<sup>1</sup> Original authorization of \$500,000,000 was reduced to \$250,000,000 by public vote on November 7, 1995. All \$250,000,000 of bonds that had been issued are defeased.

<sup>2</sup> Constitution authorizes \$850,000,000 and requires Legislative appropriation for amounts for specific projects. The Legislature appropriated funds from FY 2002-2011.

<sup>3</sup> Constitution authorizes \$1,000,000,000 and requires Legislative appropriation for amounts for specific projects. The Legislature appropriated funds from FY 2008-2015.

<sup>4</sup> Per S.B. 1016, 81st Leg. RS (2009), the Authority is authorized to issue debt on behalf of the Texas Agricultural Finance Authority (TAFA) for certain agricultural loan programs. On April 22, 2022, TAFA submitted a request for financing under Section 49-f(g). The Authority is in the process of creating a commercial paper program to facilitate the requested financing. The authorization provided by Sec. 49-f authorizes the issuance of General Obligation debt so long as the amount outstanding at any one point in time does not exceed \$500 million. Debt previously issued by TAFA under authority of Sec. 49-f has been fully redeemed and no debt is currently outstanding.
