Control under a Deposit Account Control Agreement and (ii) collect and receive all of the Adjusted Revenues. The Master Trustee also shall be entitled to and shall (1) enforce the terms, covenants and conditions of, and preserve and protect the priority of its interest in and under this Master Indenture and the Deed of Trust and (2) assure compliance with all covenants, agreements and conditions of the Company contained in this Master Indenture with respect to the Adjusted Revenues; provided that, without limiting the generality of any of the provisions of this Master Indenture or the Deed of Trust, the Master Trustee need not foreclose the Deed of Trust (or accept a deed in lieu of foreclosure or otherwise exercise remedies with respect to the Mortgaged Property) if the effect of any such foreclosure (or acceptance of a deed in lieu of foreclosure, or other exercise of remedies with respect to the Mortgaged Property) would be to cause the Master Trustee to: (i) incur financial liability for any then existing environmental contamination at or from the Mortgaged Property or (ii) risk its own funds for the remediation of any such existing environmental contamination.

(b) The Company shall, at its own expense, take all necessary action to maintain and preserve the security interest in the property granted by this Master Indenture and the Deed of Trust so long as any Notes are Outstanding. In addition, the Company shall, immediately after the execution and delivery of this Agreement and thereafter from time to time, cause the Deed of Trust and any financing statements in respect thereof to be filed, registered and recorded in such manner and in such places as may be required by law in order to fully perfect and protect such security interest and from time to time will perform or cause to be performed any other act as provided by law and will execute or cause to be executed and filed as provided herein any and all continuation statements as required for such perfection and protection. Copies of all filings and recordings hereunder shall be promptly filed with the Master Trustee and any Bond Insurer.

Except to the extent it is exempt therefrom, the Company shall pay or cause to be paid all filing, registration and recording fees and all expenses incident to the preparation, execution and acknowledgment of such instruments of perfection, and all federal or state fees and other similar fees, duties, imposts, assessments and charges arising out of or in connection with the execution and delivery of the Deed of Trust and such instruments of perfection. The Master Trustee shall not be responsible for the sufficiency of or the recording of this instrument, any supplemental indenture, any mortgage, deed of trust, other security or other instruments of further assurance.

The Master Trustee shall confirm, on an annual basis, the filing of continuation statements by the Company required to maintain the perfection and priority of the security interests granted hereby and by the Bond Documents and, if necessary, make such filings as may be required to maintain the perfection and priority of the security interests granted hereby and by the Bond Documents.

(c) The Company covenants not to take any action that would create or allow any parity liens to exist, except any Permitted Encumbrances (as defined in the Deed of Trust), on any real property included in the Deed of Trust other than a lien arising in connection with the issuance of Debt as permitted by Section 212. The Company has not heretofore made a pledge of, granted a lien on or security interest in, or made an assignment or sale of the collateral granted hereunder that ranks on a parity with or prior to the lien granted hereunder that will remain outstanding on the Closing Date. The Company has not described such collateral in a UCC financing statement that will remain effective on the Closing Date. The Company will not hereafter make or suffer to exist any pledge or assignment of, lien on, or security interest in the collateral described hereunder that ranks prior to or on parity with the lien granted hereunder, or file any financing statement describing any such pledge, assignment, lien or security interest, except as expressly permitted by the Bond Documents. The security interest granted hereunder is and shall be prior to any judicial lien hereafter imposed on such collateral to enforce a judgment against the Issuer on a simple contract.

(d) The Company covenants that all Adjusted Revenues will be deposited into the account (or accounts) that is subject of a Deposit Account Control Agreement hereunder.

Section 212. Additional Debt.

(a) Upon satisfaction of the applicable requirements of Section 202, one or more series of Debt payable from the Adjusted Revenues of the Company may be delivered pursuant to this Master Indenture for the purposes provided in the Act, to pay the costs associated with such Debt, and/or for the purpose of refunding any Outstanding Debt if the following conditions are met:

(1) No Default. Delivery of an Officer's Certificate stating that this Master Indenture is in effect and no Event of Default is then existing under this Master Indenture or any Debt Outstanding or any agreement entered into in conjunction with such Debt;

(2) Parity Pledge. Such Debt shall be secured on a parity with respect to the Trust Estate and shall be payable by the issuer solely from the Adjusted Revenues and other amounts derived from the loan agreement relating to such debt (except to the extent

paid out of moneys attributable to the proceeds derived from the sale of the additional Debt or to income from the temporary investment thereof);

(3) For purposes of showing sufficient coverage to incur Additional Debt, as discussed in subsections (A) and (B) below, all calculations of Available Revenues shall take into account Asset Valuation. Sufficient funds must be evidenced as follows:

(A) Historical Coverage on Outstanding Debt. Delivery of an Officer's Certificate stating that, for either the Company's most recently completed Fiscal Year or for any consecutive 12 months out of the most recent 18 months immediately preceding the issuance of the additional Debt, the Available Revenues equal at least 1.20 times Maximum Annual Debt Service on all Debt then Outstanding prior to the issuance of the additional Debt; and

(B) Projected Coverage for Additional Debt. An Independent Management Consultant selected by the Company and approved by each Bond Insurer provides a written report setting forth projections which indicate that the estimated Available Revenues are equal to at least 1.10 times Maximum Annual Debt Service for all Debt then Outstanding, including the proposed additional Debt, in the Fiscal Year immediately following the completion of the Project being financed. The report of the Independent consultant shall take into account (i) the audited results of operations and verified enrollment of the Project for the most recently completed Fiscal Year and (ii) the projected enrollment for the Fiscal Year immediately following the completion of the new Project, and shall assume that the proposed additional Debt shall have been outstanding for the entire year;

(4) Alternate Coverage for Additional Debt. In lieu of the requirements described in Section 212(a)(3) above, the Company may deliver an Officer's Certificate stating that, based on the audited results of the operations for the most recently completed Fiscal Year, the Available Revenues equal at least 1.10 times Maximum Annual Debt Service on all Debt then Outstanding as well as the additional Debt;

(5) Reserve Fund Deposits. For the purposes of calculating Maximum Annual Debt Service in Sections 212(a)(3) and 212(a)(4) above, the principal and interest payable upon final maturity for any outstanding Debt for which a reserve fund has been established shall be reduced by the amounts held in such reserve fund(s).

(6) Bond Counsel Opinion. Bond Counsel shall render an opinion to the Master Trustee and each Bond Insurer to the effect that the issuance of the proposed additional Debt will not cause the interest on the Related Bonds Outstanding issued as tax-exempt bonds to be includable in the gross income of the Owners thereof for purposes of federal income taxation; and

(7) Title Insurance. So long as the Trust Estate contains the lien of the Deed of Trust upon any real property of the Company, the Company shall obtain and provide to the Master Trustee an endorsement of the title insurance policy issued in connection with

the Debt increasing the coverage thereunder by an amount equal to the aggregate principal amount of the additional Debt.

(8) Rating. The Rating Agencies then rating any Notes shall provide a rating of the Additional Debt that is at or above the then current rating level on the Notes.

The satisfaction of the conditions set forth in paragraphs (1) through (7) above shall be evidenced to the Master Trustee. The Master Trustee may rely, and (subject to Section 701) shall be fully protected in relying upon, a closing certificate that items (1) through (7) were completed.

(b) Refunding. If additional Debt is being issued for the purpose of refunding any Outstanding Debt, the report required by Section 212(a)(3) to be delivered shall not apply so long as both the total and Maximum Annual Debt Service Requirements on all Outstanding Debt after issuance of the additional Debt will not exceed both the total and the Maximum Annual Debt Service Requirements on all Outstanding Debt prior to the issuance of such additional Debt.

(c) Completion Debt. In the event such additional Debt is being issued or incurred for the purpose of completing any Project (as that term is defined from time to time in connection with the issuance of additional Debt) for which additional Debt is issued or incurred, such series of completion bonds may be issued in amounts not to exceed 10% of the principal amount of the Debt last issued for such Project upon delivery of an Officer's Certificate that such additional Debt is required to fund the costs of completion; provided that, such additional Debt must comply with any applicable requirements imposed by the Related Bond Indenture and Related Loan Documents.

(d) Interim Construction Financing. (1) The Company reserves the right to issue and incur Short-Term Debt and (2) The Company reserves the right to issue and incur additional Debt in an amount not to exceed \$100,000 for the expansion or relocation of any Participating Campus; provided further, that Sections 212(a)(3) and (4) shall not apply to such additional Debt.

(e) Subordinate Debt. The Company reserves the right to incur indebtedness subordinate to this Master Indenture. Such subordinate debt may be secured by a subordinate lien on all or any portion of the Trust Estate.

(f) Compliance with Insurer Requirements. Notwithstanding the foregoing, if any Bond Insurer is providing bond insurance for any series of Related Bonds Outstanding, such conditions and requirements as are set forth in the Related Bond Indenture and Related Loan Documents related to such series of Related Bonds shall be met prior to the issuance of additional Debt, as evidenced by the written approval or appropriate waiver of such Bond Insurer delivered to the Master Trustee.

(g) Exemption. The Series 2010 Note.

(h) Except for the parity additional Debt and any subordinate Debt authorized by this Section 212, no other additional Debt shall be issued by the Company for activities under its Charter, whether or not issued under this Master Trust Indenture, without the prior written consent of each Bond Insurer.

Section 213. Insurance. (a) The Company shall at all times following completion of any Related Project, keep and maintain such Related Project insured against such risks and in such amounts, with such deductible provisions, as are customary in connection with the operation of facilities of the type and size comparable to the Related Project and consistent with the requirements of state law. Subject to subsection (c) hereof, the Company shall carry and maintain, or cause to be carried and maintained, and pay or cause to be paid timely the premiums for, at least the following insurance with respect to the Related Project and the Company:

(1) insurance coverage for buildings and contents, including steam boilers, fired pressure vessels and certain other machinery for fire, lightning, windstorm and hail, explosion, aircraft and vehicles, sprinkler leakage, elevator, and all other risks of direct physical loss, at all times in an amount not less than the replacement cost of the Related Project as originally determined to be \$_____ on the Closing Date of the Series 2010 Bonds and subsequently determined after construction is completed on any properties covered under the Deed of Trust;

(2) during the course of any construction, reconstruction, remodeling or repair of the Related Project, builders' all risk extended coverage insurance (non-reporting Completed Value with Special Cause of Loss form) in amounts based upon the completed replacement value of the Related Project and insurance coverage for lost gross revenues due to damage or destruction of the Related Project prior to construction in an amount sufficient to provide temporary or interim facilities and equipment during the period of replacement or repair of the damaged or destroyed facility, and endorsed to provide that occupancy by any person shall not void such coverage;

(3) general liability (other than as set forth in subsection (4) of this subsection (a));

(4) comprehensive professional liability insurance (other than as set forth in subparagraph (3) of this subsection (a)); and

(5) worker's compensation insurance as required by the laws of the State.

If it is ever determined that any structure within the Related Project is located in a flood plain (as defined by federal regulations), the Company shall carry and maintain, or cause to be carried and maintained, and pay or cause to be paid timely the premiums for flood insurance for the Related Project. Such flood insurance shall constitute the type of such insurance that is available at the time and as is customary in connection with the operation of facilities of the type and size comparable to the Related Project.

(b) **Insurers and Policies.** Each insurance policy required by subparagraph (a) above (i) shall be issued or written by such insurer (or insurers) as mutually acceptable to the Company

and each Bond Insurer, or by an insurance fund established by the United States or State or an agency or instrumentality thereof unless such insurance is not otherwise available on commercially reasonable terms from an insurer rated at least “A” by S&P or “Excellent (A or A-)” by A.M. Best Company, Inc., (ii) shall be in such form and with such provisions (including, without limitation and where applicable, loss payable clauses payable to the Master Trustee, waiver of subrogation clauses, provisions relieving the insurer of liability to the extent of minor claims and the designation of the named insureds) as are generally considered standard provisions for the type of insurance involved, (iii) shall prohibit cancellation or substantial modification by the insurer without at least thirty days’ prior written notice to the Master Trustee, each Bond Insurer and the Company and (iv) shall name the Master Trustee and the Bond Insurer as additional insured. Without limiting the generality of the foregoing, all insurance policies carried pursuant to clause (a)(1) of this Section 213 contain a standard NY Mortgagee clause in favor of the Master Trustee and the Bond Insurer (as mortgagee/loss payee) shall name the Master Trustee, the Bond Insurer and the Company as parties insured thereunder as the respective interest of each of such parties may appear, and loss thereunder shall be made payable and shall be applied as provided in the Related Loan Documents. The Company shall deliver to each Bond Insurer and the Trustee, no later than the date on which it is required to obtain an insurance policy pursuant to Section 213(a), proof of each such insurance policy.

(c) Insurance Consultant. The Company covenants to review each year the insurance carried by the Company with respect to the Company and the Related Project and, to the extent feasible, will carry insurance insuring against risks and hazards specified in Section 213(a) to the same extent that other entities comparable to the Company and owning or operating facilities of the size and type comparable to the Related Project carry such insurance. At least once every two years, from and after the date hereof, the Company shall retain an Independent Insurance Consultant, for the purpose of reviewing the insurance coverage of, and the insurance required for, the Company and the Related Project and making recommendations respecting the types, amounts and provisions of insurance that should be carried with respect to the Company and the Related Project and their operation, maintenance and administration. A signed copy of the report of the Independent Insurance Consultant shall be filed with the Master Trustee and each Bond Insurer. The insurance requirements of Section 213(a) and this subsection (c) shall be deemed modified or superseded as necessary to conform with the recommendations contained in said report to the extent the report recommends additional or increased coverage.

(d) Certifications. The Company shall, on the closing date for any Debt and thereafter within 120 days after the end of each of its Fiscal Years submit to the Master Trustee and each Bond Insurer an Officer’s Certificate verifying that (i) all insurance required by this Master Indenture is in full force and effect as of the date of such Officer’s Certificate and (ii) all Impositions (as defined in Section 4.1(k) of the Deed of Trust) have been paid. The Master Trustee shall have no responsibility for monitoring the existence of or maintaining any insurance policies other than to receive the certificate required by this Section 213(d).

ARTICLE III

REDEMPTION OR PREPAYMENT OF NOTES

Section 301. Redemption or Prepayment. Notes of each series shall be subject to optional and mandatory redemption or prepayment (subject to Section 602) in whole or in part and may be redeemed prior to Stated Maturity only as provided in the Supplemental Master Indenture creating such series. Unless otherwise provided by the Supplemental Master Indenture creating a series of Notes, the provisions of Sections 302 through 305 of this Master Indenture shall also apply to the redemption of Notes.

Section 302. Election to Redeem or Prepay; Notice to Master Trustee. The Company shall notify the Master Trustee in writing of the election of the Company to redeem or prepay all or any portion of the Notes of any series, together with the redemption or prepayment date and the principal amount of Notes of each Stated Maturity and series to be redeemed or prepaid, at least 60 days prior to the redemption or prepayment date fixed by the Company, unless a shorter notice shall be satisfactory to the Master Trustee.

Section 303. Deposit of Redemption or Prepayment Price. Prior to any redemption or prepayment date, the Company shall deposit with the Master Trustee or its designated agent an amount of money sufficient to pay the redemption or prepayment price of all the Notes which are to be redeemed or prepaid on such date.

Section 304. Notes Payable on Redemption or Prepayment Date.

(a) Notice of redemption or prepayment having been given as aforesaid, and the monies for redemption or prepayment having been deposited as described in Section 303, the Notes to be redeemed or prepaid shall become due and payable on the redemption or prepayment date at the redemption or prepayment price therein specified, and from and after such date such Notes shall cease to bear interest. Upon surrender of any such Note for redemption or prepayment in accordance with said notice, such Note shall be paid by the Company at the redemption or prepayment price. Installments of interest whose Stated Maturity is on or prior to the redemption date shall be payable to the registered Note Holders on the relevant Record Dates according to their terms.

(b) If any Note called for redemption shall not be so paid upon surrender thereof for redemption, the principal (and premium, if any) shall, until paid, bear interest from the redemption date at the rate borne by the Note.

Section 305. Notes Redeemed or Prepaid in Part. Any Note which is to be redeemed or prepaid only in part shall be surrendered at a Place of Payment (with, if the Company or the Master Trustee so requires, due endorsement by, or a written instrument of transfer satisfactory in form to, the Company and the Master Trustee, and duly executed by the Holder thereof or by his attorney who has been duly authorized in writing) and the Company shall execute and the Master Trustee shall authenticate and deliver without service charge a new Note or Notes of the same series, interest rate and maturity, and of any Authorized Denomination, to the Holder of

such Note as requested by such Holder in aggregate principal amount equal to and in exchange for the unredeemed or unpaid portion of the principal of the Note so surrendered.

ARTICLE IV

COVENANTS OF THE COMPANY

Section 401. Payment of Debt Service. The Company unconditionally and irrevocably covenants that it will promptly pay the principal of, premium, if any, and interest and any other amount due on every Note issued under this Master Indenture at any time at the place, on the dates and in the manner provided in said Notes according to the true intent and meaning thereof. Notwithstanding any schedule of payments upon the Notes set forth in the Notes, the Company unconditionally and irrevocably covenants and agrees to make payments upon each Note and be liable therefor at the times and in the amounts (including principal, interest and premium, if any) equal to the amounts to be paid as interest, principal at maturity or by mandatory sinking fund redemption, or premium, or purchase price, if any, upon any Notes or Related Bonds from time to time outstanding.

Section 402. Rating. (a) The Company covenants that it will not knowingly take any action that would likely result in the reduction of the then current municipal ratings of the Notes (or any other indebtedness secured by the Notes) by Fitch, Inc., Moody's Investors Services, Inc., or Standard & Poor's Ratings Services, Inc.

(b) So long as the Notes are outstanding, the Company shall maintain a rating on the Notes from Fitch, Inc., Moody's Investor Services, Inc. or Standard & Poor's Ratings Services, Inc.

Section 403. Money for Note Payments to be Held in Trust; Appointment of Paying Agents.

(a) The Company may appoint a Paying Agent for each series of the Notes.

(b) Each such Paying Agent appointed by the Company shall be (i) a corporation organized and doing business under the laws of the United States of America or of any state, (ii) authorized under such laws to exercise corporate trust powers, (iii) have a combined capital and surplus of at least \$50,000,000, and (iv) be subject to supervision or examination by federal or state authority.

(c) Subject to Section 207 hereof, the Company will, on or prior to each due date of the principal of (and premium, if any) or interest or any other amounts on any Notes, deposit with the Master Trustee which shall thereupon deposit such with the Paying Agent, a sum sufficient to pay the principal (and premium, if any) or interest or purchase price so becoming due and any other amounts due in accordance with the terms of the Notes and this Master Indenture, such sum to be held in trust for the benefit of the Holders of such Notes, and the Company will promptly notify the Master Trustee of its action or failure so to act unless such Paying Agent is the Master Trustee.

(d) The Company will cause each Paying Agent other than the Master Trustee to execute and deliver to the Master Trustee an instrument in which such Paying Agent shall agree with the Master Trustee, subject to the provisions of this Subsection, that such Paying Agent will

(1) hold all sums held by it for the payment of principal of (and premium, if any) or interest or any other amounts on the Notes in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided;

(2) give the Master Trustee notice of any default by the Company or any other obligor upon the Notes in the making of any such payment of principal (and premium, if any) or interest or any other amounts; and

(3) upon request by the Master Trustee, pay to the Master Trustee all sums so held in trust by such Paying Agent forthwith at any time during the continuance of such default.

(e) For the purpose of obtaining the satisfaction and discharge of this Master Indenture or for any other purpose, the Company may at any time by Order direct any Paying Agent to pay to the Master Trustee all sums held in trust by such Paying Agent, such sums to be held by the Master Trustee upon the same trusts as those upon which such sums were held by such Paying Agent. Upon such payment by any Paying Agent to the Master Trustee, such Paying Agent shall be released from all further liability with respect to such money.

(f) Subject to applicable escheat laws of the State, any money deposited in trust with the Master Trustee or any Paying Agent for the payment of the principal of (and premium, if any) or interest on any Notes and remaining unclaimed for the later of (i) the first anniversary of the Stated Maturity of the Notes or the installment of interest for the payment of which such money is held or (ii) two years after such principal (and premium, if any) or interest has become due and payable shall to the extent permitted by law be paid to the Company on its Request (which Request shall include the Company's representation that it is entitled to such funds under applicable escheatment laws and its agreement to comply with such laws) and the Holder of such Note shall thereafter, to the extent of any legal right or claim, be deemed to be an unsecured general creditor, and shall look only to the Company for payment thereof, and all liability of the Master Trustee or such Paying Agent with respect to such trust money, and all liability of the Company, shall thereupon cease; provided, however, that the Master Trustee or such Paying Agent, before being required to make any such repayment, shall, at the written direction of the Company, publish notice in an Authorized Newspaper at the expense of the Company that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such publication, any unclaimed balance of such money then remaining will be repaid to the Company; provided further, notwithstanding the foregoing, the Master Trustee shall be entitled to deliver any such funds to any escheatment authority in accordance with the Master Trustee's customary procedures. The Master Trustee shall hold any such funds in trust uninvested (without liability for interest accrued after the date of deposit or other compensation) for the benefit of holders entitled thereto.

Section 404. Notice of Non-Compliance. Promptly upon the discovery of any default, the Company will deliver to the Master Trustee a written statement describing each default and status thereof which has not been cured or waived under any Note. For the purpose of this Section, the term “default” means any event which is, or after notice or lapse of time or both would become, an Event of Default.

Section 405. Corporate Existence. Subject to Sections 501 and 502, the Company will do or cause to be done all things necessary to preserve and keep in full force and effect its corporate existence, rights (charter and statutory), and franchises; provided, however, that the Company shall not be required to preserve any right or franchise if the Governing Body shall determine that the preservation thereof is no longer desirable in the conduct of its business and that the loss thereof is not disadvantageous in any material respect to the Holders of the Notes.

Section 406. Revenue Fund.

(a) There is hereby created by the Company and established with the Master Trustee the special fund of the Company designated the “Nova Academy Education Revenue Fund” (herein referred to as the “Revenue Fund”). The Revenue Fund shall contain a principal account (the “Principal Account”) and an interest account (the “Interest Account”) and such other accounts as the Master Trustee finds necessary or desirable, provided, the Master Trustee shall have no duty to establish and maintain the Revenue Fund prior to the occurrence and continuance of an Event of Default. The money deposited to the Revenue Fund, together with all investments thereof and investment income therefrom, shall be held in trust and applied solely as provided in this Section and in Section 606.

(b) If, and only if, an Event of Default under this Master Indenture shall occur, the Company shall deposit, within five (5) business days from the date of receipt, with the Master Trustee, for credit to the Revenue Fund all of its Adjusted Revenues, including without limitation amounts subject to a Deposit Account Control Agreement for which a Notice of Exclusive Control has been delivered, (except to the extent otherwise provided by or inconsistent with any permitted instrument creating any mortgage, lien, charge, encumbrance, pledge or other security interest granted, created, assumed, incurred or existing) as well as any insurance and condemnation proceeds, beginning on the first day of such Event of Default thereof and on each day thereafter, until no default under Section 601(a) of this Indenture then exists.

(c) Immediately upon receipt of any payments to the Master Trustee for deposit into the Revenue Fund, the Master Trustee shall withdraw and pay or deposit from the amounts on deposit in the Revenue Fund the following amounts in the order indicated:

(1) to the Master Trustee any fees or expenses which are then payable;

(2) equally and ratably to the Holder of each instrument evidencing a Note on which there has been a default pursuant to Section 601(a) an amount equal first to all defaulted interest on such Note and second to all defaulted principal of (or premium, if any), on such Note;

(3) a transfer to the Interest Account of an amount necessary to accumulate in equal monthly installments the interest on the Notes due and payable on the next Interest Payment Date, provided, however, that to the extent available, each transfer made on the fifth Business Day before the end of each month immediately preceding each Interest Payment Date shall be in an amount to provide, together with amounts then on deposit in the Interest Account, the balance of the interest due on the Notes on the next succeeding Interest Payment Date. There shall be paid from the Interest Account equally and ratably to the Holder of each instrument evidencing a Note the amount of interest on each Note as such interest becomes due;

(4) a transfer to the Principal Account of the amount necessary to accumulate in equal monthly installments the principal of the Notes maturing or subject to mandatory sinking fund redemption on the next Interest Payment Date taking into account with respect to each such payment (i) any other money actually available in the Principal Account for such purpose and (ii) any credit against amounts due on each Interest Payment Date granted pursuant to other provisions of this Master Indenture; provided, however, that to the extent available, the transfer made on the fifth Business Day before the end of each month immediately preceding such Interest Payment Date shall be in an amount to provide, together with amounts then on deposit in the Principal Account, the balance of the principal maturing or subject to mandatory sinking fund redemption on such Interest Payment Date. There shall be paid from the Principal Account equally and ratably to the Holder of each instrument evidencing a Note the amount of principal payments due on each Note, whether at maturity or earlier mandatory redemption (other than by reason of acceleration of maturity or other demand for payment), as such principal becomes due;

(5) to the Holder of any Note entitled to maintain a reserve fund for the payment of such Note, an amount sufficient to cause the balance on deposit in such reserve fund to equal the required balance in 12 equal monthly installments or as otherwise in such amounts required by the applicable Related Bond Documents; and

(6) to the Company, the amount specified in a Request as the amount of ordinary and necessary expenses of the Company for its operations for the following month.

(d) Any amounts remaining on deposit in the Revenue Fund on the day following the end of the month in which all Events of Default under Section 601(a) of this Master Indenture have been cured or waived, shall be paid to the Company upon Request for deposit in a deposit account of the Company subject to a Deposit Account Control Agreement, which may be used for any lawful purpose.

(e) Pending disbursements of the amounts on deposit in the Revenue Fund, the Master Trustee shall promptly invest and reinvest such amounts in the Defeasance Obligations specified in any Order. All such investments shall have a maturity not greater than 91 days from date of purchase.

Section 407. Insurance and Condemnation Proceeds Fund.

(a) There is hereby created by the Company and established with the Master Trustee the special fund of the Company designated the “Nova Academy Education Insurance and Condemnation Proceeds Fund” (herein referred to as the “Insurance and Condemnation Fund”). The Master Trustee is hereby authorized to create any accounts within such Insurance and Condemnation Fund as the Master Trustee finds necessary or desirable, provided, the Master Trustee shall have no duty to establish the Insurance and Condemnation Fund prior to the first occurring receipt of proceeds under an insurance policy or a condemnation of all or a portion of any Related Project. The money deposited to the Insurance and Condemnation Fund, together with all investments thereof and investment income therefrom, shall be held in trust and applied solely as provided in this Section.

(b) Immediately upon receipt of any payments to the Master Trustee for deposit into the Insurance and Condemnation Fund, the Master Trustee shall transfer such amounts to the Related Bond Trustee in accordance with the Related Indenture to which such insurance or condemnation proceeds relate for use pursuant to such Related Indenture and the Related Loan Documents for such Related Project.

Section 408. Title Insurance. The Company shall obtain and deliver to the Master Trustee on or prior to the closing date of any Debt a standard Texas form T-1 owner’s policy of title insurance and a standard Texas form T-2 lender’s policy of title insurance issued by a title insurance company selected by the Company, showing the Master Trustee and any Bond Insurer as insured parties, as their interests may appear, with respect to the Mortgaged Property, together with such endorsements as may be required by the Master Trustee and any Bond Insurer, in an aggregate amount not less than the principal amount of the Debt outstanding (including the Debt to be issued) secured by the Mortgaged Property (as defined in the Deed of Trust). The policies shall insure that the Company has fee title in the Mortgaged Property and the Master Trustee has a valid first lien on the Company’s interest in the Mortgaged Property described in the Deed of Trust; subject to Permitted Encumbrances and subject to the Master Trustee’s protection in Section 703(l) hereof. There shall be deleted in such policies to the satisfaction of any Bond Insurer the standard exceptions for discrepancies, encroachments, overlaps, conflicts in boundary lines, servitudes or such other matters that would be disclosed by an accurate survey and inspection of the Mortgaged Property, for mechanics’ and materialmen’s liens, or for rights or claims of parties in possession and easements and claims of easements not shown on the public records.

Section 409. Waiver of Certain Covenants. The Company may omit in any particular instance to comply with any covenant or condition set forth in Sections 402 through 407 hereof if before or after the time for such compliance the Holders of the same percentage in principal amount of all Notes then Outstanding the consent of which would be required to amend the provisions hereof to permit such noncompliance and each Bond Insurer shall either waive such compliance in such instance or generally waive compliance with such covenant or condition, but no such waiver shall extend to or affect such covenant or condition except to the extent so expressly waived and, until such waiver shall become effective, the obligations of the Company and the duties of the Master Trustee in respect of any such covenant or condition shall remain in full force and effect.

ARTICLE V

Section 501. Consolidation, Merger, Conveyance, or Transfer Only on Certain Terms. In addition to any other requirements set forth in the Related Bond Documents, the Company covenants and agrees that it will not consolidate with or merge into any corporation or convey or transfer its properties substantially as an entirety to any Person, unless:

(a) all of the following conditions exist:

(1) the Person formed by such consolidation or into which the Company merges or the Person which acquires substantially all of the properties of the Company as an entirety shall be a Person organized and existing under the laws of the United States of America or any state or the District of Columbia and shall expressly assume by instrument supplemental hereto executed and delivered to the Master Trustee, the due and punctual payment of the principal (and premium, if any) and interest on the Notes and any other amounts due thereunder or in accordance with this Master Indenture and the performance and observance of every covenant and condition hereof on the part of the Company to be performed or observed;

(2) an Officer's Certificate shall be delivered to the Master Trustee to the effect that such consolidation, merger or transfer shall not, immediately after giving effect to such transaction, cause a default hereunder to occur and be continuing;

(3) the Company shall have delivered to the Master Trustee and Related Bond Trustee an Officer's Certificate and Opinion of Counsel, each stating that such consolidation, merger, conveyance, or transfer and such supplemental instrument comply with this Article and that all conditions precedent relating to such transaction provided for herein have been complied with, and a Favorable Opinion of Bond Counsel; and

(4) the consent of each Bond Insurer shall have been obtained.

Section 502. Successor Corporation Substituted. Upon any consolidation or merger, or any conveyance or transfer of the properties and assets of the Company substantially as an entirety in accordance with Section 501, the successor Person formed by such consolidation or into which the Company is merged or to which such conveyance or transfer is made shall succeed to, and be substituted for, and may exercise every right and power of, the Company hereunder with the same effect as if such successor Person had been named as the Company herein.

ARTICLE VI

REMEDIES OF THE MASTER TRUSTEE AND HOLDERS OF NOTES IN EVENT OF DEFAULT

Section 601. Events of Default. “Event of Default,” whenever used herein means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) default in the payment of the principal of (premium, if any) or interest or any other amount due on any Note when due (giving effect to any applicable period of grace, if any); or

(b) default in the performance, or breach, of any covenant or agreement on the part of the Company contained in this Master Indenture (other than a covenant or agreement the default in the performance or observance of which is elsewhere in this Section specifically addressed) and continuance of such default or breach for a period of 30 days after a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a “Notice of Default” hereunder has been given by registered or certified mail by (i) the Holders of at least 25% in principal amount of Notes then Outstanding, or (ii) any Bond Insurer, or (iii) the Master Trustee to the Company (with a copy to the Master Trustee in the case of notice by the Holders); provided that if such default under this Section 601(b) can be cured by the Company but cannot be cured within the 30-day curative period described above, it shall not constitute an Event of Default if corrective action is instituted by the Company within such 30-day period and diligently pursued until the default is corrected; or

(c) a decree or order by a court having jurisdiction in the premises shall have been entered adjudging the Company a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization or arrangement of the Company under the federal Bankruptcy Code of 1978, as amended (the “Bankruptcy Code”), or any other similar applicable federal or state law, and such decree or order shall have continued undischarged and unstayed for a period of 90 days; or a decree or order of a court having jurisdiction in the premises for the appointment of a receiver or trustee or assignee in bankruptcy or insolvency of the Company or the Company’s property, or for the winding up or liquidation of the Company or the Company’s affairs, shall have been entered, and such decree or order shall have remained in force undischarged and unstayed for a period of 90 days; or

(d) the Company shall institute proceedings to be adjudicated a voluntary bankruptcy, or shall consent to the institution of a bankruptcy proceeding against it, or shall file a petition or answer or consent seeking reorganization or arrangement under the Bankruptcy Code or any other similar applicable federal or state law, or shall consent to the filing of any such petition, or shall consent to the appointment of a receiver or trustee or assignee in bankruptcy or insolvency of it or of its property, or shall make assignment for the benefit of creditors, or shall admit in writing its inability to pay its debts generally as they become due, or corporate action shall be taken by the Company in furtherance of any of the aforesaid purposes;

(e) an event of default, as therein defined, under any instrument or agreement under which any Note may be incurred or secured, or under any Related Bond Documents, occurs and is continuing beyond any applicable period of grace, if any;

(f) a Qualified Provider under a Financial Products Agreement which is secured by a Note notifies the Master Trustee that an event of default under such Financial Products Agreement, as therein defined, has occurred and is continuing beyond the applicable grace period, if any.

Section 602. Acceleration of Maturity In Certain Cases; Rescission and Annulment.

(a) If an Event of Default occurs and is continuing, then and in every such case the Master Trustee may, and upon the request of: (i) the Holders of not less than 25% in principal amount of the Notes Outstanding with the consent of the Bond Insurers (or, in the case of any Event of Default described in clause (e) above resulting in the loss of any exclusion from gross income of interest on, or the invalidity of, any Debt secured by a pledge of Notes, the Holders of not less than 25% in principal amount of the Notes Outstanding of the affected series) or (ii) any Bond Insurer, shall, by a notice in writing to the Company, accelerate the Maturity of the Notes, and upon any such declaration such principal (premium, if any) and interest and any other amount due on any Note shall become immediately due and payable.

(b) At any time after such a declaration of acceleration has been made and before a judgment or decree for payment of the money due has been obtained by the Master Trustee as hereinafter in this Article provided, the Holders of a majority in principal amount of the Notes Outstanding, by written notice to the Company and the Master Trustee, may rescind and annul such declaration and its consequences if:

(1) the Company has caused to be paid or deposited with the Master Trustee a sum sufficient to pay:

(i) all overdue installments of interest on all Notes;

(ii) the principal of (and premium, if any, on) any Notes which have become due otherwise than by such declaration of acceleration and interest thereon at the rate borne by the Notes as well as any other amounts due and owing as provided in such Notes; and

(iii) all sums paid or advanced by the Master Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Master Trustee, its agents and counsel; and

(2) all Events of Default, other than the non-payment of the principal of Notes which have become due solely by such acceleration, have been cured or waived as provided in Section 613.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

(c) Acceleration of Notes pursuant to this Section 602 may be declared separately and independently with or without an acceleration of the Related Bonds.

Section 603. Collection of Indebtedness and Suits for Enforcement by Master Trustee.

(a) The Company covenants that if:

(1) default is made in the payment of any installment of interest on any Note when such interest becomes due and payable;

(2) default is made in the payment of the principal of (or premium, if any, on) any Note when such principal (or premium, if any) becomes due and payable; or

(3) default is made in the payment of any other amount when such amount is due and payable;

the Company will, subject to Section 401 hereof, upon demand of the Master Trustee, pay to it, for the benefit of the Holders of such Notes, the whole amount then due and payable on such Notes for principal (and premium, if any) and interest, with interest upon the overdue principal (and premium, if any) and any other amount due; and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Master Trustee, its agents and counsel.

(b) If the Company fails to pay any of the foregoing amounts forthwith upon demand, the Master Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, and may prosecute such proceeding to judgment or final decree, and may enforce the same, against the Company and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the Property of the Company.

(c) If an Event of Default occurs and is continuing, the Master Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders of Notes and other obligations secured hereunder by such appropriate judicial proceedings as the Master Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Master Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy, including without limitation proceeding under the UCC as to all or any part of the Trust Estate, and the Company hereby covenants and agrees with the Master Trustee that the Master Trustee shall have and may exercise with respect to the Trust Estate all the rights, remedies and powers of a secured party under the UCC as in effect in the State of Texas.

(d) If an Event of Default occurs and is continuing, the Master Trustee shall, at the direction of each Bond Insurer, provide a Notice of Exclusive Control to the Company's Depository Bank.

(e) If an Event of Default occurs and is continuing, the Mortgage Trustee named in the Deed of Trust may foreclose on any property subject to the Deed of Trust subject, to the extent applicable, to Section 12.128 of the Texas Education Code, as amended.

Section 604. Master Trustee May File Proofs of Claim.

(a) In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Company or Property of the Company or of such other obligor or their creditors, the Master Trustee (irrespective of whether the principal of the Notes shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Master Trustee shall have made any demand on the Company for the payment of overdue principal or interest) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(1) to file and prove a claim for the whole amount of principal (and premium, if any) and interest and any other amounts owing and unpaid in respect of the Notes and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Master Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Master Trustee, its agents and counsel) and of the Holders of Notes allowed in such judicial proceeding; and

(2) to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same;

and any receiver, assignee, trustee, liquidator, sequestrator (or other similar official) in any such judicial proceeding is hereby authorized by each Holder of Notes to make such payments to the Master Trustee, and in the event that the Master Trustee shall consent to the making of such payments directly to the Holders of Notes, to pay to the Master Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Master Trustee, its agents and counsel, and any other amounts due the Master Trustee under this Master Indenture.

(b) Nothing herein contained shall be deemed to authorize the Master Trustee to authorize or consent to or accept or adopt on behalf of any Holder of Notes any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Master Trustee to vote in respect of the claim of any Holder of Notes in any such proceeding.

Section 605. Master Trustee May Enforce Claims Without Possession of Notes. All rights of action and claims under this Master Indenture or the Notes may be prosecuted and enforced by the Master Trustee without the possession of any of the Notes or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Master Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Master Trustee, its agents and counsel, be for the ratable benefit of the Holders of the Notes in respect of which such judgment has been recovered.

Section 606. Application of Money Collected. Any money collected by the Master Trustee pursuant to this Article and any proceeds of any sale (after deducting the costs and expenses of such sale, including a reasonable compensation to the Master Trustee, its agents and counsel, and any taxes, assessments, or liens prior to the lien of this Indenture, except any thereof subject to which such sale shall have been made), whether made under any power of sale herein granted or pursuant to judicial proceedings, together with, in the case of an entry or sale as otherwise provided herein, any other sums then held by the Master Trustee as part of the Trust Estate, shall be deposited in the Revenue Fund created by this Master Indenture, shall be applied in the order specified in Section 406, at the date or dates fixed by the Master Trustee and, in case of the distribution of such money on account of principal (or premium, if any), upon presentation of the Notes and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid.

Section 607. Limitation on Suits. No Holder of any Note shall have any right to institute any proceeding, judicial or otherwise, with respect to this Master Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

- (1) such Holder has previously given written notice to the Master Trustee of a continuing Event of Default;
- (2) the Holders of not less than 25% in principal amount of the Outstanding Notes shall have made written request to the Master Trustee to institute proceedings in respect of such Event of Default in its own name as Master Trustee hereunder;
- (3) such Holder or Holders have provided to the Master Trustee indemnity satisfactory to it against the costs, expenses and liabilities to be incurred in compliance with such request;
- (4) the Master Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute any such proceeding; and
- (5) no direction inconsistent with such written request has been given to the Master Trustee during such 60-day period by the Holders of a majority in principal amount of the Outstanding Notes;

it being understood and intended that no one or more Holders of Notes shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Master Indenture to affect, disturb or prejudice the rights of any other Holders of Notes, or to obtain or to seek to obtain priority or preference over any other Holders, or to enforce any right under this Master Indenture, except in the manner herein provided and for the equal and ratable benefit of all the Holders of Notes.

Section 608. Unconditional Right of Holders of Notes to Receive Principal, Premium and Interest. Notwithstanding any other provision in this Master Indenture, the Holder of any Note shall have the right which is absolute and unconditional to receive payment of the principal of (and premium, if any) and interest on such Note, but (without waiving or impairing any rights such Holder may have under any other instrument or agreement) solely

from the sources provided in this Master Indenture, on the respective Stated Maturities expressed in such Note (or, in the case of redemption, on the redemption date) and to institute suit for the enforcement of any such payment, and such rights shall not be impaired without the consent of such Holder.

Section 609. Restoration of Rights and Remedies. If the Master Trustee or any Holder of Notes has instituted any proceeding to enforce any right or remedy under this Master Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Master Trustee or to such Holder of Notes, then and in every such case the Company, the Master Trustee and the Holders of Notes shall, subject to any determination in such proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Master Trustee and the Holders of Notes shall continue as though no such proceeding had been instituted.

Section 610. Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Master Trustee or to the Holders of Notes is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 611. Delay or Omission Not Waiver. No delay or omission of the Master Trustee or of any Holder of any Note to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Master Trustee or to the Holders of Notes may be exercised from time to time, and as often as may be deemed expedient, by the Master Trustee or by the Holders of Notes, as the case may be.

Section 612. Control by Holders of Notes. The Holders of a majority in principal amount of the Outstanding Notes shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Master Trustee or exercising any trust or power conferred on the Master Trustee, provided that such direction shall not be in conflict with any rule of law or with this Master Indenture, and provided further that the Master Trustee shall have the right to decline to comply with any such request in accordance with Section 703(e) hereof or if the Master Trustee shall be advised by counsel (who may be its own counsel) that the action so directed may not lawfully be taken or the Master Trustee in good faith shall determine that such action would be unjustly prejudicial to the Holders of the Notes not parties to such direction. The Master Trustee may take any other action deemed proper by the Master Trustee which is not inconsistent with such direction.

Section 613. Waiver of Past Defaults.

(a) The Holders of not less than a majority in principal amount of the Outstanding Notes may on behalf of the Holders of all the Notes waive any past default hereunder and its consequences, except:

(1) a default in the payment of the principal of (or premium, if any) or interest or any other amount on any Note; or

(2) a default in respect of a covenant or provision hereof which under Article VIII cannot be modified or amended without the consent of the Holder of each Outstanding Note affected.

(b) Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Master Indenture; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

Section 614. Undertaking for Costs. All parties to this Master Indenture agree, and each Holder of any Note by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Master Indenture, or in any suit against the Master Trustee for any action taken or omitted by it as Master Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section shall not apply to any suit instituted by the Master Trustee, to any suit instituted by any Holder of Notes, or group of Holders of Notes, holding in the aggregate more than 10% in principal amount of the Outstanding Notes, or to any suit instituted by any Holder of Notes for the enforcement of the payment of the principal of (or premium, if any) or interest on any Note on or after the respective Stated Maturities expressed in such Note (or, in the case of redemption, on or after the redemption date).

Section 615. Waiver of Stay or Extension Laws. The Company covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Master Indenture; and the Company (to the extent that it may lawfully do so), hereby expressly waives all benefit or advantage of any such law, and covenants (to the extent that it may lawfully do so) that it will not hinder, delay or impede the execution of any power herein granted to the Master Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

Section 616. No Recourse Against Others. No recourse under or upon any obligation, covenant or agreement contained in this Master Indenture or any indenture supplemental hereto, or in any Note, or for any claim based thereon or otherwise in respect thereof, shall be had against any incorporator, or against any past, present or future director, officer or employee, as such, of the Master Trustee or the Company or of any successor corporation, either directly or through the Company, whether by virtue of any constitution or statute or rule of law, or by the enforcement of any assessment or penalty or otherwise; it being expressly understood that this Master Indenture and the Notes are solely corporate obligations, and that no such personal liability whatever shall attach to, or is or shall be incurred by, the incorporators, directors, officers or employees, as such, of the Master Trustee or the Company or any successor

corporation, or any of them, because of the creation of indebtedness hereby authorized, or under or by reason of the obligations, covenants or agreements contained in this Master Indenture or in any of the Notes or implied therefrom; and that any and all such personal liability, either at common law or in equity or by constitution or statute, of, and any and all such rights and claims against, every such incorporator, director, officer or employee, as such, are hereby expressly waived and released as a condition of, and as a consideration for, the execution of this Master Indenture and the issue of such Notes.

Section 617. Third Party Beneficiary. The parties hereto expressly recognize that each Bond Insurer is a third party beneficiary of this Master Indenture, entitled, but not obligated, to enforce any right, remedy, or claim conferred, given or granted hereunder. Each of the parties hereto expressly acknowledges and agrees that, irrespective of any action taken or omitted to be taken by each Bond Insurer under or in connection with this Master Indenture or otherwise in connection with any Related Bonds, the sole liability and obligation of each Bond Insurer in connection with any Related Bonds and this Master Indenture shall be those obligations which are expressly undertaken by each Bond Insurer in its municipal bond insurance policy issued in connection with any Related Bonds.

ARTICLE VII

CONCERNING THE MASTER TRUSTEE

Section 701. Duties and Liabilities of Master Trustee.

(a) The Master Trustee accepts and agrees to execute the trusts imposed upon it by this Master Indenture, but only upon the terms and conditions set forth herein, and no implied covenants or obligations shall be read into this Master Indenture against the Master Trustee.

(b) In case any Event of Default has occurred and is continuing (of which a Responsible Officer of the Master Trustee has actual knowledge or is deemed to have actual knowledge under Section 703(h) hereof), the Master Trustee shall exercise such of the rights and powers vested in it by this Master Indenture, and use the same degree of care and skill in their exercise, as a reasonably prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(c) No provision of this Master Indenture shall be construed to relieve the Master Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except, that:

(1) this Subsection shall not be construed to limit the effect of Subsection (a) of this Section or Section 703 hereof;

(2) the Master Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Master Trustee was negligent in ascertaining the pertinent facts;

(3) the Master Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with Section 602(a) hereof or otherwise with the direction of the Holders of not less than a majority in aggregate principal amount of the Notes then Outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Master Trustee, or exercising any trust or power conferred upon the Master Trustee, under this Master Indenture; and

(4) no provision of this Master Indenture shall require the Master Trustee to expend or risk its funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that the repayment of such funds or adequate indemnity against such risk or liability or the payment of its fees and expenses is not reasonably assured to it.

(d) Whether or not therein expressly so provided, every provision of this Master Indenture relating to the conduct or affecting the liability of or affording protection to the Master Trustee shall be subject to the provisions of this Section and Section 703.

Section 702. Notice of Defaults. Within 60 days after the occurrence of any default of which the Master Trustee is deemed to have knowledge hereunder, the Master Trustee shall transmit by mail to all Holders of Notes and each Bond Insurer notice of such default, unless such default shall have been cured or waived or unless corrective action to cure such default has been instituted and is being pursued such that such default does not constitute an Event of Default; provided, however, that except in the case of a default in the payment of the principal of (or premium, if any) or interest on any Notes or in the payment of any sinking or purchase fund installment, the Master Trustee shall be protected in withholding such notice if and so long as the board of directors, the executive committee or a trust committee of directors and/or Responsible Officers of the Master Trustee in good faith determine that the withholding of such notice from the Holders of the Notes is in the interest of the Holders of Notes; and provided, further, that in the case of any default of the character specified in Section 601(b), no such notice to Holders of Notes shall be given until at least 30 days after the notice described in Section 601(b) is given and a cure is not forthcoming. For the purpose of this Section, the term “default” means any event which is, or after notice or lapse of time or both would become, an Event of Default.

Section 703. Certain Rights of Master Trustee.

(a) The Master Trustee may conclusively rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, approval, bond, debenture or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties and shall not be required to verify the accuracy of any information or calculations required to be included therein or attached thereto.

(b) Any request or direction of the Company shall be sufficiently evidenced by a Request; and any resolution of the Governing Body may be evidenced to the Master Trustee by a Board Resolution.

(c) Whenever in the administration of this Master Indenture the Master Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Master Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's Certificate.

(d) The Master Trustee may consult with counsel and the written advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(e) The Master Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Master Indenture at the request or direction of any of the Holders of the Notes pursuant to the provisions of this Master Indenture, unless such Holders shall have offered to the Master Trustee reasonable security or indemnity satisfactory to it against the costs, expenses and liabilities which might be incurred by it in connection with such request or direction and for the payment of the Master Trustee's fees in connection therewith.

(f) The Master Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, approval, bond, debenture or other paper or document, but the Master Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Master Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney and to take such memoranda from and in regard thereto as may be reasonably desired. The Master Trustee shall have no obligation to perform any of the duties of the Company under this Master Indenture.

(g) The Master Trustee may execute any of the trusts or powers hereunder either directly or by or through agents or attorneys or may act or refrain from acting in reliance upon the opinion or advice of such agents or attorney, but the Master Trustee shall not be held liable for any negligence or misconduct of any such agent or attorney appointed by it with due care. The Master Trustee may act upon the opinion or advice of an attorney or agent selected by it in the exercise of reasonable care and upon the opinion or advice of an attorney or agent retained by the Company. The Master Trustee shall not be responsible for any loss or damage resulting from any action or nonaction based on its good faith reliance upon such opinion or advice. The Master Trustee may in all cases pay reasonable compensation to any attorney or agent retained or employed by it in connection herewith.

(h) The Master Trustee shall not be required to take notice or be deemed to have notice of any Event of Default hereunder unless the Master Trustee shall be specifically notified of such Event of Default in writing by the Company or by the Holder of an Outstanding Note, and in the absence of such notice the Master Trustee may conclusively assume that no Event of Default exists; provided, however, that the Master Trustee shall be required to take and be deemed to have notice of its failure to receive the moneys necessary to make payments when due of principal, premium, if any, or interest on any Note.

(i) The Master Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with any direction of the Holders of the Outstanding Notes permitted to be given by them under this Master Indenture.

(j) The permissive right of the Master Trustee to do things enumerated in this Master Indenture shall not be construed as a duty and the Master Trustee shall not be answerable for other than its negligence or willful misconduct in accordance with the terms of this Master Indenture.

(k) The Master Trustee shall not be required to give any bond or surety in respect of the execution of the said trusts and powers or otherwise in respect of the premises.

(l) The Master Trustee shall not be responsible for monitoring the existence of or determining whether any lien or encumbrance or other charge including without limitation any Permitted Encumbrance (as defined in the Deed of Trust) exists against the Project or the Trust Estate.

(m) The Trustee shall not be bound to ascertain or inquire as to the performance or observance of any covenants, conditions or agreements on the part of the Company herein or in the Deed of Trust hereunder except as may be expressly provided for herein or therein. The Trustee may require of the Company full information and advice as to the performance of the aforesaid covenants, conditions and agreements.

Section 704. Not Responsible For Recitals or Issuance of Notes. The recitals contained herein and in the Notes (other than the certificate of authentication on such Notes) shall be taken as the statements of the Company and the Master Trustee assumes no responsibility for their correctness. The Master Trustee makes no representations as to the validity or sufficiency of this Master Indenture or of the Notes. The Master Trustee shall not be accountable for the use or application by the Company of any of the Notes or of the proceeds of such Notes, for the use or application of any money paid over by the Master Trustee in accordance with the provisions of this Master Indenture or for the use and application of money received by any Paying Agent.

Section 705. Master Trustee May Own Notes. The Master Trustee or other agent of the Company, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Company with the same rights it would have if it were not Master Trustee or such other agent.

Section 706. Moneys to Be Held in Trust. All moneys received by the Master Trustee shall, until used or applied as herein provided (including payment of moneys to the Company under the next to last paragraph of Section 403), be held in trust for the purposes for which they were received, but need not be segregated from other funds except to the extent required by law. The Master Trustee shall be under no liability for interest on any moneys received by it hereunder other than such interest as it expressly agrees to pay.

Section 707. Compensation and Expenses of Master Trustee.

(a) The Company hereby agrees:

(1) to pay to the Master Trustee from time to time reasonable compensation for all services rendered by it hereunder (which compensation shall not be limited by any law limiting the compensation of the trustee of an express trust), whether as Master Trustee or as Paying Agent;

(2) except as otherwise expressly provided in this Section 707(a), to reimburse the Master Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Master Trustee in accordance with any provision of this Master Indenture (including the reasonable compensation and the expenses and disbursements of its agents and counsel); and

(3) to indemnify the Master Trustee, its directors, employees, agents and affiliates (including without limitation, the Master Trustee as Paying Agent hereunder) (collectively, the "Indemnitees") for, and to defend and hold them harmless against, loss, liability, claims, proceedings, suits, demands, penalties, costs and expenses, including without limitation, the costs and expenses of outside and in house counsel and experts and their staffs and all expenses of document location, duplication and shipment and of preparation to defend and defending any of the foregoing ("Losses"), that may be imposed on, incurred by or asserted against any Indemnitee in respect of (i) any loss, or damage to any property, or injury to or death of any person, asserted by or on behalf of any Person arising out of, resulting from, or in any way connected with the Project, or the conditions, occupancy, use, possession, conduct or management of, or any work done in or about the Project or from the planning, design, acquisition or construction of any Project facilities or any part thereof, (ii) the issuance of any Notes or Related Bonds, or the Company's or the Issuer's, as the case may be, authority therefore; (iii) this Master Indenture and any instrument related thereto, (iv) the Master Trustee's execution, delivery and performance of the Master Indenture, except in respect of any Indemnitee to the extent such Indemnitee's negligence or bad faith caused such the Loss, and (v) compliance with or attempted compliance with or reliance on any instruction or other direction upon which the Master Trustee may rely under the Master Indenture or any instrument related thereto. The Company further agrees to indemnify the Indemnitees against any Losses as a result of (1) any untrue statement or alleged untrue statement of any material fact or the omission or alleged omission to state a materially fact necessary to make the statements made not misleading in any statement, information or material furnished by the Company to the Master Trustee or the Holder of any Note, including, but not limited to, any disclosure document utilized in connection with the sale of any Related Bonds; or (2) the inaccuracy of the statement contained in any section of any Related Bond Indenture relating to environmental representations and warranties. The foregoing indemnification shall include, without limitation, indemnification for any statement or information concerning the Company or its officer and members or its Property contained in any official statement or other offering document furnished to the Master Trustee or the purchaser of any Notes or Related Bonds that is untrue or incorrect in any material respect, and any omission from such official statement or other offering document of any statement or information which should be contained therein for the

purpose for which the same is to be used or which is necessary to make the statements therein concerning the Company, its officers and members and its Property not misleading in any material respect. The foregoing is in addition to any other rights, including rights to indemnification, to which the Master Trustee may otherwise be entitled, including without limitation, pursuant to the Deed of Trust. The provisions of this Section 707(a)(3) will survive the satisfaction and discharge of this Master Indenture and the payment of all Notes hereunder.

(b) As such security for the performance of the obligations of the Company under this Section the Master Trustee shall have a lien prior to the Notes upon all property and funds held or collected by the Master Trustee as such. The payment obligations set forth above shall include all such fees and expenses of the Master Trustee and its agents under any Supplemental Master Indenture.

Section 708. Corporate Master Trustee Required; Eligibility. There shall at all times be a Master Trustee hereunder which shall be a corporation organized and doing business under the laws of the United States of America or of any state, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least \$50,000,000, subject to supervision or examination by Federal or state authority. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Master Trustee shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect hereinafter specified in this Article.

Section 709. Resignation and Removal; Appointment of Successor.

(a) No resignation or removal of the Master Trustee and no appointment of a successor Master Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Master Trustee under Section 710.

(b) The Master Trustee may resign at any time by giving written notice thereof to the Company and any Bond Insurer. If an instrument of acceptance by a successor Master Trustee shall not have been delivered to the Master Trustee within 30 days after the giving of such notice of resignation, the resigning Master Trustee may petition any court of competent jurisdiction for the appointment of a successor Master Trustee.

(c) The Master Trustee may be removed at any time by act (i) of the Holders of a majority in principal amount of the Outstanding Notes, with the consent of the Bond Insurers of a majority of the aggregate principal amount of the Related Bonds Outstanding or (ii) the Bond Insurers of a majority of the aggregate principal amount of the Related Bonds Outstanding, delivered to the Master Trustee and the Company.

(d) If at any time:

(1) the Master Trustee shall cease to be eligible under Section 708 and shall fail to resign after written request therefor by the Company or by any Holder of Notes; or

(2) the Master Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent or conservator or a receiver of the Master Trustee or of its property shall be appointed or any public officer shall take charge or control of the Master Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation;

then, in any such case, (i) the Company by a Request may remove the Master Trustee, or (ii) subject to Section 614, any Holder of Notes who has been a bona fide Holder of a Note for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Master Trustee and the appointment of a successor Master Trustee.

(e) If the Master Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Master Trustee for any cause, the Company shall promptly appoint a successor Master Trustee. If, within six months after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Master Trustee shall be appointed by Act of the Holders of a majority in principal amount of the Outstanding Notes delivered to the Company and the retiring Master Trustee, the successor Master Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Master Trustee and supersede the successor Master Trustee appointed by the Company. If no successor Master Trustee shall have been so appointed by the Company or the Holders of Notes and accepted appointment in the manner hereinafter provided, the Master Trustee or any Holder of Notes who has been a bona fide Holder of a Note for at least 6 months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Master Trustee.

(f) The Company shall give notice of each resignation and each removal of the Master Trustee and each appointment of a successor Master Trustee by mailing written notice of such event by first-class mail, postage prepaid, to the Holders of Notes at their addresses as shown in the Note Register. Each notice shall include the name and address of the designated corporate trust office of the successor Master Trustee.

Section 710. Acceptance of Appointment by Successor.

(a) Every successor Master Trustee appointed hereunder shall execute, acknowledge and deliver to the Company and to the retiring Master Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Master Trustee shall become effective and such successor Master Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Master Trustee; but, on Request of the Company or the successor Master Trustee, such retiring Master Trustee shall, upon payment of its charges, execute and deliver an instrument transferring to such successor Master Trustee all the rights, powers and trusts of the retiring Master Trustee, and shall duly assign, transfer and deliver to the successor Master Trustee all property and

money held by such retiring Master Trustee hereunder. Upon request of any such successor Master Trustee, the Company shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Master Trustee all such rights, powers and trusts.

(b) No successor Master Trustee shall accept its appointment unless at the time of such acceptance such successor Master Trustee shall be qualified and eligible under this Article.

Section 711. Merger or Consolidation. Any corporation into which the Master Trustee may be merged or with which it may be consolidated, or any corporation resulting from any merger or consolidation to which the Master Trustee shall be a party, or any corporation acquiring and succeeding to all or substantially all of the municipal corporate trust business of the Master Trustee, shall be the successor Master Trustee hereunder, provided such corporation shall be otherwise qualified and eligible under this Article, to the extent operative, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any Notes shall have been authenticated, but not delivered, by the Master Trustee then in office, any successor by merger or consolidation to such authenticating Master Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Master Trustee had itself authenticated such Notes.

Section 712. Release of Property. At the request of a majority of the Holders of the Notes and with the consent of each Bond Insurer, if any, the Master Trustee shall execute and deliver in recordable form any releases of Property encumbered hereby or by the Deed of Trust.

Section 713. Partial Release of Real Property Included in Deed of Trust. (a) The Master Trustee shall consent to the release of portions of the real property included in the Deed of Trust upon receipt of a written Request for such release and a Certificate of an Authorized Representative providing that:

- (1) the requested release is for a facility funded solely with restricted donations (the “Endowed Facility”);
- (2) the Endowed Facility is solely owned by the Company;
- (3) the Company has no outstanding Debt incurred in connection with the construction of the Endowed Facility;
- (4) the real property requested for release is limited to the immediate area occupied by the Endowed Facility and, upon release thereof, does not materially impair the value of the aggregate real property then-securing all outstanding Debt;
- (5) the Endowed Facility is complete;
- (6) the Company shall provide an independent appraisal of the Endowed Facility; and
- (7) The Company shall provide at least thirty (30) days prior to executing such release, written notice to the Holders of the Notes of the proposed release, including the anticipated date thereof and an address for filing any objections thereto, in the manner

required for the delivery of notices of optional redemptions under the Related Bond Indenture. If, prior to executing such release, the Company receives written objections to the release from a majority of the Holders of the Notes, the Company agrees not to proceed with the release and notice of the cancellation thereof shall be timely provided the Holders in the same manner as set forth in the previous sentence.

The Master Trustee shall take the necessary steps to release such portions of the real property subject to the Deed of Trust at the expense of the Company.

(b) Notwithstanding the provisions of Section 713(a) above, the Master Trustee shall consent to the release of portions of the real property included in the Deed of Trust upon receipt of:

- (1) a Certificate of an Authorized Representative requesting the release;
- (2) the identification of the facility and land requested for release (the “Released Facility”);
- (3) an independent appraisal of the Facility and land that remain subject to the Deed of Trust (the “Retained Facility”);
- (4) evidence that cash, letter of credit or securities have been deposited with the Master Trustee that, together with the appraised value of the Retained Facility, equal at least 50% of the principal amount of all Notes Outstanding hereunder;
- (5) a Supplemental Master Indenture, pursuant to Section 801(n) permitting the substitution of cash, letter of credit or securities for real property in the Trust Estate; and
- (6) evidence that the Company has provided at least thirty (30) days prior to executing such release, written notice to the Holders of the Notes of the proposed release, including the anticipated date thereof and an address for filing any objections thereto, in the manner required for the delivery of notices of optional redemptions under the Related Bond Indenture, and that the Company did not receive written objections to such release from a majority of the Holders of the Notes within the time period specified.

ARTICLE VIII

SUPPLEMENTS

Section 801. Supplemental Master Indentures Without Consent of Holders of Notes. Without the consent of the Holders of any Notes, but with the consent of each Bond Insurer, the Company, when authorized by a Board Resolution, and the Master Trustee at any time may enter into or consent to one or more indentures supplemental hereto, subject to Section 803 hereof, for any of the following purposes:

(a) to cure any ambiguity or to correct or supplement any provision herein or therein which may be inconsistent with any other provision herein or therein, or to make any other

provisions with respect to matters or questions arising under this Master Indenture which shall not be inconsistent with this Master Indenture, provided such action shall not adversely affect the interests of the Holder of any Notes;

(b) to grant to or confer upon the Master Trustee for the benefit of the Holders of the Notes any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Holders of the Notes and the Master Trustee, or either of them, to add to the covenants of the Company for the benefit of the Holders of the Notes or to surrender any right or power conferred hereunder upon the Company;

(c) to assign and pledge under this Master Indenture additional revenues, properties or collateral;

(d) to evidence the succession of another corporation to the agreements of the Master Trustee, or a successor thereof hereunder;

(e) to evidence the succession of another Person to the Company, or successive successions, and the assumption by the successor Person of the covenants, agreements and obligations of the Company as permitted by this Master Indenture;

(f) to modify or supplement this Master Indenture in such manner as may be necessary or appropriate to qualify this Master Indenture under the Trust Indenture Act of 1939 as then amended, or under any similar federal or state statute or regulation, including provisions whereby the Master Trustee accepts such powers, duties, conditions and restrictions hereunder and the Company undertakes such covenants, conditions or restrictions additional to those contained in this Master Indenture as would be necessary or appropriate so to qualify this Master Indenture; provided, however, that nothing herein contained shall be deemed to authorize inclusion in this Master Indenture or in any indenture supplemental hereto, provisions referred to in Section 316(a)(2) of the said Trust Indenture Act or any corresponding provision provided for in any similar statute hereafter in effect;

(g) to provide for the refunding or advance refunding of any Note, in whole or in part as permitted hereunder;

(h) to provide for the issuance of the Notes or any additional series of Notes as permitted hereunder;

(i) to permit a Note to be secured by new security which may or may not be extended to all Note Holders or to establish special funds or accounts under this Master Indenture;

(j) to allow for the issuance of any series of Notes in uncertificated form;

(k) to make any other change which does not materially adversely affect the Holders of any of the Notes and, in the opinion of each Related Bond Trustee, does not materially adversely affect the owners of the Related Bonds with respect to which it acts as trustee, including without limitation any modification, amendment or supplement to this Master Indenture or any indenture supplemental hereto or any amendment thereto in such a manner as to

establish or maintain exemption of interest on any Related Bonds under a Related Bond Indenture from federal income taxation under applicable provisions of the Code;

(l) so long as no Event of Default has occurred and is continuing under this Master Indenture and so long as no event which with notice or the passage of time or both would become an Event of Default under this Master Indenture has occurred and is continuing, to make any other change herein or therein which, in the judgment of an Independent Management Consultant approved by each Bond Insurer, if any, a copy of whose report shall be filed with the Master Trustee:

(1) is in the best interest of the Company;

(2) does not materially adversely affect the Holder of any Note;

(3) provided that, with respect to each applicable series of Related Bonds, an Opinion of Counsel acceptable to the Master Trustee, and on which the Master Trustee may conclusively rely, to the effect that the amendment proposed to be adopted by such Supplemental Master Indenture will not adversely affect the exclusion from gross income for federal income tax purposes of the interest on such Related Bonds otherwise entitled to such exclusion; and

(4) provided that, no such amendment, directly or indirectly, shall (A) change the provisions of this clause (l), (B) make any modification of the type prohibited Section 802 hereof, or (C) make a modification intended to subordinate the right to payment of a Holder of any Note to the right of payment of any Holder of any other Note or any other Debt;

(m) to make any amendment to any provision of this Master Indenture or to any supplemental indenture which is only applicable to Notes issued thereafter or which will not apply so long as any Notes then Outstanding remains Outstanding;

(n) to release the Deed of Trust or, pursuant to Section 703(b) herein, portions of property contained therein from the Master Trust Estate upon receipt and deposit with the Master Trustee sufficient assets, cash, letters of credit or other guarantee and written confirmation from each Rating Service that such change will not result in a withdrawal or reduction in its credit rating assigned to any series of Notes or Related Bonds; provided that the Company shall provide at least thirty (30) days prior to executing such release, written notice to the Holders of the Notes of the proposed release, including the anticipated date thereof and an address for filing any objections thereto, in the manner required for the delivery of notices of optional redemptions under the Related Bond Indenture, and if, prior to executing such release, the Company receives written objections to the release from a majority of the Holders of the Notes, the Company agrees not to proceed with the release and timely provide notice of the cancellation thereof to the Holders in the same manner as the original notice of release was given; and

(o) to modify, eliminate or add to the provisions of this Master Indenture if the Master Trustee shall have received (1) written confirmation from each Rating Service that such change will not result in a withdrawal or reduction of its credit rating assigned to any series of

Notes or Related Bonds, as the case may be, and (2) a Board Resolution to the effect that, in the judgment of the Company, such change is necessary to permit the Company to affiliate or merge with one or more other charter schools on acceptable terms and such change and affirmation are in the best interests of the Holders of the Outstanding Notes.

Section 802. Supplemental Indentures With Consent of Holders of Notes.

(a) With the consent of each Bond Insurer and with the consent of the Holders of not less than a majority in principal amount of the Outstanding Notes affected by such Supplemental Master Indenture, by Act of said Holders delivered to the Company and the Master Trustee, the Company, when authorized by a Board Resolution, and the Master Trustee may enter into or consent to an indenture or indentures supplemental hereto (subject to Section 803 hereof) for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Master Indenture or of modifying in any manner the rights of the Holders of the Notes under this Master Indenture; provided, however, that no such Supplemental Master Indenture shall, without the consent of the requisite percentage of Holders of the Outstanding Notes affected thereby, as required pursuant to the Related Bond Indenture:

(1) change the Stated Maturity of the principal of, or any installment of interest on, any Notes or any date for mandatory redemption thereof, or reduce the principal amount thereof or the interest thereon or any premium payable upon the redemption thereof, or change the coin or currency in which, any Notes or the interest thereon is payable, or impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof (or, in the case of redemption, on or after the redemption date); or

(2) reduce the percentage in principal amount of the Outstanding Notes, the consent of whose Holders is required for any such supplemental indenture, or the consent of whose Holders is required for any waiver (of compliance with certain provisions of this Master Indenture or certain defaults hereunder and their consequences) provided for in this Master Indenture; or

(3) modify any of the provisions of this Section or Section 613, except to increase any such percentage or to provide that certain other provisions of this Master Indenture cannot be modified or waived without the consent of the Holder of each Note affected thereby.

(b) It shall not be necessary for any Act of Holders of Notes under this Section to approve the particular form of any proposed Supplemental Master Indenture, but it shall be sufficient if such Act of Holders of Notes shall approve the substance thereof, as presented in written form to the Holders of the Notes by the Company.

Section 803. Execution of Supplemental Indentures. In executing, or accepting the additional trusts created by, any Supplemental Master Indenture permitted by this Article or the modifications thereby of the trusts created by this Master Indenture, the Master Trustee shall receive, and (subject to Section 701) shall be fully protected in relying upon, an Opinion of Counsel stating that the execution of such Supplemental Master Indenture or consent is

authorized or permitted by this Master Indenture. The Master Trustee may, but shall not (except to the extent required in the case of a Supplemental Master Indenture entered into under Section 801(d)) be obligated to, enter into any such Supplemental Master Indenture or consent which affects the Master Trustee's own rights, duties or immunities under this Master Indenture or otherwise.

Section 804. Effect of Supplemental Master Indentures. Upon the execution of any Supplemental Master Indenture under this Article, this Master Indenture shall, with respect to each series of Notes to which such Supplemental Master Indenture applies, be modified in accordance therewith, and such Supplemental Master Indenture shall form a part of this Master Indenture for all purposes, and every Holder of Notes thereafter or theretofore authenticated and delivered hereunder shall be bound thereby.

Section 805. Notes May Bear Notation of Changes. Notes authenticated and delivered after the execution of any Supplemental Master Indenture pursuant to this Article may bear a notation in form approved by the Master Trustee as to any matter provided for in such Supplemental Master Indenture. If the Company or the Master Trustee shall so determine, new Notes so modified as to conform, in the opinion of the Master Trustee and the Company, to any such Supplemental Master Indenture may be prepared and executed by the Company and authenticated and delivered by the Master Trustee in exchange for Notes then Outstanding.

ARTICLE IX

SATISFACTION AND DISCHARGE OF MASTER INDENTURE

Section 901. Satisfaction and Discharge of Master Indenture.

(a) If at any time the Company shall have paid or caused to be paid the principal of (and premium, if any) and interest and all other amounts due and owing on all the Notes Outstanding hereunder, as and when the same shall have become due and payable, and if the Company shall also pay or provide for the payment of all other sums payable hereunder by the Company and shall have paid all of the Master Trustee's fees and expenses pursuant to Section 707 hereof, then this Master Indenture shall cease to be of further effect (except as to (i) rights of registration of transfer and exchange, (ii) substitution of mutilated, defaced, or apparently destroyed, lost or stolen Notes, (iii) rights of Holders to receive payments of principal thereof (and premium, if any) and interest thereon and remaining obligations of the Company to make mandatory sinking fund payments, (iv) the rights, remaining obligations, if any, and immunities of the Master Trustee hereunder and (v) the rights of the Holders as beneficiaries hereof with respect to the property so deposited with the Master Trustee payable to all or any of them) and the Master Trustee, on the Request accompanied by an Officer's Certificate and an Opinion of Counsel to the effect that the conditions precedent to the satisfaction and discharge of this Master Indenture have been fulfilled and at the cost and expense of the Company, shall execute proper instruments acknowledging satisfaction of and discharging this Master Indenture.

(b) Notwithstanding the satisfaction and discharge of this Master Indenture, the obligations of the Company to the Master Trustee under Section 707 and, if funds shall have

been deposited with the Master Trustee pursuant to Section 902, the obligations of the Master Trustee under Section 903 and Section 403(f) shall survive.

Section 902. Notes Deemed Paid. Unless otherwise provided in the supplemental indenture establishing any such series of Notes, Notes of any series shall be deemed to have been paid if:

(a) in case said Notes are to be redeemed on any date prior to their Stated Maturity, the Company by Request shall have given to the Master Trustee in form satisfactory to it irrevocable instructions to give notice of redemption of such Notes on said redemption date;

(b) there shall have been deposited with the Master Trustee either money sufficient, or Defeasance Obligations the principal of and the interest on which will provide money sufficient without reinvestment (as established by an Officer's Certificate delivered to the Master Trustee accompanied by a report of an Independent Accountant setting forth the calculations upon which such Officer's Certificate is based), to pay when due the principal of (and premium, if any) and interest due and to become due on said Notes on and prior to the Maturity thereof;

(c) in the event said Notes are not by their terms subject to redemption within the next 45 days, the Company by Request shall have given the Master Trustee in form satisfactory to it irrevocable instructions to give a notice to the Holders of such Notes that the deposit required by clause (b) of this Section 902 above has been made with the Master Trustee and that said Notes are deemed to have been paid in accordance with this Section and stating such Maturity date upon which moneys are to be available for the payment of the principal of (and premium, if any) and interest on said Notes.

Section 903. Application of Trust Money. The Defeasance Obligations and money deposited with the Master Trustee pursuant to Section 902 and principal or interest payments on any such Defeasance Obligations shall be held in trust, shall not be sold or reinvested, and shall be applied by it, in accordance with the provisions of the Notes and this Master Indenture, to the payment, either directly or through any Paying Agent as the Master Trustee may determine, to the Persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money or Defeasance Obligations were deposited; provided that, upon delivery to the Master Trustee of an Officer's Certificate (accompanied by the report of an Independent Accountant setting forth the calculations upon which such Officer's Certificate is based) establishing that the money and Defeasance Obligations on deposit following the taking of the proposed action will be sufficient for the purposes described in subsection (b) of Section 902, any money received from principal or interest payments on Defeasance Obligations deposited with the Master Trustee or the proceeds of any sale of such Defeasance Obligations, if not then needed for such purpose, shall, upon Request be reinvested in other Defeasance Obligations or disposed of as requested by the Company. For purposes of any calculation required by this Article, any Defeasance Obligation which is subject to redemption at the option of its issuer, the redemption date for which has not been irrevocably established as of the date of such calculation, shall be assumed to cease to bear interest at the earliest date on which such obligation may be redeemed at the option of the issuer thereof and the principal of such obligation shall be assumed to be received at its Stated Maturity.

This Master Indenture may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument.

IN WITNESS WHEREOF, the Company and the Master Trustee have caused this Master Indenture to be signed on their behalf by their duly authorized representatives as of the date first written above.

4. Defeasance of Note. This Note is subject to defeasance as provided in the Master Indenture.

Upon such transfer a new registered Note or Notes without coupons of the same series and maturity and of authorized denomination or denominations for the same aggregate principal amount will be issued to the transferee in exchange therefor. The Master Trustee may deem and treat the registered Holder hereof as the absolute Holder hereof for the purpose of receiving payment of or on account of principal hereof and premium, if any, hereon and interest due hereon and for all other purposes and the Master Trustee shall not be affected by any notice to the contrary.

7. Certain Rights of Holders. If an Event of Default, as defined in the Master Indenture, shall occur, the principal of this Note and any additional notes may be declared due and payable in the manner and with the effect provided in the Master Indenture. To the extent permitted by law, the indebtedness of the Company under the Loan Agreement and this Note may be separately and independently accelerated with or without an acceleration of the Series 2010 Bonds.

The Master Indenture permits, with certain exceptions as therein provided, the amendment of the Master Indenture and the modification of the rights and obligations of the Company and the rights of the Holders of the Notes under the Master Indenture at any time with the consent of the Holders of not less than a majority in principal amount of the Notes at the time Outstanding, as defined in the Master Indenture. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the transfer hereof or in exchange therefor or in lieu hereof whether or not notation of such consent or waiver is made upon this Note.

No reference herein to the Master Indenture and no provision of this Note or of the Master Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of this Note at the times, place, and rate, and in the coin or currency, herein prescribed from the sources herein described.

If the applicable law is ever judicially interpreted so as to render usurious any amount contracted for, charged, reserved, received or taken in connection with the loan, or if the exercise of the option contained in the Master Indenture or otherwise to accelerate the maturity of the loan or if any prepayment of the loan by the Company results in there having been paid or received any interest in excess of that permitted by applicable law, then notwithstanding anything to the contrary contained in the Master Indenture, the Master Indenture provides that all excess amounts theretofore paid or received shall be credited on the principal balance of the loan (or, if the loan has been or would thereby be paid in full, refunded), and the provisions of the Master Indenture shall immediately be deemed reformed and the amounts thereafter collectible thereunder reduced, without the necessity of the execution of any new document, so as to comply with the applicable law, but so as to permit the recovery of the fullest amount otherwise called for thereunder.

9. No Recourse. No recourse shall be had for the payment of the principal of or premium or interest on this Note or for any claim based thereon or upon any obligation, covenant or agreement in the Master Indenture contained, against any past, present or future officer, trustee, director, member, employee or agent of the Company, or any incorporator, officer, director, member, employee or agent of any successor corporation, as such, either directly or through any successor corporation, under any rule of law or equity, statute or constitution or by the enforcement of any assessment or penalty or otherwise and all such liability of any such incorporators, officers, directors, members, employees or agents, as such, is hereby expressly waived and released as a condition of and consideration for the execution of the Master Indenture and the issuance of this Note.

10. Authentication of Note. This Note shall not be entitled to any benefit under the Master Indenture, or be valid or become obligatory for any purpose, until this Note shall have been authenticated by execution by the Master Trustee of the Certificate of Authentication inscribed hereon.

11. Waiver of Presentment or Notice. The Company hereby waives presentment for payment, demand, protest, notice of protest, notice of dishonor and all defenses on the grounds of extension of time of payment for the payment hereof which may be given (other than in writing) by the Master Trustee to the Company.

IT IS CERTIFIED that all conditions, acts and things required to exist, happen and be performed under the Master Indenture precedent to and in the issuance of this Note, exist, have happened and have been performed, and that the issuance, authentication and delivery of this Note have been duly authorized by resolutions of the Company.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by any Bondholder shall bind every holder of any Bond issued upon the transfer thereof or in exchange therefor or in lieu thereof, in respect of anything done or suffered to be done by the Trustee or the Issuer in reliance thereon, whether or not notation of such action is made upon such Bond.

Section 105. Notice Addresses. Any request, demand, authorization, direction, notice, consent, waiver or act of Bondholders or other document provided or permitted by this Indenture to be made upon, given or furnished to, or filed with,

(1) the Trustee by any Bondholder or by any specified Person shall be sufficient for every purpose hereunder if made, given, furnished or filed in writing to or with and actually received by a Responsible Officer of the Trustee at its Corporate Trust Office located at 2001 Bryan Street, 11th Floor, Dallas, Texas 75201, Attention: Corporate Trust Department, or at any other address subsequently furnished in writing to the Bondholders and the other parties to the Bond Documents by the Trustee;

(3) the Company by any Bondholder or by any specified Person shall be sufficient for every purpose hereunder if in writing and mailed, first-class postage prepaid, to the Company addressed to it at Nova Academy, 8301 Bruton Road, Dallas, Texas 75217, Attention: Chief Executive Officer, or at any other address subsequently furnished in writing to the Trustee and the Issuer by the Company;

Section 106. Notices to Bondholders; Waiver. Where this Indenture provides for notice to Bondholders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and mailed, first-class postage prepaid, to each Bondholder affected by such event, at his address as it appears on the Bond Register, not later than the latest date, and not earlier than the earliest date, prescribed for the first giving of such notice. In any case where notice to Bondholders is given by mail, neither the failure to mail such notice, nor any default in any notice so mailed to any particular Bondholder shall affect the sufficiency of such notice with respect to other Bondholders. Where this Indenture provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders of Bonds shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Section 107. Successors and Assigns. All covenants and agreements in this Indenture by the Issuer and the Trustee shall bind their respective successors and assigns, whether so expressed or not.

Section 108. Severability Clause. In case any provision in this Indenture or in the Bonds or any application thereof shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions and applications shall not in any way be affected or impaired thereby.

Section 109. Benefits of Indenture. Nothing in this Indenture or in the Bonds, express or implied, shall give to any Person, other than the parties hereto, their successors hereunder, any separate trustee or co-trustee appointed hereunder, the Company and the Holders of Bonds, any benefit or any legal or equitable right, remedy or claim under this Indenture.

Section 110. Governing Law. This Indenture shall be governed, in all respects including validity, interpretation and effect by, and shall be enforceable in accordance with, the laws of the State.

Section 111. Directors, Officers, Employees, and Agents Exempt from Personal Liability. No recourse under or upon any obligation, covenant, or agreement contained in this Indenture, or in any Bond, or for any claim based thereon or otherwise in respect thereof, shall be had against any incorporator, or against any past, present, or future director, officer, or employee, as such, of the Issuer or the Trustee, or of any successor corporation, either directly or through the Issuer or the Trustee, whether by virtue of any constitution or statute or rule of law, or by the enforcement of any assessment, judgment, or penalty, or otherwise; it being expressly understood that this Indenture and the Bonds are solely corporate obligations, and that no such personal liability whatever shall attach to, or is or shall be incurred by, the incorporators, directors, officers, or employees, as such, of the Issuer, the Trustee, or any other successor corporation, or any of them, because of the creation of indebtedness hereby authorized, or under or by reason of the obligations, covenants, or agreements contained in this Indenture or the Bonds or implied therefrom, and that any and all such personal liability either at common law or

equity or by constitution or statute, of, and any and all such rights and claims against, every such incorporator, director, officer, or employee, as such, are hereby expressly waived and released as a condition of, and in consideration for, the execution of this Indenture and the issuance of the Bonds.

The Bonds may be typewritten, printed, lithographed, engraved or produced in similar manner. If any Bond is printed, any portion of the text of the Bond may be printed on the back of the Bond with an appropriate reference placed on the front of the Bond.

Payment of principal, premium, if any, and interest on the Bonds shall be paid by check mailed to the registered Owner thereof at his or her address as it appears on the Bond Registration Books on the Record Date. Upon written request of a registered Owner of at least \$1,000,000 in principal amount of Bonds or all of any series of the Bonds, all payments of principal, premium, if any, and interest on the Bonds shall be paid by wire transfer (at the risk and expense of such registered Owner) in immediately available funds to an account in the United States designated by such registered Owner upon written notice before a Regular Record Date to the Trustee. CUSIP number identification with appropriate dollar amounts for each CUSIP number must accompany all payments of principal, premium, if any, and interest, whether by check or by wire transfer.

Section 203. Execution, Authentication and Delivery. The Bonds shall be executed on behalf of the Issuer by its President or one of its Vice Presidents and attested to by its Secretary or one of its Assistant Secretaries. The signature of any of these officers on the Bonds may be manual or facsimile.

Bonds bearing the manual or facsimile signatures of individuals who were at any time the proper officers of the Issuer shall bind the Issuer, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Bonds or did not hold such offices at the date of such Bonds.

The initial Bonds issued hereunder shall be registered by the Comptroller of Public Accounts of the State of Texas or by one of the Comptroller's deputies.

At any time and from time to time after the execution and delivery of this Indenture, the Issuer may deliver Bonds executed by the Issuer to the Authenticating Agent; the Authenticating Agent shall authenticate such Bonds; and the Bond Registrar shall register and deliver such Bonds as in this Indenture provided and not otherwise.

Prior to the initial delivery by the Trustee (in its capacity as Bond Registrar) of the Bonds, there shall be delivered to the Trustee:

(a) a Board Resolution of the Issuer authorizing the issuance, execution and delivery of the Bonds;

(b) an Issuer Order (i) to register the Bonds with the Stated Maturity, principal amount and other terms provided in the Order, and (ii) to authenticate and deliver the Bonds to the original purchasers upon payment to the Trustee for deposit or payment in accordance with the provisions of this Indenture of the sum specified in such Order;

(c) the Series 2010 Master Note of the Company, duly executed by the Company on behalf of itself and duly authenticated by the Master Trustee, payable to the Trustee or properly endorsed or assigned to the Trustee;

(d) executed counterparts of each of the documents specifically set forth in the definition of Bond Documents;

(e) an Opinion of Counsel to each party to a Bond Document to the effect that each such Bond Document has been duly authorized, executed and delivered by that party and that the Bond Document as amended or supplemented constitutes a legal, valid, binding and enforceable obligation of that party subject to customary exceptions;

(f) Reserved;

(g) an Officer's Certificate of the Company (i) approving the issuance and delivery of the Bonds, and (ii) certifying that there then exists no event of default under the Bond Documents or any outstanding documents by which the Company is bound;

(h) an opinion of Bond Counsel with respect to the Bonds to the effect that (i) this Indenture has been duly authorized, executed and delivered by the Issuer and constitutes a valid and binding obligation of the Issuer enforceable in accordance with its terms, and that all conditions precedent provided in this Indenture relating to the authentication and delivery of the Bonds have occurred, (ii) the Bonds have been duly authorized, executed, issued and delivered by the Issuer, are the legal and valid limited obligations of the Issuer, and are entitled to the benefits and security of this Indenture, (iii) the Bonds and the offering or sale of the Bonds are not required to be registered under the Securities Act of 1933, as amended, and the Indenture is exempt from qualification as an indenture pursuant to the Trust Indenture Act of 1939, and (iv) interest on the Series 2010 Bonds is excludable from gross income of the holders of the Series 2010 Bonds for federal income tax purposes; and

(i) the initial Bonds, together with the approval of the Bonds by the Attorney General of Texas as evidenced by his approving opinion thereon and initial registration of the Bonds by the Comptroller of Public Accounts of the State of Texas.

Section 204. Registration, Transfer and Exchange. The Issuer shall cause to be kept at a corporate trust office or the principal payment office of the Bond Registrar or Bond Registrars for the Bonds, a register or registers (sometimes herein referred to as the "Bond Register") in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of Bonds and of transfers of Bonds. The Trustee is hereby appointed as Bond Registrar for the purpose of registering Bonds and transfers of Bonds as herein provided, and it shall keep the Bond Register with respect to the Bonds, at its principal payment office in Dallas, Texas.

Upon surrender for transfer of any Bond at the office or agency of the Trustee in a Place of Payment, the Issuer shall execute, the Authenticating Agent shall authenticate, and the Bond Registrar shall register and deliver, in the name of the designated transferee, one or more new Bonds of any Authorized Denomination, of a like aggregate principal amount, maturity and interest rate.

At the option of the Holder, Bonds may be exchanged for Bonds of any Authorized Denomination, of a like aggregate principal amount, series, Stated Maturity and interest rate, upon the surrender of the Bonds to be exchanged at such office or agency. Whenever any Bonds are so surrendered for exchange, the Issuer shall execute, and the Bond Registrar shall authenticate and deliver, the Bonds that the Bondholder making the exchange is entitled to receive.

All Bonds issued upon any transfer or exchange of Bonds shall be the valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Bonds surrendered upon such transfer or exchange.

Every Bond presented or surrendered for transfer or exchange shall (if so required by the Issuer or the Bond Registrar) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Issuer and the Bond Registrar duly executed by the Holder thereof or his attorney duly authorized in writing.

No service charge shall be made for any transfer or exchange of Bonds, but the Issuer and the Bond Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds, other than exchanges expressly provided in this Indenture to be made without expense or without charge to Holders.

The Issuer and the Bond Registrar shall not be required (1) to issue, transfer or exchange any Bonds during a period beginning at the opening of business 15 days before the day of mailing of a notice of redemption of Bonds selected for redemption under Section 303 and ending at the close of business on the day of such mailing or (2) to transfer or exchange any Bond selected for redemption in whole or in part.

Section 205. Mutilated, Destroyed, Lost and Stolen Bonds. If (a) any mutilated Bond is surrendered to the Bond Registrar, or the Bond Registrar receives evidence to its satisfaction of the destruction, loss or theft of any Bond, and (b) there is delivered to the Bond Registrar such security or indemnity as may be required by it to save each of the Issuer and the Bond Registrar harmless, then, in the absence of notice to the Issuer or the Bond Registrar that such Bond has been acquired by a bona fide purchaser, the Issuer shall execute and upon its request the Bond Registrar shall authenticate and deliver in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Bond, a new Bond of like tenor, series, interest rate and principal amount, bearing a number not contemporaneously outstanding.

In case any such mutilated, destroyed, lost or stolen Bond has become or is about to become due and payable, the Issuer in its discretion may (and upon Company Order shall), instead of issuing a new Bond, pay such Bond.

Upon the issuance of any new Bond under this Section, the Issuer and the Bond Registrar may require the payment by the Holder of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Bond Registrar) connected therewith.

Every new Bond issued pursuant to this Section in lieu of any destroyed, lost or stolen Bond shall constitute an original additional contractual obligation of the Issuer, whether or not the destroyed, lost or stolen Bond shall be at any time enforceable by anyone, and shall be entitled to all the benefits and security of this Indenture equally and proportionately with any and all other Bonds duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Bonds.

Section 206. Payment of Interest on Bonds; Interest Rights Preserved. Interest on any Bond that is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name that Bond is registered at the close of business on the Regular Record Date for such interest.

Any interest on any Bond that is payable, but is not punctually paid or duly provided for, on any Interest Payment Date (herein called "Defaulted Interest") shall forthwith cease to be payable to the Holder thereof on the relevant Regular Record Date by virtue of having been such Holder; and such Defaulted Interest shall be paid by the Issuer (but only from the sources provided herein), to the Persons in whose names the Bonds are registered at the close of business on a special record date ("Special Record Date") for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Trustee, as agent of the Issuer, shall determine the amount of Defaulted Interest proposed to be paid on each Bond and the date of the proposed payment, and at the same time the Issuer shall deposit (but only from the sources provided herein) with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of Persons entitled to such Defaulted Interest. Thereupon the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 nor less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Issuer and the Company of such Special Record Date and, in the name and at the expense of the Company, shall cause notice of the date and amount of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first class postage prepaid, to each Bondholder at his address as it appears in the Bond Register, not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been mailed as aforesaid, such Defaulted Interest shall be paid to the Persons in whose names the Bonds are registered on such Special Record Date.

Subject to the foregoing provisions of this Section, each Bond delivered under this Indenture upon transfer of or in exchange for or in lieu of any other Bond shall carry the rights to interest accrued and unpaid, and to accrue, that were carried by such other Bonds.

Section 207. Persons Deemed Owners. The Issuer, the Trustee, the Authenticating Agent, the Bond Registrar, and any of their respective agents may treat the Person in whose name any Bond is registered as the owner of such Bond for the purpose of receiving payment of principal of (and premium, if any), and (subject to Section 206) interest on, such Bond and for all other purposes whatsoever whether or not such Bond be overdue, and except as otherwise provided in this Indenture, neither the Issuer, the Trustee, nor any agent of the Issuer or the Trustee shall be affected by notice to the contrary.

Section 208. Cancellation. All Bonds surrendered for payment, redemption, transfer or exchange shall, if delivered to any Person other than the Bond Registrar be delivered to the Bond Registrar and, if not already canceled, shall be promptly canceled by it. The Issuer or the Company may at any time deliver to the Bond Registrar for cancellation any Bonds previously authenticated and delivered hereunder that the Issuer or the Company may have acquired in any lawful manner whatsoever, and all Bonds so delivered shall be promptly canceled by the Bond Registrar. No Bonds shall be authenticated in lieu of or in exchange for any Bonds canceled as provided in this Section, except as expressly permitted by this Indenture. All canceled Bonds held by the Bond Registrar shall be maintained or disposed of according to the retention policies of the Bond Registrar in effect from time to time.

Section 209. Limited Liability of Issuer. NEITHER THE STATE, NOR A STATE AGENCY, ANY POLITICAL CORPORATION, SUBDIVISION, OR AGENCY OF THE STATE, SHALL BE OBLIGATED TO PAY THE BONDS OR THE INTEREST THEREON AND NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE STATE, OR ANY STATE AGENCY, POLITICAL CORPORATION OR POLITICAL SUBDIVISION OF THE STATE, INCLUDING THE STATE, IS PLEDGED TO THE PAYMENT OF THE PRINCIPAL OF, PREMIUM, IF ANY, OR INTEREST ON THE BONDS.

Section 210. Temporary Initial Bonds. Pending the preparation of definitive Bonds, the Issuer may execute, and upon Issuer Order the Bond Registrar shall deliver, temporary Bonds that are printed, lithographed, typewritten, mimeographed or otherwise produced, in any denomination, substantially of the tenor of the definitive Bonds in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the officers executing such Bonds may determine, as evidenced by their execution of such Bonds.

If temporary Bonds are issued, the Issuer will cause definitive Bonds to be prepared without unreasonable delay. After the preparation of definitive Bonds, the temporary Bonds shall be exchangeable for definitive Bonds upon surrender of the temporary Bonds at the office of the Trustee in a Place of Payment, without charge to the Holder. Upon surrender for cancellation of any one or more temporary Bonds the Issuer shall execute and the Bond Registrar shall authenticate and deliver in exchange therefor a like principal amount of definitive Bonds of Authorized Denominations. Until so exchanged, temporary Bonds that have attached to them an executed registration certificate of the Comptroller of Public Accounts of the State of Texas in

the form set forth in Exhibit A-1 shall in all respects be entitled to the same benefits under this Indenture as definitive Bonds.

Section 211. Book-Entry System.

(a) The Bonds may and initially shall be registered under a Book-Entry System maintained by a Depository. Notwithstanding any inconsistent provisions in this Indenture to the contrary, the provisions of this Section 211 shall govern at any time the Bonds are issued and Outstanding in Book-Entry Form.

(b) Under the Book-Entry System, the Bonds shall be issued in the form of a separate, single, fully registered and immobilized bond certificate representing the aggregate principal amount of the Bonds. Except as provided herein, the ownership of such Bonds shall be registered in the Bond Register in the name of Cede & Co., as nominee of The Depository Trust Company, which will serve as initial Depository for the Bonds. Ownership of beneficial interests in the Bonds shall be shown by book-entry on the system maintained and operated by the Depository and its participants and indirect participants (such participants and indirect participants being collectively referred to as the “Participants”), and transfers of ownership of beneficial interests shall be made only by the Depository and its Participants by book-entry, and the Issuer, the Company and the Trustee shall have no responsibility therefor. The Depository will be required to maintain records of the positions of Participants in the Bonds, and the Participants and persons acting through Participants will be required to maintain records of the purchasers of beneficial interests in the Bonds (the “Beneficial Owners”). Except as provided in subsection (e) of this Section 211, the Bonds shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository.

(c) With respect to Bonds registered in the Bond Register in the name of the Depository or its nominee, the Issuer, the Company and the Trustee shall have no responsibility or obligation to any Participant or to any Beneficial Owner for whom a Participant acquires an interest in the Bonds. NEITHER THE ISSUER, THE COMPANY, NOR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO THE PARTICIPANTS OR THE BENEFICIAL OWNERS OF THE BONDS WITH RESPECT TO (i) THE ACCURACY OF ANY RECORDS MAINTAINED BY THE DEPOSITORY OR ANY PARTICIPANT; (ii) THE PAYMENT BY THE DEPOSITORY OR ANY PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL AMOUNT OF, OR INTEREST, AND PREMIUM, IF ANY, ON OR REDEMPTION PRICE OF THE BONDS; (iii) THE DELIVERY BY THE DEPOSITORY OR ANY PARTICIPANT OF ANY NOTICE TO ANY BENEFICIAL OWNER THAT IS REQUIRED OR PERMITTED TO BE GIVEN TO HOLDERS UNDER THE TERMS OF THIS INDENTURE; (iv) THE SELECTION OF THE BENEFICIAL OWNERS TO RECEIVE PAYMENT IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE BONDS; OR (v) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY THE DEPOSITORY AS OWNER OF THE BONDS. NEITHER THE ISSUER, THE COMPANY NOR THE TRUSTEE HAS ANY DIRECT OBLIGATION OR RESPONSIBILITY TO PARTICIPANTS OR BENEFICIAL OWNERS.

(d) So long as the Bonds or any portions thereof are registered in the name of a Depository or any nominee thereof, all payments of principal of (premium, if any) or interest on

the Bonds or redemption price of such Bonds shall be made only to or upon the order of such Depository on the dates and at the times provided for such payment under this Indenture and at the address indicated for such Depository in the Bond Register kept by the Bond Registrar by transfer of immediately available funds; provided that the Trustee has received sufficient funds from the sources described in the Indenture and the Agreement to make such payment. Each such payment to the Depository or its nominee shall be valid and effective to fully satisfy and discharge all liability of the Issuer or the Trustee with respect to the principal of (premium, if any) or interest on the Bonds and redemption price with respect to the Bonds so registered to the extent of the sum or sums so paid. In the event of the redemption of less than all of the Bonds Outstanding of any Stated Maturity, the Trustee shall not require surrender by the Depository or its nominee of the Bonds so purchased or redeemed, and the Depository may retain such Bonds. In the event of partial redemption of the Bonds, the Depository shall make an appropriate notation on the Bonds as to the amount of such partial redemption; provided that the Depository shall deliver to the Trustee, upon request, a written confirmation of such partial redemption and thereafter the records maintained by the Trustee shall be conclusive as to the amount of the Bonds of such Stated Maturity which have been redeemed. The Issuer, the Company and the Trustee shall not be liable for the failure of the Depository to properly indicate on the Bonds the payment of such principal or redemption price.

(e) All transfers of beneficial ownership interests in the Bonds when issued in Book-Entry Form shall be effected by procedures promulgated by the Depository with its Participants for recording and transferring the ownership of beneficial interest in each of such Bonds.

(f) The Issuer, the Company, the Bond Registrar, and the Trustee and any of their respective agents may treat the Depository (or its nominee) as the sole and exclusive Bondholder of the Bonds registered in its name for the purposes of payment of the principal of (premium, if any) or interest on the Bonds or redemption price with respect to the Bonds, selecting the Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to Bondholders under this Indenture, registering the transfer of Bonds, obtaining any consent or other action to be taken by Bondholders and for all other purposes whatsoever; and the Issuer, the Company and the Trustee shall not be affected by any notice to the contrary.

(g) So long as the Bonds are registered in the name of the Depository or any nominee thereof, all notices required or permitted to be given to the Holders of such Bonds under this Indenture shall be given to the Depository. In connection with any notice or other communication to be provided to Holders pursuant to this Indenture by the Issuer, the Company or the Trustee with respect to any consent or other action to be taken by Holders, the Depository shall consider the date of receipt of notice requesting such consent or other action as the record date for such consent or other action, provided that the Issuer or the Trustee may establish a special record date for such consent or other action. The Issuer or the Trustee shall give the Depository notice of such special record date not less than 15 calendar days in advance of such special record date to the extent possible.

(h) Any successor Trustee, in its written acceptance of its duties under this Indenture, shall agree to take any actions necessary from time to time to comply with the requirements of such Depository.

(i) The Depository may determine to discontinue providing its services with respect to the Bonds at any time by giving reasonable written notice to the Trustee and the Issuer and discharging its responsibilities with respect thereto under applicable law. Under such circumstance (if there is not a successor Depository), Bond certificates will be delivered as described elsewhere in Article II of this Indenture. Upon receipt of such notice from the Depository, the Trustee shall provide a copy of the notice to the Company. The Company, in its sole discretion, and without the consent of any other Person, may terminate the services of the Depository with respect to the Bonds if the Company determines that: (i) the Depository is unable to discharge its responsibilities with respect to the Bonds; or (ii) a continuation of the requirement that all of the Bonds be registered in the Bond Register in the name of the nominee of the Depository is not in the best interest of the Beneficial Owners. In the event that no substitute Depository is found by the Company or restricted registration is no longer in effect, Bond certificates will be delivered as described in Article II of this Indenture. Upon the termination of the services of the Depository with respect to the Bonds pursuant to this Section 211(i), after which no successor Depository willing to undertake the functions of the Depository hereunder can be found that, in the opinion of the Company, is willing and able to undertake such functions upon reasonable and customary terms, the Bonds shall no longer be restricted to being registered in the Bond Register in the name of the nominee of the Depository, but may be registered in the name or names and in such maturities and principal amounts as the Depository shall designate in writing to the Bond Registrar in accordance with the provisions elsewhere in Article II of this Indenture, but without any liability on the part of the Issuer or the Bond Registrar for the accuracy of such designation. Upon the termination of the services of the Depository with respect to the Bonds for any reason and the appointment of a successor Depository, all references in this Indenture to the Depository shall refer to such successor Depository. Whenever the Depository requests the Issuer, the Company and the Trustee to do so, the Issuer, the Company and the Trustee shall cooperate with the Depository in taking appropriate action after reasonable notice to arrange for another Depository to maintain custody of certificates evidencing the Bonds.

(j) So long as any Bonds are registered in the name of the nominee of the Depository, a legend prescribed by the Depository to that effect may be printed on such Bond certificate.

ARTICLE III

REDEMPTION OF BONDS

Section 301. Redemption. The Bonds shall be subject to redemption and purchase in lieu of redemption as set forth in the Form of Bond in Exhibit A-1 hereto.

Section 302. Election to Redeem; Notice to Trustee. Upon the occurrence of an event which triggers an extraordinary mandatory redemption, as described in the form of Bonds attached hereto, the election of the Company to redeem any Bonds shall be evidenced by a Board Resolution delivered to the Issuer. In case of any redemption at the election of the Company, the Company shall, at least 60 days prior to the redemption date fixed by the Company (unless a shorter notice shall be satisfactory to the Trustee), notify the Trustee in writing of such redemption date and of the principal amount of Bonds of each Stated Maturity to be redeemed.

Section 303. Selection by Trustee of Bonds to be Redeemed. If less than all of the Bonds of a particular Stated Maturity are called for redemption, the particular Bonds or portions thereof to be redeemed shall be redeemed by the Trustee in accordance with the written direction of the Company; provided, however, that portions of Bonds shall be redeemed in Authorized Denominations and that no redemption shall result in a Bond being held in less than an Authorized Denomination.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Bonds shall relate, in the case of any Bond redeemed or to be redeemed only in part, to the portion of the principal of such Bond that has been or is to be redeemed.

Section 304. Notice of Redemption. (a) Not less than 30 days prior to any redemption date, but not more than 60 days prior to any redemption date, the Trustee shall cause notice of the call for any redemption identifying the Bonds or portions thereof to be redeemed to be given in the name of the Issuer by first class mail, postage prepaid, to the Holders of each Bond to be redeemed at the address shown on the Bond Register on the date such notices are mailed. Any notice mailed as provided in this Section shall be conclusively presumed to have been duly given, irrespective of whether received.

Each notice of redemption shall state at a minimum, the complete official name of the issue, including series designation, CUSIP number, amounts called of each Stated Maturity (for partial calls), date of the notice, the date of issue, interest rate, maturity date of the Bonds called for redemption, the redemption date, the redemption price, the place or places of redemption, and appropriate address or addresses and telephone number. Unless moneys sufficient to pay the principal of and premium, if any, and interest on the Bonds to be redeemed shall have been received by the Trustee prior to the giving of such notice of redemption, such notice shall state that said redemption shall be conditional upon the receipt of such moneys by the Trustee on or prior to the date fixed for such redemption. If sufficient moneys are not received, such notice shall be of no force and effect, the Issuer shall not redeem such Bonds and the Trustee shall give notice, in the manner in which the notice of redemption was given, to the effect that the Bonds have not been redeemed.

(b) If any of the Bonds are redeemed pursuant to an advance refunding, notice of such advance refunding and redemption shall be given in the same manner as above provided, and within the same time period with respect to the actual redemption date.

Section 305. Deposit of Redemption Price. Subject to any condition to such redemption, on or prior to any redemption date, the Company shall deposit with the Trustee or with a Paying Agent an amount of money sufficient to pay the redemption price, premium, if any, and interest accrued thereon to the date fixed for redemption of all the Bonds which are to be redeemed on such date.

Section 306. Bonds Payable on Redemption Date. Notice of redemption having been given as aforesaid, and the deposit described in Section 305 having been made, and all conditions to such redemption having been fulfilled, the Bonds so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified and from and

after such date such Bonds shall cease to bear interest. If, however, funds available to pay the redemption price have not been so deposited on the redemption date, the redemption will be cancelled. Upon surrender of any such Bond for redemption in accordance with said notice, such Bond shall be paid by the Issuer at the redemption price. Installments of interest whose Stated Maturity is on or prior to the redemption date shall be payable to the Holders of such Bonds registered as such on the relevant Record Dates according to their terms.

If any Bond called for redemption shall not be so paid upon surrender thereof for redemption, the principal shall, until paid, bear interest from the redemption date at the rate borne by the Bond.

Section 307. Bonds Redeemed in Part. Any Bond which is to be redeemed only in part shall be surrendered at a Place of Payment (with, if the Issuer or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Issuer and the Trustee duly executed by, the Holder thereof or his attorney duly authorized in writing) and the Issuer shall execute and the Trustee shall authenticate and deliver to the Holder of such Bond without service charge, a new Bond or Bonds of the same interest rate and Stated Maturity and of any Authorized Denomination as requested by such Holder in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Bond so surrendered.

ARTICLE IV

FUNDS AND INVESTMENTS

Section 401. Establishment of Funds; Source of Payment of the Bonds. (a) The Issuer hereby establishes with the Trustee the Proceeds Fund, the Debt Service Fund, the Debt Service Reserve Fund, the Construction Fund and the Rebate Fund (collectively, the "Funds"). The Issuer reserves the right to establish additional trust funds or accounts from time to time.

(b) The Bonds and all payments by the Issuer hereunder are not and shall never become general obligations of the Issuer, but are special and limited obligations payable solely from the Loan Payments and other payments made by the Company under the Agreement. Loan Payments made pursuant to the Agreement by the Company are to be made directly to the Trustee for the account of the Issuer and shall be deposited pursuant to the provisions of Section 4.1 of the Agreement. No covenant or agreement contained in the Bonds or in this Indenture shall be deemed to be the covenant or agreement of any officer, director, agent, or employee of the Issuer in his or her individual capacity and neither the members of the Board of Directors of the Issuer nor any official executing or authenticating the Bonds shall be liable personally on the Bonds or be subject to any personal liability or accountability, by reason of the issuance or authentication thereof.

Section 402. Proceeds Fund. There is hereby created by the Issuer and established with the Trustee the special fund of the Issuer designated its "Nova Academy Education Revenue Bonds Series 2010 Proceeds Fund" (herein referred to as the "Proceeds Fund"). The proceeds of the sale of the Bonds shall be deposited into the Proceeds Fund and immediately transferred by Trustee to the Debt Service Fund, the Debt Service Reserve Fund and the Construction Fund (all

established under this Indenture), all as specified in the Issuer Order to authenticate and deliver the Bonds.

Section 403. Debt Service Fund.

(a) There is hereby created by the Issuer and established with the Trustee the special fund of the Issuer designated its “Nova Academy Education Revenue Bonds Series 2010 Debt Service Fund” (herein referred to as the “Debt Service Fund”).” The money deposited to the Debt Service Fund, together with all investments thereof and investment income therefrom, shall be held in trust and applied solely as provided in this Section and Section 706. The Trustee shall create a Capitalized Interest Account within the Debt Service Fund. On the date of issuance of the Bonds, the Trustee shall deposit into the Capitalized Interest Account the amount set forth on the Issuer Order to authenticate and deliver the Bonds for the purpose of paying a portion of the interest coming due on the Bonds on the first Interest Payment Date.

(b) The Trustee shall deposit to the credit of the corresponding account of the Debt Service Fund immediately upon receipt (1) amounts due and payable by the Company pursuant to Section 4.1 of the Agreement and the terms of the Note; (2) the amounts described in Section 404(b); and (3) any other amounts delivered to the Trustee specifically for deposit thereto.

(c) On each Interest Payment Date, the Trustee shall withdraw money first from the Capitalized Interest Account then from the Series 2010 Debt Service Fund in an amount sufficient to pay the Bondholders principal and interest on the Bonds.

Section 404. Debt Service Reserve Fund.

(a) There is hereby created by the Issuer and established with the Trustee the special fund of the Issuer designated its “Nova Academy Education Revenue Bonds Series 2010 Debt Service Reserve Fund” (the “Debt Service Reserve Fund”). There shall initially be deposited in the Debt Service Reserve Fund from the proceeds of the Series 2010 Bonds an amount sufficient to cause the amount on deposit therein to equal the Reserve Fund Requirement, as specified in the Issuer Order to authenticate and deliver the Series 2010 Bonds. To the extent that additional amounts are required to be deposited in the Debt Service Reserve Fund, such moneys shall come from sources other than the proceeds of the Bonds as provided herein and in the Agreement. Except as otherwise provided herein, the Debt Service Reserve Fund at all times shall be maintained at an amount equal to the Reserve Fund Requirement.

(b) If there are insufficient funds in the Debt Service Fund to pay the Debt Service on the Series 2010 Bonds by 12:00 noon (Central Time) four Business Days prior to any Interest Payment Date, the Trustee shall transfer from the Debt Service Reserve Fund to the Debt Service Fund amounts necessary to make such payments from the Debt Service Fund on any Interest Payment Date.

(c) If the amount in the Debt Service Reserve Fund is less than the Reserve Fund Requirement because the Trustee has applied funds in the Debt Service Reserve Fund in accordance with (b) above, the Trustee shall promptly notify the Company in writing that a

deficiency in the Debt Service Reserve Fund exists, and the Company shall, as provided in Section 4.6 of the Agreement, (1) within 30 days of receipt of such notice pay to the Trustee the full amount needed to restore the amount in the Debt Service Reserve Fund to the Reserve Fund Requirement or (2) in twelve (12) consecutive equal monthly installments, the first of which shall be made within thirty (30) days from the date of the withdrawal, pay such deficiency to the Trustee for deposit into the Debt Service Reserve Fund to restore the amount in the Debt Service Reserve Fund to equal the Reserve Fund Requirement; provided that if any additional decline occurs prior to the restoration of any decline, such additional decline shall be restored in equal monthly installments over the remainder of the restoration period for the initial decline. Notwithstanding the foregoing, moneys in the Debt Service Reserve Fund may be applied to pay the final Debt Service payment on the Series 2010 Bonds at maturity.

The Trustee shall determine the Value of the Eligible Securities on deposit in the Debt Service Reserve Fund as of each August 14 and February 14 (or the succeeding Business Day if such day is not a Business Day), commencing August 14, 2010; provided that, if there is a deficiency in the Debt Service Reserve Fund, the Trustee shall determine such Value on a monthly basis until such deficiency is cured. The weighted average maturity of the Eligible Securities on deposit in the Debt Service Reserve Fund shall at no time exceed ten (10) years. If the Value of such Eligible Securities plus any moneys in the Debt Service Reserve Fund falls below the Reserve Fund Requirement, the Trustee shall immediately notify the Company, and the Company, as provided in Section 4.6 of the Agreement, shall, in no more than four (4) consecutive equal monthly installments, the first of which shall be made within thirty (30) days from the date of such deficiency, pay an amount equal to such deficiency to the Trustee for deposit in the Debt Service Reserve Fund to restore the amount in the Debt Service Reserve Fund to equal the Reserve Fund Requirement; provided, that any amounts being paid to the Trustee pursuant to paragraph (c) hereof shall be paid in accordance with such paragraph; provided further, that if any additional decline occurs prior to the restoration of any decline, such additional decline shall be restored in equal monthly installments over the remainder of the restoration period for the initial decline. To the extent the Value of such Eligible Securities plus any moneys in the Debt Service Reserve Fund funded with the Bonds exceeds the lesser of (i) 10 percent of the Proceeds of the Series 2010 Bonds, (ii) the maximum annual debt service on the Bonds, or (iii) 125 percent of the average annual debt service on the Bonds, within the meaning of Section 1.148-2(f)(2)(ii) of the Regulations, such excess shall be transferred to the Debt Service Fund and used to pay Debt Service on each Interest Payment Date. To the extent that the Value of the Eligible Securities and any other amount in the Debt Service Reserve Fund exceeds the Reserve Fund Requirement determined in accordance with Section 1.148-2(f)(2)(ii) of the Regulations, such excess shall be invested as directed in writing by the Company at a yield which is not "materially higher" than the Yield on the Bonds, as provided in Section 148(a) of the Code; provided that the Trustee has no responsibility for determining whether such a condition exists.

(d) Except with respect to a Reserve Fund Surety Policy, upon any redemption or defeasance of the Bonds as a whole, the moneys on deposit in the Debt Service Reserve Fund shall be transferred to the Debt Service Fund to be used for the purposes of such redemption or to an escrow fund for the purpose of defeasance, as the case may be. Upon final maturity of the

Bonds, the Trustee shall transfer the balance on deposit in the Debt Service Reserve Fund to the Debt Service Fund.

(e) So long as any Bonds are Outstanding, the Company shall have no right, title or interest in or to the funds in the Debt Service Reserve Fund.

Section 404A. Reserve Fund Surety Policy. The Company expressly reserves the right at any time to satisfy all or any part of the Reserve Fund Requirement by obtaining for the benefit of the Debt Service Reserve Fund one or more Reserve Fund Surety Policies. In the event the Company elects to substitute at any time a Reserve Fund Surety Policy for any funded amounts in the Debt Service Reserve Fund, it may apply any bond proceeds thereby released, including investment earnings on bond proceeds, to any purposes for which the Bonds were issued and any other funds thereby released to any purposes for which such funds may lawfully be used. A Reserve Fund Surety Policy shall be (i) an insurance policy, surety bond or other instrument issued pursuant to a credit agreement (as such term is defined by Section 1371.001, Government Code) in a principal amount equal to the portion of the Reserve Fund Requirement to be satisfied and issued by a financial institution or insurance company with a rating at the time of the issuance of the Reserve Fund Surety Policy for its long term unsecured debt or claims paying ability in the highest letter category by two Rating Agencies or (ii) a Guaranty Agreement issued by the Texas Public Finance Authority Charter School Finance Corporation pursuant to Section 53.351(e), Texas Education Code in a principal amount equal to the portion of Reserve Fund Requirement to be satisfied. The premium for any such policy shall be paid from Bond proceeds or other funds of the Issuer or the Company lawfully available for such purpose. Any Reserve Fund Surety Policy shall be authorized by resolution and, if required by the laws of the State, submitted to the Attorney General for examination and approval.

In the event the Debt Service Reserve Fund contains one or more Reserve Fund Surety Policies, the Trustee shall not draw on a Reserve Fund Surety Policy unless no other cash or investments are otherwise available in the Debt Service Reserve Fund. If more than one Reserve Fund Surety Policy is held in the Debt Service Reserve Fund, the Trustee shall draw on such policies on a proportionate basis. Whenever amounts have been drawn on one or more Reserve Fund Surety Policies, amounts subsequently transferred to the Debt Service Reserve Fund shall be used to reimburse the provider (or if more than one, to the providers on a proportionate basis) of such Reserve Fund Surety Policies in accordance with the terms thereof, for the amounts advanced, interest thereon and any associated fees. The issuer(s) of such Reserve Fund Surety Policy or Policies shall be secured with respect to such reimbursement obligations by a lien on the Adjusted Revenues, subject and subordinate to the lien securing the Notes and the Reimbursement Obligations and the required deposits to the Debt Service Fund, and shall further be secured by a lien on amounts from time to time on deposit in and required to be deposited to the Debt Service Reserve Fund, which lien shall be subject and subordinate to the lien securing the Bonds.

Section 405. Rebate Fund.

(a) There is hereby created by the Issuer and established with the Trustee the special fund of the Issuer designated as its “Nova Academy Education Revenue Bonds Series 2010 Rebate Fund” (herein referred to as the “Rebate Fund”). The money deposited to the Rebate

Fund, together with all investments thereof and investment income therefrom shall be held in trust and applied solely as provided in this Section.

(b) The Trustee shall deposit or transfer to the credit of the Rebate Fund each amount delivered to the Trustee by the Company for deposit thereto and each amount directed by the Company to be transferred thereto.

(c) (i) Within five days after each receipt or transfer of funds to the Rebate Fund in accordance with Section 5.3(g)(i)(B) of the Agreement (and in any event within 60 days after each Computation Date), the Trustee shall withdraw from the Rebate Fund and pay to the United States of America the balance of the Rebate Fund.

(ii) Within five days after receipt from the Company of any amount pursuant to Section 5.3(g)(ii) of the Agreement, the Trustee shall withdraw such amount from the Rebate Fund and pay such amount to the United States of America.

(iii) All payments to the United States of America pursuant to this Section shall be made by the Trustee for the account and in the name of the Issuer and shall be paid by draft posted by registered United States Mail (return receipt requested), addressed to the appropriate IRS address accompanied by the relevant IRS Form 8038-T (or to such other applicable successor information return specified by the IRS) described in Section 5.3(g)(i)(C) or Section 5.3(g)(ii) of the Agreement, as the case may be.

(d) The Trustee shall preserve copies of all statements and forms received from the Company pursuant to Section 5.3(g) of the Agreement and all records maintained by it of transactions in the Rebate Fund and shall deliver such materials to the Company and, if requested, shall deliver copies thereof to the Issuer within 60 days following the retirement of all of the Bonds.

(e) The Trustee may conclusively rely on the instructions of the Company with regard to any actions to be taken by it pursuant to this Section and shall have no liability for any consequences of any failure of the Company to supply accurate or sufficient instructions.

If at any time during the term of this Indenture the Issuer, the Trustee, or the Company desires to take any action which would otherwise be prohibited by the terms of this Section, such Person shall be permitted to take such action if it shall first obtain and provide to the other Persons named herein a Favorable Opinion of Bond Counsel.

Section 406. Construction Fund.

(a) There is hereby created by the Issuer and established with the Trustee the special fund of the Issuer designated its “Nova Academy Education Revenue Bonds Series 2010 Construction Fund” (herein referred to as the “Construction Fund”). The money deposited in the Construction Fund, including all money therein and all investments thereof, shall be held in trust and applied solely as provided in this Section. The Construction Fund shall contain a Repayment Account, a Project Account and a Costs of Issuance Account. The Project Account will contain Subaccounts for each Participating Campus: Prichard/Bruton and Scyene (collectively, the

“Participating Campus Subaccounts”). The Trustee shall have the authority to create subaccounts within the Project Account of the Construction Fund as is necessary and convenient for the administration of such Account. The Trustee may transfer funds between subaccounts in the Project Account as needed to fund the Project.

(b) The Trustee shall deposit to the credit of the Construction Fund or any account or subaccount therein all amounts paid to the Trustee by the Issuer or the Company specifically for deposit to the credit of the Construction Fund and the proceeds of the Bonds to the extent specified by the Issuer Order.

(c) At Closing and without the consent of any Construction Consultant, the Trustee shall disburse the following amounts from the Repayment Account for the purpose of refinancing the following costs:

<u>Participating Campus</u>	<u>Anticipated Amount</u>
Prichard/Bruton	\$18,750.00
Prichard/Bruton	\$2,000.00
Prichard/Bruton	\$5,000.00

(d) The Trustee shall disburse amounts in the Project Account of the Construction Fund to pay for the construction, expansion, renovation, improvement and equipment of educational facilities at the following Participating Campuses:

<u>Participating Campus</u>	<u>Anticipated Amount</u>
Scyene	\$ _____
Prichard/Bruton	\$ _____

(e) The Trustee shall disburse amounts in the Project Account of the Construction Fund to pay or reimburse the Company for all other Project Costs no later than three Business Days following receipt of and in accordance with a Disbursement Request in substantially the form of Exhibit B to this Indenture. The Trustee may rely fully on any Disbursement Request in substantially the form of Exhibit B to this Indenture, and shall not be required to make any investigation in connection therewith.

(f) Any funds remaining in the Construction Fund or any sub-account thereto after any Project is certified or deemed “complete” pursuant to Section 3.5 of the Agreement shall, at the written instruction of the Company, be transferred to any other sub-account within the Project Account or to the Debt Service Fund to redeem Bonds pursuant to the procedures set forth in Exhibit A hereto regarding “Mandatory Redemption with Excess Proceeds.” If no such written instructions are given before the third anniversary Closing Date, then any of such remaining funds shall be deposited in the Debt Service Fund to redeem Bonds as provided above.

(g) The Trustee shall disburse amounts in the Costs of Issuance Account on or after the Closing Date upon receipt of a Requisition Certificate in substantially the form of Exhibit B

to this Indenture. The Trustee may rely fully on any Requisition Certificate in substantially the form of Exhibit B to this Indenture, and shall not be required to make any investigation in connection therewith. Such amounts may be disbursed without the consent of any Construction Consultant.

(h) Any moneys remaining in either account of the Costs of Issuance Account ninety (90) days after the Closing Date shall be transferred to the corresponding Project Account of the Construction Fund. Upon final disbursement and/or transfer, the Trustee shall close the Costs of Issuance Account.

(i) In furtherance and not in limitation of this Section 406 hereof, all payments made from the Repayment Account, the Project Account or the Costs of Issuance Account pursuant to a written requisition from the Company in the form required hereunder shall be presumed to be made properly and the Trustee shall not be required to see the application of any payments made from the Repayment Account, the Project Account or the Costs of Issuance Account or to inquire into the purposes for which withdrawals are being made from such Accounts.

(j) On the earlier of the end of the fifth Bond Year or receipt of the Officer's Certificate required by Section 3.5 of the Agreement, the Trustee shall transfer any amount then on deposit in the Construction Fund to the Debt Service Fund unless the Trustee has received from the Company a Requisition Certificate for all or any portion of such amounts for payment of incurred but unpaid Project Costs. To the extent the amounts are transferred to the Debt Service Fund, such amounts may be used to (1) pay principal or interest on the Bonds, subject to the limitations described in Section 1.148-6(d)(3) of the Regulations or (2) redeem Bonds in Authorized Denominations, to the maximum degree permissible, and at the earliest dates at which the Bonds may be redeemed under this Indenture; provided, however, if the Bonds may not be redeemed, the Bonds may be defeased in accordance with Section 1.141-12 of the Regulations.

Section 407. Investment of Bond Proceeds. Pending the disbursement of any amounts deposited from the proceeds of the Bonds to any Fund, such proceeds may only be invested in direct obligations or obligations unconditionally guaranteed by the United States of America as more particularly described in Section 2256.009, Texas Government Code, upon the written directions of the Company in a Company Order delivered to the Trustee.

Section 408. Investment of Funds.

(a) Except as provided in Section 407, pending disbursement of the amounts on deposit in any Fund, the Trustee shall promptly invest and reinvest such amounts in the particular Eligible Securities specified in any Company Order; provided that, if no such Company Order is delivered to the Trustee, the Trustee shall invest and reinvest such amount in [_____ Money Market Fund _____]. All such investments shall be credited to the fund, account or subaccount from which the money used to acquire such investments shall have come.

(b) Except as provided in Section 404(d), all income and profits on investments in the Debt Service Fund, the Debt Service Reserve Fund, the Construction Fund and the Rebate Fund shall be credited to those respective Funds. All losses on investments shall be charged against

the fund and account to which such investments are credited. The Trustee may make any investment through its own trust department. As amounts invested are needed for disbursement from any fund or account, the Trustee shall cause a sufficient amount of the investments credited to that fund to be redeemed or sold and converted into cash to the credit of that fund. The Trustee may rely on the written instructions of the Company in investing money in any Fund or account, and shall not be accountable for any depreciation in the value of the investments made in accordance with the provisions of this Article IV or for any losses incurred upon any authorized disposition thereof.

(c) The Company by its execution of the Agreement covenants to restrict the investment of money in the Funds in such manner and to such extent, if any, as may be necessary so that the Bonds will not constitute arbitrage bonds under Section 148 of the Code and the Regulations.

(d) The Issuer and the Company (by its execution of the Agreement) acknowledge that to the extent that regulation of the Comptroller of the Currency or other applicable regulatory agency grant the Issuer or the Company the right to receive brokerage confirmation of security transactions as they occur, the Issuer and the Company waive receipt of such confirmations. The Trustee shall furnish to the Company a periodic statement, made at least yearly, that includes details of all investment transactions made by the Trustee.

Section 409. Trustee and Issuer Relieved From Responsibility. The Trustee and the Issuer shall be fully protected in relying upon any Company Order relating to investments and disbursements from any Fund, and shall not be liable for any losses or for interest on the Series 2010 Bonds becoming includable in gross income for federal income tax purposes as a result of complying with any such Company Order, and shall not be required to ascertain any facts with respect to any such Order.

ARTICLE V

COVENANTS OF THE ISSUER

Section 501. Payment of Debt Service; Limited Obligations. The Issuer will duly and punctually pay the principal of (and premium, if any) and interest on the Bonds in accordance with the terms of the Bonds and this Indenture; provided, however, that the Bonds and the other obligations of the Issuer provided for herein shall be limited obligations of the Issuer and shall be payable by the Issuer solely out of the Trust Estate and the revenues derived therefrom or in connection with the Bond Documents. The Bonds and the other expense reimbursement obligations of the Issuer provided for herein shall never be payable out of any other funds of the Issuer except the Trust Estate and such revenues.

If the specified date for any such payment shall be a Saturday, a Sunday or a legal holiday or the equivalent for banking institutions generally (other than a moratorium) at the place where payment thereof is to be made, then such payment may be made on the next succeeding day which is not one of the foregoing days without additional interest and with the same force and effect as if made on the specified date for such payment.

Section 502. Reimbursement Obligations. The obligations of the Issuer provided for herein shall be limited obligations of the Issuer and shall be payable by the Issuer solely out of the Trust Estate and the revenues therefrom or in connection with the Bond Proceeds.

Section 503. Money for Bond Payments to be Held in Trust; Appointment of Paying Agents. The Issuer shall appoint a Paying Agent in each Place of Payment for the Bonds. Each such Paying Agent appointed by the Issuer shall be a corporation organized and doing business under the laws of the United States of America or of any state, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least \$10,000,000 and subject to supervision or examination by federal or state authority. The Issuer will, prior to each due date of the principal of (and premium, if any) or interest on any Bonds, deposit or cause to be deposited (but only from the sources provided herein) with a Paying Agent a sum sufficient to pay the principal (and premium, if any) or interest so becoming due, such sum to be held in trust for the benefit of the Holders of such Bonds. Each Paying Agent for the Bonds shall provide the CUSIP number for the Bond with each payment of interest on and the principal or the redemption price of any Bond, specifying the amount paid in respect of each CUSIP number. The Paying Agents shall make payment of interest or the redemption price of any Bond, upon written request of a registered Owner of at least \$1,000,000 in principal amount of Bonds, by wire transfer (at the risk and expense of such registered Owner) in immediately available funds to an account in the United States designated by such registered Owner upon written notice to the Trustee prior to the record date.

The Issuer hereby appoints the Trustee as the initial Paying Agent for the Bonds. The Trustee shall accept such appointment by executing this Indenture in such capacity on the signature page hereto.

The Issuer will cause each Paying Agent other than the Trustee to execute and deliver to the Trustee and the Company an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section, that such Paying Agent will

- (1) hold all sums held by it for the payment of principal of (and premium, if any) or interest on Bonds in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided;
- (2) give the Trustee notice of any default by the Issuer (or any other obligor upon the Bonds) in the making of any such payment of principal (and premium, if any) or interest; and
- (3) at any time during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Issuer may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, by Issuer Order, direct any Paying Agent to pay to the Trustee all sums held in trust by such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by such Paying Agent; and, upon such

payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Subject to applicable escheat laws of the State, any money deposited in trust with the Trustee or any Paying Agent in trust for the payment of the principal of (and premium, if any) or interest on any Bond and remaining unclaimed for the later of (i) the first anniversary of the Stated Maturity of the Bond or the installment of interest for the payment of which such money is held or (ii) two years after such principal (and premium, if any) or interest has become due and payable shall be paid to the Company on Company Request (which Request shall include the Company's representation that it is entitled to such funds under applicable escheatment laws and its agreement to comply with such laws) and the Holder of such Bond shall thereafter, to the extent of any legal right or claim, be deemed to be an unsecured general creditor, and shall look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuer, shall thereupon cease; provided, however, that the Trustee, the Issuer or such Paying Agent, before being required to make any such repayment, shall, upon receipt of a Company Order at the expense of the Company, cause to be published once, in an Authorized Newspaper, notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such publication, any unclaimed balance of such money then remaining will be repaid to the Company; and provided further, notwithstanding the foregoing, the Trustee shall be entitled to deliver any such funds to any escheatment authority in accordance with the Trustee's customary procedures. The Trustee shall hold any such funds in trust uninvested (without liability for interest accrued from the date deposited) for the benefit of Holders entitled thereto.

Any bank or trust company with or into which any Paying Agent may be merged or consolidated, or to which the assets and business of such Paying Agent may be sold, shall be deemed the successor of such Paying Agent for the purposes of this Indenture. If the position of Paying Agent shall become vacant for any reason, the Issuer shall, within 30 days thereafter, appoint such bank or trust company as shall be specified by the Company and the Trustee and located in the same city as such Paying Agent to fill such vacancy; provided, however, that if the Issuer shall fail to appoint a successor Paying Agent within said period, the Trustee shall make such appointment. No removal, resignation or termination of the Paying Agent shall take effect until a successor shall be appointed.

Section 504. Instruments of Further Assurance. The Issuer covenants that to the extent of its power to do so, it will do, execute, acknowledge and deliver or cause to be done, executed, acknowledged and delivered, such indentures supplemental hereto and such further acts, instruments and transfers as the Trustee may reasonably require for the better assigning, pledging and confirming unto the Trustee of the Trust Estate assigned and the revenues pledged hereunder all at the expense of the Company. The Issuer has not heretofore made a pledge of, granted a lien on or security interest in, or made an assignment or sale of the collateral granted hereunder that ranks on a parity with or prior to the lien granted hereunder that will remain outstanding on the Closing Date. The Issuer has not described such collateral in a UCC financing statement that will remain effective on the Closing Date. The Issuer will not hereafter make or suffer to exist any pledge or assignment of, lien on, or security interest in the collateral described hereunder that ranks prior to or on parity with the lien granted hereunder, or file any financing statement

describing any such pledge, assignment, lien or security interest, except as expressly permitted by the Bond Documents. The security interest granted hereunder is and shall be prior to any judicial lien hereafter imposed on such collateral to enforce a judgment against the Issuer on a simple contract.

Section 505. Maintenance of Rights. The Issuer will use its best efforts to perform and observe all obligations to be performed by it under the Bond Documents. The Issuer will maintain the validity and effectiveness of the Bond Documents and, except as permitted hereby, take no action, and not knowingly omit to take any reasonable action, the taking or omission of which might release any party from its liabilities or obligations under the Bond Documents, or result in the surrender, termination, amendment, or modification of, or impair the validity of, any Bond Document. The Issuer agrees that the Trustee, subject to the conditions thereof, may enforce for and on behalf of the Holders all of the covenants and agreements of the parties to the Bond Documents (other than the Trustee) as set forth in the Bond Documents, whether or not the Issuer is in default hereunder. The Trustee shall either (i) file continuation statements as may be required to maintain the perfection and priority of the security interests granted hereby and by the Bond Documents, or (ii) confirm, on an annual basis, the filing of continuation statements by the Issuer required to maintain the perfection and priority of the security interests granted hereby and by the Bond Documents and, if necessary, make such filings as may be required to maintain the perfection and priority of the security interests grants hereby and by the Bond Documents.

Section 506. Corporate Existence. Subject to Article VI, the Issuer will do or cause to be done all things necessary to preserve and keep in full force and effect its corporate existence and rights (charter and statutory); provided, however, that the Issuer shall not be required to preserve any right if its Governing Body shall determine that the preservation thereof is no longer desirable in the conduct of the affairs of the Issuer and that the loss thereof is not disadvantageous in any material respect to the Bondholders.

Section 507. Limitations on Liens, Debt and Disposition of Assets. Except as permitted or contemplated in this Indenture, the Issuer covenants that it will not: (i) create any mortgage, lien, encumbrance, pledge, charge or other exception to title (other than those created by this Indenture) upon or against any of the properties or assets constituting the Trust Estate, or any revenues derived therefrom or any other funds held by the Trustee for the benefit of the Holders superior to or ranking on parity with the lien created by this Indenture; (ii) sell, lease, transfer, convey or otherwise dispose of all or any part of the Trust Estate or its interest therein except subject to the interests of the Trustee created by this Indenture; (iii) create, incur or assume any debt secured by the Trust Estate or the Issuer's interest therein or the revenues pledged herein; or (iv) knowingly take any other action that will impair the lien of this Indenture on the Trust Estate.

Section 508. Tax Covenants for the Bonds.

(a) The Issuer agrees that until the final Maturity of the Bonds, it will not knowingly use or direct the use of any money on deposit in any fund or account maintained in connection with the Bonds, whether or not such money was derived from the proceeds of the sale of the Bonds or from any other source, in a manner that would cause the Bonds to be arbitrage bonds, within the meaning of Section 148 of the Code. In the event the Company notifies the Issuer that

it is necessary to restrict or limit the yield on the investment of moneys held by the Trustee pursuant to this Indenture, or to use such moneys in any certain manner to avoid the Bonds being considered arbitrage bonds, the Issuer at the direction of the Company shall instruct the Trustee to take such action as is necessary to restrict or limit the yield on such investment or to use such moneys in accordance with such written direction.

(b) The Issuer will not knowingly use or direct the use of any proceeds of the Bonds or any other funds of the Issuer, directly or indirectly, in any manner, and will not itself take or knowingly permit to be taken any other action or actions that would result in any of the Bonds being treated other than as an obligation described in Section 103(a) of the Code.

(c) The Issuer will not knowingly use or direct the use of any portion of the proceeds of the Bonds, including any investment income earned on such proceeds, directly or indirectly, to make or finance loans to Persons who are not Exempt Persons. For purposes of the preceding sentence, a loan to an organization described in Section 501(c)(3) of the Code for use with respect to an unrelated trade or business, determined according to Section 513(a) of the Code, constitutes a loan to a person who is not an Exempt Person.

(d) The Issuer will not knowingly take any action, or omit to take any action, which action or omission, will adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds, and in the event of such action or omission will promptly, upon receiving knowledge thereof, take all lawful actions, based on advice of counsel and at the expense of the Company, as may rescind or otherwise negate such action or omission.

(e) The Issuer will not knowingly take any action that would result in all or any portion of the Bonds being treated as “federally guaranteed” within the meaning of Section 149(b)(2) of the Code.

(f) For purposes of this Section 508, the Issuer’s compliance shall be based solely on acts or omissions by the Issuer and no acts or omissions of, or directed by, the Company, the Trustee or any other Persons shall be attributed to the Issuer.

All officers, employees and agents of the Issuer are authorized and directed to provide certifications of facts and estimates that are material to the reasonable expectations of the Issuer as of the date of delivery of the Bonds. In complying with the foregoing covenants, the Issuer may rely from time to time upon certificates of the Company and a Favorable Opinion of Bond Counsel.

Section 509. Change in Law. To the extent that published rulings of the IRS, or amendments to the Code or the Regulations modify the covenants of the Issuer or the Trustee which are set forth in this Indenture or which are necessary to be excludable from gross income for federal income tax purposes, the Trustee and the Issuer will comply with such modifications, as described in an Opinion of Counsel delivered to the Issuer and the Trustee.

ARTICLE VI

CONSOLIDATION, MERGER, CONVEYANCE OR TRANSFER

Section 601. Consolidation, Merger, Conveyance, or Transfer Only on Certain Terms. The Issuer shall not consolidate with or merge into any other corporation or convey or transfer the Trust Estate substantially as an entirety to any Person, unless:

(a) such consolidation, merger, conveyance, or transfer shall be on such terms as shall fully preserve the lien and security hereof and the rights and powers of the Trustee and the Holders of the Bonds hereunder;

(b) the corporation formed by such consolidation or into which the Issuer is merged or the Person which acquires by conveyance or transfer the Trust Estate substantially as an entirety shall be organized and existing under the laws of the United States of America or any state or the District of Columbia and shall execute and deliver to the Trustee an indenture supplemental hereto in form satisfactory to the Trustee, meeting the requirements of Section 602 and containing:

(1) an assumption by such surviving or successor corporation or such transferee of the due and punctual payment of the principal of (and premium, if any) and interest on all the Bonds and the performance and observance of every covenant and condition of this Indenture to be performed or observed by the Issuer, subject, however, to the same limitations and conditions as are herein or in the Bonds provided, and

(2) a grant, conveyance and transfer complying with Section 602;

(c) immediately after giving effect to such transaction, no Event of Default hereunder (nor any event which, with the giving of notice or the elapse of time or both, would become an Event of Default as a result of such transaction) shall have occurred and be continuing;

(d) the Trustee shall have received a Favorable Opinion of Bond Counsel; and

(e) the Issuer, at the expense of the Company, shall have delivered to the Trustee and an Officers' Certificate and an Opinion of Counsel, each of which shall state that such consolidation, merger, conveyance, or transfer and such supplemental indenture comply with this Article and all conditions precedent herein provided for relating to such transaction.

Section 602. Successor Issuer Substituted. Upon any consolidation or merger or any conveyance or transfer of the Trust Estate substantially as an entirety in accordance with Section 601, the successor corporation formed by such consolidation or into which the Issuer is merged or the Person to which such conveyance or transfer is made shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer under this Indenture with the same effect as if such successor had been named as the Issuer herein, if the supplemental indenture required by Section 601 shall contain a grant, conveyance and transfer, in terms sufficient to include and subject to the lien of this Indenture all and singular the properties

described in the granting clauses hereof, whereupon such successor may cause to be executed, in its own name or in the name of the Issuer prior to such succession, and delivered to the Trustee for authentication, any Bonds issuable hereunder; and upon request of such successor, and subject to all the terms of this Indenture, the Trustee shall authenticate and deliver any Bonds which shall have been previously executed and delivered by the Issuer to the Trustee for authentication, and any Bonds which such successor shall thereafter, in accordance with this Indenture, cause to be executed and delivered to the Trustee for such purpose. Such changes in phraseology and form (but not in substance) may be made in such Bonds as may be appropriate in view of such consolidation, merger, conveyance, or transfer.

ARTICLE VII

REMEDIES OF THE TRUSTEE AND HOLDERS OF BONDS IN EVENT OF DEFAULT

Section 701. Events of Default. “Event of Default,” whenever used herein means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(1) default in the payment of (i) the principal of (and premium, if any) any Bond at its Maturity or (ii) an installment of interest on any Bond at the Stated Maturity for such installment; or

(2) default in the performance, or breach, of any covenant or agreement on the part of the Issuer contained in this Indenture (other than a covenant or agreement whose performance or observance is specifically dealt with elsewhere in this Section) and continuance of such default or breach for a period of 30 days after there has been given, by registered or certified mail, to the Issuer and the Company by the Trustee, or to the Issuer, the Company and the Trustee by the Holders of at least 25% in principal amount of Bonds then Outstanding, a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a “Notice of Default” hereunder; provided that if such default can be cured by the Issuer but cannot be cured within the 30-day curative period described above, it shall not constitute an Event of Default if corrective action is instituted by the Issuer within such 30-day period and diligently pursued until the default is corrected, but in no instance shall it last longer than 90 days; or

(3) a decree or order by a court having jurisdiction in the premises shall have been entered adjudging the Company a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization or arrangement of the Company under the federal Bankruptcy Code or any other similar applicable federal or state law, and such decree or order shall have continued undischarged and unstayed for a period of 90 days; or a decree or order of a court having jurisdiction in the premises for the appointment of a receiver or trustee or assignee

in bankruptcy or insolvency of the Company or of the Company's property, or for the winding up or liquidation of the Company's affairs, shall have been entered, and such decree or order shall have remained in force undischarged and unstayed for a period of 90 days; or

(4) the Company shall institute proceedings to be adjudicated a voluntary bankruptcy, or shall consent to the institution of a bankruptcy proceeding against it, or shall file a petition or answer or consent seeking reorganization or arrangement under the federal Bankruptcy Code or any other similar applicable federal or state law, or shall consent to the filing of any such petition, or shall consent to the appointment of a receiver or trustee or assignee in bankruptcy or insolvency of it or of its property, or shall make assignment for the benefit of creditors, or shall admit in writing its inability to pay its debts generally as they become due, or corporate action shall be taken by the Company in furtherance of any of the aforesaid purposes; or

(5) the maturity of any Note issued under the Master Indenture shall be accelerated unless such acceleration has been rescinded and annulled pursuant to the Master Indenture; or

(6) receipt by the Trustee of written notice from the Master Trustee that the Note has been accelerated under the Master Indenture.

(7) an "Event of Default" has occurred under any of the Bond Documents as the term "Event of Default" is therein defined.

If any portion of a Loan Payment shall not be paid at the time therein specified, the Trustee shall promptly give telephonic or facsimile notice to any Person that may execute an Officer's Certificate on behalf of the Company of such failure and shall promptly thereafter confirm such notice by telex, facsimile or letter to the other parties to the Bond Documents unless such amount is immediately thereafter paid.

Section 702. Acceleration of Maturity; Rescission and Annulment.

(a) If an Event of Default occurs and is continuing, then and in every such case the Trustee shall, at the direction of 25% of the Bondholders, give written notice to the Issuer, the Company and the Holders of the Bonds declaring the principal of the Outstanding Bonds to be due and payable immediately. The Trustee having given such notice, the principal of the Bonds thereby coming due and the interest thereon accrued to the date of payment shall, without further action, become and be immediately due and payable, anything in this Indenture or in the Bonds to the contrary notwithstanding. The Bonds and each other obligation hereunder may be accelerated regardless of whether or not the Notes are accelerated pursuant to the Master Indenture.

(b) [RESERVED]

(c) At any time after such a declaration of acceleration has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter in this Article provided, the Holders of a majority in principal amount of the Bonds Outstanding, by written notice to the Issuer and the Trustee, in the case of any acceleration of maturity of the Bonds may direct the Trustee to rescind and annul such declaration and its consequences if:

(1) the Issuer has caused to be paid or deposited with the Trustee a sum sufficient to pay:

(A) all overdue installments of interest on all Bonds;

(B) the principal of (and premium, if any, on) any Bonds which have become due otherwise than by such declaration of acceleration and interest thereon at the rate borne by the Bonds;

(C) all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel; and

(D) all Events of Default, other than the nonpayment of the principal of Bonds which have become due solely by such acceleration, have been cured or waived as provided in Section 713.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

Section 703. Collection of Indebtedness and Suits for Enforcement by Trustee. The Issuer covenants that if

(1) default is made in the payment of any installment of interest on any Bond when such interest becomes due and payable, or

(2) default is made in the payment of the principal of (or premium, if any, on) any Bond when such principal becomes due and payable,

the Issuer will, upon demand of the Trustee, pay (but solely from the Trust Estate and the revenues pledged by this Indenture to such payment) to it, for the benefit of the Holders of such Bonds, the whole amount then due and payable on such Bonds for principal (and premium, if any) and interest, with interest upon the overdue principal (and premium, if any); and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

If the Issuer fails to pay any of the foregoing amounts forthwith upon demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, and may prosecute such proceeding to judgment or

final decree, and may enforce the same against the Issuer or any other obligor upon the Bonds and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property constituting a part of the Trust Estate of the Issuer or any other obligor upon the Bonds, wherever situated.

If an Event of Default occurs and is continuing, subject, to the extent applicable, to Section 12.128 of the Texas Education Code, as amended, the Trustee may proceed to protect and enforce its rights and the rights of the Holders of Bonds by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

Section 704. Trustee May File Proofs of Claim. In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Issuer, the Company or any other obligor upon the Bonds or property of the Issuer, of the Company or of such other obligor or their creditors, the Trustee (irrespective of whether the principal of the Bonds shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand on the Issuer, the Company or such other Obligor for the payment of overdue principal or interest) shall be entitled and empowered, by intervention in such proceeding or otherwise,

(i) to file and prove a claim for the whole amount of principal (and premium, if any) and interest owing and unpaid in respect of the Bonds and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and of the Holders of Bonds allowed in such judicial proceeding, and

(ii) to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same;

and any receiver, assignee, trustee, liquidator, sequestrator (or other similar official) in any such judicial proceeding is hereby authorized by each Holder of Bonds to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders of Bonds, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under this Indenture.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder of Bonds any plan of reorganization, arrangement, adjustment or composition affecting the Bonds or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder of Bonds in any such proceeding.

Section 705. Trustee May Enforce Claims Without Possession of Bonds. All rights of action and claims under this Indenture or the Bonds may be prosecuted and enforced by the

Trustee without the possession of any of the Bonds or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders of the Bonds in respect of which such judgment has been recovered to the extent of the obligations then owing to such Persons.

Section 706. Application of Money Collected. Any money collected by the Trustee pursuant to this Article and any other sums then held by the Trustee as part of the Trust Estate shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal (or premium, if any) or interest, upon presentation of the Bonds and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

- (a) First: To the payment of all amounts due the Trustee under this Indenture;
- (b) Second: To the payment of the amounts then due and unpaid upon the Bonds, for interest, in respect of which or for the benefit of which such money has been collected, but only from and to the extent of Available Money; ratably without preference or priority of any kind, according to the amounts due and payable on such Bonds for interest;
- (c) Third: To the payment of the amounts then due and unpaid upon the Bonds, for principal (and premium, if any), in respect of which or for the benefit of which such money has been collected, but only from and to the extent of Available Money; ratably without preference or priority of any kind, according to the amounts due and payable on such Bonds for principal (and premium, if any);
- (d) Fourth: To the Company, any remaining amounts of money so collected.

Section 707. Limitation on Suits. Subject to Section 712(a) hereof, the Holder of any Bond shall have no right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

- (a) such Holder has previously given written notice to the Trustee of a continuing Event of Default;
- (b) the Holders of not less than 25 percent in principal amount of the Outstanding Bonds shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;
- (c) the Holders have offered to the satisfaction of the Trustee indemnity against the costs, expenses and liabilities to be incurred in compliance with such request; and
- (d) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute any proceeding;

it being understood and intended that no one or more Holders of Bonds shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders of Bonds, or to obtain or to seek to obtain priority or preference over any other Holders, to take any action that would affect the validity of the lien of this Indenture on the Trust Estate, or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all the Holders of Bonds to the extent of the amounts then owing to such Persons.

Section 708. Unconditional Right of Holders of Bonds to Receive Principal, Premium and Interest. Notwithstanding any other provision in this Indenture, the Holder of any Bond shall have the right which is absolute and unconditional to receive payment of the principal of (and premium, if any) and interest on such Bond, but solely from the sources provided in this Indenture, on the respective Stated Maturities expressed in such Bond (or, in the case of redemption, on the redemption date) and to institute suit for the enforcement of any such payment, and such rights shall not be impaired without the consent of such Holder.

Section 709. Restoration of Rights and Remedies. If the Trustee or any Holder of Bonds has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or such Holder of Bonds, then and in every such case the Issuer, the Trustee, the Company, and the Holders of Bonds shall, subject to any determination in such proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the Holders of Bonds shall continue as though no such proceeding had been instituted.

Section 710. Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Trustee or the Holders of Bonds is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 711. Delay or Omission Not Waiver. No delay or omission of the Trustee or any Holder of any Bond to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or the Holders of Bonds may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or the Holders of Bonds, as the case may be.

Section 712. Control by Holders of Bonds.

(a) Each of the Holders of a majority in principal amount of the Outstanding Bonds shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee, provided that:

(i) such direction shall not be in conflict with any rule of law or with this Indenture, and

(ii) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction.

Section 713. Waiver of Past Defaults. Each of the Holders of not less than a majority in principal amount of the Outstanding Bonds may waive any past default hereunder and its consequences, except:

(a) a default in the payment of the principal of (or premium, if any) or interest on any Bond, or

(b) a default in respect of a covenant or provision hereof which under Article IX cannot be modified or amended without the consent of the Holder of each Outstanding Bond affected.

Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

Section 714. Undertaking for Costs. All parties to this Indenture agree, and each Holder of any Bond by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder of Bonds, or group of Holders of Bonds, holding in the aggregate more than 10% in principal amount of the Outstanding Bonds, or to any suit instituted by any Holder of Bonds for the enforcement of the payment of the principal of (or premium, if any) or interest on any Bond on or after the respective Stated Maturities expressed in such Bond (or, in the case of redemption, on or after the redemption date).

Section 715. Waiver of Stay or Extension Laws. The Issuer covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants (to the extent it may lawfully do so) that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

Section 716. No Recourse Against Others. No recourse under or upon any obligation, covenant or agreement contained in this Indenture or any indenture supplemental hereto, or in the Agreement, or in any Bond or any Note, or for any claim based thereon or otherwise in respect thereof, shall be had against any incorporator, or against any past, present or future director, officer or employee, as such, of the Issuer, the Company or the Sponsoring Entity or of any successor corporation, either directly or through the Issuer, the Company or the Sponsoring Entity, whether by virtue of any constitution or statute or rule of law, or by the enforcement of any assessment or penalty or otherwise; it being expressly understood that this Indenture and the Agreement and the Bonds and the Note are solely corporate obligations, and that no such personal liability whatever shall attach to, or is or shall be incurred by, the incorporators, directors, officers or employees, as such, of the Issuer, the Company or the Sponsoring Entity or any successor corporation, or any of them, because of the creation of indebtedness hereby authorized, or under or by reason of the obligations, covenants or agreements contained in this Indenture or in the Agreement or in any of the Bonds or any of the Notes or implied therefrom; and that any and all such personal liability, either at common law or in equity or by constitution or statute, of, and any and all such rights and claims against, every such incorporator, director, officer or employee, as such, are hereby expressly waived and released as a condition of, and as a consideration for, the execution of this Indenture and the issue of such Bonds or the Note.

Section 717. Expenses Payable under Indenture. All expenses incurred in carrying out this Indenture shall be payable solely from funds derived by the Issuer from the Company. Anything in this Indenture to the contrary notwithstanding, the performance by the Issuer of all duties and obligations imposed upon it hereby, the exercise by it of all powers granted to it hereunder, the carrying out of all covenants, agreements and promises made by it hereunder, and liability of the Issuer for all warranties and other covenants herein shall be limited solely to the money and revenues received from the payments by the Company in respect to the Notes and under the Agreement, and from moneys attributable to the proceeds of Bonds, or the income from the temporary investment thereof, and, to the extent herein or in the Agreement provided, the proceeds of insurance, sale and condemnation awards; and the Issuer shall not be required to effectuate any of its duties, obligations, powers or covenants except from, and to the extent of, such moneys, revenues, proceeds, and payments.

ARTICLE VIII

CONCERNING THE TRUSTEE

Section 801. Duties and Liabilities of Trustee.

(a) The Trustee accepts and agrees to execute the specific trusts imposed upon it by this Indenture, but only upon the terms and conditions set forth herein, and no implied covenants or obligations shall be read into this Indenture against the Trustee.

(b) In case any Event of Default (of which the Trustee has actual knowledge or is deemed to have actual knowledge under Section 803(h) hereof) has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a reasonably prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except, that:

(1) this subsection shall not be construed to limit the effect of subsection (a) of this Section or Section 803;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;

(3) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with any direction given to the Trustee under Section 702 of this Indenture or at the direction of the Holders of not less than a majority in aggregate principal amount of Bonds then Outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture; and

(4) no provision of this Indenture shall require the Trustee to expend or risk its funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that the repayment of such funds or adequate indemnity against such risk or liability or the payment of its fees and expenses is not reasonably assured to it.

(d) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section and Sections 803 and 813.

(e) Notwithstanding any other provision of the Bond Documents, in determining whether the rights of Bondholders will be adversely affected by any action taken pursuant to the terms and provisions of this Indenture, the Trustee shall consider the effect on the Bondholders as if there were no Guaranty.

Section 802. Notice of Defaults. Within 60 days after the occurrence of any default hereunder of which the Trustee has knowledge of hereunder, the Trustee shall transmit by mail to all Holders of Bonds, notice of such default, unless, with respect to notice to the Holders of the Bonds, such default shall have been cured or waived or unless corrective action to cure such default has been instituted and is being pursued such that such default does not constitute an Event of Default; provided, however, that except in the case of a default in the payment of the principal of (or premium, if any) or interest on any Bonds or in the payment of any sinking or purchase fund installment, the Trustee shall be protected in withholding such notice from the Holders of Bonds if and so long as the board of directors, the executive committee or a trust committee of directors and/or Responsible Officers of the Trustee in good faith determine that the withholding of such notice is in the interest of the Holders of Bonds; provided, further, that in the case of any default of the character specified in Section 701(2) hereof no such notice to

Holders of Bonds shall be given until at least 30 days after the occurrence thereof; and provided that in the case of acceleration pursuant to Section 702, the Trustee shall give immediate notice as provided therein. For the purpose of this Section, the term “default” means any event which is, or after notice or lapse of time or both would become, an Event of Default.

The Trustee shall mail, first-class postage prepaid, to each Rating Service then rating the Bonds notice of any of the following events, whenever:

(a) the Trustee, pursuant to the Indenture, has resigned or been removed and a successor Trustee has been appointed, such notice to be mailed within ten Business Days after the appointment of such successor Trustee;

(b) an amendment or supplement to the Bond Documents executed or consented to by the Trustee or of which the Trustee has received written notice is to be entered into, such notice and a copy of such amendment or supplement to such Rating Service to be mailed at least ten Business Days prior to the effective date of such amendment or supplement and within three Business Days after the receipt of such written notice by the Trustee;

(c) the Trustee either (1) receives a Company Request pursuant to Section 302 which directs the Trustee to redeem all the Outstanding Bonds or (2) declares the principal of all Outstanding Bonds to be immediately due and payable pursuant to Section 702, such notice to be mailed within ten Business Days after the receipt of such Company Request (and to specify the Redemption Date requested thereby) or after such declaration; or

(d) all Bonds shall be deemed to have been paid or defeased as provided in Article X hereof.

Section 803. Certain Rights of Trustee.

(a) The Trustee may conclusively rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, approval, bond, debenture or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties and shall not be required to verify the accuracy of any information or calculations required to be included therein or attached thereto;

(b) Any request or direction of any Person mentioned herein shall be sufficiently evidenced by a Request of such Person; and any resolution of the Governing Body of any Person may be evidenced to the Trustee by a Board Resolution of such Person;

(c) Whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer’s Certificate;

(d) The Trustee may consult with counsel and the written advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(e) The Trustee shall be under no obligation to exercise any of the discretionary rights or powers vested in it by this Indenture at the request or direction of any of the Holders of Bonds pursuant to the provisions of this Indenture, unless such Holders shall have offered to the Trustee reasonable security or indemnity satisfactory to it against the costs, expenses and liabilities which might be incurred by it in connection with such request or direction and for the payment of the Trustee's fees in connection therewith;

(f) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, approval, bond, debenture or other paper or document but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney and to take copies of such memoranda from and in regard thereto as may be reasonably be desired; provided that, the Trustee shall have no obligation to perform any of the duties of the Issuer under this Indenture or of the Company under any of the Bond Documents;

(g) The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys, but the Trustee shall not be held liable for any negligence or misconduct of any such agent or attorney appointed with due care;

(h) The Trustee shall not be required to take notice or be deemed to have notice of any default hereunder unless the Trustee shall be specifically notified of such default in writing by the Issuer or the Company or by the Holder of an Outstanding Bond, and in the absence of such notice the Trustee may conclusively assume that no default exists; provided, however, that the Trustee shall be required to take and be deemed to have notice of its failure to receive the moneys necessary to make payments when due of debt service;

(i) The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with any direction of the Holders of the applicable percentage of the Holders of Outstanding Bonds permitted to be given by them under this Indenture;

(j) The Trustee may seek the approval of the Holders of the Bonds by any means it deems appropriate and not inconsistent with the terms of this Indenture or the Master Indenture in connection with the giving of any consent or taking of any action in its capacity as Holder of any Note;

(k) The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty to take such action;

(l) The Trustee shall not be required to give any bond or surety in respect of the execution of the trusts and powers established by this Indenture; and

(m) The Trustee shall not be responsible for monitoring the existence of or determining whether any lien or encumbrance or other charge including without limitation any Permitted Encumbrance (as defined in the Deed of Trust) exists against the Project or the Trust Estate.

Notwithstanding the aforesaid, the Trustee shall be required to pay the Holders of the Bonds at the times required under this Indenture, and, in its capacity as Paying Agent hereunder, shall be required to draw on the Guaranty on the terms described in Section 1102 without the requirement of any indemnity therefor.

Section 804. Not Responsible For Recitals or Issuance of Bonds. The recitals contained herein and in the Bonds (other than the certificate of authentication on such Bonds) shall be taken as the statements of the Issuer and the Trustee assumes no responsibility for their correctness. The Trustee makes no representations as to the value or condition of the Trust Estate or any part thereof, or as to the title of the Issuer thereto or as to the adequacy, sufficiency or perfection of the security afforded thereby or hereby; as to the validity or genuineness of any securities at any time pledged and deposited with the Trustee hereunder; as to the validity or sufficiency of this Indenture or of the Bonds; or as to the correctness or sufficiency of any statement made in connection with the offer or sale of the Bonds. The Trustee shall not be accountable for the use or application by the Issuer or the Company of any of the Bonds or of the proceeds of such Bonds.

Section 805. Trustee May Own Bonds. The Trustee or any other agent appointed hereunder, in its individual or any other capacity, may become the owner or pledgee of Bonds and may otherwise deal with the Issuer with the same rights it would have if it were not Trustee or such other agent.

Section 806. Moneys to Be Held in Trust. All moneys received by the Trustee shall, until used or applied as herein provided (including payment of moneys to the Company under Section 1001), be held in trust for the purposes for which they were received, but need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any moneys received by it hereunder other than such interest as it expressly agrees in writing with the Issuer or the Company to pay.

Section 807. Compensation and Expenses of Trustee and Paying Agent. The Issuer agrees, but solely from the Trust Estate and the revenues pledged by this Indenture to such payment,

(1) to pay to the Trustee, Bond Registrar, Authenticating Agent, and Paying Agent from time to time, when due, reasonable compensation for all services rendered by them hereunder, including extraordinary services during the existence of a default, which shall not be limited by any law limiting the compensation of the trustee of an express trust; and

(2) except as otherwise expressly provided herein, to reimburse the Trustee and the Paying Agent upon their request for all reasonable expenses, disbursements and advances incurred or made by the Trustee or such Paying Agent in accordance with any provision of this Indenture (including the reasonable compensation and the expenses and disbursements of their agents and counsel and securities or transaction charges to the extent not waived by the Trustee as a result of its receipt of compensation with respect to such securities or transactions) except any such expense, disbursement or advance as may be attributable to the negligence or bad faith of such Person.

Nothing in this Section 807 shall affect or otherwise diminish the obligations of the Company to pay compensation and indemnification to the Trustee in accordance with the Agreement as security for the performance of the obligations of the Issuer under this Section and the obligations of the Company under Sections 4.7(b) and 5.1(h) of the Agreement. As such security for the performance of the obligations of the Issuer under this Section, the Trustee shall have a lien prior to the Bonds upon all property and funds held or collected by the Trustee as such.

When the Trustee incurs expenses or renders services in connection with any bankruptcy or insolvency proceeding, such expenses (including the fees and expenses of its counsel) and the compensation for such services are intended to constitute expenses of administration under any bankruptcy law or law relating to creditors' rights generally.

Section 808. Corporate Trustee Required; Eligibility. There shall at all times be a Trustee hereunder which shall be a corporation organized and doing business under the laws of the United States of America or of any state, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least \$50,000,000, subject to supervision or examination by federal or state authority. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect hereinafter specified in this Article.

Section 809. Resignation and Removal; Appointment of Successor.

(a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee.

(b) The Trustee may resign at any time by giving written notice thereof to the Issuer and the Company. If an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(c) The Trustee may be removed at any time by an act of the Holders of a majority in principal amount of the Outstanding Bonds.

(d) If at any time:

(1) the Trustee shall cease to be eligible under Section 808 and shall fail to resign after written request therefor by the Issuer or by any such Holder of Bonds, or

(2) the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any such case, (i) the Issuer by an Issuer Request may remove the Trustee and (ii) subject to Section 714, any Holder of Bonds who has been a bona fide Holder of a Bond for at least 6 months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause, the Issuer, by an Issuer Request, at the direction of the Company, shall promptly appoint a successor Trustee. If, within 3 months after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee shall be appointed by Act of the Holders of a majority in principal amount of the Outstanding Bonds delivered to the Issuer and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee and supersede the successor Trustee appointed by the Issuer. If no successor Trustee shall have been so appointed by the Issuer or the Holders of Bonds and accepted appointment in the manner hereinafter provided, the Trustee or any Holder of Bonds who has been a bona fide Holder of a Bond for at least 6 months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(f) So long as no default or Event of Default has occurred and is continuing hereunder, the Company at any time may request that the Issuer remove the Trustee and appoint a substitute Trustee and the Issuer shall promptly comply with such request.

(g) The Company shall give, or cause to be given, notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee by mailing written notice of such event by first-class mail, postage prepaid, to the Holders of Bonds at their addresses as shown in the Bond Register. Each notice shall include the name and address of the applicable corporate trust office or payment office of the successor Trustee.

Section 810. Acceptance of Appointment by Successor. Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to the Issuer and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the

retiring Trustee; but, on request of the Issuer or the successor Trustee, such retiring Trustee shall execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee, and shall duly assign, transfer and deliver to the successor Trustee, any and all property and money held by such retiring Trustee hereunder. Upon request of any such successor Trustee, the Issuer shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts.

No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article.

Section 811. Merger or Consolidation. Any corporation into which the Trustee may be merged or with which it may be consolidated, or any corporation resulting from any merger or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all of the municipal corporate trust business of the Trustee, shall be the successor Trustee hereunder, provided such corporation shall be otherwise qualified and eligible under this Article, to the extent operative, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any Bonds shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger or consolidation to such authenticating Trustee may adopt such authentication and deliver the Bonds so authenticated with the same effect as if such successor Trustee had itself authenticated such Bonds.

Section 812. Authenticating Agent. There may (and whenever the Trustee shall not maintain an office or agent in each Place of Payment there shall) be an Authenticating Agent appointed by the Trustee with power to act on its behalf and subject to its direction in the authentication and delivery of the Bonds in connection with delivery of Bonds pursuant to Section 203 and transfers and exchanges under Sections 204, 205 and 307, as fully to all intents and purposes as though the Authenticating Agent had been expressly authorized by those Sections to authenticate and deliver the Bonds. For all purposes of this Indenture, the authentication and delivery of the Bonds by the Authenticating Agent pursuant to this Section shall be deemed to be the authentication and delivery of the Bonds “by the Trustee”.

The Trustee is hereby appointed Authenticating Agent with respect to the Bonds.

Each Authenticating Agent shall at all times be a bank or trust company having an office or agent in a Place of Payment, and shall at all times be a corporation organized and doing business under the laws of the United States or of any state with a combined capital and surplus of at least \$50,000,000 and authorized under such laws to exercise corporate trust powers and subject to supervision or examination by federal or state authority. If such corporation publishes reports of condition at least annually pursuant to law or the requirements of such authority, then for the purposes of this Section the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

Any corporation into which any Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, consolidation, or conversion to which any Authenticating Agent shall be a party, or any corporation succeeding to the corporate trust business of any Authenticating Agent, shall be the successor of the

Authenticating Agent hereunder, if such successor corporation is otherwise eligible under this Section, without the execution or filing of any further act on the part of the parties hereto or the Authenticating Agent or such successor corporation.

Any Authenticating Agent may at any time resign by giving written notice of resignation to the Trustee, the Issuer and the Company. The Trustee may at any time terminate the agency of any Authenticating Agent by giving written notice of termination to such Authenticating Agent and to the Issuer and the Company. Upon receiving such a notice of resignation or upon such a termination, or in case at any time any Authenticating Agent shall cease to be eligible under this Section, the Trustee shall promptly appoint a successor Authenticating Agent and shall give written notice of such appointment to the Issuer and the Company.

The Trustee shall be entitled to be reimbursed for any reasonable compensation paid by the Trustee to the Authenticating Agent for its service subject to Section 803 and 807. The provisions of Sections 207, 803, 804, and 805 of this Indenture shall be applicable to any Authenticating Agent.

Section 813. Trustee Liability for Agents. Notwithstanding anything contained herein to the contrary, the Trustee shall not be liable for any failure of the Paying Agent or the Authenticating Agent to perform in accordance with the Indenture any duty required or authorized herein to be performed by such Person or for any other acts or omissions of such Person.

ARTICLE IX

SUPPLEMENTS AND AMENDMENTS

Section 901. Supplemental Indentures and Amendatory Agreements Without Consent of Holders of Bonds. Without the consent of the Holders of any Bonds (i) the Issuer, when authorized by a Board Resolution, and the Trustee at any time upon receipt of Company Consent, may enter into or consent to one or more indentures supplemental hereto, subject to Section 903 hereof, or amendments to the Agreement, (ii) the Company may enter into or consent to amendments to the Agreement and (iii) the Company and the Master Trustee may enter into or consent to amendments to the Supplemental Master Trust Indenture for any of the following purposes:

- (1) to evidence the succession of another Person to the Issuer or the Company, or successive successions, and the assumption by the successor Person of the covenants, agreements and obligations of the Issuer as permitted by this Indenture or the Company as permitted by the Agreement;
- (2) to add to the covenants of the Issuer or the Company for the benefit of the Holders of Bonds, or to surrender any right or power herein or therein conferred upon the Issuer or the Company;
- (3) to cure any ambiguity or to correct or supplement any provision herein or therein which may be inconsistent with any other provision herein or

therein, or to make any other provisions with respect to matters or questions arising under this Indenture or the Agreement which shall not be inconsistent with this Indenture, provided such action shall not adversely affect the interests of the Holders of Bonds;

(4) to modify or supplement this Indenture in such manner as may be necessary to qualify this Indenture under the Trust Indenture Act of 1939 as then amended, or under any similar federal or state statute or regulation, including provisions whereby the Trustee accepts such powers, duties, conditions and restrictions hereunder and the Issuer or the Company undertakes such covenants, conditions or restrictions additional to those contained in this Indenture as would be necessary or appropriate so to qualify this Indenture; provided, however, that nothing herein contained shall be deemed to authorize inclusion in this Indenture or in any indenture supplemental hereto, provisions referred to in Section 316(a)(2) of the said Trust Indenture Act or any corresponding provision provided for in any similar statute hereafter in effect;

(5) in connection with any other change herein or therein which, in the judgment of a Management Consultant, a copy of whose report shall be filed with the Trustee, (a) is in the best interest of the Company and (b) does not materially adversely affect the Holder of any Bond; provided that no such change shall be made if within 30 days of its receipt of such Management Consultant's report, the Trustee shall have obtained a report from another Management Consultant indicating that in its opinion either clause (a) or clause (b) of this subsection (5) is not satisfied; provided further, that the Trustee shall be under no duty to retain another such Management Consultant; or

(6) to modify or supplement this Indenture in such manner as may be necessary or appropriate to cause each Rating Service then rating the Bonds to maintain an investment grade rating on the Bonds.

Section 902. Supplemental Indentures and Amendatory Agreements With Consent of Holders of Bonds. With the consent of the Holders of not less than a majority in principal amount of the Outstanding Bonds affected by such supplemental indenture, by Act of such Holders delivered to the Issuer, the Company, the Trustee and the Rating Service, the Issuer, when authorized by a Board Resolution, and the Trustee may, upon receipt of a Company Consent, enter into or consent to an indenture or indentures supplemental hereto (subject to Section 903 hereof), amendments to the Agreement or the Supplemental Master Trust Indentures for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture, the Agreement and the Supplemental Master Trust Indentures or of modifying in any manner the rights of the Holders of the Bonds under this Indenture, the Agreement, and the Supplemental Master Trust Indentures; provided, however, that no such supplemental indenture or amendment shall, without the consent of 66 $\frac{2}{3}$ % of the Holders of the Bonds affected thereby:

(1) change the Stated Maturity of the principal of, or any installment of interest on, any Bonds or any date for mandatory redemption thereof, or reduce

the principal amount thereof or the interest thereon or any premium payable upon the redemption thereof, or change the coin or currency in which, any Bonds or the interest thereon is payable, or impair or subordinate the lien of this Indenture on the Trust Estate or impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof (or, in the case of redemption, on or after the redemption date), or

(2) reduce the percentage in principal amount of the Outstanding Bonds, the consent of whose Holders is required for any such supplemental indenture, or the consent of whose Holders is required for any waiver (of compliance with certain provisions of this Indenture or certain defaults hereunder and their consequences) provided for in this Indenture, or

(3) modify any of the provisions of this Section or Section 713, except to increase any such percentage or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Bond affected thereby.

It shall not be necessary for any act of Holders of Bonds under this Section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such act of Holders of Bonds shall approve the substance thereof.

Section 903. Execution of Supplemental Indentures. In executing, or accepting the additional trusts created by, any supplemental indenture permitted by this Article or the modifications thereby of the trusts created by this Indenture and in consenting to any amendment to the Agreement or to any indenture supplemental to this Indenture, the Trustee shall be entitled to receive, and (subject to Section 801) shall be fully protected in relying upon, a Favorable Opinion of Bond Counsel and an Opinion of Counsel stating that the execution of such supplemental indenture or consent is authorized or permitted by this Indenture. The Trustee may, but shall not (except to the extent required in the case of a supplemental indenture entered into under Section 901(4)) be obligated to, enter into any such supplemental indenture or consent which affects the Trustee's own rights, duties or immunities under this Indenture or otherwise. The Trustee shall not execute any supplemental indenture without the consent of the Company.

Section 904. Effect of Supplemental Indentures. Upon the execution of any supplemental indenture under this Article, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes, and every Holder of Bonds thereafter or theretofore authenticated and delivered hereunder shall be bound thereby.

Section 905. Bonds May Bear Notation of Changes. Bonds authenticated and delivered after the execution of any supplemental indenture pursuant to this Article may bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Issuer or the Trustee shall so determine, new Bonds so modified as to conform, in the opinion of the Trustee and the Issuer, to any such supplemental indenture may be prepared and executed by the Issuer and authenticated and delivered by the Trustee in exchange for Bonds then Outstanding.

ARTICLE X

SATISFACTION AND DISCHARGE OF INDENTURE; UNCLAIMED MONEYS

Section 1001. Satisfaction and Discharge of Indenture. Whenever the following conditions shall exist, namely:

(a) all Bonds theretofore authenticated and delivered have been cancelled by the Trustee or delivered to the Trustee for cancellation, excluding, however:

(1) Bonds alleged to have been destroyed, lost, or stolen which have been replaced or paid as provided in Section 205, except for any such Bond which, prior to the satisfaction and discharge of this Indenture, has been presented to the Trustee with a claim of ownership and enforceability by the Holder thereof and where enforceability has not been determined adversely against such Holder by a court of competent jurisdiction,

(2) Bonds, other than those referred to in paragraph (1) above, for the payment or redemption of which the Issuer or the Company has deposited or caused to be deposited with the Trustee at the Maturity thereof in trust for such purpose funds (which shall be immediately available for payment) in an amount sufficient to pay and discharge the entire indebtedness on such Bonds for principal (and premium, if any) and interest to such Maturity, and

(3) Bonds deemed no longer Outstanding as a result of the deposit or escrow of money or Defeasance Obligations or both as described in Section 1002;

(b) the Issuer or the Company has paid or caused to be paid all other sums payable by the Issuer or the Company hereunder and under the Agreement (except amounts due and payable by the Company pursuant to Section 4.1(a) or (b) of the Agreement and the terms of the Tax-Exempt Master Note); and

(c) there has been delivered to the Trustee an Opinion of Counsel stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with;

then, upon Issuer Request (which the Issuer shall make upon Company Order), this Indenture and the lien, rights, and interests created hereby shall cease, determine, and become null and void (except as to any surviving rights of transfer, exchange, or tender of Bonds herein or therein provided for) and the Trustee and each co-trustee and separate trustee, if any, then acting as such hereunder shall, at the expense of the Company, execute and deliver a termination statement and such instruments of satisfaction and discharge as may be necessary (in form and substance satisfactory to Company) and pay, assign, transfer, and deliver to the Company or upon Company Order all cash, securities, and other property then held by it hereunder as a part of the Trust Estate.

In the absence of an Issuer Request as aforesaid, the payment of all Outstanding Bonds shall not render this Indenture inoperative.

Notwithstanding the satisfaction and discharge of this Indenture the obligations of the Issuer and the Company to the Trustee under Section 807 shall survive unless otherwise agreed by the Trustee in writing.

Section 1002. Payment of Bonds.

(a) All of the Bonds shall be deemed to have been paid for purposes of this Indenture if (A) there has been deposited with the Trustee in trust in a segregated account either (i) moneys in an amount, or (ii) Defeasance Obligations, the principal of and interest on which will, when due, without further investment or reinvestment of either the principal amount thereof or the interest earnings thereon, (as established by a report of an independent certified public accountant setting forth the calculations upon which such report is based) provide moneys in an amount, which, together with any moneys deposited with or held by the Trustee at the same time and available for such purpose pursuant to this Indenture, will be sufficient to pay when due and payable the principal, premium, if any, and interest due and payable and to become due and payable on and prior to the respective redemption dates or Maturity dates on all of the Bonds, or (iii) a combination of (i) and (ii), and (B) in case any of such Bonds are to be redeemed on any date prior to their Stated Maturity, the Company (i) has given to the Trustee irrevocable written instructions instructing the Trustee to effect the redemption of such Bonds on such date and to give notice of such redemption to Holders prior to said date as provided in Exhibit A-1 and Exhibit A-2 to this Indenture, and (ii) has provided a rating on the Refunding Bonds; (C) in the event such Bonds are not to be redeemed within the 60 days next succeeding the date of such deposit with the Trustee, the Issuer has given irrevocable written instructions to the Trustee to give notice to the Holders of such Bonds advising that the deposit required by clause (a) of this paragraph above has been made with the Trustee and that the Bonds are deemed to have been paid in accordance with this Article and stating such Maturity or redemption date or dates upon which money is to be available for the payment of the principal, premium, if any, and interest on such Bonds and has provided a rating on the refunded Bonds. The Trustee shall not be required to accept any deposit of Defeasance Obligations pursuant to clause (ii) or (iii) during the continuance of an Event of Default. For purposes of this Section, Government Obligations issued or held in the name of the Trustee in book-entry form on the books of the Department of Treasury of the United States of America shall be deemed to be deposited with the Trustee.

Any Defeasance Obligations deposited with the Trustee pursuant to this Section shall mature on such dates as shall be required for the aforesaid purpose. Such Defeasance Obligations shall not contain provisions permitting the redemption thereof at the option of the issuer thereof.

(b) Any release under this Section shall be without prejudice to the right of the Trustee to be paid reasonable compensation for all services rendered by it under this Indenture and all its reasonable expenses, charges and other disbursements and those of its attorneys, agents and employees, incurred on and about the administration of trusts created by this Indenture and the performance of its powers and duties under this Indenture.

Section 1003. Application of Trust Money. The Defeasance Obligations and money deposited with the Trustee pursuant to Section 1002 and principal or interest payments on any such Defeasance Obligations shall be held in trust, shall not be sold or reinvested, and shall be applied by it, in accordance with the provisions of the Bonds and this Indenture, to the payment, either directly or through any Paying Agent as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money or Defeasance Obligations were deposited; provided that, upon delivery to the Trustee of an Officer's Certificate (accompanied by the report of an Independent certified public accountant setting forth the calculations upon which such Officer's Certificate is based) establishing that the money and Defeasance Obligations on deposit following the taking of the proposed action will be sufficient for the purposes described in Section 1002(a), any money received from principal or interest payments on Defeasance Obligations deposited with the Trustee or the proceeds of any sale of such Defeasance Obligations, if not then needed for such purpose, shall, upon Company Request be reinvested in other Defeasance Obligations or disposed of as requested by the Company. For purposes of any calculation required by this Article, any Defeasance Obligation which is subject to redemption at the option of its issuer, the redemption date for which has not been irrevocably established as of the date of such calculation, shall be assumed to cease to bear interest at the earliest date on which such obligation may be redeemed at the option of the issuer thereof and the principal of such obligation shall be assumed to be received at its stated maturity.

IN WITNESS WHEREOF, the Issuer and the Trustee have caused this Indenture to be signed on their behalf by their duly authorized representatives as of the date first written above.

The principal amount of the Bonds required to be redeemed pursuant to the operation of such mandatory redemptions shall be reduced by the principal amount of any Bonds of the same series and maturity date which, at least 60 days prior to the mandatory sinking fund redemption date (a) shall have been purchased and delivered to the Trustee for cancellation, (b) shall have been purchased and canceled by the Trustee with funds furnished for such purpose, in each case at a purchase price not exceeding the principal amount of such Bonds plus accrued interest to the date of purchase thereof or (c) shall have been redeemed pursuant to the optional redemption provision described below.

There shall be credited against the mandatory sinking fund redemption obligation Bonds delivered, purchased or redeemed, as hereinafter provided, if the Company at its option purchases in the open market and delivers to the Trustee for cancellation Bonds or redeems Bonds (other than through mandatory redemption) and such Bonds have not theretofore been applied as a credit against any mandatory redemption obligation. Each such Bond so purchased or redeemed shall be credited by the Trustee at 100% of the principal amount thereof on the obligation of the Issuer on such mandatory redemption payment date, and any excess shall be

credited on future mandatory redemption obligations in chronological order, and the principal amount of such Bonds to be redeemed by operation of mandatory redemption shall be accordingly reduced.

Optional Redemption. The Bonds maturing on or after August 15, 2021 are subject to optional redemption, in whole or in part, prior to scheduled maturity on February 15, 2020 or on any date thereafter, at the option of the Company, at a price of par plus interest accrued thereon to the redemption date, upon written notice of the exercise of the option to redeem Bonds delivered to the Trustee by the Company not later than the 60th day prior to the date of redemption.

Mandatory Redemption Upon Determination of Taxability. The Bonds shall be redeemed in whole prior to maturity on a date selected by the Company which is not more than one hundred twenty (120) days following receipt by the Trustee of written notice of the occurrence of a Determination of Taxability (as hereinafter defined) at a redemption price equal to 103% of the principal amount thereof plus interest to the redemption date.

As used herein “Determination of Taxability” means a determination that the interest income on any of the Bonds does not qualify as interest excluded from gross income of the recipient thereof for the purpose of federal income taxation (“exempt interest”) under Section 103 of the Code (in the case of a private activity bond, for a reason other than that a registered owner is or a former registered owner was a substantial user within the meaning of Section 147 of the Code), which determination shall be deemed to have been made upon the first to occur of any of the following: (a) the date on which the Trustee is notified that an opinion of counsel is unable to be delivered to the effect that the interest on the Bonds qualifies as such exempt interest; or (b) the date on which the Trustee is notified by or on behalf of the Issuer that a change in law or regulation has become effective or that the Internal Revenue Service has issued any public or private ruling, technical advice memorandum or any other written communication or that there has occurred a ruling or decision of a court of competent jurisdiction with or to the effect that the interest income on any of the Bonds does not qualify as such exempt interest; or (c) the date on which the Company shall receive notice from the Trustee in writing that the Trustee has been notified by the Internal Revenue Service, or has been advised by the Issuer, the Company or any owner or former owner of a Bond that the Internal Revenue Service has issued a notice of deficiency or similar notice which asserts that the interest on any of the Bonds does not qualify as such exempt interest.

Mandatory Redemption With Excess Proceeds. The Bonds shall be redeemed in whole or in part prior to maturity as a result of a deposit of amounts transferred from the Construction Fund to the Series 2010 Debt Service Fund (all as defined in the Indenture) as excess proceeds upon completion of the Project. Bonds redeemed as described in this paragraph shall be redeemed within sixty (60) days of such deposit at a redemption price equal to the unpaid principal amount of the Bonds being redeemed, without premium, plus accrued interest to the redemption date.

Extraordinary Optional Redemption. The Bonds are subject to extraordinary redemption, at the option of the Issuer upon a Company Request, at a redemption price of par plus interest accrued thereon to the redemption date, without premium, on any date, in the event the Project is

damaged, destroyed or condemned or threatened to be condemned, (i) in whole, if, in accordance with the terms of the Agreement, the Project is not reconstructed, repaired or replaced upon the change or destruction thereof, from insurance or condemnation proceeds transferred from the Construction Fund to the Series 2010 Debt Service Fund which, together with an amount required to be paid by the Company pursuant to the Agreement, will be sufficient to pay the Bonds in full, or (ii) in part, after reconstruction, repair or replacement of the Project in accordance with the terms of the Agreement, from excess insurance or condemnation proceeds transferred from the Construction Fund to the Series 2010 Debt Service Fund for such purpose.

IF LESS THAN ALL of the Bonds are called for redemption, the particular Bonds or portions thereof to be redeemed shall be redeemed by the Trustee in accordance with the written direction of the Company; provided, however, that portions of Bonds shall be redeemed in Authorized Denominations and that no redemption shall result in a Bond being held in less than an Authorized Denomination.

IN CASE PART, but not all, of this Bond shall be selected for redemption, the owner hereof or his attorney or legal representative shall present and surrender this Bond to the Trustee for payment of the redemption price, and the Issuer shall cause to be executed, authenticated and delivered to or upon the order of such owner or his attorney or legal representative, without charge therefor, in exchange for the unredeemed portion of the principal amount of this Bond so surrendered, a Bond of the same maturity and bearing interest at the same rate.

AT LEAST 30 days prior to the date fixed for any redemption of the Bonds but not more than 60 days prior to any redemption date, the Trustee shall cause a written notice of such redemption to be mailed by first class mail, postage prepaid, to each Holder of the Bonds to be redeemed, at the address appearing on the Bond Register on the date such notice is mailed by the Trustee. Any notice mailed as provided herein shall be conclusively presumed to have been given, irrespective of whether received. By the date fixed for any such redemption, due provision shall be made with the Trustee and the Paying Agent for the payment of the appropriate redemption price, premium, if any, and interest accrued hereon. If such written notice of redemption is made, due provision for payment of the redemption price is made and all conditions to the redemption have been fulfilled, all as provided above and in the Indenture, the Bonds which are to be redeemed shall become due and payable at the redemption price and from and after such date shall cease to bear interest. If any Bond shall not be paid upon the surrender thereof for redemption, the principal shall, until paid, bear interest at the rate borne by this Bond.

Purchase in Lieu of Redemption. The Bonds are subject to purchase in lieu of redemption by the Company prior to their maturity date at any time on or after August 15, 2013, in whole or in part, if the following conditions are satisfied:

(a) The Company and the Holders of not less than a majority in aggregate of the outstanding Bonds subject to such redemption, negotiate and agree upon a purchase price which is communicated to the Trustee in writing;

(b) Upon written agreement as described in (a) above, the Company shall direct the Trustee to purchase all or a portion of the Bonds and has provided funds to the Trustee for deposit in the Debt Service Fund in the amount necessary to pay the purchase

price of the selected portion of the Bonds in excess of that required to fully satisfy the next scheduled interest and principal payments due on such portion of the Bonds, and provided for deposit into the Debt Service Fund an amount as the Trustee may require to cover its accrued and anticipated fees and expenses;

(c) The Trustee confirms that the amount provided for by the Company pursuant to (b) above is sufficient to purchase the applicable Bonds at the purchase price agreed to by the Company and the Holders of not less than a majority in aggregate of the outstanding Bonds pursuant to (a) above; and

(d) The Beneficial Owners of Bonds to be purchased shall severally indemnify and hold harmless the Trustee in a form and with such security as may be satisfactory to the Trustee, from and against any and all liabilities, claims, or losses arising out of, by virtue of, or in connection with, the tender of bonds, up to the amount of the value of the bonds tendered, except in the case of gross negligence, willful misconduct, or bad faith on the part of the Trustee.

As portions of the Bonds are purchased pursuant to this provision, such purchase of the portion of the Bonds will be considered to have satisfied, in whole or in part, the next succeeding scheduled sinking fund payment requirements as set forth in this Indenture. Once purchased, such portions of the Bonds shall be delivered to the Trustee and cancelled.

IF THE DATE for any such payment on this Bond shall be a Saturday, a Sunday or a legal holiday or the equivalent for banking institutions generally (other than a moratorium) at the place where payment thereof is to be made, then such payment may be made on the next succeeding day which is not one of the foregoing days without additional interest and with the same force and effect as if made on the specified date for such payment.

IT IS HEREBY CERTIFIED AND COVENANTED that this Bond has been duly and validly authorized, issued, and delivered; that all acts, conditions, and things required or proper to be performed, exist, and be done precedent to or in the authorization, issuance, and delivery of this Bond have been performed, exist, and been done in accordance with law; that this Bond is a special limited revenue obligation of the Issuer, and that the principal of, premium, if any, and interest on this Bond are payable solely from and secured by a lien on and pledge of the payments designated as Loan Payments (the "Loan Payments") to be paid, or caused to be paid, to the Trustee, pursuant to the Master Indenture, Supplemental Indenture No. 1 and the Loan Agreement, dated as of March 1, 2010 (the "Agreement") by and between the Issuer and the Company, as evidenced by a tax-exempt master indenture note (the "Note") issued by the Company to the Issuer pursuant to the Supplemental Indenture, and by an assignment by the Issuer to the Trustee of the Note to evidence the Company's obligations to make Loan Payments under the Master Indenture, the Supplemental Indenture and the Agreement to the Trustee. The Company is unconditionally obligated (subject only to the provisions of the Agreement relating to merger, consolidation, and transfer of assets) to the Issuer and the Trustee to pay, or cause to be paid, without set off, recoupment, or counterclaim, to the Trustee each Loan Payment for deposit into the Series 2010 Debt Service Fund created for the benefit of the owners of the Bonds by the Indenture, in aggregate amounts sufficient to pay and redeem, and provide for the payment and redemption of, the principal of, premium, if any, and interest on the Bonds, when

due, and to make certain other deposits as required by the Indenture, subject to and as required by the provisions of the Agreement, the Note, and the Indenture.

THIS BOND is a limited obligation of the Issuer and shall be payable by the Issuer solely out of the Trust Estate and the revenues derived therefrom or in connection with the Bond Documents. This Bond shall never be payable out of any other funds of the Issuer except the Trust Estate and the revenues derived therefrom.

THE BONDS are secured by the Indenture whereunder the Trustee is custodian of the Series 2010 Debt Service Fund and is obligated to enforce the rights of the owners of the Bonds and to perform other duties in the manner and under the conditions stated in the Indenture. In case an "Event of Default," as defined in the Indenture, shall occur, the principal of the Bonds then Outstanding may be declared to be due and payable immediately upon the conditions and in the manner provided in the Indenture. The Trustee shall, upon written request of the owners of at least a majority in principal amount of the Bonds then Outstanding, waive, as permitted by the Indenture, any Event of Default and its consequences except a default in the payment of the principal of (or premium, if any) or interest on any Bond or a default in respect of a covenant or provision of the Indenture which under the Indenture cannot be modified or amended without the consent of the Holder of each Outstanding Bond affected. The Holder of this Bond shall have no right to institute any action, suit, or proceeding at law or in equity to enforce the Indenture except as provided in the Indenture; provided that nothing in the Indenture shall affect or impair the rights of the owner hereof to enforce the payment of the principal of, premium, if any, and interest on this Bond from the source and in the manner herein expressed. Reference is hereby made to the Indenture for additional provisions with respect to the nature and extent of the security for the Bonds; the rights, duties, and obligations of the Company, the Issuer, the Trustee, and the Holders of the Bonds; the terms upon which the Bonds are issued and secured; and the modification of any of the foregoing.

THE ISSUER has reserved the right to amend the Indenture, as provided therein; and, under some (but not all) circumstances, amendments thereto must be approved by the owners of at least a majority in aggregate principal amount of the Outstanding Bonds and Additional Bonds.

[To appear on Initial Series 2010 Bond only]

This Bond shall not be valid or obligatory for any purpose or be entitled to any benefit under the Indenture until the certificate of registration hereon shall have been manually executed by the Comptroller of Public Accounts of the State of Texas (or his duly authorized deputy), as provided by the Indenture.

(d) No Litigation. Except as disclosed in writing in connection with the offering of the Bonds, there is no action, suit, proceeding or investigation at law or in equity before or by any court or governmental agency or body pending or threatened, wherein an adverse decision, ruling or finding (i) would result in any material adverse change in the condition (financial or otherwise), results of operations, business or prospects of the Company or that would materially and adversely affect the properties of the Company, or (ii) would materially and adversely affect the transactions contemplated by, or the validity or enforceability of, the Bond Documents to which it is a party.

(e) Authority for; Authorization and Enforceability of Transaction. The Company has full corporate power and authority to execute and deliver the Bond Documents to be executed by the Company and has full power and authority to perform its obligations hereunder and thereunder and engage in the transactions contemplated by the Bond Documents to be executed by it. (h) Representations Regarding the Project. The Company intends to construct and operate the Project during the term of this Agreement and to expend the proceeds of the Bonds in the Construction Fund to pay Project Costs. In addition, the Project will be located in its entirety within the boundaries of the State. The principal amount of the Bonds is based upon the Company's most reasonable estimate of financing or refinancing the Project Costs as of the date hereof, which estimates are based upon sound engineering and accounting principles. The ownership of the Project will at all time be under the exclusive control and held for the exclusive benefit of the Company. The Company has obtained or will obtain all licenses and permits necessary with respect to any acquisition, construction, reconstruction, improvement, expansion or operation, as the case may be, of the Project and all necessary approvals from any governmental bodies or agencies having jurisdiction in connection therewith.

(C) The Company has not diverted a substantial part of its corpus or income for a purpose or purposes other than the purpose or purposes (a) for which it is organized or operated or (b) disclosed to the IRS in connection with the Determination;

(D) The Company has not operated during its five most recent fiscal years or the current fiscal year, as of the date hereof, in a manner that would result in it being classified as an "action" organization within the meaning of Section 1.501(c)(3)-(1)(c)(3) of the Regulations including, but not limited to, promoting or attempting to influence legislation by propaganda or otherwise as a substantial part of its activities;

(E) With the exception of the payment of compensation (and the payment or reimbursement of expenses) that is not excessive and is for personal services that are reasonable and necessary to carrying out the purposes of the Company, no individual who would be a "foundation manager" within the meaning of Section 4946(b) of the Code with respect to the Company, nor any Person controlled by any such individual or individuals or any of their Affiliates, nor any Person having a personal or private interest in the activities of the Company has acquired or received, directly or indirectly, any income or assets, regardless of form, of the Company during the current fiscal year and

(J) The Company has not taken any action, nor does it know of any action that any other Person has taken, nor does it know of the existence of any condition that would cause the Company to lose its exemption from taxation under Section 501(a) of the Code or cause interest on the Bonds to be includable in the income of the recipients thereof for federal income tax purposes;

(K) Taking into account the Issue Price (as defined in Section 5.3(s) of this Agreement) of the various maturities of the Bonds, the average term of the Bonds does not exceed 120 percent of the average reasonably expected economic life of the Project to be financed or refinanced by the Bonds, weighted in proportion to the respective cost of each item comprising the property the cost of which has been or will be financed, directly or indirectly, with the Net Proceeds (as defined in Section 5.3(s) of this Agreement) of the Bonds. For purposes of the preceding sentence, the reasonably expected economic life of property shall be determined as of the later of (A) the Closing Date for the Bonds or (B) the date on which such property is placed in service (or expected to be placed in service). In addition, land shall not be taken into account in determining the reasonably expected economic life of property, except that, in the event 25 percent or more of the collective Net Proceeds of the Bonds, directly or indirectly, have been expended for land, such land shall be treated as having an economic life of 30 years and shall be taken into account for purposes of determining the reasonably expected economic life of such property;

the Bonds for federal income tax purposes or in rendering its opinion with respect to the status of the Company under Section 501(c)(3) of the Code, are true and correct in all material respects, do not contain any untrue statement of a material fact and do not omit to state any material fact necessary to be stated therein to make the information provided therein, in light of the circumstances under which such information was provided, not misleading.

(j) Indenture. The Indenture has been submitted to the Company for its examination, and the Company acknowledges, by execution of this Agreement, that it has reviewed the Indenture and that it accepts each of its obligations expressed or implied thereunder.

(k) Security Interests. The Company has not heretofore made a pledge of, granted a lien on or security interest in, or made an assignment or sale of the collateral granted hereunder and described in Section 4.3 that ranks on a parity with or prior to the lien granted hereunder that will remain outstanding on the Closing Date. The Company has not described the collateral in a UCC financing statement that will remain effective on the Closing Date other than the UCC financing statement to be filed pursuant to Section 4.3(b) hereof. The Company will not hereafter make or suffer to exist any pledge or assignment of, lien on, or security interest in the collateral that ranks prior to or on a parity with the lien granted hereunder, or file any financing statement describing any such pledge assignment, lien or security interest, except as expressly permitted by the Bond Documents.

(l) Other Representations and Warranties. Any certificate with respect to factual or financial matters signed by an officer of the Company and delivered to the Issuer shall be deemed a representation and warranty by the Company as to the statements made therein.

The Project may be altered or added to by the Company; provided, however, that the Company shall make no revision to the Project that results in the Project ceasing to (i) constitute educational facilities, as defined in the Act, or (ii) be substantially similar to the Project as approved by the Issuer; provided, further, that no revision to the Project may be made unless the Company has delivered a Favorable Opinion of Bond Counsel to the Trustee.

Section 3.6 Casualty and Condemnation. (a) In the event of any damage, destruction, condemnation or taking under the threat of condemnation with respect to the Project, the Company shall promptly engage the services of the appropriate Construction Consultant, which shall make a determination as to the amount of insurance or condemnation proceeds anticipated to result therefrom within fifteen (15) days of the occurrence of such damage, destruction, condemnation or taking.

(b) If the insurance or condemnation proceeds of any damage, destruction, condemnation or taking under the threat of condemnation with respect to the Project as determined by the Construction Consultant pursuant to paragraph (a) above are equal to or less than \$250,000, such proceeds shall be transferred to the Trustee for deposit in an Insurance Proceeds Account of the Construction Fund and shall be applied to repair, restore, modify, improve or replace the Project. The Trustee is hereby directed to make payments from such Insurance Proceeds Account of the Construction Fund for such purposes or to reimburse the Company for costs paid by it in connection therewith upon receipt of a Requisition Certificate signed by an Authorized Representative of the Company and approved by the appropriate Construction Consultant. Any balance of the insurance or condemnation proceeds remaining after the Project has been repaired, restored or replaced to a state substantially like that prior to the event of damage, destruction or taking, as determined by the appropriate Construction Consultant, shall, upon delivery to the Trustee of a certificate executed by such Construction Consultant to such effect, be deposited to the Debt Service Fund and applied to the redemption of the Bonds at the earliest practical date.

(c) If the insurance or condemnation proceeds of any damage, destruction, condemnation or taking under the threat of condemnation with respect to the Project as determined by the Construction Consultant pursuant to paragraph (a) above are greater than \$250,000, such insurance or condemnation proceeds shall be transferred to the Trustee for deposit in a special separate account of the Construction Fund for the Bonds, and:

(1) The Company shall immediately request that the appropriate Construction Consultant prepare a report to determine (A) if the repair, reconstruction, restoration or replacement of the Project or a portion thereof damaged or taken is economically feasible and will restore the Project to the physical and operating condition as existed before and (B) if the Company will have sufficient funds from the insurance proceeds, business interruption insurance proceeds and other available funds to make the payments required hereunder when due, to pay the cost of repairing, reconstructing, restoring or replacing the portion of the Project affected by such loss, damage or condemnation (including without limitation architects' and attorneys' fees and expenses), to pay Company's operating costs until completion of the repair, construction or replacement of such portion of the Project which report shall be delivered to the Trustee and any Holder owning at least ten percent (10%) in aggregate principal amount of any series of Outstanding Bonds, within thirty (30) days of the occurrence of such damage, destruction, condemnation or taking. If the report determines the foregoing conditions are satisfied, then within thirty (30) days after delivery thereof, the Company shall deliver to the Trustee:

(A) cash in an amount equal to the funds, if any, in excess of insurance proceeds and business interruption insurance proceeds required by the report delivered under clause (1) above for deposit in a special separate account of the Construction Fund; and

(B) such other documents and information as the Holders of a majority of the Outstanding Bonds may reasonably require; and

the Company shall promptly proceed to repair, reconstruct and replace the affected portion of the Project, including all fixtures, furniture and equipment and effects, to its original condition to the extent possible. Each request for payment shall comply with the requirements of the Indenture in Section 406 for payments from the Construction Fund.

(2) If the Construction Consultant's report does not determine that the conditions are satisfied or fails to meet the requirements relating to repair or reconstruction or replacement in clause (1) above, the Company shall prepay the Loan and the Bonds shall be redeemed as set forth in paragraph (e) below.

(d) If the insurance or condemnation proceeds are insufficient to pay in full the cost of any repair, restoration, modification or improvement undertaken pursuant to this Section, the Company will nonetheless complete the work and will pay any cost in excess of the amount of the insurance or condemnation proceeds held by the Trustee. The Company agrees that if by reason of any such insufficiency of the insurance or condemnation proceeds, the Company shall make any payments pursuant to the provisions of this Section, the Company shall not be entitled to any reimbursement therefor from the Trustee or any Holder, nor shall the Company be entitled to any diminution of the amount payable hereunder.

(e) Under the circumstances set forth in subsection (c)(2) hereof, the Loan shall be paid and the Bonds redeemed in full without premium and the insurance proceeds shall be transferred by the Trustee from the applicable account in the Construction Fund to the applicable account in the Debt Service Fund for such purpose. If the insurance proceeds are insufficient to redeem the Bonds in full, the Company shall provide to the Trustee for deposit into the Debt Service Fund moneys which, together with the insurance proceeds, will be sufficient to redeem all of the Bonds pursuant to the Extraordinary Optional Redemption provisions of the Bonds. In the event that the Company has completed any repair, reconstruction or replacement of the Project after the occurrence of any damage, destruction or condemnation and there are excess insurance proceeds, such excess shall be deposited in the Debt Service Fund and applied to the redemption of all or a portion of the Bonds pursuant to the Extraordinary Optional Redemption provision of the Bonds.

Section 3.7 Inspection of the Project. The Company agrees that the Issuer and its duly authorized agents, including the Trustee, may, but have no obligation to at reasonable times as determined by the Company, enter upon the Project site and examine and inspect the Project and, upon the occurrence of an Event of Default, the books and records of the Company that relate to the Project.

Section 3.8 Maintenance and Operation. The Company undertakes to cause each item of its buildings and other facilities, including the Project, to be maintained and operated so long as the operation of each such item, in the sole judgment of the Company, is economical, lawful, and feasible and in accordance with good operating practice. The Company agrees that during the term of this Agreement it will pay all costs of operating, maintaining, and repairing its buildings and other facilities, including the Project, and that the Issuer shall have no responsibility or liability whatsoever for operating, maintaining, or repairing its buildings and other facilities, including the Project. The Company agrees that it shall not enter into a contract for the management of the Project by a third party service provider unless it receives a Favorable Opinion of Bond Counsel.

Section 3.9 No Establishment and No Impairment of Religion. The Company and the Issuer intend that the Loan and all other transactions provided for in this Agreement be made in strict compliance with all applicable laws and constitutional provisions of the United States and the State. Accordingly, the Company agrees that to the full extent required from time to time by applicable laws and constitutional provisions of the United States and the State in order for the loan to the Company and all other transactions provided for in this Agreement to be made and effected in compliance with such laws and constitutional provisions: (a) no part of the Project financed in whole or in part with proceeds of the Bonds shall be used for sectarian instruction or as a place of religious worship; (b) notwithstanding the payment in full of the Loan Payments and the Bonds, and notwithstanding the termination of this Agreement, each such part of the Project will continue to be subject to the restrictions set out in clause (a) of this Section for so long as it is owned by the Company, or any voluntary grantee of the Company. Provided, however, that to any extent that a restriction or agreement set out in this Section shall at any time not be required in order for the loan to the Company and all other transactions provided for in this Agreement to be made and effected in compliance with applicable constitutional provisions of the United States and the State, such restriction or agreement shall, to that extent and without necessary action by any party, be without any force or effect; and provided further, that in no event shall such restriction or agreement set out in this Section be more expansive than required by an applicable constitutional provision.

Section 3.10 Issuer Relieved From Responsibility With Respect to Project. The Company and the Issuer hereby expressly acknowledge and agree that the Issuer is under no responsibility to insure, maintain, operate or repair the Project or to pay taxes with respect thereto, and the Company expressly relieves the Issuer from any such responsibility.

Section 3.11 Force Majeure. If by reason of Force Majeure the Company shall be rendered unable wholly or in part to carry out its obligations under this Article (other than its obligations to pay money contained in this Agreement), and if the Company gives notice and full particulars of such Force Majeure in writing to the Issuer and to the Trustee within a reasonable time after failure to carry out such obligations, then the obligations of the Company under this Article, so far as they are affected by such Force Majeure, shall be suspended during the continuance of the inability then claimed, including a reasonable time for removal of the effect thereof. The requirement that any Force Majeure shall be reasonably beyond the control of the Company shall be deemed to be fulfilled even though any existing or impending strike, lockout or other industrial disturbance may not be settled but could have been settled by acceding to the demand of the opposing Person. The occurrence of any Force Majeure shall not suspend or

otherwise abate, and the Company shall not be relieved from, the obligation to pay the Bonds and to pay any other payments required to be made by it under this Agreement at the times required. For purposes of this Section, "Force Majeure" means acts of God, strikes, lockouts or other industrial disturbances, acts of the public enemy, acts or orders of any kind of the government of the United States of America, or of any state or locality thereof, or any civil or military authority, terrorist acts, insurrections, riots, epidemics, landslides, lightning, earthquakes, fires, hurricanes, tornadoes, storms, floods, washouts, droughts, arrests, restraining of government and people, civil disturbances, explosions, nuclear accidents, wars, breakage or accidents to machinery, transmission pipes or canals, partial or entire failure of utilities, shortages of labor, material, supplies or transportation, or any other cause not reasonably within the control of the party claiming such inability.

Section 3.12 Insurance. So long as the Bonds remain Outstanding, the Company shall at all times keep and maintain the insurance required by Section 213 of the Master Indenture.

Section 3.13 Disposition of Project. Subject to Section 5.11 hereof and to Sections 12.128 and 45.082 of the Education Code, the Company covenants that the Project will not be sold or otherwise disposed in a transaction resulting in the receipt by the Company of cash or other compensation, unless the Company delivers a Favorable Opinion of Bond Counsel to the Issuer and the Trustee. For purposes of the foregoing, the portion of the Property comprising personal property and disposed in the ordinary course shall not be treated as a transaction resulting in the receipt of cash or other compensation.

ARTICLE IV

PAYMENTS

Section 4.1 Loan Payments.

(a) To repay the Loan of the proceeds of the Bonds evidenced by the Notes, the Company shall, subject to the limitations of Section 4.5 of this Agreement, make or cause to be made Loan Payments in immediately available funds in accordance with the Indenture and this Agreement directly to the Trustee as follows:

(i) on or before the earlier of the fifth (5th) Business Day prior to any Interest Payment Date on the Series 2010 Bonds or the 25th day of each month, in equal monthly installments, for deposit in the Debt Service Fund, amounts sufficient to provide for the payment of interest which is due on the next ensuing date for payment of such interest with respect to the Bonds; and

(ii) on or before the earlier of the fifth (5th) Business Day prior to any Interest Payment Date or the 25th day of each month, for deposit into the Debt Service Reserve Fund, such amounts as are required by the Section 4.6 of this Agreement to restore the Reserve Fund Requirement.

(b) If, subsequent to a date on which the Company is not obligated to pay the Loan Payments (as a result of defeasance of the Bonds pursuant to Section 1002 of the Indenture),

losses (net of gains) shall be incurred in respect of any investments, or any other event or circumstance has occurred causing the amounts in the Debt Service Fund, together with any other amounts then held by the Trustee and available for the purpose, to be less than the amount sufficient at the time of such occurrence or other event or circumstance to pay, in accordance with the provisions of the Indenture, all principal (premium, if any) and interest on the Series 2010 Bonds due and payable or to become due and payable, the Trustee shall notify the Company of such fact and thereafter the Company, as and when required for purposes of such Debt Service Fund, but subject to the limitations of Section 4.5 of this Agreement, shall pay to the Trustee for deposit in the Debt Service Fund the amount of any such deficiency below such sufficient amount.

(c) If the Texas Education Agency, the Texas Attorney General, the Texas Comptroller of Public Accounts, or any other agency with authority over the expenditures or safekeeping of State Revenues, notifies the Company that the Bonds do not provide benefits to all Participating Campuses sufficient to satisfy the requirements under Section 12.107, Texas Education Code, as amended, then the Company shall only provide Loan Payments from any Participating Campuses in excess of its Pro-Rata share through a loan to any other Participating Campuses that cannot pay its Pro-Rata share. Such loan shall not constitute Debt under the terms of the Master Indenture, the Indenture or any Supplement to either document, the Company shall have no duty to notify the Trustee of any such notification or loan, and the Trustee shall have no duty or responsibility to enforce this Section 4.1(c); provided, that nothing herein shall diminish or otherwise excuse performance of the payment obligations of the Company pursuant to this Section 4.1 or limit the application of Section 4.4 hereof.

Section 4.2 Prepayment of Loan; Redemption of Bonds. The Company may at any time deliver money or Defeasance Obligations to the Trustee with instructions to the Trustee to hold such money or Defeasance Obligations pursuant to the Indenture in connection with a deemed payment or redemption of the Bonds. The Issuer agrees that, at the request at any time of the Company, it will notify the Trustee, exercise its rights and otherwise cooperate with the Company to cause the Bonds or any portion thereof to be redeemed to the extent required or permitted by the Indenture. Except to the extent of any such deemed payment or any redemption of the Bonds in whole or in part, neither the Loan made hereunder nor the Notes shall be prepayable. Any excess or unclaimed money held by the Trustee under the Indenture shall be paid by the Trustee to the Company in accordance with Article V or Article X of the Indenture, as applicable.

Section 4.3 Security Interests.

(a) As security for repayment of the Notes and performance of the Company's obligations under this Agreement, the Company has executed and delivered the Deed of Trust and hereby pledges, sets over, assigns and grants a security interest to the Issuer in all of the Company's right, title and interest in and to all amounts at any time deposited in the funds established pursuant to the Indenture (except the Rebate Fund), including all investments and reinvestments made with such amounts and the proceeds thereof, and in all of its rights to and interests in such amounts, investments, reinvestments and proceeds. The Company hereby authorizes and directs the Trustee to invest and disburse such amounts and proceeds in accordance with the Indenture and this Agreement. The Company represents that, under the laws

of the State, (i) this Agreement creates a valid and binding lien in favor of the Issuer as security for the payment of the Notes, enforceable in accordance with the terms hereof; and (ii) the lien on the collateral granted hereunder, is and shall be prior to any judicial lien hereafter imposed on such collateral to enforce a judgment against the Company on a simple contract.

(b) The Company will (i) upon the execution and delivery of the Bond Documents and thereafter, from time to time cause any Bond Document and each amendment and supplement thereto (or financing statements or a memorandum with respect thereto or to such amendment or supplement) to be filed, registered and recorded and to be refiled, reregistered and rerecorded in such manner and in such places as may be required in order to publish notice of and fully to protect the liens, or to perfect or continue the perfection of the security interests, created thereby and (ii) perform or cause to be performed from time to time any other act as required by law, and execute or cause to be executed any and all instruments of further assurance that may be necessary for such publication, perfection, continuation and protection, including without limitation the execution of any deposit account control agreement and the delivery of legal opinions as to the perfection of any such security interests. The Company will not change or relocate its place of business (or its chief executive office if it has more than one place of business) unless it has taken all actions, and made all filings necessary to continue the effectiveness and perfection of all security interests created by the Bond Documents to which it is a party. The Trustee shall either (i) file continuation statements as may be required to maintain the perfection and priority of the security interests granted hereby and by the Bond Documents, or (ii) confirm, on an annual basis, the filing of continuation statements by the Company required to maintain the perfection and priority of the security interests granted hereby and by the Bond Documents and, if necessary, make such filings as may be required to maintain the perfection and priority of the security interests granted hereby and by the Bond Documents.

(c) Under the Indenture, the Issuer is, as security for the Bonds, pledging, assigning, transferring and granting a security interest in certain of its rights, title and interest under this Agreement to the Trustee. The Company agrees that this Agreement, and all of the rights, interests, powers, privileges and benefits accruing to or vested in the Issuer shall be protected and enforced in conformity with the Indenture and (except for the Issuer's Unassigned Rights) are being assigned by the Issuer to the Trustee as security for the Bonds and may be exercised, protected and enforced solely by the Trustee for or on behalf of the Bondholders in conformity with this Agreement and the Indenture. The Trustee is hereby given the exclusive right to enforce, as assignee of the Issuer, the performance of the obligations of the Company, and the Company hereby consents to the same and agrees that the Trustee may enforce such rights as provided in this Agreement and in the Indenture. The Issuer and the Company recognize that the Trustee is a third party creditor-beneficiary of this Agreement. The Issuer hereby directs the Company to make all payments (other than payments relating to any money or rights not granted to the Trustee as part of the Trust Estate pursuant to the granting clauses in the Indenture) to the Trustee instead of to the Issuer and the Company hereby agrees to do so. All such payments shall be made in lawful money of the United States of America directly to the Trustee, as assigned by the Issuer, at the location specified by the Trustee, and shall be applied as provided in Section 4.1 of this Agreement. The Company and the Issuer further acknowledge that except for the obligation of the Trustee to credit amounts paid or recovered from this Agreement or the collateral therefor to the Issuer's debt evidenced by the Series 2010 Bonds and except for certain rights not granted to the Trustee as part of the Trust Estate, the Issuer has no further interest in

this Agreement and the Trustee shall have the exclusive right (subject to the provisions of the Indenture) to grant consents, extensions, forgiveness, and waivers, make amendments, release collateral and otherwise deal with the Company as the sole owner of this Agreement and the Trustee exclusively may start and prosecute suit hereon or otherwise take action to recover amounts owing under this Agreement without first obtaining the consent of the Issuer or without joining the Issuer as a plaintiff.

Section 4.4 Nature of Obligations of the Company. The Company agrees that its obligations to make payments hereunder shall be absolute and unconditional, irrespective of any rights of set-off, diminution, abatement, recoupment or counterclaim the Company might otherwise have against any Person, and except in connection with a discharge of the Indenture, the Company will perform and observe all of its payment obligations and covenants, representations and warranties hereunder without suspension and will not terminate the Bond Documents to which it is a party for any cause. The Company covenants not to seek and hereby waives, to the extent permitted by applicable law, the benefits of any rights which it may have at any time to any stay or extension of time for performance or to terminate, cancel or limit its liability under the Bond Documents to which it is a party except through payment or deemed payment of the Bonds as provided in such Bond Documents. The Holders of the Bonds shall be entitled to rely upon the agreements and covenants in this Section regardless of the validity or enforceability of the remainder of this Agreement or any other Bond Document or agreement.

The preceding paragraph shall not be construed to release the Issuer from the performance of any of its agreements contained in this Agreement, or except to the extent provided in this Section and Section 5.1, prevent or restrict the Company from asserting any rights which it may have against the Issuer, the Trustee or any other Person under this Agreement or any of the other Bond Documents to which it is a party or under any provision of law or prevent or restrict the Company, at its own cost and expense, from prosecuting or defending any action or proceeding against or by third parties or taking any other action to secure or protect its rights in connection with the acquisition, construction, improvement, possession and use of the Project and its rights under such Bond Documents.

Section 4.5 Limitation on Interest. Notwithstanding any provision of the Bond Documents to the contrary, it is hereby agreed that in no event shall the amount of interest (as defined and calculated in accordance with applicable law) contracted for, charged, reserved, received or taken in connection with any loan made hereunder exceed the amount of interest which could have been contracted for, charged, reserved, received or taken at the Highest Lawful Rate. If the applicable law is ever judicially interpreted so as to render usurious any amount called for under the Bond Documents or otherwise contracted for, charged, reserved, received or taken in connection with any loan made hereunder, or if the Trustee's exercise of the right to accelerate the Maturity of any loan made hereunder or if any prepayment of any such loan by the Company results in there having been paid or received any interest in excess of that permitted by applicable law, then notwithstanding anything to the contrary contained in the Bond Documents, all excess amounts theretofore paid or received shall be credited on the principal balance of such loan (or, if such loan has been or would thereby be paid in full, refunded), and the provisions of this Agreement and the related Note shall immediately be deemed reformed and the amounts thereafter collectible thereunder reduced, without the necessity of the execution of any new document, so as to comply with the applicable law, but so as to permit the recovery of the fullest

amount otherwise called for thereunder. All sums paid or agreed to be paid for the use, forbearance or detention of the indebtedness evidenced by any such loan shall, to the extent permitted by applicable law, be amortized, prorated, allocated and spread throughout the full term of such indebtedness until payment in full so that the rate or amount of interest on account of such indebtedness does not exceed the usury ceiling from time to time in effect and applicable to such indebtedness for so long as such indebtedness is outstanding (it being understood that the foregoing provisions permit the rate of interest on such loan to exceed the Highest Lawful Rate for any day as long as the total amount of interest paid on such loan from the date of initial delivery of the Bonds to the date of calculation does not exceed the amount of interest which would have been paid on such loan to the date of calculation if such loan had borne interest for such period at the Highest Lawful Rate). For purposes of this Section, "Highest Lawful Rate" means the maximum rate of nonusurious interest (determined as provided in this Agreement) applicable to each loan made to the Company under this Agreement allowed from time to time by applicable law as is now in effect or, to the extent allowed by applicable law, such higher rate as may hereafter be in effect.

Section 4.6 Restoration of Debt Service Reserve Fund. In the event of any withdrawal from the Debt Service Reserve Fund pursuant to Section 404 of the Indenture in order to cure any deficiency in the Debt Service Fund or in the event that the Trustee notifies the Company that the amount on deposit in the Debt Service Reserve Fund is less than the Reserve Fund Requirement because of a decline in the Value of the securities in either of such Funds, the Company shall pay, or cause to be paid, to the Trustee, (i) if the amount in the Debt Service Reserve Fund is less than the Reserve Fund Requirement because of any withdrawal from the Debt Service Reserve Fund pursuant to Section 404(b) of the Indenture in order to cure any deficiency in the Debt Service Fund, the amount needed to restore the amount in the Debt Service Reserve Fund to the Reserve Fund Requirement (A) in full within thirty (30) days from the date of deposit in the Debt Service Reserve Fund or (B) in no more than twelve (12) equal, consecutive, monthly installments, each payable on the date that a Loan Payment is due, commencing in the month immediately succeeding the month of the withdrawal or (ii) in the event that the Trustee notifies the Company that the amount on deposit in the Debt Service Reserve Fund is less than the Reserve Fund Requirement because of a decline in the Value of the securities, the amount of such decline in Value for deposit into the Debt Service Reserve Fund in no more than four (4) consecutive equal monthly installments, each payable on the date that a Loan Payment is due, commencing in the month immediately succeeding the month in which the calculation of the Reserve Fund Requirement showed a deficiency in the Debt Service Reserve Fund; provided that if an additional decline occurs prior to the restoration of any decline, such additional decline shall be restored in equal monthly installments over the remainder of the restoration period for the initial decline.

Section 4.7 Fees and Expenses.

(a) Issuer. The Company agrees to pay promptly upon demand therefor all fees and costs paid, incurred or charged by the Issuer in connection with the Bonds, including without limitation, (i) all out-of-pocket expenses and costs of issuance (including reasonable fees and expenses of attorneys employed by the Issuer) reasonably incurred by the Issuer in connection with the issuance of the Bonds and the administration of the Bond Documents, (ii) all payments required to be paid by the Issuer with respect to the Bonds, (iii) out-of-pocket expenses

(including reasonable fees and expenses of attorneys employed by the Issuer) reasonably incurred by the Issuer in connection with the enforcement of any of its rights or remedies or the performance of its duties under the Bond Documents to which it is a party, and (iv) a fee of \$_____.

The Company agrees to pay an amount equal to the “Company’s Portion” of the General Costs (as hereinafter defined) of the Issuer. The “Company’s Portion” shall be that portion of the General Costs obtained by multiplying the total amount of the General Costs by a fraction, the numerator of which is equal to the aggregate principal amount of Bonds issued by the Issuer on behalf of the Company which are outstanding at the time of determination and the denominator of which is equal to the total aggregate principal amount of bonds issued by the Issuer then outstanding. The annual liability of the Company for the General Costs of the Issuer shall not exceed .05% of the largest aggregate principal amount of Bonds issued on behalf of the Company Outstanding on any date during such year. “General Costs” shall mean the costs and expenses of the Issuer which are not otherwise required to be reimbursed to the Issuer pursuant to the agreement of the Company as provided in the preceding paragraph or pursuant to agreements similar to the preceding paragraph by other Persons on whose behalf bonds are issued by the Issuer.

(b) Trustee and Paying Agent. The Company agrees to pay all costs paid, incurred or charged by the Trustee and the Paying Agent including, without limitation, (i) all fees and out-of-pocket expenses incurred with respect to services rendered under any of the Bond Documents, (ii) all amounts payable to the Trustee and the Paying Agent pursuant to Section 807 of the Indenture, and (iii) all out-of-pocket expenses (including reasonable fees and expenses of attorneys employed by the Paying Agent and the Trustee) incurred in connection with the enforcement of any rights or remedies or the performance of duties under the Bond Documents.

ARTICLE V

COVENANTS OF THE COMPANY

Section 5.1 Indemnification.

(a) Agreements to Indemnify. The Company agrees that it will at all times indemnify and hold harmless each of the Indemnified Parties against any and all Losses other than Losses resulting from fraud, willful misconduct or theft on the part of the Indemnified Party claiming indemnification. IT IS THE EXPRESS INTENTION AND AGREEMENT OF THE PARTIES THAT THE COMPANY WILL INDEMNIFY THE INDEMNIFIED PARTIES AGAINST LOSSES WHICH ARISE FROM THE NEGLIGENCE OF ANY INDEMNIFIED PARTY.

(b) Release. None of the Indemnified Parties shall be liable to the Company for, and the Company hereby releases each of them from, all liability to the Company for, all injuries, damages or destruction to all or any part of any property owned or claimed by the Company that directly or indirectly result from, arise out of or relate to the design, construction, operation, use, occupancy, maintenance or ownership of the Project or any part thereof, even if such injuries, damages or destruction directly or indirectly result from, arise out of or relate to, in whole or in part, one or more acts or omissions of the Indemnified Parties (other than fraud, willful

misconduct or theft on the part of the Indemnified Party claiming release) in connection with the issuance of the Bonds or in connection with the Project.

(c) Subrogation. Each Indemnified Party, as appropriate, shall reimburse the Company for payments made by the Company pursuant to this Section to the extent of any proceeds, net of all expenses of collection, actually received by it from any other source (but not from the proceeds of any claim against any other Indemnified Party) with respect to any Loss to the extent necessary to prevent a multiple recovery by such Indemnified Party with respect to such Loss. At the request and expense of the Company, each Indemnified Party shall claim or prosecute any such rights of recovery from other sources (other than any claim against another Indemnified Party) and such Indemnified Party shall assign its rights to such rights of recovery from other sources (other than any claim against another Indemnified Party), to the extent of such required reimbursement, to the Company.

(d) Notice. In case any Claim shall be brought or, to the knowledge of any Indemnified Party, threatened against any Indemnified Party in respect of which indemnity may be sought against the Company, such Indemnified Party promptly shall notify the Company in writing; provided, however, that any failure so to notify shall not relieve the Company of its obligations under this Section.

(e) Defense. The Company shall have the right to assume the investigation and defense of all Claims, including the employment of counsel and the payment of all expenses. Each Indemnified Party shall have the right to employ separate counsel in any such action and participate in the investigation and defense thereof, but the fees and expenses of such counsel shall be paid by such Indemnified Party unless (i) the employment of such counsel has been specifically authorized by the Company, in writing, (ii) the Company has failed after receipt of notice of such Claim to assume the defense and to employ counsel, or (iii) the named parties to any such action (including any impleaded parties) include both an Indemnified Party and the Company, and the Indemnified Party shall have been advised by counsel that there may be one or more legal defenses available to it which are different from or additional to those available to the Company (in which case, if such Indemnified Party notifies the Company in writing that it elects to employ separate counsel at the Company's expense, the Company shall not have the right to assume the defense of the action on behalf of such Indemnified Party; provided, however, that the Company shall not, in connection with any one action or separate but substantially similar or related actions in the same jurisdiction arising out of the same general allegation or circumstances, be liable for the reasonable fees and expenses of more than one separate firm of attorneys for the Indemnified Party, which firm shall be designated in writing by the Indemnified Party).

(f) Cooperation; Settlement. Each Indemnified Party shall cooperate with the Company in the defense of any action or Claim. The Company shall not be liable for any settlement of any action or Claim without the Company's consent but, if any such action or Claim is settled with the consent of the Company or there be final judgment for the plaintiff in any such action or with respect to any such Claim, the Company shall indemnify and hold harmless the Indemnified Parties from and against any Loss by reason of such settlement or judgment to the extent provided in Subsection (a).

(g) Survival; Right to Enforce. The provisions of this Section shall survive the termination of this Agreement, and the obligations of the Company hereunder shall apply to Losses or Claims under Subsection (a) whether asserted prior to or after the termination of this Agreement. In the event of failure by the Company to observe the covenants, conditions and agreements contained in this Section, any Indemnified Party may take any action at law or in equity to collect amounts then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement or covenant of the Company under this Section. The obligations of the Company under this Section shall not be affected by any assignment or other transfer by the Issuer of its rights, titles or interests under this Agreement to the Trustee pursuant to the Indenture and will continue to inure to the benefit of the Indemnified Parties after any such transfer. The provisions of this Section shall be cumulative with and in addition to any other agreement by the Company to indemnify any Indemnified Party.

(h) Trustee. The Company also agrees to indemnify the Trustee, and any of their officers, directors, employees, agents, affiliates (including without limitation, the Trustee as Paying Agent under the Indenture) or successors (collectively, the “Indemnitees”), for, and to defend and hold them harmless against, any loss, liability, claims, proceedings, suits, demands, penalties, costs and expenses, including without limitation, the costs and expenses of outside and in house counsel and experts and their staffs and all expenses of document location, duplication and shipment and of preparation to defend and defending any of the foregoing (“Losses”), that may be imposed on, incurred by or asserted against any Indemnitee in respect of (i) any loss, or damage to any property, or injury to or death of any person, asserted by or on behalf of any Person arising out of, resulting from, or in any way connected with the Project, or the conditions, occupancy, use, possession, conduct or management of, or any work done in or about the Project or from the planning, design, acquisition or construction of any Project facilities or any part thereof, (ii) the issuance of the Bonds or the Issuer’s authority therefore; (iii) the Indenture and any instrument related thereto, (iv) the Trustee’s execution, delivery and performance of the Indenture in respect of any Indemnitee except to the extent such Indemnitee’s negligence or bad faith primarily caused the Loss, and (v) compliance with or attempted compliance with or reliance on any instruction or other direction upon which the Trustee may rely under the Indenture or any instrument related thereto. The Company further agrees to indemnify the Indemnitees against any Losses as a result of (1) any untrue statement or alleged untrue statement of any material fact or the omission or alleged omission to state a material fact necessary to make the statements made not misleading in any statement, information or material furnished by the Company to the Issuer or the Trustee, including, but not limited to any disclosure utilized in connection with the sale of the Bonds or (2) the inaccuracy of the statement contained in any section of any Bond Document relating to environmental representations and warranties. The foregoing indemnification shall include, without limitation, indemnification for any statement or information concerning the Company or its officer and members or its Property contained in any official statement or other offering document furnished to the Trustee or the purchaser of any Bonds that is untrue or incorrect in any material respect, and any omission from such official statement or other offering document of any statement or information which should be contained therein for the purpose for which the same is to be used or which is necessary to make the statements therein concerning the Company, its officers and members and its Property not misleading in any material respect. The foregoing is in addition to any other rights, including rights to indemnification, to which the Trustee may otherwise be entitled.

Section 5.2 Removal of Liens. If any lien, encumbrance or charge of any kind based on any claim of any kind (including, without limitation, any claim for income, franchise or other taxes, whether federal, state or otherwise) shall be asserted or filed against the Trust Estate, or any Loan Payment paid or payable by the Company under or pursuant to this Agreement, or any order (whether or not valid) of any court shall be entered with respect to the Trust Estate, or any such Loan Payment by virtue of any claim of any kind, in any case so as to:

(a) interfere with the due payment of such amount to the Trustee or the due application of such amount by the Trustee or any Paying Agent pursuant to the applicable provisions of the Indenture,

(b) subject the Bondholders to any obligation to refund any money applied to payment of principal (premium, if any) and interest on any Bond, or

(c) result in the refusal of the Trustee or any Paying Agent to make such due application because of its reasonable determination that liability might be incurred if such due application were to be made,

then the Company will promptly take such action (including, but not limited to, the payment of money) as may be necessary to prevent, or to nullify the cause or result of, such interference, obligation or refusal, as the case may be.

Section 5.3 Tax Covenants. The Company will not, through any act or omission, adversely affect the exclusion from gross income of interest paid or payable on the Series 2010 Bonds for federal income tax purposes, and, in the event of such action or omission, it will use all reasonable efforts to cure the effect of such action or omission. Certain terms used in this Section are defined in Section 5.3(s). With the intent not to limit the generality of the foregoing, the Company covenants and agrees that prior to the final Maturity of the Series 2010 Bonds, unless it has received and filed with the Issuer and the Trustee a Favorable Opinion of Bond Counsel:

(a) Maintenance of Exempt Status. The Company will (i) conduct its operations in a manner that will result in its continued qualification as an organization described in Section 501(c)(3) of the Code as represented in Section 2.2(i)(A) through 2.2(i)(L) of this Agreement, and (ii) timely file or cause to be filed all materials, returns, reports and other documents which are required to be filed with the IRS.

(b) Diversion of Funds for Unrelated Purposes. The Company will not divert any substantial part of its corpus or income for a purpose or purposes other than those for which it is organized and operated as represented in Section 2.2(i)(A) through 2.2(i)(J) of this Agreement.

(c) Ownership of Project. All of the property financed or refinanced with the Net Proceeds of the Series 2010 Bonds will, at all times prior to final Maturity of the Series 2010 Bonds or prior to the expiration of the useful life of such property, be owned for federal income tax purposes by the Company or by another Exempt Person.

(d) Limit on Costs of Issuance. The Sale Proceeds of the Series 2010 Bonds will be expended for the purposes set forth in this Agreement and in the Indenture and no portion thereof in excess of 2 percent of the Sale Proceeds of the Series 2010 Bonds, within the meaning of Section 147(g) of the Code, will be expended to pay Costs of Issuance with respect to the Series 2010 Bonds.

(e) Use of Net Proceeds. The Company will not use or permit to be used, directly or indirectly, in any trade or business carried on by any Person who is not an Exempt Person, more than the lesser of (i) 5 percent of the Net Proceeds of the Series 2010 Bonds or (ii) \$15,000,000. For purposes of the preceding sentence, (w) use of Net Proceeds by an organization described in Section 501(c)(3) of the Code with respect to an unrelated trade or business, determined according to Section 513(a) of the Code, does not constitute a use by an Exempt Person; (x) use of any property financed with the Net Proceeds of the Series 2010 Bonds constitutes use of such proceeds to the extent of the cost of such property financed with such Net Proceeds; (y) any use of the Net Proceeds of the Series 2010 in any manner contrary to the guidelines set forth in Revenue Procedure 97-13, 1997-1 C.B. 632 (as modified by Revenue Procedure, 2001-39, 2001-2 C.B. 38), Revenue Procedure 2007-47, 2007-29 I.R.B. 08, and the Regulations promulgated under Section 141 of the Code, shall constitute the use of such proceeds in the trade or business of a Person who is not an Exempt Person; and (z) any use of the Net Proceeds to pay Costs of Issuance shall constitute the use of such proceeds in the trade or business of a Person who is not an Exempt Person.

(f) Loans of Sale Proceeds. The Company will not use or permit the use of any portion of the Sale Proceeds of the Series 2010 Bonds, directly or indirectly, to make or finance loans to persons who are not Exempt Persons. For purposes of the preceding sentence, (i) a loan to an organization described in Section 501(c)(3) of the Code for use with respect to an unrelated trade or business, determined according to Section 513(a) of the Code, does not constitute a loan to an Exempt Person and (ii) any transaction that constructively transfers ownership of property financed with Sale Proceeds of the Series 2010 Bonds for federal income tax purposes constitutes a loan of such Sale Proceeds.

(g) Rebate. The Company agrees to take all steps necessary to compute and pay any rebatable arbitrage in accordance with Section 148(f) of the Code, including:

(i) Delivery of Documents and Money on Computation Dates. The Company shall deliver to the Trustee, within 45 days after each Computation Date for the Series 2010 Bonds,

(A) a statement, signed by an officer of the Company, stating the Rebate Amount as of such Computation Date; and

(B) (1) if such Computation Date is an Installment Computation Date, an amount that, together with any amount then held for the credit of the Rebate Fund, is equal to at least 90 percent of the Rebate Amount in respect of the Series 2010 Bonds as of such Installment Computation Date, less any prior payments made to the United States for rebatable arbitrage in respect of the Series 2010 Bonds, (2) if such Computation Date is the Final Computation Date, an amount

that, together with any amount then held for the credit of the Rebate Fund in respect of the Series 2010 Bonds, is equal to the Rebate Amount as of such Final Computation Date, less any prior payments made to the United States for rebatable arbitrage in respect of the Series 2010 Bonds, or (3) if such Computation Date is an Expenditure Date, an amount that, together with any amount then held for the credit of the Rebate Fund in respect of the Series 2010 Bonds, is equal to the Rebate Amount in respect of the Series 2010 Bonds as of such Expenditure Date; and

(C) an IRS Form 8038-T completed as of such Computation Date.

(ii) Correction of Underpayment. If the Company shall discover or be notified as of any date that any payment paid to the United States Treasury pursuant to the Indenture of an amount described in Section 5.3(g) (i) above shall have failed to satisfy any requirement of Section 1.148-3 of the Regulations (whether or not such failure shall be due to any default by the Company, the Issuer, or the Trustee), the Company shall (1) pay to the Trustee (for deposit to the Rebate Fund) and cause the Trustee to pay to the United States Treasury from the Rebate Fund the Rebate Amount, together with any penalty and/or interest due, as specified in Section 1.148-3(h) of the Regulations, within 175 days after any discovery or notice and (2) deliver to the Trustee an IRS Form 8038-T completed as of such date. If such Rebate Amount, together with any penalty and/or interest due, is not paid to the United States Treasury in the amount and manner and by the time specified in the Regulations the Company shall take such steps as are necessary to prevent the Series 2010 Bonds from becoming arbitrage bonds, within the meaning of Section 148 of the Code. Additionally, the Company agrees that if at any point the Rebate Fund incurs losses from investment, the Company will repay amounts equaling such losses into the Rebate Fund.

(iii) Records. The Company shall retain all of its accounting records relating to the Debt Service Fund, the Construction Fund, the Debt Service Reserve Fund and the Rebate Fund and the investment and expenditure of the Proceeds of the Series 2010 Bonds and all calculations made in preparing the statements described in this Section 5.3(g) for at least six years after the later of the final Maturity of the Series 2010 Bonds or the first date on which no Series 2010 Bonds are Outstanding.

(iv) Fees and Expenses. The Company agrees to pay all of the fees and expenses of a nationally-recognized bond counsel, a certified public accountant and any other necessary consultant employed by the Company, the Trustee or the Issuer in connection with computing the Rebate Amount.

(v) No Diversion of Rebatable Arbitrage. The Company will not indirectly pay any amount otherwise payable to the federal government pursuant to the foregoing requirements to any Person other than the federal government by entering into any investment arrangement with respect to the Gross Proceeds of the Series 2010 Bonds that is not purchased at fair market value or includes terms that the Company would not have included if the Series 2010 Bonds were not subject to Section 148(f) of the Code.

(vi) Modification of Requirements. If, at any time during the term of this Agreement, the Issuer, the Trustee, or the Company desires to take any action that would otherwise be prohibited by the terms of this Section, such Person shall be permitted to take such action if it shall first obtain and provide to the other Persons named herein a Favorable Opinion of Bond Counsel. The Company will hire a Rebate Analyst to perform the calculations required in this Section 5.3(g); provided, however, this shall not absolve the Company of any of the covenants of this Section 5.3(g).

(h) “Federally Guaranteed” Obligations. The Company will not cause the Series 2010 Bonds to be treated as “federally guaranteed” obligations for purposes of Section 149(b) of the Code.

(i) Prohibited Facilities. None of the Proceeds of the Series 2010 Bonds will be used to provide any airplane, sky-box or other private luxury box, facility primarily used for gambling or store the principal business of which is the sale of alcoholic beverages for consumption off premises.

(j) Information Reporting Requirements. The Company will cause the Issuer to comply with the information reporting requirements of Section 149(e)(2) of the Code requiring certain information regarding the Series 2010 Bonds to be filed with the IRS within prescribed time limits.

(k) Yield on Investment of Gross Proceeds. The Company will restrict the cumulative, blended Yield on the investment of the Gross Proceeds of the Series 2010 Bonds, to the Yield of such issue, other than amounts (i) not subject to yield restriction due to any applicable temporary period under Section 148(c) of the Code, deposit in a Reasonably Required Reserve or Replacement Fund, the Rebate Fund, a bona fide debt service fund (including the Debt Service Fund), or as a minor portion, or (ii) invested at a restricted yield by virtue of being invested in obligations described in Section 103(a) of the Code that are not “specified private activity bonds” within the meaning of Section 57(a)(5) of the Code to the extent required by the Code or the Regulations.

(l) Notification of the Internal Revenue Service. The Company will timely notify the IRS of any changes in its organizational documents or method of operations to the extent that the IRS does not already have knowledge of any such changes.

(m) No Arbitrage. The Company will not use or invest the Proceeds of the Series 2010 Bonds such that the Series 2010 Bonds become arbitrage bonds within the meaning of Section 148 of the Code, and as evidence of this intent, a representative of the Company has reviewed the No-Arbitrage Certificate prepared in connection with the Series 2010 Bonds and the Company understands, and will take (or request the Trustee or the Issuer to take), the actions described therein.

(n) Bonds are Not Hedge Bonds. The Company covenants and agrees that not more than 50 percent of the Proceeds of the Series 2010 Bonds will be invested in Nonpurpose Investments having a substantially guaranteed Yield for four years or more within the meaning of Section 149(g)(3)(A)(ii) of the Code, and the Company reasonably expects that at least 85

percent of the spendable proceeds of the Series 2010 Bonds will be used to carry out the governmental purposes of the Series 2010 Bonds within the three-year period beginning on the Closing Date.

(o) Limit on Nonhospital Bonds. The Company will expend at least 95 percent of the Net Proceeds of the Series 2010 Bonds for Capital Expenditures incurred after August 5, 1997. Accordingly, the Series 2010 Bonds are not subject to the \$150,000,000 limit on nonhospital bonds imposed by section 145(b) of the Code.

(p) Public Approval. The Company covenants and agrees that the Proceeds of the Series 2010 Bonds will not be used in a manner that deviates other than in an insubstantial degree from the Project described in the respective written notice of public hearing regarding the Series 2010 Bonds published by the Issuer on February 5, 2010 in the Texas Register and February 1, 2010 in the Dallas Morning News.

(q) Limitation on Maturity. The Company will not make any changes to the Project that would, at the time made, cause the Company to violate the covenant set forth in Section 2.2(i)(K).

(r) Limitation of Project Expenditures. Other than to the extent of preliminary expenditures (i.e. architectural, engineering, surveying, soil testing, bond issuance, and similar costs that are incurred prior to commencement of acquisition, construction or rehabilitation of the Project (other than land acquisition, site preparation and similar costs incident to commencement of construction)), no portion of the Proceeds of the Series 2010 Bonds will be disbursed to reimburse the Issuer, the Company or any “related person” (within the meaning of section 144(a)(3) of the Code) for any expenditures paid or incurred prior to the date that is 60 days before the Closing Date or the date the Company entered into a reimbursement resolution described in Section 1.150-2 of the Regulations.

(s) Definitions. The following terms have the meanings assigned to them below whenever they are used in this Agreement:

“Available Construction Proceeds” has the meaning set forth in Section 148(f)(4)(C)(vi) of the Code.

“Bond Year” means, with respect to the Series 2010 Bonds, each one-year period (or shorter period from the Closing Date) that ends at the close of business on the day selected by the Company. The first and last Bond Years may be short periods. If no day is selected by the Company before the earlier of the final Maturity of such issue of Bonds or the date that is five years after the Closing Date, Bond Years end on each anniversary of the Closing Date and on the date of final Maturity. Unless notified in writing to the contrary, the Trustee may conclusively presume that Bond Years end on each anniversary of the Closing Date and the date of final maturity.

“Computation Date” means each Installment Computation Date and the Final Computation Date, and, in addition, with respect to any portion of the Series 2010 Bonds that is a

Construction Bond Issue, with respect to which the penalty set forth in Section 148(f) of the Code has been elected, each Expenditure Date.

“Construction Bond Issue” means any bond issuance, (or any portions thereof elected by the Issuer in accordance with Section 148(f)(4)(C)(v) of the Code) where at least 75 percent of the Available Construction Proceeds, are to be used for construction expenditures (including expenditures for reconstruction and rehabilitation) with respect to property that is or will be owned by an Exempt Person.

“Expenditure Delay Penalty” means, with respect to any portion of the Series 2010 Bonds that is a Construction Bond Issue, an amount equal to (i) the penalty provided under Section 148(f) of the Code, or (ii) one and one half percent of the Unexpended Required Amount on each Expenditure Date, all in accordance with Section 148(f)(4)(C)(vii) of the Code.

“Final Computation Date” means the final Maturity of the Series 2010 Bonds.

“Gross Proceeds” means any Proceeds and Replacement Proceeds of the Series 2010 Bonds.

“Installment Computation Date” means the last day of the fifth and each succeeding fifth Bond Year.

“Investment Proceeds” means any amounts actually or constructively received from investing Proceeds.

“Investment Property” means (i) any security (within the meaning of Section 165(g)(2)(A) or (B) of the Code), (ii) any obligation, (iii) any annuity contract, (iv) any investment-type property, or (v) in the case of a bond other than a private activity bond, any residential rental property for family units which is not located within the jurisdiction of the issuer and which is not acquired to implement a court ordered or approved housing desegregation plan.

“Issue Price” means, with respect to the Series 2010 Bonds, “issue price” as defined in Sections 1273 and 1274 of the Code, unless otherwise provided in Sections 1.148-0 through 1.148-11 of the Regulations and, generally, is the aggregate initial offering price to the public (excluding bond houses, brokers and other intermediaries acting in the capacity of wholesalers or underwriters) at which a substantial number of each Maturity of the Series 2010 Bonds is sold.

“Qualifying Costs” means the Project Costs (excluding the costs for funding a debt service reserve fund) that will be used, directly or indirectly in any trade or business carried on by any Person who is an Exempt Person. For purposes of the preceding sentence, (i) use by an organization described in Section 501(c)(3) of the Code with respect to an unrelated trade or business, determined according to Section 513(a) of the Code, does not constitute use by an Exempt Person, and (ii) any use in any manner contrary to the guidelines set forth in Revenue Procedures 97-13, 1997-1 C.B. 632 (as modified by Revenue Procedure 2001-39, 2001-2 C.B. 38), Revenue Procedure, 2007-47, 2007-29 I.R.B. 08 or the Regulations promulgated under Section 141 of the Code, shall constitute use by a Person who is not an Exempt Person.

In the case of any Temporary Period Issue, the “Rebate Amount” as of any Computation Date shall be limited to the “Rebate Amount” attributable to any Reasonably Required Reserve or Replacement Fund. For any Construction Bond Issue, the “Rebate Amount” as of any Computation Date shall be the Expenditure Delay Penalty plus (in the case of a Computation Date other than an Expenditure Date) the “Rebate Amount” attributable to any Reasonably Required Reserve or Replacement Fund.

“Rebate Analyst” means an independent certified public accountant, financial analyst or bond counsel, or any firm of the foregoing, or financial institution, experienced in making the arbitrage and rebate calculations required pursuant to Section 148(f) of the Code, selected, retained and compensated by the Company pursuant to this Section 5.3(g) to make the computations and give the directions required under Section 405 of the Indenture.

“Unexpended Required Amount” means, for any Construction Bond Issue, the Required Amount on any Expenditure Date less the percentage of Available Construction Proceeds actually expended on and prior to such Expenditure Date; provided, however, that in the case of any Expenditure Date that falls on or after the two-year anniversary of the Closing Date, Available Construction Proceeds actually expended shall include a reasonable retainage (not in excess of five percent of “available construction proceeds,” within the meaning of Section 148(f) of the Code) if such retainage is expended prior to the three-year anniversary of the Closing Date.

Section 5.4 Financial Reports; No Default Certificates; Notice of Default.

(a) The Company shall cause an annual audit of its books and accounts to be made by independent certified public accountants and delivered to it within 120 days after the end of each Fiscal Year of the Company. At the same time said audit report is delivered to the Company, the

The Trustee shall have no duty to examine or independently verify any such audit reports or the matters described in any such certificate other than to examine the certificate for compliance with the required statements therein, and shall have no duty to furnish such audits to any third party.

(b) The Company shall also, promptly upon receiving notice thereof, notify the Issuer and the Trustee in writing upon the occurrence of an Event of Default or any event which with the giving of notice or the passage of time or both would constitute an Event of Default hereunder or under the Series 2010 Notes, the Master Indenture or the Indenture.

Section 5.5 Further Assurances and Corrective Instruments; Recordation. The Issuer and the Company agree that they will, from time to time, execute, acknowledge, and deliver, or cause to be executed, acknowledged, and delivered, such supplements hereto and such further instruments as may reasonably be required for carrying out the intention or facilitating the performance of this Agreement, the Indenture and, with respect to the Company, the Master Indenture.

The Company covenants that it will act and cooperate so that this Agreement, the Master Indenture, the Indenture, any financing statements, and all supplements thereto, and any other instruments as may be required from time to time to be kept, will be recorded and filed in such manner and in such places as may from time to time be required by law in order fully to preserve and protect the security of the Holders and the rights of the Trustee under the Indenture.

Section 5.6 Environmental Indemnity. The Company hereby agrees to indemnify and hold harmless the Master Trustee, the Trustee, the Issuer and their successors, assigns, officers, affiliates and employees (collectively referred to in this Section as the “Indemnified Parties”) for, from and against any and all loss, costs, damages, exemplary damages, natural resources damages, liens, and expenses (including, but not limited to, attorneys’ fees and any and all other costs incurred in the investigation, defense and settlement of claims) (as used in this Section collectively, “Losses”) that Indemnified Parties may incur as a result of or in connection with the assertion against Indemnified Parties, of any claim, civil, criminal or administrative, which:

(a) arises out of the actual, alleged or threatened discharge, dispersal, release, storage, treatment, generation, disposal or escape of any Regulated Chemical, including, but not limited to, any solid, liquid, gaseous or thermal irritant or contaminant, including, but not limited to, smoke, vapor, soot, fumes, acids, alkalis, chemicals, medical waste and waste (including materials to be recycled, reconditioned or reclaimed); or

(b) actually or allegedly arises out of the use of any Regulated Chemical, the existence or failure to detect the existence or proportion of any Regulated Chemical in the soil, air, surface water or groundwater, or the performance or failure to perform the abatement or removal of any Regulated Chemical or of any soil, water, surface water or groundwater containing any Regulated Chemical; or

(c) arises out of the actual or alleged existence of any Regulated Chemical on, in, under, or affecting all or a portion of the Project; or

(d) arises out of any misrepresentations of the Company concerning any matter involving Regulated Chemicals; or

(e) arises out of the Company's failure to provide all information, make all submissions and filings, and take all steps required by appropriate government authority under any applicable environmental law, regulation, statute or program, whether federal, state or local, whether currently existing or hereinafter enacted.

The obligations under this Section shall not be affected by any investigation by or on behalf of Indemnified Parties, or by any information which Indemnified Parties may have or obtain with respect thereto.

Notwithstanding anything to the contrary contained in this Section, no indemnification shall be required for any damages under this Section incurred solely as the result of the gross negligence or willful misconduct of the party seeking indemnification.

The indemnification of the Indemnified Parties as provided in this Section shall remain in full force and effect if any such Losses directly or indirectly results from, arises out of, or relates to, or is asserted to have resulted from arisen out of or related to, the sole or contributory negligence of any of the Indemnified Parties.

The financial information and operating data to be provided pursuant to this Section may be set forth in full in one or more documents or may be included by reference to other publicly available documents, as permitted by the Rule.

The Company shall notify the MSRB, in a timely manner, of any failure by the Company to provide financial information or operating data in accordance with Section 5.7(a) of this Agreement by the time required by such Section.

(c) Limitations, Disclaimers, and Amendments. The Company shall be obligated to observe and perform the covenants specified in this Section for so long as, but only for so long as, the Company remains an “obligated person” with respect to the Bonds within the meaning of the Rule, except that the Company in any event will give notice of any deposit made in accordance with Texas law that causes Bonds no longer to be outstanding.

The provisions of this Section are for the sole benefit of the holders and beneficial owners of the Bonds, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The Company undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the Company’s financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. The Company does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

UNDER NO CIRCUMSTANCES SHALL THE COMPANY BE LIABLE TO THE HOLDER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE COMPANY, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

No default by the Company in observing or performing its obligations under this Section shall comprise a breach of or default under this Agreement for purposes of any other provision of this Agreement.

Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the Company under federal and state securities laws.

The provisions of this Section may be amended by the Company from time to time to adopt to changed circumstances that arise from a change in legal requirements, change in law, or change in the identity, nature, status or type of operations of the Company, but only if (i) the agreement, as amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (ii) either (a) the holders of a majority in aggregate principal amount of the outstanding Bonds consent to such amendment, or (b) a person unaffiliated with the Company (such as nationally recognized bond counsel), determines that the amendment will not materially impair the interests of the holders and beneficial owners of the Bonds. If any such amendment is made, the Company will include in its next annual update an explanation in narrative form of the reasons for the change and its impact on the type of operating data or financial information being provided.

Section 5.8 Existence of the Company. While any of the Bonds remain Outstanding, the Company shall maintain its corporate existence and qualification to do business in the State, and, if different, the state of the Company's incorporation, and shall not merge or consolidate with any other corporation or entity or sell or dispose of all or substantially all of its assets, unless (and subject to the provisions of Sections 3.14 and 5.3) (a) either the Company shall be the surviving corporation in the case of a merger, or the surviving, resulting, or transferee corporation, as the case may be, shall expressly and unconditionally assume, in a written instrument delivered to the Issuer and the Trustee, the punctual performance and observance of all of the covenants and conditions of this Agreement to be performed by the Company; (b) the Company or such surviving, resulting, or transferee corporation, as the case may be, shall not, immediately after such merger or consolidation, or sale or disposition, be in default in the performance of any covenant or condition hereunder; (c) the surviving, resulting, or transferee corporation, as the case may be, shall be duly authorized to transact business in the State; (d) the Company or such surviving, resulting, or transferee corporation, as the case may be, shall have a net worth at least equal to the net worth of the Company immediately preceding such merger or consolidation, or sale or disposition, with net worth being determined in accordance with generally accepted accounting principles; and (e) the Trustee shall have received, to its

reasonable satisfaction, such other information, documents, certificates and opinions as the Trustee may reasonably require. Prior to the consummation of any such merger, sale, conveyance or transfer, (y) the Company shall deliver to the Issuer and the Trustee a Favorable Opinion of Bond Counsel and an Opinion of Bond Counsel to the effect that such act does not violate the Act or the Code and (z) the surviving, resulting, or transferee entity's certification to the Issuer and the Trustee to the effect that each of the conditions stated in clauses (a) through (e) of the preceding sentence is and will remain satisfied as of the date of such consummation and that such consummation will not cause any such condition to not be satisfied. Furthermore, the Company or any surviving, resulting or transferee corporation shall, at all times during the term of this Agreement, qualify as an "accredited primary or secondary school" or "authorized charter school" as such terms are defined in Section 53.02, Texas Education Code.

Section 5.9 Debt Service Coverage Ratio. Available Revenues for each Fiscal Year (without excluding any Discretionary Expenses actually incurred in such Fiscal Year) must be equal to at least 1.10x the Annual Debt Service Requirements of the Company as of the end of the first Fiscal Year after the date of issuance of the Bonds and thereafter until the Bonds have been paid in full. The Company's failure to achieve the required debt service coverage ratio does not constitute an Event of Default if the Company timely engages (within thirty (30) days of submittal of the certificate describing such circumstance or, if such certificate is not timely submitted, within thirty (30) days of the date such certificate was required to be submitted) an Independent Management Consultant, which such consultant timely prepares (within forty-five (45) days of engagement) a report (to be delivered to the Company and the Trustee) with recommendations for meeting the required debt service coverage ratio and the Company, to the extent legally permissible, implements, within thirty (30) days of receipt of such recommendation, the consultant's recommendations. Notwithstanding the preceding sentence, if the debt service coverage ratio falls below 1.0x of the Annual Debt Service Requirements of the Company, it shall constitute a default hereunder.

Section 5.10 Negative Pledge. The Company shall not create or allow any liens to exist on any of its plant, property or equipment included in the Deed of Trust, except as permitted by the Deed of Trust, including, without limitation, any mortgage or other lien on the property comprising the Company's Prichard, Bruton and Scyene campuses (except in connection with the issuance of additional Debt for such campuses and provided that any such mortgage or other lien on these campuses shall secure the Series 2010 Bonds in addition to such additional Debt).

Section 5.11 Disposition of Assets.

(a) Property Plant and Equipment ("PP&E"). No PP&E of the Company may be sold or otherwise disposed of unless (i) the PP&E is obsolete or worn out or (ii) fair market value is received in return or (iii) the market value of all PP&E disposed of in any fiscal year does not exceed five percent (5%) of the total market value of all PP&E of the Company, and such disposition must comply with the requirements of Section 45.082, Texas Education Code.

(b) Cash, Investments and Other Current Assets ("Liquid Assets"). No Liquid Assets of the Company may be sold or otherwise disposed of unless (i) fair market value is received in return or (ii) the total market value of Liquid Assets disposed of in any fiscal year does not exceed one percent (1%) of all Liquid Assets of the Company.

Section 5.12 Operating Reserves. Each Fiscal Year, the Company shall budget and maintain an amount equal to 45 days of budgeted Expenses commencing as of the end of the first Fiscal Year after the date of issuance of the Bonds and thereafter until the Bonds have been paid in full, to be tested at the end of each Fiscal Year. The Company's failure to achieve the required operating reserve level does not constitute an Event of Default if the Company timely engages (within thirty (30) days of submittal of the certificate describing such circumstance or, if such certificate is not timely submitted, within thirty (30) days of the date such certificate was required to be submitted) an Independent Management Consultant which such consultant timely prepares (within forty-five (45) days of engagement) a report (to be delivered to the Company and the Trustee) with recommendations for meeting the required operating reserve level and the Company, to the extent legally permissible, implements, within thirty (30) days of receipt of such recommendation, the consultant's recommendations. The operating reserves shall not be funded with Bond Proceeds.

ARTICLE VI

EVENTS OF DEFAULT; REMEDIES

Section 6.1 Events of Default Defined. The following shall be "Events of Default" under this Agreement and the term "Events of Default" shall mean, whenever used in this Agreement, any one or more of the following events:

- (a) Failure by the Company to pay the Loan Payments when due.
- (b) Any representation or warranty made or deemed made by the Company under the Bond Documents shall be false, misleading or erroneous in any material respect when made or deemed made, or a failure by the Company to observe and perform any covenant, condition, or agreement on its part to be observed or performed under this Agreement or the Indenture, other than as referred to in subsection (a) of this Section, for a period of 60 days after written notice, specifying such failure and requesting that it be remedied, is given to the Company by the Issuer or the Trustee.
- (c) The occurrence and continuance of any "Events of Default" specified in the Bond Documents or the Master Indenture that has not been waived.

The foregoing provisions of this Section (except Subsection (a) of this Section or a default under any other payment obligation of the Company hereunder) are subject to the following limitations: If by reason of Force Majeure the Company is unable in whole or in part to carry out its agreements contained herein, other than the obligations on the part of the Company to make Loan Payments or other payments due hereunder, the Company shall not be deemed in default during the continuance of such inability. The Company agrees, however, to remedy with all reasonable dispatch the cause or causes preventing the Company from carrying out its agreements by reason of such Force Majeure.

Section 6.2 Remedies Upon An Event of Default. Whenever any Event of Default shall have happened and be continuing, the Issuer, or the Trustee as assignee of the Issuer, may, subject to Article VIII of the Indenture, take any one or more of the following remedial steps:

(a) From time to time, may take whatever action at law or in equity or under the terms of the Bond Documents as necessary or desirable to collect the amounts then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement, or covenant of the Company under this Agreement or any other Bond Document.

(b) From time to time take whatever actions at law or in equity as necessary or desirable to enforce the obligations of the Company under Sections 4.7, 5.1 and 6.6 hereof.

Section 6.3 No Remedy to be Exclusive. No remedy herein conferred upon or reserved to the Trustee or the Issuer is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Trustee or the Issuer to exercise any remedy reserved to it in this Article, it shall not be necessary to give any notice other than such notice as may be herein expressly required.

Section 6.4 No Additional Waiver Implied by One Waiver. In the event any provision, covenant, or agreement contained in this Agreement should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Section 6.5 Remedial Rights Assigned to the Trustee. Such rights and remedies as are given the Issuer hereunder (except the Issuer's rights under Sections 4.7, 5.1 and 6.6 hereof) shall upon execution and delivery of the Indenture be assigned to the Trustee, and the Trustee shall have the right to exercise such rights and remedies, without the joinder or consent of the Issuer, in the same manner and under the limitations and conditions that the Trustee is entitled to exercise rights and remedies under the Indenture.

Section 6.6 Agreement to Pay Attorney's Fees and Expenses. If the Company should default under any of the provisions of this Agreement and as a consequence the Issuer and/or the Trustee should employ attorneys or incur other expenses for the collection for amounts payable hereunder or the enforcement of performance or observance of any obligation or agreement on the part of the Company contained in this Agreement, the Company agrees that it will on demand therefor reimburse the Issuer and/or the Trustee for the reasonable fees of such attorneys and such other reasonable expenses so incurred. When the Trustee or the Issuer incurs expenses, attorneys' fees, or renders services after an Event of Default specified in Section 601(c) or (d) of the Master Indenture occurs that is related to the dissolution or liquidation by the Company or the filing by the Company of a voluntary petition for relief, or the entry of an order or decree for relief in an involuntary case, or the entry of an order or decree for dissolution, liquidation or winding up of the affairs of the Company under any applicable bankruptcy, insolvency, or similar law, the expenses, attorneys' fees and compensation for the services are intended to constitute post-petition expenses of administration under any bankruptcy law.

ARTICLE VII

MISCELLANEOUS

Section 7.1 Severability of Provisions of this Agreement. In the event any provision of this Agreement shall be held invalid or unenforceable by any court or competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

Section 7.2 Execution of this Agreement in Counterparts. This Agreement may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 7.3 Captions and Preambles. The captions or headings in this Agreement are for convenience only and in no way define, limit, or describe the scope or intent of any provisions or sections of this Agreement. The preambles hereto are hereby incorporated herein and made a part of this Agreement for all purposes.

Section 7.4 No Pecuniary Liability of the Issuer. No provision, covenant, or agreement contained in this Agreement or breach thereof shall constitute or give rise to any pecuniary liability on the part of the Issuer or any charge upon its general credit. In making such provisions, covenants, or agreements, the Issuer has not obligated itself, except with respect to the Project and the application of the revenues of this Agreement, as hereinabove provided. It is recognized that the Issuer's only source of funds with which to carry out its commitments under this Agreement will be from the proceeds of the sale of the Bonds and payments to be made by the Company hereunder; and it is expressly agreed that the Issuer shall have no liability, obligation, or responsibility with respect to this Agreement or the Project except to the extent of funds available from such Bond proceeds and payments to be made by the Company hereunder.

Section 7.5 Payment to the Issuer. The Company agrees to pay directly to the Issuer all fees required to be paid by the Company under the Issuer's regulations as in effect as of the date hereof (which is currently [\$25,000]), costs of issuance reasonably incurred by the Issuer in connection with the issuance of the Bonds, and other expenses, if any, incurred from time to time by the Issuer in connection with the Project or the Bonds.

Section 7.6 Status of the Parties' Relationship. Nothing in this Agreement shall be construed to make either party the partner or joint venturer of or with the other party.

Section 7.7 Governing Law. The validity, interpretation, and performance of this Agreement shall be governed by the laws of the State.

Section 7.8 Final Agreement. THIS WRITTEN AGREEMENT AND THE OTHER BOND DOCUMENTS REPRESENT THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS, OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.

Section 7.9 Third Party Beneficiary. The parties hereto expressly recognize that the Trustee is a third party beneficiary to this Agreement and may enforce any right, remedy, or claim conferred, given or granted hereunder.

IN WITNESS WHEREOF, the Issuer and the Company have caused this Agreement to be signed in their behalf by their duly authorized representatives as of the date set forth above.

Future Nova Academy Prichard Campus

Nova Academy, with the acquisition of the proposed new Nova Academy Prichard campus, will be a pipeline, a channel; that parents can follow from elementary to middle school in the Pleasant Grove community. Nova Academy can combine the district's best teaching practices with exemplary leadership.

The proposed new campus (Nova Academy Prichard) will complement the tradition of excellence that has existed at Nova Academy. The expansion will be a "Pre-K-8th continuum" beginning with children in Pre-Kindergarten and following them all the way through middle school in their own Pleasant Grove Neighborhood.

Nova Academy's focus will remain on the following; (1) The continuation of the tradition of academic excellence that has existed at the school for many years; (2) The school district will continue to maintain their academic ranking of "Recognized" status awarded by TEA (Texas Education Agency, while striving to attain the ranking of "EXEMPLARY", the highest ranking that a school in Texas can receive; (3) Our administrators, faculty, and staff will continue to make a difference in the lives of the children that attend Nova Academy.
